St Ives Junior Cricket Club Inc

PRESIDENT'S REPORT 2013/14

The 2013/2014 cricket season was another successful year for St Ives Junior Cricket Club.

Based on the Club's junior cricket records dating back to 1964/1965, and a browsing review of the St Ives (Seniors) Cricket Club history, the Committee learned during the season that 2013/2014 was the 50th season of junior cricket in St Ives. A golden jubilee is a significant milestone in any Club's history, and a tribute to the parents and players who have supported the Club since the introduction of the Junior 'Schoolboy' Competition in the early 1960s.

In recognition of the Club's 50th Anniversary achievement, the Club is planning a celebration dinner to be held on 25 October 2014. I would like to thank Adele Brennan for her efforts in leading the planning for the event, and for accepting the role of Functions Coordinator for the Club.

Whilst this was the Club's 50th season, this was my first season as President, having taken over from Clive Fletcher, who, along with past-Treasurer Geoff Keevers, led the Club so magnificently for the previous five seasons. In recognition of their combined efforts, Clive and Geoff were awarded Life Membership of the Club at the Annual General Meeting in March 2013. Congratulations Clive and Geoff.

This year we had 580 players, up from 500 players the previous season. Our players were spread across 44 teams, consisting of 12 In2Cricket teams at the St Ives Village Green, four Little Breakers girls' teams on Friday evenings, one girls' team in the NSGCA, and 27 teams from U9s to U16/17 in the NSJCA.

On the field we had another strong season. Similar to last year, we had three minor premiership teams; namely U11 Haddin, U12/13 Haddin and U16/17 Border (This tells me we should name more teams 'Haddin'). As so often happens in knock out finals, however, only one team (U14/15 Hussey) secured a championship premiership, and one team (U13 Johnson) a cup win, with eight of our teams being runners up in either a championship, cup or plate final category. Congratulations to all of these teams.

The Club was well represented in the weekly NSJCA Nilgiri's sportsmanship awards, which are proudly sponsored by Nilgiri's Indian Restaurant in St Leonards. Congratulations to Max Black (U11 Haddin), Will Kennedy (U10 Lee), Ayush Vij (U11 Warner), Liam Skeggs (U14/15 Hussey) and Arthur Lockyer (U10 Lee) for their excellent sportsmanship.

The Club was again well represented in the NSJCA representative teams, with 28 players selected across the U10 to U16 age groups, and two players selected for the Cricket NSW Academy.

Sarah Turner and Lexi Bull from the Club did exceptionally well in the recent NSWPSA girls cricket competition in Barooga. Sarah captained the team to their first win ever. Sarah was selected in the NSWPSA Development team that will attend a three-day camp in April where the NSWPSA team will be decided.

St Ives Junior Cricket Club Inc

PRESIDENT'S REPORT 2013/14 (cont)

Rohan Rao (Under 13) also performed exceptionally well in the recent NSWPSA boys cricket competition. Rohan's team, Sydney North, won the state championships for the second time in a row and Rohan has been part of both winning teams. Rohan also managed to take a hat trick for the second year in a row (against the same team as he did so last year)! A huge congratulations to Rohan for this amazing feat.

I would like to congratulate the following U10 and U11 players who were nominated for the President's Encouragement Award for their sportsmanship and commitment to cricket this season: Graham Page (U11 Haddin), Ben High (U11 Warner), Jackson Douglas (U11 Watson), Deshan Malalage (U11 Ponting), Josh Lewis (U11 Lyon), Lachlan Bill (U10 Lee), Alex Howard (U10 Clarke), Lachlan Hammersley (U10 Ponting) and Liam Husband (U10 Warner).

Based on the citations submitted by the team managers and coaches, all players would have been deserved winners. However, there can only be one winner, and I would like to congratulate Deshan Malalage (U11 Ponting) as this year's winner. Deshan's nomination citation is shown below:

"Throughout the season, Deshan has set the standard for our team in terms of his devotion to the game of cricket. He is a role model for the team for playing to the spirit of the game. He often offers advice and shares his knowledge with his team mates and always puts the team first when he plays. He sets a benchmark for his teammates to follow in terms of skill development by always giving his full attention throughout team training sessions, as well as the hours of practice that he puts in outside of the team sessions. He watches hours of YouTube cricket highlights to learn from International players and often reads cricket books to learn the history and technical aspects of the game. He also has demonstrated to the team that practice pays dividends as he rated highly in both the team batting and bowling statistics scoring 159 runs and taking 7 wickets for the season. Further, Deshan was selected to play in the NSJCA U10 rep team."

Congratulations Deshan.

In the NSGCA, the combined St Ives/Gordon girls Saturday team had another very successful season, which unfortunately came to a close when their semi-final was washed out. I would like to thank Steven Bird who took on the dual roles of U13 Age Coordinator and the NSGCA Coordinator.

This season saw a significant increase in our registrations for girl's cricket, which is tremendous. In addition to the Saturday competitions, this season saw the introduction of Friday evening cricket in Chatswood for 8 – 12 year old girls. Known as Little Breakers, this is an introductory style of cricket for girls being promoted by Cricket NSW. We managed to recruit 39 Girls for this comp which was a tremendous result, and from all reports they all thoroughly enjoyed themselves.

Under Mark Hilton, Matt Freeman and Steve Bartlett, the In2Cricket program had a brilliant year with over 150 kids on the Village Green every Saturday morning, up from 120 players the previous season. Steve did an excellent job arranging the team lists, whilst Mark and Matt did a

PRESIDENT'S REPORT 2013/14 (cont)

St Ives Junior Cricket Club Inc

great job each week in their bright pink coordinator shirts and hats. David Ford and his team did an exceptional job in coordinating the cricketing development of our youngest players, and we look forward to their continued assistance with our In2Cricket program next season.

This year we introduced some new initiatives to promote player development, and from all reports, the specialised coaching sessions with David Ford and Daniel Caldwell were well

received. David Ford, a former Manly first grade player, conducted specialist coaching sessions at Hassell Park in batting, bowling, wicket keeping and a coach the coaches session on Wednesday afternoons, in addition to coordinating the In2Cricket activities at the Village Green each Saturday. Daniel Caldwell, a current first grade player with Northern Districts, attended at least one training session for each team with a view to 'coaching the coach'.

In April last year, the Club was approached for coaching and logistics assistance by the Regional Coordinator for the Active After School Communities Program (AASC) – a Federal Government funded program designed to get children active and create pathways into local sporting Clubs. As a result of the Club's support, Daniel Caldwell provided after school cricket activities at St Ives North Public School, St Ives Park, Gordon East Public School and Terry Hills Kids Club.

In September, the Club was approached for assistance in providing parents and players to appear with Australian test cricketers in a TV commercial for the Commonwealth Bank, which subsequently featured on TV during the summer of cricket. In appreciation for the Club's assistance, the Commonwealth Bank kindly donated \$4,000 to the Club, which the committee has decided to put towards the purchase of 20 gazebos for shade protection next season.

On Friday 15 November, the annual U9/U10 Big Bash social cricket / BBQ night was held at Hassell Park. Over 90 players across eight teams participated, and thankfully the weather held off long enough for all matches to be completed. Many thanks to Rachel Scholefield, Matt and Jacinda Cole, Katherine Stevenson, Trent Loebel and Julie Iyengar for helping with the night, and to Tri-Force Sports, David Ford coaching clinics and Geoff Spotswood coaching clinics for the lucky door prizes.

