PRESIDENT'S REPORT 2016/17

Introduction:

It has been an absolute privilege to serve as the President of the St Ives Junior Cricket club for the 2016/17 season. The support I have from the committee makes this role a very enjoyable experience. Additionally, the parents who put their hands up to coach, manage, umpire and score every weekend keeps our club moving forward and enables the 650+ players within the club to enjoy the game to the fullest. This season, our club became the largest junior cricket club in NSW with over 55 teams in various competitions within the North Shore Junior Cricket Association.

In the report below, I would like to highlight our key achievements for this season and set out our vision for the next 2-3 years for our club.

What SIJCC set out to do:

This season, SIJCC had four priorities set out in line with the direction that Cricket Australia has set for the game.

1. Increase participation and inspire the next generation of cricketers
2. Provide a seamless path for talented young cricketers through to senior cricket
3. Embrace the digital age
4. Grow our revenue through alternative income sources

Increase participation and inspire the next generation of cricketers

To thrive as a junior cricket club, SIJCC need new players to want to play cricket with the club and parents of all age groups to increase their connection to the club via active roles both at a team level and at the club level. This is particularly important in the younger age groups.

This season, SIJCC was successful in attracting more players in the younger age groups (In2cricket, T20 Blast and U9/10) and through structured coaching at all levels, we provided a solid grounding for these players on the basics of cricket. The increase in the number of 20 Over competitions provided an alternative for many players and parents to enjoy an action packed game of cricket under amended rules which offered an opportunity for players to participate in every aspect of the game every weekend. SIJCC continued to offer the participation options at U10 and U11 age groups.

SIJCC also focussed on the social aspects by opening the bar on Friday nights during the U9/U10

St Ives District Junior Cricket Club Inc

training sessions so the parent group were able to connect more with the club and with each other. The end of season social event was a huge success where many new friendships and connections were made among the parent group. SIJCC also secured infield activities at the Sheffield shield games in the SCG and arranged guest passes to the members' stand during the Sydney test match to many parents and kids. SIJCC also provided discounted memberships to new players who joined the club after the summer break when many players were inspired to try cricket after watching

the BBL and international cricket. SIJCC continue to have strong connections with Cricket NSW, NSJCA and the Sydney Sixers and will continue to leverage these in the next season. We have also engaged the parents to play themselves at Hassall Park and at the SCG. The inaugural McKay-Bartlett trophy was played on New Years' Day amongst an enthusiastic group of fathers and supporters of the club. Additionally, two St Ives teams played a charity game of cricket at the SCG while raising funds for the Primary Club of Australia. This truly was a once in a lifetime event for everyone who played.

Unfortunately, SIJCC were not able to field any girls' teams this season due to the lack of uptake. The club will need to be imaginative in the way girls are recruited, and need to engage girls' schools and girls' winter sports teams during the off season. SIJCC are looking into specific initiatives to have a number of girls' teams next season and already have secured a NSW sports grant to support this and are

partnering with Cricket NSW. SIJCC are putting additional energy into the U16/U17 age groups where we lose a significant percentage of our young cricketers beyond the U13/14 age groups due to school cricket and alternative sporting options in the summer. SIJCC are looking to increase connections with local schools and sports teachers ahead of next season.

Provide a seamless path for talented young cricketers through to senior cricket

The best foundation to keep players engaged in club cricket is to provide strong coaching support at every age group, tailoring the coaching to suit the needs of the different groups.

To that end, our coaching coordinator, Steve Bartlett has engaged a number of high quality coaches to

provide a systematic and high quality coaching program to all age groups. David Ford continued to coordinate the In2Cricket program and Mark McInnes was appointed to run the Friday night U9/U10 combined coaching program.

Additionally, the club provided extra coaches to the T20Blast program on Saturday mornings. The skills zone was run by dedicated coaches affiliated to Mark McInnes. Daniel Caldwell was engaged to give a coaching consultancy service to ALL coaches at U11 to U15 where he was able to provide specific insight and coaching tips based on observations from actual games. The club continued to provide financial assistance to every

club coach who secured the Level 1 coaching accreditation. Through these efforts we were able to

St Ives District Junior Cricket Club Inc

raise the collective standard of coaching during the season. The club conducted a skills assessment program for the U11, U12 and U13 competitions and this process is being replicated by all other clubs across the NSJCA. SIJCC will continue to improve this process and work in partnership with the NSJCA in the new season to provide the relevant insight to player parents to decide which competitions are best suited for their kids and for players to assess their own skill levels so they make good choices in the type of cricket they play and maximise their enjoyment.

There is a clear opportunity to streamline the pathway for players from In2Cricket to senior cricket and the club is engaged with the NSJCA and Cricket NSW to utilise the National Pathway program to align the club to the association and state level initiatives. SIJCC are also exploring opportunities to proactive support talented cricketers who are looking to join representative cricket at the U10 entry level, at the U16 Green Shield level and onto senior grade cricket. SIJCC are having scoping discussions with other coaching providers such as the Steve Waugh Foundation in order to get a deeper insight to the opportunities to partner. This will assist creation of stronger links between our club and the St Ives Wahroonga Senior cricket club in order for our senior players to move into grade cricket seamlessly beyond U17 competitions.

SIJCC are formulating plans for appropriate talent management processes in order to have maximum representation from the club at Rep and State level competitions. Ultimately, SIJCC would like to provide a consistent support mechanism for talented young cricketers who aspire to play at the highest level.

Embrace the Digital Age

As the world around us changes, SIJCC need to move with the times, particularly in the way we communicate with our members. Traditionally, we relied on a static website and push emails to send one-way communications out to parents. Registrations were completed on a stand-alone system that needed manual entry of registration details to the MyCricket platform.

Embrace the Digital Age

At the start of the season, our new operations manager, Katherine Stevenson spent the majority of her time setting up the new club website which is now hosted on the MyCricket platform thus allowing seamless updates on results, stats and news. This transition is now complete and our new website <http://stivescricket.nsw.cricket.com.au/> now comes up at the top of appropriate google searches. The site is mobile optimised which allows the parents to have an improved user experience on their smartphones or other hand-held devices. Katherine also revamped the club Facebook page <https://www.facebook.com/St-Ives-Junior-Cricket-Club-383067055085915/> and increased the likes to 247 during the season with relevant content and opportunities for parents to connect via the page. SIJCC provided an improved registration experience to our parents via the MyCricket platform which drastically reduced the admin burden for the club. The parents will get an even better experience next season as their information is already captured in the platform.

The club invested in setting up “TeamSnap” as the communication platform for the club and provided training and ongoing support for managers to engage their parent groups via the application. The match day logistics, just in time communications and in-team conversations have all increased via TeamSnap thus improving the connectivity both within the teams and between the club and the

St Ives District Junior Cricket Club Inc

parents.

The opportunity remains for the club to continue to improve the website and find ways to utilise TeamSnap, Facebook and Twitter in imaginative ways to ensure that the communications between the club and its members is a dynamic two-way process, particularly sharing stories and photos within Facebook and TeamSnap while the majority of transactional queries will be self-served via the website.

Grow our revenue through alternative income sources

As the operational cost of playing cricket in the North Shore of Sydney keeps going up, we need additional revenue to sustain the club's activities and to fund our aspirations. In keeping with our commitment of having registration fees kept to the lowest possible amount, SIJCC needed to look at alternatives to raise additional funds. As a club we have been blessed to have Matt Cole as our treasurer for a number of years and our accounts have been managed to the highest standard. His insights were invaluable to determine a path forward in achieving this goal.

We appointed Tracy Poulton as our sponsorship and fundraising manager at the start of the season and Tracy has done an exemplary job of identifying many new grant opportunities and coordinating the end of season fundraiser. Tracy also guided us to prioritise the replacement of the double nets and the centre wicket at Hassall Park as our major fundraising objective for the next 2 years. We have just secured \$17,000 worth of new grant money from Sports NSW grant which will go towards the cricket nets, additional coaching programs and investing in girls' cricket.

The end of season fundraiser with the theme of "Bogan Bingo" was a huge success and raised much needed funds for the club from the event and the silent auction on the night. For the first time, SIJCC have utilised an online silent auction portal, raising bids for various auction items. This enable parents to be involved in fundraising for the club who could not attend the Bogan Bingo night.

SIJCC have utilised many opportunities via Cricket NSW to raise funds including selling Toyota Good for Cricket raffle tickets.

By diligently managing our operating expenditure and increasing our fundraising, we have managed a small surplus this year despite a drop in membership vs 2016.

SIJCC will determine a sponsorship structure for the next three years and engage with local businesses ahead of the next season to secure major & minor sponsors. The learning from the end of season fundraiser will be used to set up an annual event at the end of every season. The club will continue to apply and secure grant opportunities as they come up for applications.

How did we do this season?

Our performance on the field is worth celebrating as many individual and team milestones were achieved this season.

The following teams won their respective minor premiers and championships. This season, our club was the most successful club within the NSJCA in terms of the number of minor premiers and championships won.

St Ives District Junior Cricket Club Inc

NSJCA Minor Premiers 2016-17

NSJCA Competition	SIJCC Team
U10 North	St Ives Bradman
U13 32 Overs	St Ives Starc
U13/14 32 Overs	St Ives Ponting
U14 32 Overs	St Ives Warner
U15 32 Overs	St ives North

NSJCA CHAMPIONS 2016-17

NSJCA Competition	SIJCC Team
U10 North	St Ives Bradman
U13 32 Overs	St Ives Starc
U13/14 32 Overs	St Ives Ponting
U14 32 Overs	St Ives Warner

The U14 Ponting team created a new St Ives club record for the highest total by a club team when they scored 489 for 9 vs St Pius.

There were 6 centuries scored this season across the club, with each batsmen scoring their first century in club cricket.

Player	Runs
Harrison J Lucas	120*
Justus Stals	119*
Deshan Malalage	102*
Blake Forbes	101*
Harrison J Lucas	100*
Campbell Johnson	100*

Additionally, there were 40 half centuries, with many players scoring their first 50 this season. Ben Worthington scored the most 50's with a total of 5 half centuries.

St Ives District Junior Cricket Club Inc

The following players scored over 400 runs for the season, including finals.

Player	Runs
Harrison Lucas	618
Ben Worthington	553
Anthony Bartlett	498
Andre Fourie	490
Deshan Malalage	434

There were 5 bowlers who achieved 5 wickets in an innings.

Player	O	M	R	W
Saxon Inglis	4.1	2	11	6
James Hardyman	3	0	5	5
Henry Day	3	0	6	5
Elliot Inman	4	0	12	5
Ronan Brennan	3.1	0	14	5

Additionally, Alexander Stewart and Saxon Inglis achieved hat-tricks this season.

The following bowlers achieved more than 18 wickets for the season, including finals.

Player	Wickets
Nicholas Apps	23
Connor Bell	20
Cooper Wright	18
Alex Holland	18
Kieran Brennan	18

Anthony Bartlett	18

St Ives District Junior Cricket Club Inc

There were some noteworthy fielding and wicket keeping performances this season. The following fielders held more than 10 catches in the season, including finals.

Player	Catches
Trystan Kennedy	22
Ben Worthington	17
Yianni Koulouris	12

The following wicketkeepers had more than 10 dismissals, including finals.

Player	Dismissals
Blake Forbes	16
Kyle Scholtz	13
Rex Pearce	13
Cooper Wright	13
Luke Hedley	11
Alexander Panikian	10
Benjamin Katz	10

*please note that for the purposes of club records only statistics for preliminary rounds are counted.

President's Encouragement Award

One player from each U10/11 team was nominated by their managers for the President's Encouragement Award. This award is a reflection of the way cricket is played at St Ives Cricket club and is presented to the player who is considered to have displayed the greatest dedication to the game, to the Club, and in developing their skills in the U10 and U11 competition. The following players received the 2016/17 nomination:-

Oliver Glynn
Lachlan Bartlett
Oliver Goodman
Matthew Abbott
Charlie Helps
Oscar Harvey
Angus Hamilton
Liam Hartley
Asher Hammersley
Max Woodhouse
Noah Stanwell
Rian Mistry

St Ives District Junior Cricket Club Inc

This season the award is presented to Oscar Harvey. In the award submission it was stated that "Oscar is a great kid and given he was one of the less confident kids at the start of the season. He has shown huge grit and selflessness pushing himself to open the batting and getting the team through the new ball against the opposition strike bowlers. He was never worried about his own stats and even put his hand up to keep on a regular basis. Despite the fact that he missed a lot of cricket having broken his arm and was ruled out from playing for the rest of the season, he still dragged his family out to watch and cheer the team on for at least 4-5 games from the sidelines. Oscar has grown in his skills but also love of cricket and his enthusiasm is infectious!"