An interesting side note occurred on the night of the Big Bash. Daniel Caldwell was unavailable to conduct his 'coach the coach' session with U11 Haddin, and arranged for Scott Borthwick, his teammate from Northern Districts, to fill in whilst he was away. Scott, an English T20 and ODI representative player, was subsequently selected to play for England in the 5th Ashes Test in Sydney.

The Club continues to promote extra-curricular cricket activities for its players. For instance, in late December, 75 of our players participated in on ground activities at the SCG prior to a Sydney Sixers Big Bash Match, and were given complimentary tickets to the game as well. Congratulations to Mark Hilton for his organisational efforts in arranging this event. Some of our Little Breaker's girls were also lucky enough to participate in the on ground activities on the 3rd day of the Ashes Test at the SCG in January. They had a fabulous day decked out in pink for Jane McGrath day and even got to see the Aussies bowl out England to bring home the Ashes.

PRESIDENT'S REPORT 2013/14 (cont)

St Ives Junior Cricket Club Inc

Prior to the Sydney Test, the Club checked with Cricket NSW whether the general public could watch the Australian and English teams practice in the days leading up to the Test, and learned that spectators were welcome to attend the training session, free of charge, and have the opportunity to speak to the players, obtain autographs and have photos with the stars. Several families amongst the Club took up the opportunity, and had an excellent experience close up with the Aussie and English players. Having taken my two boys along this year, I would certainly recommend it for everyone next season.

In February, the Club arranged for 100 of our players to play social cricket on the SCG during the lunch break on Day 4 of the Sheffield Shield match between New South Wales and Victoria. The SCG kindly offered to open the SCG Museum especially for our visit, and plans were underway for a tour of the newly opened MA Noble and Don Bradman Grandstands. Unfortunately, the match finished a day early, courtesy of Victoria slumping from 3 for 0 to 6 for 9 in its second innings (and subsequently losing by an innings). Despite not proceeding this year, I would encourage the plans be dusted off and resurrected again next year. There was strong enthusiasm amongst parents and players for the SCG visit, and I would like to thank everyone who volunteered to assist as coordinators.

One initiative the Club is currently investigating is the concept of participation based, or Average Cricket, for our Under 10 Division 2 and Under 11 Division 2 players. Having a strong interest in cricket statistics, it was apparent when I read last year's Annual Report that there are many players who would benefit from having a set number of overs at the crease (when batting) instead of the Out means Out rule that currently applies from Under 10s upwards. A follow up review of this season's statistics, and then a review of batting statistics over the past eight seasons across all clubs in the NSJCA for Under 10s (2,200 players) and Under 11s (2,000 players) indicates there is merit in trialling the participation format next season for U10s.

An online survey was distributed in February to parents of Under 9s through to Under 12s, seeking feedback on their cricket experience this season, and asking for feedback on the proposed introduction of Average Cricket next season. The initial feedback suggests there is support for the concept in Under 10s, and limited support for Under 11s. The concept has been raised as a discussion point for upcoming NSJCA planning meetings for season 2014/2015.

I would like to record my sincere thanks to everyone on the committee for their combined efforts in making the season such a success. The committee is comprised of a dedicated group of very capable parent volunteers, each of whom provides excellent service to the Club. Believe it or not, planning for the season began in May, with April being the only month without a committee meeting.

One aspect of the Club I would like to acknowledge is the willingness of parents to assist the Club in its various endeavours. A perfect example was the response for volunteers to run the BBQ for the Grand Opening of the St Ives IGA located across the road from Hassell Park. To put the request in context, I received a phone call on the Friday afternoon prior to the Australia Day long weekend from Sasha, the Store Manager, asking for assistance with the BBQ on the Saturday as another sporting club had become unavailable at the last minute. I promised to send a Club-wide email to parents asking for assistance, and the response was overwhelming – either from people

PRESIDENT'S REPORT 2013/14 (cont)

St Ives Junior Cricket Club Inc

able to assist, or from people sending apology emails from near and far expressing their willingness to assist except for being away. As a result of the request, the Club made \$150, and IGA has kindly offered to assist with supplies for our BBQ on Presentation Day.

I would like to thank our major sponsor, Triforce Sports for all that they do for us – not only offering our members 10% discount all year round, but for their help with donations for various lucky door prizes throughout the season. We are also thankful to Papa's Pizza and Pasta in St Ives Shopping Village for donating milkshake vouchers for player of the day awards and Sydney

Awards and Trophies in West Lindfield for the wonderful support they give us. We are always on the lookout for additional sponsors for the Club and hope to make inroads in adding to our sponsorship base next season.

I would like to thank the Age Coordinators who collectively did a fantastic job in coordinating the many and varied activities required to keep a junior cricket Club running smoothly. Our Age Coordinators this year were Katherine Stevenson (U9), Julie Iyengar (U10), Matt Cole (U11), Lara Turner (U12), Stephen Bird (U13), Chris Skeggs (U14/15) and Lalin De Silva (U16/17).

I would like to thank Dean Beeton who kindly volunteered at the beginning of the season to fill the vacant position of Club Coaching Coordinator. Dean was passionate (in his measured way) in trialling the provision of specialised coaching for all players in each team (at a subsidised rate) as opposed to only two players in each team (completely subsidised by the Club) as had been in place in recent years. The high participation rates amongst our players would indicate the specialised coaching trial was a complete success and should be continued next season.

I would like to pay particular thanks to our Club Operations Manager, Rachel Scholefield, who once again provided excellent and dedicated service to the Club, and often going well beyond the call of duty to ensure the smooth running of Club activities.

In recognition of her efforts, Rachel was awarded the Cricket NSW Sydney North Region Club Volunteer of the Year at an awards ceremony held at the SCG in January. The citation on the certificate read as follows:

"Rachel has been successfully involved in junior Cricket at St Ives for years and her enthusiasm and countless hours of hard work should not go unnoticed. Rachel was also one of the key contributors to getting the very successful inaugural Little Breakers League junior girls completion off the ground."

Congratulations Rachel.

I would also like to thank Matt Cole, our new Treasurer, who took over the reins from Geoff Keevers with distinction. Matt's diligence in budgeting, record keeping and Club accounting was exemplary, and was matched by his enthusiasm and skill in cooking sausages on the Club BBQ. Thanks Matt for a job well done.

St Ives Junior Cricket Club Inc

PRESIDENT'S REPORT 2013/14 (cont)

I would like to thank Anthony Ford for his continued efforts as Equipment Officer. Anthony did a great job checking the equipment in each kit prior to the start of the season, and ordering replacement items as required.

I would like to thank Chris Skeggs, the Club's delegate on the NSJCA committee for his time and effort in attending the monthly NSJCA meetings, and reporting back to the committee at our monthly meetings. Chris' calm and reasoned response to my various questions throughout the season was greatly appreciated.

For a number of seasons, the position of Vice President has been vacant, and as a result, the workload on the President has been particularly busy this year. Ideally, I would like to see a team of three co-Vice Presidents to share the workload when addressing the many and varied items that arise in a season.

Considering the busy workload this season (despite my assurances that it wouldn't be too much of an impost on the family) I would particularly like to thank my wife, Jacqui, and our children, Tom, Charlie and Alice for their tremendous support and patience during the season.

Finally, as noted in previous years by past presidents, I would like to re-iterate that the single most important aspect for St Ives Junior Cricket Club's existence is for every player to participate and to have a 'fair go'. This requires a team of managers and coaches that can provide the environment for this to be possible. We do not grade teams, we believe in playing for the love of the game, as much as possible with the people you want to play with. This inevitably leads to teams having variable skill levels.

I would like to thank every coach, manager, assistant, part-time assistant, scorer and umpire from every team for the time they take every week to make sure the players have the opportunity to participate. Without this approach there is no doubt the game would not be as widely enjoyed as it is.

As Clive Fletcher mentioned in his President's Report last year, as a Club, 'we want to measure our success by how many kids comeback rather than by how many trophies we win'.

With this in mind, I wish you all the best for your winter activities, and look forward to seeing you again next summer.

David McKay
President
St Ives Junior Cricket Club

St Ives Junior Cricket Club Inc

ANNUAL AWARDS CRITERIA

Awards are based on performances throughout the normal competition rounds. **Semi-Finals and Finals performances are not included for the purpose of determining awards.**

Perpetual awards are to be held by registered members of the Club only. Perpetual trophies shall be returned to the Club Registrar immediately a player ceases being a registered member of the Club, or at the end of the following season prior to Presentation Day.

JOHN WALSH MEMORIAL TROPHY (Club Champion): Awarded to the player who achieves the highest point score for the season (1 point per run scored, 10 points per wicket, catch, stumping, or run-out, 5 points per assisted run-out). All age groups are eligible.

(Note: This trophy shall be held by a player once only; a player who has won the trophy once and scores the most points in a subsequent season will be acknowledged appropriately by the Club).

J. MAUNDER CUP: Presented to the player who scores the most runs in the season. All age groups are eligible. If two or more players score equal runs, the award will be shared.

CHARLTON CUP: Presented to the player who takes the most wickets in the season. All age groups are eligible. If two or more players take an equal number of wickets, the award will be shared.

BARRY GARROD TROPHY: Presented to the player who achieves the highest batting average in U11 and U12. A minimum aggregate of 200 runs must be scored for U12, and 150 for U11.

NEIL MARTZ TROPHY: Presented to the best performing wicket keeper for the season (total of catches and stumpings). All age groups are eligible.

PRESIDENT'S ENCOURAGEMENT AWARD: Presented to the player who is considered to have displayed the greatest dedication to the game, to the Club, and in developing their skills in the U10 and U11 competition. The Award is determined by the Club Executive on advice from each of the eligible team manager's recommendations.

STEVE DANIELS MEMORIAL TROPHY: Presented to the player judged to be the most promising in the Club, ready to play in the senior competition. It has been traditional to select a player from the Club's most senior teams, and the Committee when making the selection takes into account the player's history and performance over a reasonable period of time. All aspects of the game are considered including batting, bowling, fielding, captaincy, sportsmanship and contribution to the Club.

JOHNSON FAMILY AWARD (*sponsored by Northern Districts Cricket Club*): Presented to the player judged to be the most promising playing in the U14/15 competition. The Committee, when making the selection takes into account the player's history and performance over a reasonable period of time, including performance in Representative cricket. In addition to a perpetual trophy the recipient receives a scholarship for the Northern District Cricket Academy for the following season.

St Ives Junior Cricket Club Inc

ANNUAL AWARDS CRITERIA (cont)

TRIFORCE GIRL'S CHAMPIONSHIP TROPHY: Awarded to the female player who achieves the highest point score for the season (10 points per wicket, catch, stumping, or runout, 1 point per run scored). All age groups playing Girl's only cricket are eligible.

HAT TRICKS and 5 WICKETS IN A GAME: trophies are awarded to individuals who take a hat trick or 5 wickets in a game during the season.

BATTING and BOWLING AWARDS: are made to the highest aggregate run scorers and wicket takers in each team. If players are equal on aggregate, the best average is awarded the trophy.

MANAGER'S AWARDS: are awarded to the player who has played the game with the best "spirit of cricket" – the best all round, team player. To be decided by the Manager and/or Coach of each U10-U16/17 team.

U9's AWARDS: Each U9 team is awarded a Player of the Year award (for the best all round player) and a Best Team Player award (for the player who has played with the best "spirit of cricket"). These awards are decided by the Coach and/or Manager of each team.

OTHER AWARDS: Medallions are awarded to all members of Minor Premiers and Premiership winning teams by the association. The Club also awards Minor Premier caps to each team member of Minor Premier teams (teams finishing on top of the table before the finals begin).

St Ives Junior Cricket Club Inc

REPRESENTATIVE CRICKET

All financial juniors playing for St Ives Junior Cricket Club are eligible to trial for the representative team in their age group. Our Club had another strong representation in this Season's North Shore Junior Cricket Association representative teams.

Each year, cricket associations from all parts of Sydney, Newcastle, Wollongong and the ACT enter teams in the NSW Districts Junior Shield representative competitions (DCA).

The Inter District Cricket Association (IDCA) runs a competition designed to give players with potential the opportunity to play the game at a level between the Associations' and NSW Districts' standards.

Cricket NSW Academy Program: The Cricket NSW Academy is an off season development program run for ages 13-16 across NSW.

Well done to all the following players:

Age Group	Cricket NSW Academy	DCA Representatives	IDCA/Presidents Cup Representatives
U10		Harrison Davis Deshan Malalage James Parasyn William Shortis William Elliott	
U11		Rohan Rao Alexander Stuart Cooper Wright	Adithya Srivatsan
U12		Thomas Elliott Oliver Garrett	
U13	Sarah Turner	Sarah Turner Alexandra Bull Anna Gonzalez	
U14			Zac Jelbart Lachlan Muir Nicholas Woodward Martin Cornford

St Ives District Junior Cricket Club Inc

Team Reports

In2Cricket

The 2013-2014 season was another good year for St Ives In2cricket, with over 150 registered players spread across twelve teams enjoying their Saturday morning activities at the Village Green.

The older kids dominated numbers this season with 7 teams for the green and 5 teams for the yellow. This should lead to higher number of teams for U/9s next season that will be a positive boost for numbers next season.

David Ford and his team of qualified coaches that play in the Sydney Grade and Shires competitions conducted the weekly in2cricket activities. The fresh and innovative ideas from David and his team led to a great season for all the kids.

Highlights of the season included 40 kids players' involvement in playing on the SCG prior to the Sydney Sixers T20 game on 29th December. Unfortunately the kids missed out on the lunch break entertainment in the 5th Ashes test at the SCG. Also we had a planned event for the NSW vs Victoria Shield game on 15th February but due to NSW dominance of the game it was completed in 3 days and therefore missed out of the 4th day entertainment during the lunch break.

Weather-wise, four of the fifteen weeks were cancelled due to rain. Similar to last year, the season was extended by a week to make up for the wet weather, and this was appreciated by the players and their parents.

It was great to see all the parent participation in supporting the team coaches week to week and all the parents who put their hand up to assist with the team management and bringing of the kit each week.

It was great to have three coordinators sharing the duties given the very large group of kids to manage this year – we don't know how David achieved this by himself over the past three years, Well Done Dave!