I would like to acknowledge the support from Daniel Caldwell, David Ford, Manly Warringah cricket coaching school, Sydney cricket coaching - Mark McInnes, Planet Sports Gordon and McDonalds St Ives & Gordon. We are very grateful to Michael Doran for his continued major sponsorship through his new venture at Belle Properties and to our associated sponsors; Bakers Delight, Mitchell Asset Management, Pav Plumbing, Intertrade Insurance Solutions and Greg Chappell Cricket Centre for their support to the club this season.

I wanted to acknowledge Steven Bird and Matt Cole for the many years of service to the club in their respective roles as girls cricket coordinator and club treasurer. They both embody the spirit of the club and their generous time and energy over the last few years has helped our club to grow into what it is today.

I also wanted to make a special mention to David McKay, our outgoing president. David continues to support the club by initiating various activities such as the in-ground cricket games at the SCG during the Sheffield shield, the Bartlett-McKay cricket game and being part of the NSJCA dispensation committee. Thank you David for your leadership during your tenure as president and your continued support for the club.

Finally, I would like to thank the committee for their support and their dedication to the club. Their tireless efforts and unwavering energy has created a club that we can all be proud of. They are always looking at ways to make the club stronger and we continue to learn every season how we can improve things. Our club has been and always will be a place where any young cricketer can join a team and enjoy the game of cricket and have a clear pathway to playing cricket into their formative years.

The SIJCC's ultimate vision is for a boy or girl who joins the club at In2Cricket level to play the game all the way to senior grade level at our club and be able to select the most suitable path forward whether they are playing at recreational, competitive or elite standard. SIJCC is committed to providing the insight to parents (via current players and experienced coaches) and the coaching support to the players (via our expert panel of coaches) so parents and players can make the right decisions about how to play cricket that best fits the individual player's needs.

As the game of cricket evolves, SIJCC will need to move forward with the times. SIJCC will continue to make changes to take into account the needs of the players, their parents and the wider cricket community aligning ourselves to our local, state and national cricket governing bodies. We are well connected to the NSJCA, Cricket NSW and other bodies to take advantage of new initiatives and ideas. It's an exciting time to be part of junior cricket and St Ives Junior Cricket Club is moving forward to become one of the largest and the best junior cricket club in Australia.

Mahesh Malalage
President
St Ives Junior Cricket Club

St Ives District Junior Cricket Club Inc

NATIONAL AND STATE LEVEL REPRESENTATION 2016/17

Congratulations for the following significant achievements by St Ives Junior Cricket Club members:

NATIONAL LEVEL REPRESENTATION

Cricket Australia's Under 15 Development Squad: Sarah Turner was selected into the Australia U15 development squad. She will train in Brisbane later in 2017.

Cricket Australia U15 Talent Squad: Sarah Turner trained at the AIS in Jan 2017.

Cricket Australia U18 XI Team: Sarah Turner and Stella Campbell played in U18 Nationals in Hobart in November 2016. The team reached the finals where NSW U18 Metro beat them. Many girls in the team were well under U18. Sarah was the youngest player in the carnival.

STATE LEVEL REPRESENTATION

Cricket NSW Academy Program: The Cricket NSW Academy is an off season development program run for ages 13-16 across NSW.

U15 NSW Metro Academy: Sarah Turner were selected into the U14 Metro Academy.

U15 NSW Metro Team: Sarah Turner played in U15 Nationals in Canberra Jan 2017

U15 NSW State Challenge: Sarah Turner

NSW CIS Secondary School Team: Sarah Turner played in the NSW Secondary School Carnival held at Maitland March 2017

NSJCA REPRESENTATIVE CRICKET 2016/17

All juniors playing for St Ives Junior Cricket Club are eligible to trial for the representative team in their age group. Our Club had another strong representation in this Season's North Shore Junior Cricket Association representative teams.

DCA Reps: Each year, associations from all parts of Sydney, Newcastle, Wollongong and the ACT enter teams in the NSW Districts Junior Shield representative competitions (DCA).

IDCA (Presidents Cup) Reps: The Inter District Cricket Association (IDCA) runs this rep competition designed to give players with potential the opportunity to play the game at a level between the Association and DCA standard.

St Ives District Junior Cricket Club Inc

ST IVES JUNIOR REPRESENTATIVE PLAYERS 2016/17:

Congratulations to the following St Ives Junior Cricket Club members that were selected:

Age Group	DCA Rep	IDCA/Presidents Cup Rep	Shadow Player
U10	Callum Parkinson		
U11	Henry Anderson, Elliot Kerr, Dylan Johnson	Krish Tandon	Charlie Helps
U12	Lachlan Bill, Will Elliot, Luke Hedley, Tristan Kennedy		Jordan Iyengar
U13	Nick Hook, Deshan Malalage, Will Shortis	Dean Chertkow, Harrison David, Bailey Stevens	Nick Apps, Steven Mart
U13 Girls	Ciara Gibson		
U14	Tom Osborne	James Peterson, Joshua Newham	Daniel Cornofsky
U15	Thomas Elliot, Daniel Hardyman	Noah Conyer, Owen Shaw, Hayden Biet	
U16	Tyson Lee		Shubham Bakshi, Daniel Pavlich, Chintan Sapariya

REPRESENTATIVE PREMIER AND CHAMPIONSHIP TEAMS:

U10 DCA WG Foster Shield: Calum Parkinson was part of the winning NSJCA team.

U12 DCA Arch Cawsey Shield: Lachlan Bill, Will Elliot, Luke Hedley and Trystan Kennedy were part of the winning NSJCA team.

U12 Lismore Carnival: Lachlan Bill, Luke Hedley and Trystan Kennedy were part of the winning NSJCA team.

U13 DCA : WS Gee Shield: Deshan Malalage, Will Shortis and Nick Hook were part of the winning NSJCA team.

U13 Ballina Carnival: Nick Hook and Will Shortis were part of the NSJCA team who were joint winners.

U13 State challenge in Dubbo: Nick Hook & Will Shortis were part of the winning CNSW Metro team.

U14 DCA Harold Moore Shield: Tom Osborn was part of the winning NSJCA team.

U14 Newcastle Carnival: Graeme Malcolm Shield: Tom Osborn was part of the winning NSJCA team.

U14 City vs Country challenge vs Illawarra: Tom Osborn was part of the winning NSJCA team.

ANNUAL AWARDS CRITERIA - SIJCC Perpetual Awards

Awards are based on performances throughout the normal competition rounds. Semi-Finals and Finals performances are not included for the purpose of determining awards.

Perpetual awards are to be held by registered members of the Club only. Perpetual trophies shall be returned to the Club Registrar immediately a player ceases being a registered member of the Club, or at the end of the following season prior to Presentation Day.

JOHN WALSH MEMORIAL TROPHY (Club Champion): Awarded to the player who achieves the highest point score for the season (0.1 point per run scored, 1 points per wicket, catch, stumping, or run-out, 0.5 points per assisted run-out). All age groups are eligible. (Note: This trophy shall be held by a player once only; a player who has won the trophy once and scores the most points in a subsequent season will be acknowledged appropriately by the Club).

J. MAUNDER CUP: Presented to the player who scores the most runs in the season. All age groups are eligible. If two or more players score equal runs, the award will be shared.

CHARLTON CUP: Presented to the player who takes the most wickets in the season. All age groups are eligible. If two or more players take an equal number of wickets, the award will be shared.

BARRY GARROD TROPHY: Presented to the player who achieves the highest batting average in U11 and U12. A minimum aggregate of 200 runs must be scored for U12, and 150 for U11.

NEIL MARTZ TROPHY: Presented to the best performing wicket keeper for the season (total of catches and stumpings). All age groups are eligible.

PRESIDENT'S ENCOURAGEMENT AWARD: Presented to the player who is considered to have displayed the greatest dedication to the game, to the Club, and in developing their skills in the U10 and U11 competition. The Award is determined by the Club Executive on advice from each of the eligible team manager's recommendations.

STEVE DANIELS MEMORIAL TROPHY: Presented to the player judged to be the most promising in the Club, ready to play in the senior competition. It has been traditional to select a player from the Club's most senior teams, and the Committee when making the selection takes into account the player's history and performance over a reasonable period of time. All aspects of the game are considered including batting, bowling, fielding, captaincy, sportsmanship and contribution to the Club.

JOHNSON FAMILY AWARD: (sponsored by Northern Districts Cricket Club): Presented to the player judged to be the most promising playing in the U14/15 competition. The Committee, when making the selection takes into account the player's history and performance over a reasonable period of time, including performance in Representative cricket. In addition to a perpetual trophy the recipient receives a scholarship for the Northern District Cricket Academy for the following season.

STEVEN BIRD GIRLS' CHAMPIONSHIP TROPHY: Awarded to the female player who achieves the highest point score for the season (1 point per run scored, 10 points per wicket, catch, stumping, or runout, 5 points per assisted runout). All age groups playing Girls' only cricket are eligible.

AGE GROUP CHAMPIONS: Awarded to the player who achieves the highest point score for the season in the John Walsh Memorial trophy tradition. Awarded to the player who achieves the highest point score for the season (0.1 point per run scored, 1 points per wicket, catch, stumping, or run-out, 0.5 points per

St Ives District Junior Cricket Club Inc

ANNUAL AWARDS CRITERIA (cont.)

assisted run-out). All divisions in that age group are eligible.

100s, HAT TRICKS and 5 WICKETS IN A GAME: trophies are awarded to individuals who score 100 runs or take a hat trick or 5 wickets in a game during the season.

BATTING and BOWLING AWARDS: are made to the highest aggregate run scorers and wicket takers in each team. These stats are taken from MyCricket. If players are equal on aggregate, the best average is awarded the trophy.

MANAGER'S AWARDS: are awarded to the player who has played the game with the best "spirit of cricket" – the best all round, team player. To be decided by the Manager and/or Coach of each U10-U16/17 team.

U9's/U10's PARTICIPATION AWARDS: Each U9/Under 10 Participation team is awarded a Player of the Year award (for the best all round player) and a Best Team Player award (for the player who has played with the best "spirit of cricket"). These awards are decided by the Coach and/or Manager of each team.

OTHER AWARDS: Medallions are awarded to all members of Minor Premiers and Premiership winning teams by NSJCA. The Club also awards Minor Premier caps to each team member of Minor Premier teams (teams finishing on top of the table before the finals begin).

TEAM REPORTS

In2Cricket

We had a great bunch of kids this year. Most weeks we had full teams. When we had everyone there the coaches did a great job at keeping them in line.

Positives

- Each team had a team manager, connecting with them was easy via the TeamSnap app.
- Plenty of kits and equipment to go around each week
- David Ford was brilliant and ran the mornings like a well oiled machine
- Great location and field

Negatives

- Not a lot of parent participation - some groups the coaches were left to teach alone which in my opinion is awfully tough. Going forward I would encourage all parents especially those who's child may be of higher attention needs to help out on the mornings. This could be done in the form of an email prior to the beginning of the season.
- Some of the teams found some of the activities boring...this was dealt with in the beginning with one team - david took them on personally as they complained their children can already hold a bat and throw. This is more of an age thing, these kids have been in milo for a few years but weren't old enough to be moved up.
- There were a few kids under the age of 5. Closer to 4...This needs to be reviewed as it does make a difference to the group.
- Mince pies and tarts weren't a hit at all...but I think we are all on the same page there and won't be doing this next year.
- All in all there are a few things I will do differently next year. In asking for helpers and volunteers for managers I will outline their roles a little more in full. Communication with teams is the key to getting everyone involved and up to date with everything. There were a few people who didn't receive messages about rained off days which caused some stir.
- Kit bags - these will be one thing I will add to managers roles - a roster will need to be made up as David was left with numerous bags at the end of each morning because parents hadn't collected them.
- Kids loved their bats, wickets, tops and hats. Great packs.

Kirstie Ogilvy - In2Cricket Co-ordinator

St Ives District Junior Cricket Club Inc

Milo U8 T20Blast

Approximately 90 St Ives JCC juniors made the leap from Milo Cricket towards the big time this year by participating in the T20 Blast competition at Acron Oval every (well most) Saturday mornings. The St Ives Club provided 11 teams to play alongside 4 from Lindfield and one from West Pymble

The action was fast and furious with the speakers blaring the background, with 8 small oval games going all at once, along with a skills zone for the batters waiting their turn. This meant that everybody was involved in a cricketing activity for the whole session.

The skills all improved markedly during the year, the bowling got quicker, the shots got bigger and the boundaries flowed, and there are undoubtedly some talented juniors heading into the Under 9s competition next year.

The weather didn't treat us kindly in the back half of the year but whenever we got on the kids threw everything they had into the games. They all turned up with big smiles on their faces and left with bigger ones after locking horns with their opposition, indicating that the future of junior cricket for the St Ives club is in good shape

Enormous thanks to go Ben Gentle from Cricket NSW for his organisation every Saturday morning, Mark and Wayne who ran the skills zone so well, all the Team Managers who gave up their time to keep things running smoothly and all the parents who did BBQs, scoring, umpiring, collection and delivery to the skills zone and whatever else was required on the day.

My personal thanks too go to Katherine Stevenson and the rest of the SIJCC Committee who helped me navigate the season and did whatever they could to help the program run smoothly.

Chris Avis - U8 T20 Blast Co-ordinator

U9 Green

The Green Machine moved from the outfield of Acron onto pitches far and wide for their first season of "real cricket". Along with geographical challenges of finding the grounds there were also the challenges of putting on all this equipment. The pads were loose the helmets fell over their eyes when they ran and the wicket keeping gloves made throwing the ball impossible! To add to their dilemma they had to bowl on what they described as a very narrow bit of artificial grass? This aside they soldiered on and by the season end most could hit that narrow strip more often than not and the pads no longer stopped them from running quick singles. Alas the helmets still dropped over their eyes! What we lacked in cricket skills was more than compensated for by the team spirit shown each time they got a wicket and the general attitude of the boys. We had a loyal group of supporters each Saturday cheering on the team (or was that chatting amongst themselves) anyway it was good to see everyone enjoying their early Saturday outing. Special thanks goes to Ant Hudson and Evan Mantis for umpiring and a super duper call out for Jo our manager for scoring and keeping us all up to

St Ives District Junior Cricket Club Inc

speed with ground changes etc.

Look forward to doing it all again next season

Peter Mullane – Coach

Jo Makvini - Manager

U9 Warner

U9 Warner had a terrific year with bat and ball. With only three losses for the season (when we were well down on numbers), we have the makings of a very competitive team in the years to come.

Marco Cardinale - Marco was a very enthusiastic cricketer that was always hungry to be involved. Many opposition team coaches were known to comment about Marco's blistering pace with the ball. Batting became a feature of Marco's game as the season progressed. Like many on our team, Marco was a very quick and accurate fielder.

David Daniels - David was a great all-rounder that always contributed to the team's success. His batting was strong on both sides of the wicket and barely a match went by without at least one boundary. David's bowling was very quick and he took several wickets throughout the season. David was also a great fielder that put a lot of pressure on the batsmen.

James Boots - James was another great all-rounder. His bowling was always straight, which contributed to many wickets. James' batting was particularly strong on the onside but the second half of the season saw him hit some magnificent offside shots. If we measured runouts, I am sure that James would have topped the direct hit list.

Brandon McLean - Brandon was an exceptional team player and a great source of encouragement for his team mates. Brandon showed great skill with the bat and was strong on the offside, a rare skill for U9 cricketers. The standout feature of Brandon's bowling was his length, often leaving the batsmen in two minds. Brandon's positive talk on the field was infectious.

Ewan Stevenson - Ewan was a great contributor to our team's success. Another great all-rounder. Ewan's batting technique was probably the best on the team and it resulted in runs being scored all over the ground. Ewan's bowling improved throughout the year and by the end of the season, he was probably our most accurate bowler.

Jonty Tilley - Jonty was sorely missed by our team when he moved to Melbourne toward the end of the season. Jonty was an exceptional wicket keeper and his work in the field saved our team plenty of runs. Jonty's batting and bowling improved significantly and his positive support of his team mates was terrific to see.

Max Harvey - Max was probably the most improved player. By the end of the season, Max's bowling was picking up wickets with virtually no extras. Max also became very difficult to dismiss. Almost every innings in the second half of the season was completed without getting out.

Logan Ting - Logan's bowling improved more than any other player in the team. By the end of the season, Logan was one of our most accurate bowlers. Logan was also a batsman that became very difficult to dismiss and his run-scoring became an important part of our success.

Carter Armstrong - Carter was one of our most aggressive and damaging batsmen. He was particularly strong on the onside with a big boundary count. Carter's fielding was exceptional with a number of terrific boundary saves. Bowling was a feature of Carter's game that he can be proud of.

St Ives District Junior Cricket Club Inc

Luca Booth - Luca was another of our great all-rounders. Both pace and accuracy were features of Luca's bowling that contributed to a big wicket count. A very valuable part of our team. Luca's batting technique improved throughout the year which helped him to score a lot more on the offside.

Archie Gray - Archie's bowling became a feature of his season. His improvement with the ball was largely down to his accuracy. As a coach, I particularly liked how Archie was able to take advice and immediately put it into play. The highlight of Archie's batting was his strong defence. He was very difficult to dismiss and took every run available.

Nikhil Singh - Nikhil was yet another great all-rounder. His batting and bowling abilities were exceptional and it was a shame that we only had him on the team for the first half of the season.

Craig and I were very fortunate to Manage and Coach such an enthusiastic team of boys. Congratulations must also go out to the parents that supported their young cricketers. The many hours of practice in the backyard paid off.

Craig Armstrong - Manager

Michael Daniels - Coach

U9 Maxwell

A great bunch of kids who loved putting on their whites and giving cricket a red hot go! – that sums up U9 Maxwell. Each week the boys turned up eager to find out which team was batting or bowling first so that the game could get underway. They simply just enjoyed playing cricket and enjoyed competing as a team.

Our first game was a baptism by fire. We played a very professional Lindfield outfit that were definitely not as new to cricket as our players were. U9 Maxwell had a lot to learn, and learn the boys did! The improvement across the U9 Maxwell team in the weeks that followed was impressive and continued throughout the season. By the end of the season batsmen were calling to each other, fielders were backing each other up and the bowling was more often than not on target. The Maxwells took some great catches, bowled out some batsmen and smashed some fours, but their commitment to saving boundaries with epic slides of white pants across muddy patches of outfield was outstanding!

It was fantastic to watch the team as their skills, knowledge of the game and most importantly their confidence developed over the season. The Maxwells should be proud of the way they approached each game. There weren't a lot of wins, yet the boys were never deterred and always showed commitment, resilience, and exceptional sportsmanship. They tried hard and had fun.

A big thank you to Sally Seymour for managing the team and to the parents of U9 Maxwell for all their support. A great team just doesn't happen by accident. Congratulations Maxwells on a terrific season of cricket!

Renee & Scott Thomson – Coach

Sally Seymour - Manager

U9 Lyon

At the start of the season Under 9 Lyon players had new people to meet and new skills to learn. As their knowledge of the game grew and skills developed so did their enthusiasm with stiff competition for being an opening batsman or fulfilling wicket keeping duties. Regardless of their prior experience every player had cause to celebrate a personal best, be it taking a wicket, narrowly avoiding a run out or smashing a six. By the end of the season it was the kids not the coach shouting "Who's backing

St Ives District Junior Cricket Club Inc

up!" to maximise the prospect of a runout. Most importantly in this division the kids enjoyed themselves and enjoyed their cricket which is what it is all about.

Michael Bruce - Manager

U9 Marsh

U9 Marsh enjoyed a successful season with a good mix of players new to cricket and others who have played for a couple years "back yard cricket" and "big brothers". The marshmallows as we called them played every game with good sportsmanship, determination and a healthy competitive spirit. We were fortunate to notch up plenty of wins and losses were always accepted as good learning points for the team. The boys enjoyed meeting new faces from different schools and we are sure are the start of good friendships. The improvements seen in each player throughout the season was noticeable and each team member deserves a massive pat on the back for working hard every week and always delivering their best. What I enjoyed most during every game was how the boys encouraged each other, learnt from each other, brought a healthy competitive mind-set to each game and absolutely loved to be out there.

I was honoured to coach such a great bunch of kids and I have no doubt that they are future cricket stars in the making! Thanks to all the parents, umpires, scorers and our manager Idana! Can't wait for the next season.

The boys were – Tristan Eksteen, Jonty Katz, Jude Roberts, Adam Leadbetter, Andrew Phipson, Fraser Rowan, Jake Rosenberg, Jay Maltz, Joshua Biggs, Joshua Tucker, Lachlan Boulton, Lexi Ewert and Josh Naar. Well done to you all!

Idana Katz - Manager

Ashley Eksteen - Coach

U9 Smith

It was our first year as a team together, and what a great season we had! All the boys had so much fun playing cricket this season. From getting wickets, to hitting 4's, to playing on the sideline, they loved playing with their mates and making new friends. As the season went on all the boys gained new skills and were able to put them into practice on the field. We won about as many games as we lost and there were glimpses of brilliance in every game played.

Team Smith (including the parents), thanks for your great attitude in turning up each week, playing your best game, volunteering without complaint and most importantly having fun playing this great game.

We look forward to an even better next season.

Paul Williams - Coach

Steph Williams - Manager

U10 Bradman

Wow, what an amazing season – Minor Premiers and U10 North Champions. A group of boys thrown together at the beginning of the year and apart from our very first game went through undefeated. Culminating in a complete performance in the Grand Final to win comfortably bowling out our opposition.

The most pleasing aspect of the season was the improvement in the skills and game awareness as the

St Ives District Junior Cricket Club Inc

year progressed. U10 Bradman truly was the definition of a star team with every individual, bar none, being instrumental in at least one of our many wins during the year. If one individual was a little off or unlucky for a day someone else would stand up to pull us through.

It was a pleasure to coach such an enthusiastic and committed bunch of young cricketers.

Simon Greager: An outstanding all round player taking out our Batting Award for the year with a super consistent effort only being dismissed once throughout the entire year. Had all the shots and was always a calming influence at the crease being the rock we could bat around. Good solid bowling with that ability to angle the ball back into the right handers and was always hard to handle. Simon topped off his cricketing skills through his superb keeping and all around fielding ability. Stellar season and lead by example for the entire team.

Luke Austin: Another leader on the field with solid efforts with both bat and ball. Good strong fast bowling lead to being one of the most economical in the competition, bowling more maiden overs than any other bowler in our division. His strength though was batting with solid displays during the season being dismissed on only two occasions and another classy display in the Grand Final. Solid defence was coupled with great timing and boundary hitting when needed.

Oliver Glynn: A beautiful batsman to watch with a very strong defence and an ability to hit boundaries when on offer. Reliable bowler with good pace and line and length. Showed great energy in the field with a great set of hands and quick around the field cutting off singles or boundaries.

Finn McDonald: An amazing first season of cricket. Watching Fin play you would never know it was only his first season, fitting in straight away and continuing to improve throughout the season. Bowling a great length and was rewarded late in the season with 3 wickets in an over to showcase the improvement. Played with an infectious smile and applied his hard working style to become a reliable and important member of the batting line up.

Cameron Williams: Cameron went quietly about his work, always happy to play wherever asked to favour the team. Cameron's improvement in bowling was a real highlight, resulting in opening the bowling in the Grand Final with another consistent and steady display. Worked hard on his batting and was showing real signs of breaking through for a big innings late in the season. Played a smart and valuable knock in the Grand Final to again contribute when the team needed it.

Andrew Cunningham: Our most consistent and accurate bowler. Duly rewarded in being awarded our Bowling Award for the most wickets in U10 Bradman. Andrew could always be relied upon to apply the pressure to the opposition batsman with deadly accuracy. Desperately unlucky at times in batting this year but continued to develop with some great boundaries struck showing great timing and strength.

Tom Hutchinson: Without a doubt our most Improved player of the year. Both batting and bowling was almost unrecognisable from the player who commenced the season back in October last year. Running between wickets was spectacular to watch, stealing singles when no one could have imagined a run was possible. A stellar bowling performance in the Grand Final with 3 wickets – well done Tom.

Ethan McGarrick: An express bowler in the Brett Lee or Mitch Starc mould. Learnt to control the speed with accuracy to constantly threaten when bowling. A great boundary rider with a rocket arm. Ethan's batting continued to improve during the season developing a sound defence to go with his ability to hit a boundary.

St Ives District Junior Cricket Club Inc

Jackson McLeod: A dynamic batsman in the Dave Warner mould, was never afraid to back his ability and swing hard at the ball. Bowled without luck at times and the hard work was evident to see in the back end of the season with the accuracy improving remarkably. A great team man always willing to put his team mates ahead of himself.

James Boucher: James was a late addition to the team and what an entrance he made. Almost getting a wicket off his very first delivery in his very first game of cricket. James proved this was no fluke arguably becoming our most dangerous bowler regularly taking wickets with pace and bounce. Not to be outdone James was a spectacular batsman scoring quickly and always looking to punish anything in his hitting zone. A great effort and I can't wait to see the development as your cricket career progresses.

Trent Austin – Coach

Mark McDonald - Manager

U10 Benaud

Our team this year was predominately of players from the U/9 teams from last year. There were a few new players fitted into the team extremely well. It was a great season making the Plate final and won the final on a forfeit (disappointing way to win a final).

By the end of the year we had won and lost a similar number of games. The most pleasing outcome of the season was the improvement made by all the players and the sportsmanship in which they played every game.