Now that we are at the end of another season unfortunately we will lose one of our coordinators – Mark Hilton as his son is progressing up to Under 9s. It will be great if someone else can put up their hand to fill Mark's position as a coordinator for next year.

In closing, we would like to thank David McKay for this support in the transition for us this year in the coordinator role.

Mark Hilton, Matt Freeman and Steven Bartlett – In2Cricket Coordinators

St Gordon Girls

Another fantastic season with lots of good cricket played and heaps of fun along the way!

Whilst numbers were slightly up on the previous year there was still a need to combine the resources between St Ives and Gordon Womens Junior Section again to form a decent size squad to ensure we always fielded a full team and could rotate around other commitments as required.

The newcomers in the blended squad quickly gelled with the "old hands" and the young team proved very competitive against the relatively older teams. It was lovely to see all the girls support each other so well through the good times and more importantly through the tough times when things may not have been going so well.

There were several outstanding individual performances during the season but the team would regularly share the honours around and everyone contributed positively.

St Ives District Junior Cricket Club Inc

Team Reports

Attendance at training throughout the season was good and all those that trained regularly started to see marked improvements in all aspects of their game. Many thanks to David Edwards who assisted with coaching on Wednesday nights.

Game days were always fun and all the girls are to be congratulated for the manner in which they conducted themselves both off and on the pitch. It is such a pleasure as Coach to be thanked by the opposition for a pleasant game played in positive and friendly manner - with an "as always" thrown in for good measure! For that I truly thank each and every player - you were a credit to yourselves and to your clubs.

Whilst the results did not necessarily go our way we took great heart in our win before Christmas and the squad steadily improved and began to grow in stature - at one point I think I grumbled something about them even resembling a cricket team!

In the post Christmas competition we continued to improve and it was unfortunate that our Semi-final was washed out - never mind there is always next year!

There are a few individual mentions that need to be made:

Johanna won the NSGCA Bowling Award - a truly impressive feat!

Huge congratulations to the U13 Representative players Prue, Niamh, Lucie and Anna and our U15 Representative Jade on their selections and valuable contributions at the festival - next stop the Ashes!

Well done to Prue who was awarded the Spirit of Cricket Award for the Representative competition - keep geeing everyone along so well!

And a big shout out to Rosie for the Spirit of Cricket Award for the NSGCA competition - keep smiling so positively!

Thank-you to all the parents and grand parents for your support of the girls and pitching in with umpiring and scoring duties as and when required. Your daughters really do appreciate you being around and enjoying the show!

Finally a huge thank-you to Amandeep Singh for his sterling efforts as Manager and Scorer and to David Edwards for umpiring - without you two I couldn't have relaxed and actually done some coaching!

p.s. An inside joke just for the girls - I still have nightmares whenever I hear the ice cream van jingle!

Steven Bird – Girls' Coordinator

Little Breakers

On the 13th June last year, CricketNSW approached our Club with a very exciting proposal: In conjunction with the NSGCA (North Shore Girls' Cricket Association), they were interested in starting up a "beginner" girls only comp and trialling this initiative on the Lower North Shore.

With much excitement, we jumped at the opportunity. We have felt that there has been a huge gap in the market for young girls interested in pursuing the sport after In2Cricket, particularly with the inspirational success of the Australian Women's cricket team.

St Ives District Junior Cricket Club Inc

Team Reports

In order for this initiative to be successful, CricketNSW and the NSGCA really needed the support of the Clubs. We were extremely proud and excited to recruit 4 full teams of 8 girls per team to submit into this inaugural competition which became branded as The Little Breaker's League.

The comp is for girls aged between 8-12 years old (no age division between teams, so sisters/friends can play together in the same team regardless of age). Each Friday from Oct-Dec last year (5.30-7pm at Bales Park, Chatswood), teams of 8 girls played 2 games each: 8 overs per side. The rules are similar to Under 9's average cricket: each pair bats for 2 overs each and each player bowls for one over per game. In the Bales Park Comp there were 8 teams from St Ives, Gordon and North Sydney. There was also a Mosman comp and a Belrose comp with 20 teams competing overall.

We put together a lovely uniform for the girls and Cricket NSW provided head-bands and coloured zinc which were a great hit. The sun shone and popular background music made for a wonderful atmosphere—with the girls often being seen dancing or cartwheeling between overs.

The girls were also lucky enough to have been treated to a training session from the NSW Lend Lease Breakers half way through the season.

By the end of the 10 week season, our St Ives numbers had grown to 39 – we even had one girl walking her dog with her family make enquiries and as one team was short that particular night, we gave her a spare shirt and she joined the team for the rest of the season! And in February, some of the older Little Breaker's had a practise game with our St Gordon girl's team (the natural next step up) and a few joined them for the remainder of their season. Two of our Little Breakers even made it into the U13 NSGCA Rep team, having barely faced a hard ball before in their lives!

We are so proud to have been one of the start-up Clubs in this exciting initiative. CricketNSW now have plans to roll out the concept across the whole of NSW for season 2014/15. We have no doubt that it will continue to be successful in our area and many other areas across the country into the future. Who knows, perhaps one of these initial Little Breakers will play in the Australian Women's team one day. Watch this space!

Rachel Scholefield, Club Operations Manager

U9 Clarke

U9 Clarke went through the season with an even win loss record and showed a good team spirit. The individual skill levels were strong with catches and run outs from the early games and these developed well throughout the season.

The team had a number of players with older brothers who already had strong cricket skills and some players who were playing cricket for the first time. Elliot Kerr was adjudged the team's best player with a great all-round effort, followed closely by Charlie Helps. Toby showed his fast bowling skills as did Angus with his sling style. Aiden and Benji both managed to take more than 6 wickets while also showing good skills behind the stumps. Adam and Ryan took more than 5 wickets in the season. In the batting, Patrick Scholefield managed to score 18 off a single innings and there were plenty of boundaries and good scores from Patrick Bull, Aidan, Angus, Benji, Adam, Ethan and Ryan. Darcy and Joe both made strong progress with their bowling actions and made a good contribution in the field.

Most importantly each game was fun and the fathers all pitched in to make sure the boys knew what they were doing.

Players: Adam Scott, Aidan Campbell, Angus West, Benjamin Cole, Charlie Helps, Darcy Polley, Elliot Kerr, Ethan Rigele, Joe Blandford, Patrick Bull, Patrick Scholefield, Ryan Moon and Toby Loebel

St Ives District Junior Cricket Club Inc

Team Reports

Coach: Trent Loebel

Manager: Andrew Blandford

U9 Watson

The u9 Watson cricket team consisted of Pymble Public boys who were all willing to learn the skills of the game. Some boys had never played, while others had come through the ranks of Milo cricket.

Training was on a Thursday at Kent Oval Turramurra, with a great turn out every week. We started the season with 2 wins, and did not look back. The team has been very enthusiastic and were always disappointed when training or a match was washed out. We had our fair share of losses, but the boys were very upbeat and refocused by the following week.

The scoring of the matches was rostered between all the families, so that everyone could understand that aspect of the game. The umpiring was completed by several dedicated Dads that was always appreciated by the rest of the team.

All the boys are planning to return to cricket next season.

U9 Siddle

We started the year with only two players having played In2Cricket or cricket previously. Everyone was keen and eager to learn the skills that they had started to develop through their backyard cricket games with their other siblings.