By the end of the season the bowling had improved the most out of all the elements of the game. The number of no-balls and wides that the boys were bowling per game at the start of the year was about 40 compared to about 20 at the end of the season. Lachlan Bartlett and Andrew Lowe were the regular wicket takers with Aiden D'Souza, Ayush Oodit and Fred Collins (with his Dennis Lillee head ban) were the biggest improvers by the end of the season.

The quality of fielding improved every match and by the end of the year catches were being held. Myles Kesby and Angus Foate both wicket kept very well throughout the season.

The batting came along way throughout the season with the number of runs off the bat and fours hit increasing as the season went on. Oliver Freeman, Myles Kesby and Callum Morris all improved their batting throughout the season. Andrew Bartlett, Lachlan Bartlett and Andrew Lowe had the strongest attacking shots by the end of the season.

I would like to thank the manager Matt Freeman for organising the team and umpiring most weeks. Thanks to Andy Collins for karting the sun shade around each week and the scoring support by Jack Kesby, Andy Collins, Nick Morris and Peter Lowe. Thanks to all the parents for supporting the kids throughout the season with bringing the kids to training and games. I hope the boys enjoyed the season and they are keen to play again next year.

Matt Freeman - Manager

Steve Bartlett - Coach

U10 Boonie

U10 Boonie went into the 2016/2017 season as newbies to the "out-you're-out", real cricket with the ouchy leather ball. The team was a mix of boys from U9 Hughes, and some new faces.

St Ives District Junior Cricket Club Inc

The boys started off a bit confused with the idea, and a few bats may have been thrown, but with their team mates and parents on the sidelines giving helpful advice when they were dismissed, everything started to fit into place. Good defence of their wicket made it easy for the scorers with plenty of dot balls recorded.

Although the boys only won a couple of games this year, they played in great spirit and all the parents can be proud of the way they conducted themselves on the field.

The season did have its moments with great fielding, batting and bowling performances, just not all in the same game.

It was a great start to real cricket and we hope the boys learnt a lot from this season and can use these tools next year.

Thank you to the Club for the Friday night training sessions - they made a tremendous difference; and to the Boonie parents who didn't take anything too seriously.

Steve Levin - Coach

Amy Marsden - Manager

U10 Border

Many of our U10 Border team started the year started the season without much experience or none at all. Throughout the season we focused on correct bowling actions, paying attention in the field and

standing in the correct batting position (in front of the stumps).

It was a rusty start to the season, however the boys have proven to be a very enthusiastic group, with everyone improving throughout the season. Wicket keeper seems to be the favourite fielding position for many of the boys.

I'm proud to say that the entire team can now bowl with a correct

action, no-balls and wides have reduced significantly. All the boys are now capably cricketers, regularly hitting 4's and taking wickets. The fielding has improved out of sight, with much fewer overthrows and even some catches.

Our season was highlighted by our last round match against the Pirates who have been easily the most dominate team. We were only narrowly defeated by 14 runs, and actually took more wickets than they did.

I'd like to congratulate all the boys for being such an enthusiastic, polite and well behaved team. They have all got along so well. It has been a pleasure coaching them and I hope they all persist with long cricket careers.

Colin Earle - Coach

Belinda Wood - Manager

St Ives District Junior Cricket Club Inc

U11 Clarke

U11 Clarke had a very enjoyable and competitive 2016/17 season. Each player excelled at different times and all markedly improved their cricketing knowledge and skills during the season. The players' support for one another was fantastic and they formed a great cohesive unit. We started the season with a couple of losses against strong competition and bounced back with a few consecutive wins. Our results over the remainder of the season tended to follow this pattern of a win followed by a loss followed by a win.

No one will forget our game against one of the strongest teams in the competition towards the end of the season where we came within two runs of causing a major upset. I'm not sure who was more

nervous – the boys or the watching parents! The team's competitive spirit came to the fore during this game and the boys gained a lot of self-belief as they realised how good they could be as a team. A number of games following that awesome display were unfortunately called off due to either extremely hot or wet weather, so the boys were unable to carry that momentum forward which was a little frustrating. Nevertheless, we ended the season strongly by qualifying for the Plate final, where we competed against another St Ives team and won. The boys were all very pleased to receive their medals.

A big thank you from all the players and parents goes to our indomitable, committed and encouraging coach, Ben Dennis. Ben's commitment was unwavering, even in the face of a number of cancelled training sessions due to extremely wet weather.

Our regular umpires Matt Cole, Peter Heal, Jonathan Helps and Anthony Tannous provided quality umpiring throughout the season. The tasks of scoring, provision of BBQ food and lollies and BBQ'ing (we had a sausage sizzle at every game thanks to Sarah Daniels always providing the BBQ) was shared willingly between all our parents. I would like to extend my sincere thanks to all for the fantastic support and assistance – it made the season very enjoyable and successful for all. We are looking forward to next season with much enthusiasm and excitement.

Ben Dennis - Coach

Greg Wilkinson - Manager

U11 Haddin

The mighty U11 Haddin formed as one of three St Ives Division 1 Teams playing in the 30 over format. We had a great season of 9 wins with 6 (mainly close) losses and 2 rounds rained out placing us at 7th from 14 in the Division. Had the last round not been rained out, the boys could have moved up to 5th, but hey that is cricket! This was made up by the fact that in our last competitive round we scored our then highest total of 183 runs followed by 190 in our final which shows how the boys form was building! Its times like this another couple of rounds would have been really welcome ;)

The team was a mix of players that had played together before and some who had never met. As a team we focused on building up our team camaraderie and traditions including our Haddin team

St Ives District Junior Cricket Club Inc

cheer, our tradition of smelling the new ball for good luck, punching out gloves as batsman changed over and the whole of team (including some parents) Dab when we took a wicket!

As coaches and managers we were impressed with the talk on the ground and how by the last few rounds the captains set the field with little support needed from the boundary. All the boys played hard, took disappointments on the chin and supported each other in good times and in bad. We can also say

that the spirit of cricket is alive and well in our team which combined with the diversity of skills, meant every boy at one point or another stood up when it was counted for the team.

This is shown by the great performances and contributions below;

- Aryan's best batting was 14 runs, picked up 7 wickets with a best performance of 2/9 and took 2 catches and a runout!
- Oscar's best batting was 7 runs, picked up 3 wickets with a best performance of 2/15 but his season was cut short with a broken arm (but he still came to games!)
- Ollie's best batting was 11 runs, picked up 4 wickets with a best performance of 1/4 but his season was also his season was cut short!
- Ned's best batting was 13 runs, picked up 5 wickets with a best performance of 3/7 and took 2 catches, a runout and our only stumping!
- Nate's best batting was 13 runs, picked up 7 wickets with a best performance of 1/2 incl 2 maidens and took a catch!
- Dilan's best batting was 14 runs, picked up 6 wickets with a best performance of 3/3 including a 3 wicket maiden and took 3 catches and 2 run outs
- Nick's best batting was 27 runs (2 retirements), picked up 9 wickets with a best performance 2/13 and took 5 catches and 5 run outs!
- Tom's best batting was 22 runs, picked up 6 wickets with a best performance of 2/4 and took 3 catches and a run out!
- Soham's best batting was 21 runs, picked up 7 wickets with a best performance of 2/25 and a run out!
- Matt's best batting was 36 runs (2 retirements), picked up 3 wickets with a best performance 1/9 and took 3 catches and 2 run outs!
- Luke's best batting was 25 runs (3 retirements), picked up 3 wickets with a best performance of 1/4 !
- Lochlan's best batting was 28 runs (3 retirements), picked up 7 wickets with a best performance of 1/2 and took 5 catches!
- Micah's best batting was 25 runs, picked up 6 wickets with a best performance of 2/4 and took 3 catches and 2 run outs!

This report cannot be complete however with a sincere thanks to all the great parents of the Haddin team who were such a blessing for the team. Our cricket games looked more like camp sites at times with BBQ's, Marquees, picnic rugs, camp chairs, sisters, brothers, pets et al making Saturday mornings such a great community experience. This combined with the huge efforts in umpiring, scoring, cooking, warming up and any other role was greatly appreciated.

St Ives District Junior Cricket Club Inc

A special mention however should go to Graeme Thom for his detailed statistical scoring analysis and live streaming the worm during games providing insights both funny and strategic during our season!

It was absolutely our pleasure to be Manager and Coach of U11 Haddin and look forward to another great year of cricket next season!

"Haddin, Haddin, is the best!
Always wins against the rest!"

Mark Hilton - Coach

Katherine Stevenson - Manager

U11 Starc

With the unfortunate loss of some members of last year's premiership-winning team, as well as the loss of two more throughout the season, U11 Starc really suffered its own version of "second year syndrome" in 2016/17. With a shaky start to the season in the new environment of out is out, as well as some close games that just didn't fall our way, our boys learnt quickly that cricket as much played in the head as on the field.

But as Ian Chappell recently said of the Australian Test team following successive crushing defeats against South Africa "you have to hit the bottom before you can bounce back up" — and bounce back they certainly did. For despite finishing closer to the bottom than the top of a 14 team ladder, we were still the 4th highest run scoring team, a testament to our hard working and consistent top order led by opener Rhys von Thien with 264 runs. But most pleasing of all was to witness the

is

increasing confidence, strokeplay, and courage of some of our batsmen who had struggled significantly at the start of the year. And this was no better demonstrated than by the meteoric rise in batsmanship of Angus "AJ" Hamilton, who became a stalwart of the middle order, and as a result our worthy nomination for the President's Encouragement Award for greatest dedication to the game.

It's also been incredibly satisfying to see the boys starting to find their own unique roles within the team, with some finding skills they never knew they had. The prospect of a future team fortunate enough to have some solid pacemen, challenging swing bowlers, crafty finger spinners, and aggressive wrist spinners, is an exciting one indeed. And this season with the ball it was fast bowler Ewan Allabush leaving his mark with 14 wickets – as well as with a big bruise on the leg of his old man who's going to have to start paying him a little more respect in the nets!

This season we also started to work off the concept that if we can't be the best playing team in the competition, we can at least try to be the smartest. As a result tactics and decision-making became a big part of our training, and most unusually for U11 the team essentially ran itself out in the field, with the captain responsible for all bowling changes and (in close consultation with the bowlers) field settings. We're confident this policy will contribute significantly to the boys one day becoming the best cricketers they can.

Special mention also goes to Calum Watson as our proud winner of the Manager's Award for the

St Ives District Junior Cricket Club Inc

player who has played the game with the best "spirit of cricket". "Watto" is the definitive quiet achiever, courageously spending a large part of the season opening the batting in order to improve his defensive technique, as well as firmly establishing himself as our gun new-ball bowler. And yet it's all done with great humility, respect for his teammates, and at all times true sportsmanship to his opponents. "Watto" certainly is an absolute pleasure to coach.

Finally once again a huge thanks to our parents, who continue to battle Friday afternoon traffic on the way to training, complicated cricket scorebooks, sometimes even more complicated scoring apps, and numerous overly-ambitious LBW appeals under 30+ degree sun. Truly none of this would be possible without you!

Players: Ewan Allabush, Ari Berman, Cai Berman, Angus Hamilton, Thomas Johnston, Brendan Milner, Callum Parkinson, Josh Riddle, Krish Tandon, Kai Therkelsen, Rhys von Thien, Calum Watson, Oliver Webber.

Benson Riddle - Coach

Chris Parkinson - Manager

U11 Hughes

Congratulations to the U11 Hughes boys for another great year!

I won't ever forget the sight of Keegan Eksteen sending screamers down at terrified batsmen just like his South African forerunner Alan "White Lightning" Donald. And watching Luke Bakos was like watching Fanie De Villiers ("Vinnige Fanie") all over again – batsmen tied up in knots while Luke belted out wicket maiden after wicket maiden.

On the batting side Tom Roche kept all of us on the sidelines awake and alert – lose concentration for a moment and one of those huge fours and sixes would be headed your way. Parents, keep your small children away from the boundaries when Luke and Tom are batting.

Then there was Benjamin Katz a true Australian wicketkeeper. Leaping tall buildings to catch a screaming off breaker was no challenge for young Mr Katz.

Our allrounders Daniel Belzycki, Angus Edwards and Michael Monahan never ceased to amaze. A sudden brace of wickets in the middle of an innings or a quickfire twenty runs. It was like watching Mark and Steve Waugh all over again.

Then we had the fierce middle order. Benji Rosenberg, Noah Bilski and Liam Hartley could break a bowler's heart – just when he had gotten through that top order came the resolute threesome, the wickets would dry up and the runs would steadily mount.

And finally our pinch hitter. When all looked lost, runs desperately needed and our batsmen pinned down by devastating tight bowling, send in Dan Tucker. Never afraid to step up and throw a bat at a ball, without fear for his personal safety or batting average, Dan could be relied to get those runs.

Most of the boys have been playing for the Hughes team for three years now and have grown together as a team and established great friendships through a sport that they love playing and are passionate about. The team has won some and lost some games but the boys have always done their best, encouraged and supported each other. The boys have continued to improve their batting, bowling and fielding skills throughout the season and have continued to develop as young sportsman.

St Ives District Junior Cricket Club Inc

A special thank you to our great coach Ashley Eksteen who has always shown huge commitment - the boys have really enjoyed playing under his guidance and through his encouragement have improved their play and had a great season.

A big thank you to the parents and the team at the St Ives Cricket Club for their endless support.

Once again congratulations to the U11 Hughes boys and thank you for an enjoyable and memorable 2016/17 season.

Ashley Eksteen - Coach
Debbie Tucker - Manager

U11 Hussey

Another season and another opportunity for the boys of the St Ives Hussey side to get the band back together. Sadly some left us, but we were also very lucky to have some new additions with Mitchell, Tej and Dom. The season started with some challenging games against strong sides, but the boys always remained positive and played in the spirit of the game. Following a regrading, they really hit their stride, with some excellent work in the field, some tight line and length bowling and some intelligent batting. If the weather gods had not conspired against them, they would have finished with the minor premiership of their division.

All of the team have worked together to achieve the results they have, while also having a laugh along

the way. Special mention needs to go to Harry Pratho, who has truly found his mojo this season with some outstanding power hitting. Harry's innings have been the backbone of many of the side's wins. Excellent contributions with the ball have been made by many of the team, with Janaka continuing to threaten with his left arm over pace, Asher and Ben both surprising batsmen with darts off a short run, and Patrick finding his inner, if occasionally a little wayward, Mitchell Johnston. This season also saw the introduction of spin, and Tej continues to develop into an excellent bowler. The team has been ably served behind the stumps by a number of players, but Sam has again shown he has a future in that challenging position.

The team could not have functioned without Keryn's fantastic management, the umpiring prowess of Mark, Mahesh and Michael, and the furrowed-brow scoring of all families. As the boys wait to play their grand final, I am again very proud to have had the chance to coach such an impressive group, and I hope they continue their cricketing future with the same attitude they have shown for several years. Bring on next year!!

Tom Millet - Coach
Keryn Hammersley - Manager

St Ives District Junior Cricket Club Inc

U11 Smith/Morris

Just like an accordion, the U11 Smith squad expanded and contracted during the season.

With the addition of extra players early on in the summer, the decision was made to create a second team out of the squad, U11 Morris in honour of the late left-handed Test batsman.

The squad included Sam Wald, Ishaan Thakur, Max Woodhouse, Joel Lorch, Charlie McKay, Tommy Schell, Joe Kerdic, Hunter Wilson, Tom O'Carroll, Sean McKeon, Michael Mason, Rory MacDonald, Johnathan Li and Andrew Poulton.

The two teams meant the line-ups changed weekly but the team spirit and the sportsmanship

shown by every player is something they should all be very proud of. In order to have two full teams on the field each week, we borrowed rostered off players from other St Ives teams and from other clubs, including Gordon, West Pymble, Lane Cove, Lindfield and North Sydney. The boys did a great job in making the stand in players welcome members of the Smith/Morris squad.

After the Christmas break the two teams became one again and while the results might not have fallen our way, few teams had more fun.

A big thank you to all the players for your efforts and good humour during the season.

A big thank you also to the parents for their enthusiasm, especially Eddie Lorch (coach), Tom Wald (umpire/coach) and everyone who helped with scoring, BBQ'ing and supporting the boys.

And a massive thank you to the St Ives committee for their fantastic efforts once again in running such a great club.

U11 Smith Awards

Batting award: Joel Lorch - Well done to Joel for his outstanding batting after the holidays, leading the way with some innings of real maturity.

Bowling award: Charlie McKay - He was handy with the bat as well but Charlie's left-armers troubled batsman more and more as the season wore on.

Manager's award: Sam Wald - This was given to Sam for being a hard-working, thoughtful member of the team who simply enjoyed playing with his mates.

U11 Morris Awards

Batting award: Tommy Schell - Tommy has great enthusiasm for the game and you feel if he keeps on working hard, the runs are really going to start to flow for him. His marathon effort against Lane Cove, after the team lost 4 wickets in 5 balls, put the team in a winning position.

Bowling award: Max Woodhouse - Max was one of the most improved players in the competition this season. Once he starts using his height to full effect - look out!

Manager's award: Joe Kerdic - A popular member of the team, thanks Joe for the making the

St Ives District Junior Cricket Club Inc

season such great fun.

All in all, the boys in U11 Smith/Morris had a great season, where everyone's skills improved as the season progressed, and everyone had a lot of fun.

Eddie Lorch- Coach

David McKay - Manager

U11 Warner

This was a season "firsts" for U11 Warner:

- first year we had played the 20/20 format
- first time most of the boys had played "traditional" cricket;
- the dreaded LBW rule was introduced for the first time; and
- the coach and manager had their first year as team officials

While the win/loss ratio may suggest otherwise, u11 Warner had a successful season, underpinned by our strong team spirit, willingness to learn. All the boys showed steady improvement in their skills and appreciation of the game throughout the season, which was very pleasing.

Special thanks to the volunteers who helped with scoring, umpiring, cooking, dog catching, baby minding and balloon animal making. Not forgetting our coach, Tarun, who gave up his time and energy to help the boys develop their skills in a fun environment.

Team Members

1. Vyom Arora - Vyom started the season off steadily with good performances, primarily with the bat. After the season break this switched to his bowling where his bowling accuracy and strike rate improved. All round, Vyom showed steady improvement throughout the season and is primed for 2017/18.
2. Cal Engelbrecht - Cal had a consistent season with the bat, average 10 runs per game and scoring his highest ever score (19*). He also contributed in the field, taking 4 catches and instigated 3 run outs. He was another player who benefited from the new format and regular match practice.
3. Liam Godfrey- Liam had a great season, amassing 209 runs with the bat and terrifying the opposition with his fast ball. The season highlight was innings against North Sydney Red where he scored a season high 43 (not out) and carried his teammates to victory.
4. Thomas Hunziker -Thomas was having his best cricket season ever with both his batting and bowling steadily improving. It was a big pity that his season was cut short by painful injury.
5. Zachary Johnson - Zac is the "cool cat" of the team, not feeling any pressure out in the middle, even during difficult circumstances. The two big stand outs of his season were the improvement in his bowling and his emergence as the end of innings boundary-hitter for the team.
6. Joshua-Kane Lourens - Josh was the star all-rounder of the team. He topped the bowling stats and was also amongst the higher run scorers. His fierce determination and speed sent shudders through both the opposition.
7. Jed Hawkins - Jed had a solid season with both bat, finishing at the top half the team averages.

St Ives District Junior Cricket Club Inc

The highlight was undoubtedly his 17 (not out) against St Ives Perry where he almost snatched an unlikely victory for his team

8. Noah Stanwell - This was Noah's first ever cricket season and he approached it with great enthusiasm and energy. He was always smiling and willing to give new things a go. By the end of the season had improved in all areas of the game and elevated himself to first choice wicketkeeper!
9. Luke Thompson - Nobody has more determination and drive than Luke, the constant dirt on his kit and sweater brow testament to this. This, energy coupled with his all round team contribution was sorely missed when he moved overseas. Come back soon Luke, we need you!
10. Angus Till - Angus improved his batting significantly this season, both in terms of technique and runs on the board. The highlight being his 28 runs scored against a strong Lindfield side. Towards the latter part of the season Angus also found good rhythm with bowling, which improved his economy rate and bagged a few wickets.

Justin Engelbrecht – Manager

Tarun Arora - Coach

Simon Johnson - Assistant Coach

U11 Perry

This has been a great season for the boys in Perry. The experienced players welcomed a number of boys playing their first season. They all got stuck into practices with good humour and energy. We won most of our games, many in the last couple of overs. When we lost, we handled it well. The parents have been a great help all season – managing, coaching, umpiring, scoring and making sure we all went home fed on bacon, sausage and egg rolls. The commentary from the BBQ was never less than cheeky and forthright.

James Barclay – James brought a great deal of energy and potential to his first season. His first boundary was memorable and his batting developed as the season grew. His bowling, when on track, was good. He took some great catches at crucial moments. (33 runs, 3 wickets for the season)

Mitchell Fisher – Mitch was a vital part of the team. His competitive spirit kept us awake in the field and his ability to score runs quickly helped secure victory a number of times. His bowling, at its best, was incisive. (61 runs, 3 wickets for the season)

Ethan Habben – Ethan has developed as a genuine all-rounder this season. His increasingly straight bat at the crease made him tougher to get out, and his bowling, notable for the varied run-ups(!) proved handy in many matches. His eagerness and good humour at practice and during games was much appreciated by all. (28 runs, 6 wickets for the season)

Zac Larratt – Zac's performances with the bat and ball were often the foundation for our victories this season. He was retired on 30 twice and managed to either take wickets or restrict scoring when we really needed it. He worked well with boys playing their first season and kept everyone on their toes in the field when he kept wickets. He has rightly won both the batting and bowling award for this season. (162 runs, 9 wickets for the season)

Angus Macbeth- Angus has great potential with both bat and ball. He secured some vital wickets when the opposition was getting the upper hand and he managed some big hits with the bat in partnership with others. He was dedicated to the team and always there to encourage others. (38 runs, 6 wickets for the season)

James McGee - James was one of our most dedicated players this season. He brought a quiet intensity

St Ives District Junior Cricket Club Inc

to his fielding and bowling and he secured some vital wickets early in the season. His batting was strong and his running between wickets was daring! (53 runs, 8 wickets for the season)

Jasper Melville – Jasper has been one of our standout players. His ability to swing the ball at pace made him one of our strike bowlers and his ability to clean-hit balls off the leg-side led to many runs. Jasper's natural energy in the field and strong throwing arm contributed to a couple of run-outs. He is a worthy winner of the Manager's Award this season. (132 runs, 8 wickets for the season)

Rian Mistry – Rian, as one of our wicketkeepers, played a crucial role this season. Bowling that was alternately wayward and strong tested his athletic skills behind the stumps. As a bowler he swung the ball significantly and he was part of a number of timely partnerships with the bat. Rian is a worthy winner of the President's Award this season. (119 runs, 4 wickets for the season)

Alec Oldham – Alec's first season has been notable for his energy in the field, his encouragement of the team and his desire to improve. He has developed as a handy bowler and is hard to hit when he is on line. Alec's batting strengthened through the season and he struck some strong shots in later games. (13 runs, 3 wickets for the season)

Hamish Rankin – Hamish was one of our great competitors, exhibiting a zeal in the field and intensity at the crease. He was part of some crucial partnerships whilst batting and his bowling restricted many opposition batsmen. (44 runs, 3 wickets for the season)

Andrew Poulton - Andrew joined us late in the season and announced his arrival with a couple of quick wickets and a run-out that won us the game! Andrew showed energy in the field and determination at the crease when we needed batsmen to dig in. (14 runs, 3 wickets for the season)

Fiona Habben - Manager

Richard Melville – Coach

U12 Starc

Under 12 Division 1 was a keenly contested competition. It was apparent early that the standard of cricket would lead to a very tight competition, in particular for the top 4. Under 12 Starc will look back at the season as an opportunity to finish top 4 that just got away. The boys recovered strongly from this disappointment to finish the season on a fantastic high, claiming the Cup Grand Final against Lane Cove. The boys played the season in a wonderful spirit, exhibiting exemplary sportsmanship, and looking at all times like they were playing for each other and having fun.

Team for 2016/17:

Joel Austin – Continued his development as a real all rounder with bat, ball and a great fielder and developing leadership skills.

Jack Cummins – Jack has really embraced his leg spinning this season. At times was unplayable. Good lower order hitting

Ryan Frykberg – Dynamic in the field. Kept it nice and tight with his bowling and contributed aggressive handy runs in the middle order.

Lance Haffenden – Great all round game with bat, ball and keeping. Always enthusiastic in the field and bowled some fast menacing spells.

Ryan Hill – One of the big improvers in the team. Ryan's commitment to the team and getting the best

St Ives District Junior Cricket Club Inc

results for the team was pleasing to watch.

Alex Holland – Leading wicket taker for the season. Bowled some great spells of accurate swing bowling. Vocal and encouraging in the field.

Dylan Johnson – Leading run scorer for the season. Classy in all he does with batting, bowling, keeping and fielding

Hayden Kee – Great season with the bat. Exceptionally dependent and consistent, particularly with his batting. A great calmness in the field.

Hugh McDonald – A big improver this season, particularly with his batting. A great team player who always put the team first above personal stats.

Charlie Schell – Always tried his best for the team. Executed really well when tactics called for quick runs or extra overs.

Will Slocombe – Solid opening batsmen, and really improved his off spin bowling during the course of the season. Showed excellent leadership skills.