All the boys enjoyed the season even though we suffered a few heavy defeats from teams that had seasoned U/9 players. By the end of the year we had won and lost a similar number of games. I know the game result are not meant to matter but try to tell 12 nine year olds when they win not to get excited especially when they beat a better team, which is what can happen in average cricket. The most pleasing outcome of the season was the improvement made by all the players and the sportsmanship in which they played every game. You never know there could be a future Australian player here!

By the end of the season the bowling had improved the most out of all the elements of the game. The percentage of balls that the boys were getting on the pitch by the end of the year would have been closer to 75% compared to 25% at the start of the year. Drew Giles-Manor, Daniel Phipps and Anthony Bartlett were the regular wicket takers with Jayden Choy and David McNally the biggest improvers with their accuracy of bowling.

The quality of fielding improved every match and by the end of the year catches were being held with the highlight of Ethan Dobson taking a screamer on the deep square leg boundary. Saxon Gersti led the way in field with numerous run outs.

The batting came along way throughout the season with the number of runs off the bat and fours hit increasing as the season went on. Jamie Cole, Lachlan Grant and Jake Stikkelorum all improved their batting throughout the season. Whilst Hugh McDonald and Alex Holland demonstrated strong defensive batting techniques by the end of the season.

Everyone had a go at wicket keeping through the season. Andrew Bartlett who filled in a number of times throughout the season when the team was short, took a liking to wicket keeping.

I would like to thank the manager Robin Dobson and all the parents for supporting the kids throughout the season with bringing the kids to training, umpiring, scoring, padding up the next batsmen and setting up the ground. I hope the boys enjoyed the season and they are keen to play again next year.

St Ives District Junior Cricket Club Inc

Team Reports

Steven Bartlett (coach)

U9 Pattinson

The U9 Pattinson started off the year as a group of boys from 4 different schools starting out to form a team. A number of the boys had played together last year and this was now the chance to build on our skills on the field. Over the course of the season, there has been significant improvement and we are certainly now more of a team with some great signs of talent across the team. The improvements have been across all areas of the game from getting more balls on the pitch to taking catches and hitting bad balls. It is always great to see the thrill of the boys taking a wicket or hitting a boundary, all fuelling the desire to be better. Lastly, the spirit within the team is a great one with both boys and dads showing the best of the game.

Next year, the bulk of the team will return as U9 and we have the makings of a good team. A Year is a long time and I am certain that they will all be ready for the challenge. Our objective next year should be simple, getting the boys bowling more overs and facing more balls to improve. The professional coaching is great and should be continued and better utilised by us.

Highlights:

- The weekly army games played in any bush or rocky terrain usually surrounding our field. Cricket bats held the opposite way make for exceptional guns, balls become grenades and the main thing is everyone has fun and there is an incentive to come along. (we did lose a few balls along the way as grenades weren't always "recovered".... Oh to be U9!)
- Having Daniel along to coach was great and his control of the kids was outstanding
- Watching the dad's each with a different approach to training – lesson learnt is keep all kids near you or you will run around.
- Finishing the last game of the season with Joel hitting a six off his last ball!
- Some bowlers developing reasonable pace in their bowling with more consistency of better balls.
- Fielding has improved significantly, with the mandatory lapses in concentration limited to late in the 18 overs when close to home time!! Throwing accuracy, catching and ground fielding have all improved over the season.
- Weather calls – we have squeezed in a couple of games to perfection with the rain in February, thanks to the optimism of the other managers as well.

Lastly, thanks to all those at the club who make it all happen in the background. We always have the kit we need, support, schedules and Rachel does a fantastic job. A BIG Thank YOU !

U9 Finch

The Under 9 Finch squad comprised of Adam Uttley, Braden Dubash, Charlie Hamon, Kieran Naidoo, Lucas Kwan, Luka Vozella, Milon Kalia, Roman Nilar, Scott Redfearn, Shray Tikoo, Tony Nelson.

U9 Starc

A huge congratulations must go to the boys of U9 Starc. For most of the players this was the first season playing real cricket and they did an amazing job. The boys also provided a lot of wonderful viewing for the parents. The boys improvement from when they started the season was remarkable - with many of the balls that were bowled either rolling up the pitch or being nowhere near the pitch to almost every ball being straight down the pitch. The batting also went through a dramatic improvement as was the running between wicket & fielding.

All the parents did a great job with the scoring with most of them having never scored before.

St Ives District Junior Cricket Club Inc

Team Reports

A special thanks to Geoff Massey our coach for all the time he dedicated to the team, also thank you to Nissanka who umpired most of our games, also thank you to Glenn for the coaching and umpiring support, and also thank you to the other parents for your support both at the games and at training.

The team was made up of Arjun Sukumaran, Asher Hammersley, Dylan Johnson, Hayden Kee, Jack Massey, James Wiryadi, Joshua Wadeson, Mark Rouse, Rafe Morcom, Rayaan Guinto, Ryan Hutton and Sushan Seneviratne.

I am sure everyone will agree that this was a great season and I hope everyone returns next year.

Player of the Year : Dylan Johnson

Best Team Player: Rafe Morcom

Most improved players: Jack Massey, Arjun Sukumaran, Sushan Seneviratne.

U10 Warner

It was our first season together, we had a mix of schools and skills with many players putting on their whites for the first time. It was the first time playing with a real cricket ball and getting used to the idea that out means OUT.

The season began with lots of “suicides and murders” in the form of run outs but over the season thanks to the efforts of coach Hugh the team improved tremendously and we were looking so close to sealing that elusive win towards the end of the season. Maybe if the rain had held off...

Alex was always a keen wicket keeper with legendary “backing up” when batting. Maxi always a great run scorer ending the season with a superb caught and bowled. Chris was always keen for a game and would declare a typhoon as being fit for play. Angus had a fabulous first season with lots of runs and a couple of wickets too. Kaiden took 5 wickets and was a steady batter throughout the season. Tom F was a valuable member of the team who left to go to Switzerland, perhaps once the snow thaws there might be some cricket there?

Euan could be relied on for some big hits, and Liam was one of the most improved players over the season. He ended up with quite a few runs and a great catch. Jamie always enthusiastic towards his team mates and knocked up runs and wickets throughout the season.

The McKeon boys, Sean & Miles, were always active on the field and really improved their bowling throughout the season. Will took 3 wickets and always gave his best. Ash got 2 superb run outs in the season and Tom M ended the season with his best batting score including that boundary.

Even though the team didn't walk away winners on the score sheet, they walked away winners having gained a greater skill base, understanding and love of cricket.

Thanks to the umpires, scorers and parents for providing a steady flow of fruit & lollies throughout the season.

Jacqui Beeton, Team Manager

U10 Lee

What a crazy season for St Ives U10s Lee. Retaining six players from U9s, the team welcomed eight new team-mates, most of whom had never played cricket before.

An inauspicious start conceded free-flowing extras in their opening two defeats. But there were some highlights as Angus notched up 2-13 and Will made his first 20 in game one, and the boys were only two runs shy in the game two.

St Ives District Junior Cricket Club Inc

Team Reports

Then came the epiphany. The boys gelled as a team, responded superbly to coach Stephen, started reducing the extras and notched up nine successive wins with some cracking moments. They restricted their opponents to under 100 in six of those games, winning each by at least six wickets and in as little as 15.1 overs.