Adam Watson – The quiet achiever of the team. Fine attacking batsmen, consistent wicketkeeper and a vastly improved bowler.

Brad Holland – Coach

Trent Austin – Manager

U12 Smith

We began the season with a group of boys who had not played together as a team and bonded well to end with a strong group. Many of the boys were new to Div 1 cricket and on that count, we had a fantastic season to finish in the top half of the table. In fact, overall the boys possibly never quite fulfilled their true potential which could easily have been a top 5 finish. We had a few close games and certainly enjoyed a good season of excitement on Saturday afternoons and unfortunately lost our good run and the momentum of success to the weather in February with 4 games abandoned.

Our strength was certainly in the bowling department where we regularly bowled teams out. A few loose games in the first half cost us but take out those couple of games and we had a solid reliable attack. Playing the top team at the beginning and end of the season showed the difference and improvement in our bowling game. This was backed up by the stats where we were the 3rd top team in the league in wickets, 7 players getting 3 wickets in a game and 5 players over 10 wickets (in a shortened season with 4 games lost to weather.) The highlight was Ronan's 5'er against Mosman and together with Ryan and Kiwi topped the bowling.

Our batting was probably too inconsistent to win key games although we still ended up 'par' on runs to finish 7th in runs scored. We seemed to struggle with getting good starts but at the same time showed good spirit in fighting back from low scores. The best of these recoveries was from 34/7 to get to 177 and win the game. 1 player got over 200 runs and the highlight was Kieran's 53no against North Sydney and together with Kiwi and Rafe topped the batting.

We showed some exceptional fielding skills through the season with some spectacular catches, a number of great runouts and some good fielding execution. We rotated 3 keepers and all did a great job. It was rewarding to see growth in players over the season and with a little more consistency, we

St Ives District Junior Cricket Club Inc

have a fantastic group to build on in the 2017/8 season.

The parents made managing this team a pleasure. Our regular roster meant we had 4 scorers (Rys, Larry, Ashok and Nanda), 4 umpires (David, Warren, Glenn and Brendon) and Max did BBQ each week which ensured boys never went hungry! Everyone chipped in and brought food, ice cream on hot days.

Lastly, thanks to Gavin for his coaching efforts during the season. It was really easy to manage the team with everyone knowing their role and great thought going into the games. We also tried a few different training aids during the season – the swing and portable net both worked well.

Chris Poulton - Manager

Gavin Parry - Coach

U12 Warner

We were lucky enough to retain almost the entire team who won the inaugural U11 Participation competition last year and spirits were high at the start of the season.

Being familiar with many of the parents, it was an unusually easy process to lock in coaches, scorers and potential umpires for the season, I big thank-you to all who got involved. We opted for a late training session Monday evenings at Hassall Park, and we rotated prime coaching roles across several of the dads. A big thank you however to Dave Kneeshaw for doing far more than your fair share. Some training sessions were confusing with 4 dads named Dave but the parent involvement really boosted team spirit.

This year our players had to cope with 2 major changes, namely the “Out and you’re Out” format as opposed to the participation format and secondly the fast pace of 20 overs as opposed to the 30 we played last year. We had to work on technique and discipline to try to make sure we batted out the innings following the wake-up call of a pair of golden ducks in two of the first few matches. It was rewarding to see that as the season progressed we were only all-out twice.

The season actually kicked off well with a superb performance in our first game against Mosman Clarke with Aaron Jackson getting 3 wickets in 4 balls. Just a few weeks later though, a much improved Clarke side beat us.

The season started with 11 players in the side but we sadly had one player drop out mid-season which left us short on several occasions when others were away or ill. I would like to thank many of our opposition teams for their spirit of sportsmanship for loaning us a player or 2 to field for us.

We had a few challenges to overcome in the season and I would like to specifically mention a few players who went above and beyond. Firstly, Jack Boase who was struggling with bowling less than 4 no-balls per over put so much work in and was vastly improved toward the end of the season, he even ended up out-bowling his dad – well done Jack.

Secondly to Jack Kneeshaw who was our big hitter of the season averaging 38 and 266 runs, I think the top in the competition. Jack you saved the day on several occasions off the bat and your general enthusiasm, leadership and camaraderie was appreciated by all.

St Ives District Junior Cricket Club Inc

Thirdly Jensen Kopelke who I knew from soccer joined the team early in the year. With no previous cricket experience, whilst Jensen had great enthusiasm his first few matches saw him severely penalized for chucking. Jensen put a huge amount of work in both at training and on his own with his Dad and ended up the season as a solid medium pace bowler.

Lastly, the manager's award goes to Sam Carlin who as probably the smallest member of the team started the year with poor batting and bowling results. Sam put so much work into all aspects of his performance and the results steadily improved with a top score of the bat in one match and a few really good bowling results. Sam's attitude in general improved and his shouts of encouragement to his team every match were wonderful to hear. Sam you epitomised the spirit of the game and it's been wonderful to have you in the team.

Whilst we didn't come from behind to win the competition like we did last season, the team worked so well together and I think everyone made their mark on the season and made strong personal achievements. Jamie started the season as our "closer" we could rely on to bowl tightly or to chase down every potential run on offer. Callum hit an awesome four, I heard one of the opponent players comment that it was the best shot of the season. Anqi hardly got out at all season and contributed a steady number of runs. Jayden was unbelievably fast and accurate with the ball all season. Aaron your bowling got us out of trouble so often, I was glad you were on our side. Last but not least, Josh who was a standout in the field again this season taking a few mind-blowing catches.

We ended the season a solid 4th out of 6 teams - we didn't win any matches against the first 3 teams but only lost one match against the bottom 2. We were hoping for a fairytale "come from behind" upset like the previous year but the wet weather and heat-wave put an end to that dream. A bit of a fizzle-out for the season but it's been an absolute pleasure and privilege managing this wonderful group of boys.

Dave Cole - Manager

Dave Kneeshaw

U12 Pattinson

The boys did not start the year off too well with 3 losses (to 3 of the top 4 teams), which was not ideal, but there were many good signs to come from these games. The boys knew if they could execute their skills just a little bit better the wins would start coming. Going into Round 4 their skills all came together, culminating in 6 wins in their next 7 games and finishing before Christmas with a washed-out game. Confidence was sky-high for the boys, with everyone having a chance to shine throughout these games.

Unfortunately after Christmas it wasn't so easy, with weather not helping; it seemed that we were missing every second game because of either the weather or having a bye. The boys finished in 7th with 6 wins, 6 losses and 3 draws, and should be really proud of their efforts this season. We were able to defeat 2 of the teams above us, which was a tremendous effort.

The most pleasing part of the season was the improvement in all the boys' skills, in all aspects of their games, and learning new skills with some of the boys taking to wicket-keeping for the first time.

I would like to thank all the parents for helping out at training and on the game days in my absence, and a big thanks to Amy Marsden for managing the team. Without all the parents, my job would have

St Ives District Junior Cricket Club Inc

been extremely hard. I could not have wished for a better bunch to coach in my first year of coaching.

Ben Gorham - Coach

Amy Marsden - Manager

U12 Marsh

The U12 Marsh T20 side was formed when the boys couldn't play in the U11 morning competition due to school commitments, and even though they were "playing up a year" the boys played well and were able to make the Division 2 grand final! The original team consisted of Jack Bray, Juan De Lange, Andrew Forster, Jeremy Goldman, Neil Rana, Mark Rouse, Matt Sentonaris, Wil Stuckings, Jack Woodall and Noah Workman. Jake Harkin joined mid-season and was welcomed into the team by all. The boys brought a broad range of cricket experiences and skills to the first training session way back in mid-September – but they shared one thing in common – a love of cricket. The most pleasing aspect of the season was the improvement in everyone's batting, bowling and fielding as the season progressed. By the end of the season every boy had taken a wicket, scored some runs and most pleasing of all, everyone had taken a catch and/or effected a runout – many with direct hits from the outfield! A few highlights include Juan's two mid-wicket catches in two balls, Andrew's amazing catch at point, Jake's ripper at mid-off and numerous direct hit run-outs.

The boys were always enthusiastic and supportive of each other, freely offering constructive advice and encouragement. They played competitively, celebrating success and appealing with passion, but importantly they also played with fairness and a friendly spirit. And the best part of all was that in their own way, all 11 players contributed to the team during the season. After the Christmas break there wasn't a lot of cricket due to a combination of heat and rain (and even less for Jez who had to sit out with broken toe) but the boys managed to make it into the Grand Final (result unknown at time of writing!)

The season was a success for many reasons – a key one being the team spirit fostered by the high level of interest and involvement of all the parents. There were always parents around to help out at the games, especially manning the team BBQ each week! Special thanks to our registered umpires Pete Bray and David Workman for their valuable contribution (!) and Greg Rouse for being the 'marquee' man.

Our Friday training sessions were quite social events, with a lot of the hard work being left to our young gun coach Angus Dingley – the boys benefited greatly from his technical advice, motivation and encouragement. The "soft hands" egg catching session was a highlight.

The boys all had a brilliant season and should be very proud of themselves.

Angus Dingley - Coach

Michael Stuckings - Manager

U12 Lyon

U12 Lyon had a great season. Eleven players from all different places made it quite a challenge for the boys to join as a team initially, but as time went on the boys started to get to know each other better and loved playing with one another.

The team at the start was made up of a group of boys with different playing abilities. The coach had

St Ives District Junior Cricket Club Inc

no relation to any of the players so initially it was all about everyone getting to know each other so that it would become more fun to play with one another.

The players had a lot of fun and particularly enjoyed the practices. Everyone played to the best of their ability and most importantly all players were given equal opportunities to bat and bowl during the season. This allowed some of our weaker players to rise to the occasion and show us what they could really do if given a chance. It was great to watch.

The team really benefited through the active support of all parents both on and off the field. In particular many thanks to Chris for managing the team and attending every practice along with a core group of dad's who volunteered to act as regular umpires and scorers. Special thanks must go to all the families for getting your boys to the practices and matches on time!

In short it has been a pleasure to be associated with this team and everyone should be proud of their achievements and progress through the season. Good luck for next year.

Chris Parsonage - Manager

Josh Turner - Coach

U13 Starc

The U13 32 over competition this year saw team Starc back up after a successful season prior having won both the minor

premierhip as well as the championship, so the weight of expectation was on the boy's shoulders.

Unfortunately we started the season with a loss to West Pymble that brought the boys back to earth. But, happily this was to be the only loss for the season and the boys went on to again win the minor premierhip and then back that up with a very convincing win over Lane Cove in the grand final.

The boys are to be congratulated on not just winning, but the dedication they displayed throughout the season. We always had the majority at training and the boys always came to game day ready to play.

Most pleasing were the comments I would receive from opposing coaches, managers and parents. All would say that St Ives Starc was the benchmark team and they enjoyed playing us as they knew it would be a tough game but also one played in great spirit. The sportsmanship from our boys was unquestionable, even in the grand final where a 50/50 catch which the umpire wasn't sure of was called by our boys as a non-catch - and they were always very humble winners.

Coaching the boys was very enjoyable - they worked hard on fielding and this was a key difference between Starc and those we played against. Every boy contributed to winning matches and the depth we displayed meant that we could lose a few early wickets and we had a long list of batters ready to

St Ives District Junior Cricket Club Inc

step in, and we always had a bowler who was able to break through.

Thanks to all the boys for a great season and all the supporters ranging from parents, to grandparents to brothers and sisters to aunts and uncles who would turn up each week and support our team through to a very successful final game.

Tony Bill - Coach

Guy Hedley - Manager

U13 Clarke

Our team this year was predominantly the team from U/12 Clarke and U/12 Lyon from last year with some players who had played before. The team gelled extremely well from the first game. It was great season for the team in a very tough competition. We finished 7th however the teams from 5th to 8th were closely matched throughout the season. It was unlucky we didn't get a chance to play the semi final to have a chance to qualify for the cup final. The top four teams in the competition were clearly stronger than the balance of the competition

The most pleasing outcome of the season was the improvement made by all the players, especially those players playing their first season (Will Hopkins and Alexander Benson) and the sportsmanship in which they played every game. After Christmas we only played two games which was disappointing.

By the end of the season the fielding had improved the most out of all as well as our catching. Both Alex Guilday and Pat McDonnell performed well as wicket keepers throughout the year with some support from Will Hopkins and Alexander Benson.

Connor Bell was our standout wicket taker throughout the season with great support from James Parasyn, Max Guilday, Jordan Iyengar and Matty Pearson. Alexander Benson started to develop as a good spin bowling option towards the latter end of the season.

Our batting was not the strong suit throughout the season with a lack of strong partnerships at critical times. Anthony Bartlett and Kaiden Phillips lead the way with a great season with bat and were supported well by Alex Guilday, Josh Gooderick and Pat McDonnell Occasionally, Deshan Malalage filled in for the team contributing with his first half century and some valuable 40s.

I would like to thank our team manager Mark Bell for his support throughout the season. The parents were great all season assisting with the umpiring (Ro Iyengar, Bryan Pearson, Paul McDonnell) and scoring (Adam Benson, Tina Phillips, Simon Gooderick, Mark Bell, Andrew Parasyn). The weekly team BBQs was a feature of great team environment we generated throughout the season with everyone trying to up the standard of the BBQ week in week out. Every week we had a large support group come along to cheer the team on.

Especial thanks goes to Lachlan Bartlett who filled in twice and also fielded on occasions to help the team out. Lachlan took one wicket and also contributed with a partnership of 38 for the 10th wicket with Deshan Malalage.

It was a pleasure to coach such a good group of boys throughout the season. I hope the boys enjoyed the season and they are keen to play again next year.

Mark Bell – Manager

Steve Bartlett - Coach

St Ives District Junior Cricket Club Inc

U13 Warner

It has been a great season for the U13 Warner boys. From the very first training session, the boys have played with great sportsmanship and team spirit. They have all improved as players during the season with everyone finding form at some stage with the bat or ball as the games progressed. Each can point to at least one game where they made the runs, bowled a great spell, took the crucial catch or threw down for a run out. Everyone has contributed to the team's results and can proud of their season.

Each week batting and bowling order was rotated around to ensure everyone got a good time at the wicket or chance to lead the charge. The boys supported each other in the high and lows and even the tensions caused by a few crazy run outs! Winning 8 out 13 games they finished fourth on the ladder in regular season.

Congratulations to the boys and thanks to the great group of parents that got them to training, games and cheered them on throughout the season.

Murray Hawkins - Coach

Eben Grayling - Manager

U14 Haddin

I again enjoyed coaching the team this season because they are a great bunch of boys who train and play the game with good camaraderie and spirit. I think they gel together really well and have a lot of fun, despite the challenges cricket serves up for both the individual and for the team. It was a shame that we ended up with a spate of injuries which weakened the bowling, wicketkeeping and fielding at the pointy end of the season. Congratulations to St Ives Warner for being the victorious grand final team in addition to being minor premiers - we look forward to a rematch next season!

It was terrific to have new faces in the team this season, being Angus "Fergo", Harry, Tim and the welcome return of Hamish after a couple of years playing up an age group. Each of these boys contributed strongly to the playing capability Team Haddin and certainly to the positive team spirit.

Next season is U15 age group and the last season before grade cricket so I would like to strongly encourage all of the boys and families to return for another season at this great junior sports club and aim for Premiership and Grand Final success 12 months from now!

We had a bit of a slow start to the season with the boys (and coach) being a little rusty after winter sports and holidays but from round 4 onwards they continually improved defeating each of the other teams in the competition along the way. The great thing about Team Haddin is that each of the boys are capable of bowling, batting and fielding well and this depth means that they can find a way of winning any game if they put their minds to it.

Aaron has delivered consistently sublime line and length since his return from injury and is an exemplar of economical opening bowling who sets the tone for the rest of the team. There is nobody more reliable in the field whether in close or on the boundary and possibly nobody less lucky with the bat!

Angus Fergo has injected great character into the team and impressed with some spectacular catches at square leg. Always eager to bowl and bat, Fergo has impressed with his solidity as a reliable

St Ives District Junior Cricket Club Inc

batsman against the best bowlers the opposition has.

Angus L was impressive bowling, regularly taking the wickets of the opposition's best batsmen and a few memorable catches in slips. Angus developed into a reliable batsmen, delivering middle order run-rate with big hitting - often over the boundary.

Chris is a stylish player and always looked threatening with the bat and made a strong contribution to the run scoring in a number of games. His run rate was always high which is invaluable in the 32 over format. 5 catches taken was amongst the highest for the team.

Dylan led the wicket-taking with Harry with a haul of 12 for the season. His tricky off-cutters regularly troubled the batsmen and the variety from the medium/pace bowlers resulted in this leading wicket haul. He became a lock in point or gully.

Ed is a genuinely damaging all round cricketer and regularly demonstrated an ability to change a game with hard-hitting and sharp fielding which both improved as the season progressed. But for a dubious dismissal in the last 2-day game, he would have won the boys the match. Ed's express pace bowling was always troubling to the opposition but was not rewarded with the number of wickets he deserved. I know who I least want to face in the nets!

Ethan had a regrettably short season due to injury but up until then he was a dominant figure in the field owning fine leg and mid wicket achieving many runouts. As a bowler, Ethan remodelled himself into a dangerous medium pacer with a very troubling line and length securing a wicket each game.

Hamish was expected to be a key part of a strong bowling line up and athletic fieldsman. But it was his consistently dominant batting which made the greatest contribution to the team. Hamish was regularly the highest scorer for Team Haddin and set the example with low-risk, hard hitting shots which regularly crossed the boundary for 4 runs - 48 times!!!

Harry led the wicket-taking with Dylan with a haul of 12 for the season. Similar to Aaron, Harry developed into a super-consistent exponent of great line and length bowling taking wickets and conceding few runs. His grand final performance was no exception. He is a safe fielder in any position and is always a positive voice and good team-man. Solid with the bat, Harry values his wicket.

Jono was, as always, the beating heart of the team on the field, providing the "voice" to positively encourage his teammates and spark them into action. Jono's leg spin bowling has been a revelation and his ability to teach himself this art is admirable. Along with Fergo, he was a reliable "rock" as opening batsman upon which the team could build an innings. Being the complete all-round cricketer, Jono has also excelled as a wicket-taking fielder and wicket keeper.

Josh is our best wicket keeper, outstanding fielder and batsmen. Unfortunately for the team his wicket-keeping prowess saw him playing most of the season for the President Cup team and then we lost him to concussion for the finals. He will make a big difference if available next season.

Max made an immediate impression after his long injury lay off, quickly reminding us of what a great runner he is both with bat in hand and in the field. He stood up to a big challenge in the grand final agreeing to open the batting and finished the game unbeaten including a second innings with a nice 4 to fine leg.

St Ives District Junior Cricket Club Inc

Tim has been an outstanding addition to the team filling the gap as #1 wicketkeeper, very solid batsmen and a troubling "Max Walker" style bowler. He is a great example of the all round cricketer which makes this team a success. Tim typifies what good sportsmanship is about.

Thanks to all of you who have helped support the team this season, particularly Matt - as always - for ensuring that all of us are organised and for his enormous contribution to the club; Jacinda for being the Queen of the Scorebook; Pete for being King of the Queens shelter; and Brendan for being the Director of Assistant Coaching & Team Psychology.

Finally thanks to a great parent group.

Trent Loebel - Coach

Matt Cole - Manager

U14 Warner

The summer of 2016/17 was another excellent season of cricket for this great group of boys. This year they had the pressure of trying to defend the title they won last season with the team only missing one player from last season.

The boys continued to train hard, they focused on the basics at training and most importantly, they enjoy their cricket. As a result, they have the opportunity of defending their title against St Ives Haddin (result unknown at time of writing!).

Whatever the outcome, the season has been a success due to the continued improvements the boys have made individually and the work they have put in. The boys continue to play the game in the right spirit and this was exemplified by Harry (our wicket keeper) when on a wettish

day, he could have easily run out an opposing player who had slipped over due to the conditions, yet held the ball next to the stumps and gave him the opportunity to make it home. Great sportsmanship Harry.

We are a strong team without having to rely on a couple of players and this is highlighted by the statistics. We had five players score over 200 runs and be in the top 20 for the competition. On the bowling front we six bowlers take 10 or more wickets for the season and feature in the top 20. As a team we scored the most runs in the competition while also taking the most wickets which saw us be minor premiers – a great effort and well deserved reward for the team.

Throughout the season, each individual has contributed at an important stage in a game and it is pleasing to see the boys play for each other and to celebrate their team mate's success – this is what team sports are all about!

St Ives District Junior Cricket Club Inc

Our bowling and fielding was once again very strong. We are lucky in that we have three excellent keepers who when called upon help set the standard in the field. As a team, we caught the majority of catches that come our way and our ground fielding continues to improve.

Every boy in our team contributes with the ball. While we sometimes get carried away with trying to bowl too fast, for the most part we are accurate and put the ball in the right areas. All our players took wickets which highlights our strength with the ball.

Our batting has been very consistent apart from one or two games. Due to the fact that we have good batting depth, the boys at times can be complacent thinking that if they get out then someone else will get the runs. While this has happened most weeks they boys still need to learn to value their wickets. In saying that, there have been numerous excellent innings throughout the season and two players scored 50's.

Our two captains (Stevie and Yianni) have shown great leadership, they have become more confident in their field settings and have done a great job encouraging and supporting the team.

Stevie, Yianni, Shaun, Ben, Greg, Harry, Dan, Aidan, Dean, Olly, Adrian, Jaiden, Ayush and Ari – well done on a great season and be proud of what you have achieved individually and collectively throughout the 2016/17 season.

A big thank you to our wonderful parents for all their help and support throughout the season.

To Jules – our superstar manager who gets things organised without a fuss – THANK YOU!

We have enjoyed coaching this great group of boys and a big congratulations on being minor premiers in the u14 Div 1 competition.

We look forward to seeing you all again for the 2017/18 season.

Richard High & Con Koulouris - Coach

Juliette Lorking - Manager

U14 Hazlewood

U14 Hazlewood had a mixed, but enjoyable season. I thought we were unlucky not to win a few more games - but having said that, the boys enjoyed themselves and always tried their best. We came

together as a new team with a mixture of boys from different teams and even different clubs - we even had a few that were basically just starting out in cricket. I'm proud of the way they stuck at it throughout the year - with all the boys, I think, improving and even some gaining personal best stats. I'd also like to thank the parents of our team - this year has easily been the best

St Ives District Junior Cricket Club Inc

I have been part of in terms of parent help and participation. Thankyou to everyone involved.

Will Pearce - Coach

Kirsty Pearce - Manager

U14 Ponting

Our season started well with most of the boys from last year returning to the team with the addition of Jay Tunnicliffe, Daniel Ghougassian and Harrison Lucas joining the team. Additionally, Will Irish and Janaka Malalage filled in when we were short of players.

There were many personal and team milestones this season and the following are worth celebrating

Highest score by a St Ives team, ever was achieved vs St Pius when we scored 489 for 9 in 57.5 overs.

The boys won the U13/14 minor premiers and championship for the 2016/17 season.

Harrison Lucas and Deshan Malalage scored their maiden centuries and Ben

Worthington and Charlie Scholefield scored their maiden fifties this season.

Harrison Lucas, Ben Worthington, Deshan Malalage, Charlie Scholefield, Daniel Ghougassian, Kyle Scholtz, Jay Tunnicliffe and Chris Hemsley and Will Irish scored over 100 runs for the season with Harrison topping the batting for both the team and for the club with 618 runs at 88.2 including two centuries. Ben Worthington achieved 1000 career runs for the club.

Keiran Hutton, Evan Davies, Toby McGarity, Ben Worthington, Deshan Malalage and Harrison Lucas got over 10 wickets and Keiran and Evan topped the bowling with 16 wickets each. Deshan Malalage achieved 50 career wickets for the club.

Ben Worthington was our outstanding fielder with 17 catches and Kyle was our reliable wicketkeeper with 3 stumpings and 10 catches behind the stumps.

It is worth mentioning that every player gave their 100% in the field and achieved a personal best in either batting or bowling during the season.

The boys played together as a unit, continuing their progress from last season and were captained by Ben Worthington throughout the season. They played their cricket in the right spirit and enjoyment of the game was evident both at the games and at the Friday night centre wicket practices. They supported each other when the occasional catch was dropped or a run out was missed but celebrated as one when their mates got a wicket or caught a blinder and ultimately when they won the championship finals vs Mossman McCabe. The feedback from opposition coaches was a testament to the boy's maturity and the spirit in which they played all season.

The boys were supported every week by our dedicated group of parents who turned up for every game and shared the scoring responsibilities on a weekly basis. It was great to see the amount of preparation and thoroughness of the whole group in recording the many achievements of the boys in

St Ives District Junior Cricket Club Inc

the scorebook.

Our panel of official umpires increased with David Hemmsley joining Hein Scholtz, Rob McGarity and myself. I want to thank Hein for his neutral and objective umpiring throughout the season, again teaching the boys to respect the umpires decision and the importance of gamesmanship in and out of the field.

I wanted to say a special thank you to Rob, who worked tirelessly to coordinate the boys and the parents so we are fully prepared for the games and turn up at the right ground every Sunday. Rob was a tremendous support to me as the coach to get the best out of the boys and to try new things with the way we play.

Finally, I want to say a very special thank you to this bunch of young men who continue to improve their skills and enjoy the game they love while playing as a team and looking out for each other. I am so proud of them for the way they play their cricket and for their many achievements this season.