Classy bowling displays reaped best tallies of 1-2 for Wil and Ronan, 1-3 for Lachie, 1-4 for Hamish 2-6 for Angus and 2-3 for John and 3-9 for Henry and 3-5 for Nick.

With the bat there were cracking 6s struck by Wil, Lachie and Matt and a pair by Nick as the big hitters got into their stride. Lachie, Matt, Nick and Will passed their 20 threshold 15 times between them in the first 11 games, mostly rtno.

The fielding improved tenfold bringing plenty of run-outs and some fine catches, with Kieran and Matt proving handy wicket-keepers. The boys developed a real sense of sportsmanship, epitomised when Will won the Nilgiri Spirit of Cricket Award in Round 6 - retiring himself in one game to give a team-mate the winning runs.

They learned how to play in pressure situations, with Henry pulling off a sterling final over in game 7 to safeguard a 5-run win. Even after they allowed the nerves to steer them to a heavy defeat in game 12 against nemeses Lane Cove Harris, notwithstanding Wil's season's best 28, they recovered in their next outing to produce a stunning win – rattling North Sydney Green at 4-12 in the fifth over and recording season's bests for Nick (27 no), Matt (22 rtno including his second 6), Tristan (2-8) and James (2-18 and a ro).

Despite the best efforts of Lane Cove Harris' coach to get the semi-final played, not even his leaf-blower could clear off six-inches of waterlogging on the pitch in torrential downpours and Lee duly finished second in the table.

The Championship decider was the perfect finale. The only scheduled contest between the teams had been rained off, so everything was set for a thriller – and so it transpired. The top team, North Sydney Black, had the league's best bowling/fielding figures against the Lee's best batting figures. Unsettled batting first on the wet grass, Lee were one down in the first over and took a while to get going. A steady stream of runs soon had them on 4-60 in the 12th over, with Matt making 11, but they were knocked off their stride when six wickets fell for two runs. Nick steadied the ship with a belting second 6 of the game completing his haul of 22 rtno, and Timmy stoically held up his end as James (10), Wil (28) and John (13) returned to the crease to drive Lee to 113 all out in 22 overs.

The chase was nail-biting. NSB were 1-1 in the second over and 3-26 in the seventh, but then a great partnership added 28 before Arthur made the breakthrough with 2-4 – his best of the season. At 5-59 it was looking tight with 14 overs gone. But Lee could not maintain their momentum and NSB added 40 runs in the next seven overs, snatching singles as the fielding became frantic and claiming victory with one ball remaining.

As the independent umpire, Mark Heaney, said: "It was an absolute pleasure - great to see the boys enjoying themselves and playing the game with intent, but well within the spirit of the game. What a fabulous game - down to the penultimate ball!"

It is worth mentioning the accolades as follows: Nick ended the season as the league's top scorer with 226 runs from his 12 innings, with Matt placed 6th on 170 and Wil 10th on 160 from 13 innings apiece. Lachie, who played school cricket from February, finished 12th with 154 from 10 overs and he and Nick were the only two batsman to end the campaign unbeaten. Henry was the team's highest wicket-taker with an average of 10.57 and a strike rate of 22.29 from his 26 overs.

St Ives District Junior Cricket Club Inc

Team Reports

St Ives U10s Lee: Nick Apps, James Atkins, John Atkins, Lachie Bill, Kieran Brennan, Ronan Brennan, Henry Day, Timmy Faithful, Angus Fisher, Hamish Hole, Wil Kennedy, Arthur Lockyer, Matt Miller, Tristan Sam.

Coach: Stephen Atkins.

Manager: Gabi Lockyer.

U10 Clarke

What a fun season of cricket for the U10 Clarke team! All round dedication to the spirit that is cricket shown by the whole team - the players, the coach (Ro), the manager (Lisa) and the support crew - throughout the entire season. It was fabulous to watch each and every player learning, improving, to come together as a really cohesive team. The boys made us proud - well done U10 Clarke!

It wouldn't be a cricket report without a quick reference to the weather, which sparked some excitement, and not just with the storm lightning. The lads played in heat, they played in heavy bush-fire smoke, they tried to play like ducks (not out for a duck) during torrential rain. Whatever the conditions they all arrived in good time to train, to practise, to play. No matter the state of the conditions, cricket whites were soaked and pressed ready for the next game. The boys wore their St Ives cricket whites with pride.

Now for some of the season highlights...

Alex H showed tremendous improvement fielding, bowling and batting as did Hugh H. Another player who played with heart and improved overall is Dylan L; and what a fantastic team spirit. We were joined late in the season by Luke P who made a fine contribution to U10 Clarke. James C really put some runs on the board with great running between the wickets. Jordan I batted particularly well and has showed great technique bowling (and he was listed as shadow player for the NSJCA U10 reps.) Nick T made a determined effort and showed some fine fielding. Harrison M greatly improved his bowling. Harrison M and Nick T were both missed in the final games; they showed true team spirit still attending training.

Although U10 Clarke narrowly lost their final game, that will be forgotten, and what we will forever remember is Pat 'Hat-Trick' McD - what a superb finish, Pat (also a shadow player for the NSJCA U10 reps.). Finn C performed well batting and made an all-round consistent effort. Likewise consistent dedication from Michael H who really improved his bowling. Justin H must share his breakfast recipe as his opening batting was super. Dan U demonstrated real improvement, especially in bowling, taking 2 wickets in the season finale. Kaif H had a good season, fielding well with a great catch on the full. Will E devoted his summer to cricket (as did his family!) as an U10 NSJCA Rep. and playing for U10 Clarke with a marvellous 50 runs not out!

Cricket is a labour intensive game. U10 Clarke showed a task shared is a task halved. Everyone stepped up, at every practice, at every game, to help, to support, to applaud, to console, to be there for the boys and their cricket. Thanks. U10 Clarke looks forward to the next season of cricket with SI JCC.

U10 Ponting

A somewhat disjoint group of players took to the field for their first match on a morning in mid-September 2013. Some were school mates, some were strangers. Some had been playing cricket since their In2Cricket days, some were very new to the sport. But for most, it was the first year of "when you're out, you're out!" club cricket. That first match of the season was a tough one – all the opposition players enjoyed a 'retired not out' next to their name and the Sundries total on the opposition score sheet was by far the top scorer. But that disjoint group that walked onto the field that morning walked off as a *team*, full of enthusiasm and great spirit, all looking forward a season of good cricket.

St Ives District Junior Cricket Club Inc

Team Reports

It was exciting to watch the boys' confidence grow as the season progressed. And, as more and more matches were played, it was great to see the players start to clap batsmen off, walk in with the bowler, remembering to back up, calling effectively between the wickets and sliding the bat over the crease. Well done to the boys for showing the eagerness to train these and so many other skills, and hats off to them for putting their skills into practice on match-day even if it was a hot day or the score wasn't going their way. But it was the odd pat on the back or word of encouragement to a team mate who perhaps didn't perform like he had hoped, that brought a smile to many a parent's face.