Mahesh Malalage - Coach

Rob McGarity - Manager

U14 Smith

When the season began last year, we were a group of players who had not met each other, simply sharing a common passion for cricket. We had lost three players before the first game was played, and with other teams short of players it was not the ideal start to the season. With no prior knowledge of the players, the batting order was decided by drawing numbers from a bag, and the bowling order was simply the reverse.

We were then joined by Anthony Bartlett from the Saturday U13 competition, and we won our first game. Everyone went home happy from that game, but we were not certain it would continue.

With targeted and specific skills training our coach, Richard Inman, helped the boys develop both their ability and maturity in playing the game. You could watch their confidence grow despite a couple of setbacks. Once Ben Peden was appointed the Captain of the team ongoing, the boys developed a rhythm and started consistently winning matches.

Jack Lenehan and Saxon Inglis joined us later in the competition and the team had a regular order of players which showed in their ongoing performance.

The team's greatest strength was their bowling and fielding, which often ensured a smaller number of runs to chase down.

When it came to putting runs on the board, Blake Forbes was normally the player leading the charge, ably helped by Elliot Inman, Anthony Bartlett, Ben Peden, Troy Sorby, Jack Lenehan, Daniel Hoare and Saxon Inglis.

The boys played with a lot of heart, skill and maturity to get themselves into the semi-finals. A brilliant result given the start to the season. All in all, the boys enjoyed their cricket and played with a level of maturity beyond their age. As parents, we were all very proud to watch them out on the field.

Ben Peden – as team Captain, Ben usually played leading by example. He was one of the team strike bowlers and always put in a solid performance with the bat. He was able to keep the boys focused on the game and always had the right words of encouragement when required.

St Ives District Junior Cricket Club Inc

Elliot Inman – Elliot had the dual role as an opening batsman and a strike bowler. He has a brilliant line and length and pace that usually had his opponents left wondering where the ball went.

Troy Sorby – whether it was pace or spin, Troy consistently took wickets and kept the run rate down. However, Troy’s best ability was in the field. Once he was assigned mid-on as his fielding position, he truly owned that role taking one spectacular catch after another. The parents just had to call him, Mr Mid-On.

Anthony Bartlett – Anthony opened the batting with Elliot and was also an excellent seam bowler. Anthony was most noted for his on field positive banter. He became our team “barometer.” If Anthony was chanting one of his mantras, then the team was doing well. Anthony also took some blinding catches worthy of any Classic Catch you see on TV.

Blake Forbes – our leading batsman and wicket-keeper. Blake could always be relied on to score a fistful of runs as well as providing a solid performance as wicket keeper. If you ask Blake what the highlight of year was, I’m sure he would not hesitate to tell you of his 101 not out against St Pius in February

Ryan Belzeki – Ryan was one our most able performers in the field. Quick to the ball, with a good throwing arm, Ryan was able to take wickets as well. His bowling improved throughout the year. Ryan was also our back-up wicket keeper and he showed excellent skill and confidence in this role too.

Daniel Hoare – Daniel is an excellent all-round player. He consistently took wickets and had a brilliant pair of hands when it came to a catch. Daniel was also a handy player with the bat and knew how to keep the run rate ticking along.

Jayden Treisman – Jayden was one of our players who improved so much during the season. He demonstrated a lot of determination in field, when bowling and knew how to hold his crease when at bat. Jayden’s highlight for the year would have to be his maiden hat-trick against Mosman Border – a fantastic moment to watch!

Yehuda Kreb – Yehuda joined the team later in the season and quickly established himself as an enthusiastic player with a great pair of hands when it came to an outfield catch. Yehuda was easily one of our most improved players during the season.

Jack Lenehan – Jack joined the team in November and showed from the first game that he is an excellent all-rounder. Jack also provided us with one of the proudest moments when he walked while at the crease after snicking an edge to the keeper. Despite the lack of an appeal from the bowler, Jack gave us a mature moment worthy of Adam Gilchrist.

Saxon Inglis – Saxon also joined our team in November and exploded onto the field as a brilliant bowler. He picked up his maiden hat-trick against St Ives Starc, then two weeks later picked up 6 wickets for only 11 runs against Gordon Green.

Alaric Tornow – Alaric was also a big improver during the year. He took 6 wickets during the season with his deceptively slow bowling and picked up his first catch in the outfield against Gordon Green. It was great to see him enjoying his cricket and being with his team mates.

Micki Goodman – Micki was our other all-rounder and played with great courage every time he was

St Ives District Junior Cricket Club Inc

on the field. Micki always surprised the opposition with how boldly he played as he was one of the smaller members of the team. Unfortunately, his time with the team was cut short when his family moved to Melbourne in the New year.

It has been a great privilege to watch this team develop and succeed. They deserved a better result, and it could be said the weather conspired against them.

Chris Tornow - Manager
Richard Inman - Coach

U14 Starc - not submitted

Gavin Recchia - Manager

U15 North

The boys enjoyed a marvellous 2016/17 season winning 11 of their 13 season games. They also had the distinction of being Minor Premiers which was a great achievement considering the talent in the U15 Sunday AM competition this year. Throughout the entire season all the boys showed an enormous level of commitment to the team and the team's camaraderie was evident each week. There was a great spirit of friendship among the boys and the support from parents made coaching the team a dream.

I found this year as coach, my role became more of a facilitator rather than an educator. This allowed the boys to improve their own game and leverage their own strengths to take their game to a new level. I have no doubt this will put them in good stead as they transition from junior to senior cricket.

Throughout the season we rotated the batting order giving every boy the opportunity to shine and they did not disappoint; with many of the team breaking personal bests. Whether it was getting their highest score or their fastest 50 or getting their first 100 it was so rewarding to see the look on their faces as they walked / strutted off the field.

We also rotated our bowling order giving every team member the opportunity to bowl with the new ball. The knock-on effect was that at training everyone was trying to perfect their outswinger, inswinger or slower ball with some interesting results. However, this meant that for most of the games the wickets taken were spread throughout the team. It's always nice as coach to have players who believe they can change a game.

The most noticeable improvement has been the boys understanding and appreciation of the game which will be a major asset for them going forward.

Finally, a very big thank you to all the parents who came and supported the boys and those who were able to help with umpiring, scoring, leaf blowing, coffee runs, and pre-game warm ups. Also, a special thanks to Nic and Rob for going above and beyond the normal manager duties.

Thanks for a great season!

Gavin Stuart -Coach
Nicolas Shortis, Rob Osborn - Manager

St Ives District Junior Cricket Club Inc

U15 Perry

Our season was one of great enjoyment and learning, with some outstanding team and individual performances thrown in. The team was led in exemplary fashion by Lord Ferry, who rallied his troops with great aplomb. As with any team loaded with representative talent, we played many a game without those players during the rep programme. I'm very grateful to the myriad younger lads that helped us out through the season.

Our stand-out individual performance was undoubtedly Sarah Turner being selected for the Australian U15 XI. Sarah has a very bright future ahead of her and will no doubt be a household name before long. As a team we pulled a few rabbits out of the hat, which served to remind everyone that each player has an important contribution to make.

We certainly saved our best for last. The Plate Final saw us take on Mosman, who were jam packed with rep players and, who, on paper at least, should have had our measure. Lord Ferry had other ideas and managed proceedings with such precision that we soon had Mosman all out for 59. A patient 20-odd from Nick Hook held our innings together and we eventually prevailed quite comfortably. It was a fitting reward for a group of players who never gave less than their best.

Congratulations to Duncan Dingley (bowling), Henry Pike (batting) and Daniel Hardyman (manager's award) on winning the individual gongs.

Gavin Dingley – Coach/Manager

U15 Warner

If you look purely at the competition ladder you might think this wasn't a very good year for U15 Warner. In terms of the results we certainly lost more than we won, and we had some really unfortunate injuries, however if you look at the results in terms of the development of the boys and how they played, I think you would have to conclude it was a really good year.

Compared to previous years we didn't have one person dominate the batting or the bowling, many of the boys scored exciting 50s, which has never happened in previous years. Some of the individual players are truly developing into stylish and effective batsmen, particularly Yonatan, Nathan, Kyle, Liam and Owen at the top of the order. Josh showed he is a top order batsmen, more suited to the longer forms of the game with some really strong and character Field innings particularly in the two-day matches. Tom S, Oscar and Hugh all produced some really stylish batting and important innings for us. The Brett brothers and Ethan together proved themselves to be powerful middle order batsmen who could score quickly and effectively (now if I can only convince them not to hit in the air all of the time :-)). Even Matt towards the bottom of the order, was by the end of the season starting to settle into his own batting style and proved to be effective late order batsmen of the old school.

Bowling honours were also spread very evenly across the team. It was encouraging to see not just the tear-away quick bowlers (Kyle, Yonatan, Tom N, Nathan, Liam) but also the spinners (Noah, Josh, Tom S and Matt) all proving to be effective wicket takers. This season for the first time real signs of control in terms of swing and spin starting to show up. It's encouraging to think how much they have developed and how well they will continue to develop over the next few years. These aren't the kids we started with a few years ago these are now young cricketers of serious merit.

It was also a joy to watch Owen keeping, it isn't surprising he is a rep keeper he has some of the best hands I've seen for a long time on a young and still developing player. And speaking of good hands it would be impossible to not mention Tom "safety hands" Nuich, surely one of the fastest players I've

St Ives District Junior Cricket Club Inc

ever seen in the field, with an amazing ability to make very difficult outfield catches look simple.

It has been a pleasure to be the manager and coach for the team, and to watch the players develop. I would like to thank those parents who helped regularly with umpiring and scoring. It was great to have that core group of parents who were there every week helping every time, hopefully next year a wider group of the parents will be able to be more involved.

Craig Georgans - Coach/Manager

2

St Ives District Junior Cricket Club Inc. ABN 67 932 353 904

Notes to and forming part of the financial statements for the year ended 28 February 2017

1 Statement of significant accounting policies

The significant policies which have been adopted in the preparation of this financial report are:

a Basis of preparation

The association is a non-reporting entity and the financial report is a special purpose financial report prepared for the committee members and members of the St Ives District Junior Cricket Club Inc. for the purpose of fulfilling the financial reporting requirements of the Associations Incorporation Act 1984. The Financial Statements comply with those Accounting Standards and UIG Consensus Views (if any) deemed necessary by the committee in the circumstances to meet the objectives of the special purpose financial report including:

AASB 101 Presentation of Financial Statements

AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors

AASB 110 Events after Balance Date

AASB 124 Related Party Disclosures

AASB 1031 Materiality

AASB 1048 Interpretation and Application of Standards

They have been prepared from historical cost records and do not take into account changing money values or, except where stated, current valuations of non-current assets. The accounting policies have been consistently applied unless otherwise stated.

It has been determined that it is unnecessary to include a Statement of Cash Flows to meet the objectives of the special purpose financial report.

3

St Ives District Junior Cricket Club Inc

St Ives District Junior Cricket Club Inc. ABN 67 932 353 904

Notes to and forming part of the financial statements (continued for the year ended 28 February 2017)

b Revenue recognition

Membership revenue is recognised in the period to which it relates. Sales of goods are recognised at the time of sale to the customer.

Other income is recognised when received. c

Expenses

Expenses were recorded in the financial statements on an accruals basis so that expenses are matched against income and recognised in the year to which they relate.

d Inventories

Inventories comprise stocks of cricket balls held for future use and club merchandise held for resale. Inventories are valued at the lower of cost and net realisable value.

e Property, plant and equipment

Items of cricket equipment are initially recorded at cost and depreciated over their estimated useful lives.

f Goods and services tax

Expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Accruals are stated exclusive of GST.

Special Purpose Independent Audit Report For the year ended 28 February 2017

To the members of St Ives District Junior Cricket Club Inc.

Scope

We have audited the financial report of St Ives District Junior Cricket Club Inc. being a special purpose financial report comprising the statement of financial performance, statement of financial position, accompanying notes and committee members' declaration for the year ended 28 February 2017 as set out on pages I to 9.

The association's committee are responsible for the financial report and they have determined that the accounting policies used and described in Note I to the financial report and the accounting disclosures contained therein are appropriate to the needs of the members and the Associations Incorporation Act 1984. We have conducted an independent audit of the financial report in order to express an opinion on it to the members.

The financial report has been prepared for distribution to the members for the purpose of fulfilling the requirements of the Associations Incorporation Act 1984. We disclaim any assumption of responsibility for any reliance on this report or on the financial report prepared as a special purpose financial report to which it relates, to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note

1 so as to present a view which is consistent with our understanding of the association's financial position and the result of its operations.

The audit opinion expressed in this report has been formed on the above basis.

St Ives District Junior Cricket Club Inc

St Ives District Junior Cricket Club Inc.