The 2013/2014 U10 Ponting squad comprised of Shervin Erfanian, Angus Fraser, Joshua Gooderick, Lachlan Hammersley, Rhys Johnson, Max Mandile, Tommy Marren, Max Mazin, Matthew Pearson, James Phipson, Alex Priest, Charlie Recchia, Sebastian Reynolds, Angus Rowe and Jamie Shapiro. The top run-scorers were Rhys (130), Josh (90) and Matthew (70). The top wicket takers were Matthew (5), Rhys (4) and Lachlan (4). But then every player's contribution was important – every dot-ball, every quick throw back to the wicket keeper and every dive to save a boundary.

One of the highlights of the season was the hosting of our own McGrath Foundation Pink Stumps Day on the 22nd February 2014. The boys were thrilled to take to the field in their pink caps and other pink gear, and even our umpire got into the spirit of the day by wearing a pink shirt. Our usual self-standing white metal wickets at the batting end were also replaced with pink stumps and bails, and instead of hearing the metal clink, bowlers were rewarded with wickets by the falling of actual bails – and boy did the players love that! A big thanks to the parents for helping to raise money for such a worthy cause.

A big 'thank you' to our tireless coaches Simon Gooderick and Paul Rowe whose perseverance with each player through the season paid off by the marked improvement of so many of the players. A special thanks to Warren Phipson for umpiring for the large majority of the season's matches. The fact that so many parents were available to help score, to umpire, ensure the next batting pair were ready and provide valuable support and cheering from the boundary rope every week, made each fixture a pleasure. You know who you are – the team is indebted to all of you.

But the biggest thanks goes to the players for their commitment to the team and an enthusiasm that couldn't be quenched, no matter what the score sheet was showing.

Well done, boys! See you in the 2014/2015 season.

Craig Johnson (manager)

U11 Haddin

Throughout the regular season the boys were magnificent. They were crowned Division 1 Minor Premiers for the second year running, winning 12 of the 13 games played. They lost to a better team on the day in the Championship Final. Well played Mosman, you deserved the win.

On the batting front the top scorers were Josh Newham (145 @ 20.7), Jono Cole (142 @ 47.3) and Ed Ogilvy (135 @ 33.8).

The top wicket takers were Chris Bendall with 11 wickets (24-1-106-11), Ed Ogilvy - 10 wickets (32-5-72-10), Jono Cole - 9 wickets (33.2-9-76-9) and Dylan Campbell - 9 wickets (31.5-4-79-9).

There were many highlights during the season:

* Expert wicket-keeping from Josh Newham and Max Black, who both kept the square-leg umpires busy with their expert stumpings;

St Ives District Junior Cricket Club Inc

Team Reports

- * Superb out-fielding (special mention to Aaron Kerr for his bullet throws from the boundary – he effected 6 run-outs (including 5 direct hits). Some of the games we just won turned with a wonderful run-out;
- * The excellent leg-breaks from Mack Helps, “bowling Mack” – a big thanks to England’s Scott Borthwick (debut in the Sydney Ashes test) who ran a training session for us;
- * Jono Cole’s catching (14 catches including 3 caught and bowled);
- * Power hitting from Ed Ogilvy throughout the season and especially in the final;
- * Lightning quick running between the wickets from Max Black;
- * Catch of the season from Graham Page; and
- * Great bowling from Daniel Korenblyum and Charlie Scholefield in the final, to give us some hope of a win.

More important than the results and the above highlights, the team ethic shone through. They were times when the support team thought there was no chance of winning but time and time again they never gave up. They played hard, celebrated the wins and learnt from the loss (a 10-wicket shellacking). It was so good to see the boys improve throughout the season.

A key reason for the great season was the excellent coaching from Trent Loebel, who gave up his Friday afternoons and really helped each and every player improve, from both U11 Haddin and U9 Clarke. A big thanks Trent.

The team couldn’t have done it without the other helpers. Thanks to Jod Helps, Mark Bendall and Bradley Campbell for umpiring, our main scorers Nick Scholefield and Cameron Black, and of course all the parents for getting the team to the training sessions/games and barbequing.

The squad comprised: Chris Bendall, Max Black, Dylan Campbell, Jono Cole, Mack Helps, Aaron Kerr, Daniel Korenblyum, Angus Loebel, Josh Newham, Ed Ogilvy, Graham Page, Charlie Scholefield and Hamish Windybank.

Just wait until they are old enough to grow a Mo!

Bring on 2014-15

Matt Cole, Manager

U11 Lyon

What a fantastic season we have all had. I would like to start by expressing my gratitude to all the boys for their enthusiasm in playing and learning the game. Every boy developed their game enormously over the course of the season and the understanding that the game of cricket is above all a team game that we play for fun. This was a team that came together from several schools and years groups. We had boys who had developed their skills from the Milo level to 4 boys who played their first game of cricket ever. We even had one boy, Josh Lewis, who had never really watched a game of cricket as he had grown up in the US. At the first game he came to me to say “Coach I’m a bit nervous, I don’t know the rules” I was able to reassure him that most people don’t know the rules either and this was my first time coaching but we will see how we go. Josh then proceeded to take 2 wickets in consecutive balls. And the team had a strong win to start the season.

Through the season we had 7 wins and 7 losses with only 1 wash out. Many of the games came down to the last over with the boys batting or bowling to try to clinch victory at the games death. These

St Ives District Junior Cricket Club Inc

Team Reports

close games gave the boys a real sense of the game of cricket. The parents also appreciated some of the close finishes after 4 hours of cricket. Occasionally in cricket everything just clicks and every team member is on song. This happened for team Lyon in round 7 with a brilliant batting effort scoring 6/274 in the 30 overs. In round 9 under stormy skies the team and spectators were treated to a brilliant bowling effort from Bradley Boyd who took 5/9 off 4 overs. This set up our most exciting win of the season clinching victory on the last ball of the day.

During the mid season break we gave instructions to the boys to get into back yard cricket watch the tests and 20/20. Will and I thought we better have a chat with our team name sake and got a chance to meet with Nathan Lyon during the Sydney Test match. The boys came out firing for the second half of the season with amazing improvements in batting and bowling from all players.

Through the season the support of the parents has been exceptional. This support has taken many forms with all parents involved. Each week the smell of bacon and eggs wafting over to the opposition camp crated envious looks. This second breakfast for the boys was well welcomed at innings change over and enjoyed by spectators as well. Thank you specifically to the Bell's who had charge of the bbq week to week. I would also like to thank our umpires and scorers who without, the game cannot proceed, you all did a sensational job. Thank you to the drivers and collectors on Friday afternoon training. I was very impressed that we had a full turnout most weeks at training.

Finally I would like to thank my co-coach Will Pearce and Manager Kirsty Pearce for their continuous efforts through the season in managing Team Lyon. Not only have boys had fun but so have the parents.

Congratulations boys on a fantastic season looking forward to 2014/15.

Andrew Stevenson

U11 Ponting

St Ives U11 Ponting team had another fantastic season with new players Ben Worthington, Kieran Hutton, Eli Steinhauer, Reagan Frater and Louis Bebb joining the core team that's been playing together for the last three seasons.

The boys continued to play the game in the right spirit with a great run of 7 games without a loss before Christmas which included the highest score by a St Ives team in the division this season (274 for 3 vs Gordon White with two individual half centuries from Dean Chertkow and Ben Bukofzer). Dean Chertkow notched up the highest runs again for the season with Ben Worthington claiming the highest number of wickets. Deshan Malalage was selected to play for the NSJCA U10 rep team. Kyle Scholtz, Jordyn Ginsberg, Toby McGarity, Alex and Ethan Brightmore and Jasper Van Elst all contributed with runs and wickets throughout the season to cap off a great team effort.

The team also took part in Pink Stumps Day this year, raising close to \$900 as part of the process. The game was played against Lindfield Benaud who also came donned in pink. The game was played in extremely high spirits, and it was a bonus that the result came down to the wire.

The boys finished the season at 4th place and it was disappointing when their semi-final was washed out and they were unable to compete for a place in the final. The season was one of continuous improvement where every player improved their game and learnt new skills. The boys continued to enjoy strong support from a loyal group of parents who turned up at every game to cheer the boys on and helped out at the Sunday evening practices.

U11 Warner

St Ives District Junior Cricket Club Inc

Team Reports

The U11 Warner team had a great 2013/14 season and were in sparkling form leading into the semi's only to have the rain deprive them of the opportunity to play in the final.

The season started with a combination of skills varying from boys who had played for a couple of seasons to some who were very new. They were trained well by two young lads Nick and Ben Feather who are the older brothers of team member Will, and assisted by fathers Richard High and myself.

The season started slowly with some no balls, wides and then some more no balls, but to the boys' credit their bowling was one of their main contributors to making their way up the table and reaching the semi's. By the end of the season we had wicket maidens and figures of 3 for 1, 2 for 2 and 3 for 5. No-one personified the improvement as much as Ben "Johnson" Heath who at the start of the season struggled to find the pitch and in our last game bowled the division-leading run scorer to end up with 3 for 5. U11 Warner trained very hard and it reflected in their results. They had four out the top 10 fielders in the division as well. "Catches win matches" and the boys caught very well. One of the other coaches questioned whether we had a classic catches award going given the quality that was on display!

The team was made up of some good all round performances. Will "Run Machine" Feather did well as usual with bat, ball and fielding. He was ably supported by Oliver "All-rounder" Smith and Yianni "Warne" Koulouris with over 100 runs for the season. All other boys contributed with the bat when it mattered and they consistently built up competitive scores.

We saw some great wicket keeping from Harrison "Gilchrist" Davis, Aidan "Haddin" Lorking and Ari "Wade" Kellerman which kept us in the games. Dylan "Watson" Bouwer was one of our greatest improvers with bat and ball, and mention must also go to Marcus "Mr Consistency" Beil and Ashley "Pattinson" Johnson.

The bowling by the end of the season had become ruthless led by Ben "Deadly Accurate" High (BB 2 for 2, almost a hat-trick), Adrian "James" Bond (2 for 5) and Shaun "Siddle" Zinn (3 for 4). On a final note Sri Lanka may have Malinga but St Ives cricket has Ayush Vij (BB 3 for 8).

Like any good cricket team, it's only as good as the team manager and we have one of the best, Juliette Lorking, who is in for the long haul! Special thanks go to Prue Feather too, who week in week out did the scoring and without her doing such an important job nobody would know the result! We were also lucky enough to have a great bunch of parents on the sideline, lending a hand whenever needed.

Written by U11 Warner assistant coach, Con Koulouris.

U11 Watson

U11 Watson was a tight-knit team that improved during the 13/14 season. The team was enthusiastic and dedicated each weekend and during our training sessions.

Ewan Davies, Harry Duncan and Liam Gray performed admirably with the bat averaging 12, 9 and 7 respectively with Ewan top scoring with 22 runs and an aggregate of 87 runs for the season.

Alex Burnett, Jacob Haynes, Tom McCann, Henry Truda and Tom Wilson all assisted with the bat.

Hamish Dixon Hughes, Oliver Hamilton, Charles Kellaway, Jackson Douglas, and Ben Copley improved in their bowling and remained attentive in the field during all games.

Leo Pacca and Ben Bragg gave great support in the second half of the season by contributing with the bat and ball. Well done to all.

St Ives District Junior Cricket Club Inc

Team Reports

U12 Katich

U12 Katich had another memorable season. Eleven players returned from the U11 Katich team of 2012/2013 season, and the two new members of the team integrated well into the team. As in previous years the players all had varying levels of experience and ability, but all showed plenty of enthusiasm and sportsmanship towards the opposition teams.

It was a season of two halves. During the first half of the season the team seemed to find it difficult to adjust to playing in the afternoon along with a few close losses and the team spent much more time losing than winning. It was a frustrating time for all but that all turned around during the second half of the season. The team finally found its “mojo” and the strong and consistent performances, of the previous season, returned. It was great to see all players work through a tough period and come out a much stronger and mentally focused team. It was a valuable life lesson for all.

The players had a lot of fun and particularly enjoyed the practices where we almost always had the entire team. Everyone played to the best of their ability and most importantly all players were given equal opportunities to bat and bowl during the season. This allowed some of our weaker players to rise to the occasion and show us what they could really do if given a chance. It was great to watch.

The team really benefited through the active support of all parents both on and off the field. In particular many thanks to Sandy for coaching the team and attending every practice along with a core group of dad’s who volunteered to act as regular umpires and scorers. Special thanks must go to all the families for getting your sons and daughters to the practices/matches on time!

In short it has been a pleasure to be associated with this team and everyone should be proud of their achievements and progress through the season. Good luck for next year.

Lara Turner, Manager & Sandy Legovich, Coach

U12 Lee

It’s been a long, hard, painful (for some) but very enjoyable season this year for the Under 12 Lees. The season started with a new team being formed and 4 of those kids had never played cricket before and a couple of others had only played one season. This meant that the team were really struggling against some of the stronger teams early on in the season while the team got back to basics. It also didn’t help the cause when two boys went down with broken bones in the first couple of weeks (not caused by cricket thankfully), which left us short for a number of games. Thanks to Sarah Turner, Oscar Swift and Jono Cole who filled in for us for a game each.

Overall though the team had a great year and pretty much everyone improved a huge amount over the year. A special thanks to David Grant who admirably coached the boys each week and got them all batting, bowling and fielding better throughout the year.

The highlight of the year for the boys was running down 195 runs with 2 overs to spare to grab their only win for the season. The highlight for the parents was seeing the boys all celebrating a number of personal milestones such as first wickets, first runs, first catch, first time to retire. It really was a season of firsts for many of the boys. All the boys have the potential to succeed as cricketers if they apply themselves and build on what they learnt this year.

Thanks again to David Grant for coaching, to Jon Fowler for taking a lot of the scoring load from me, and to our team of umpires – Peter, Mark, David, Larry and Michael

Dave Hamilton
Manager

Team Reports

U12 North

The boys enjoyed an amazing 2013/14 season winning 11 of their 13 season games and making the Championship Final. A great achievement by the boys, many whom have been playing together now for 3 years. Every one of the boys showed an enormous level of commitment to the team and this showed in the team's camaraderie each week. There was a great spirit of friendship among the boys and the support from parents made coaching the team a dream.

Playing U12 Division 2 last year gave the boys a level of experience and confidence that put us in good stead as we stepped up to U12 Division 1. I was very proud of how they progressed as players and how they played in the spirit of the game. All of the boys were very enthusiastic and it showed as they improved throughout the season.

All aspects of the boy's batting improved especially in the area of shot selection and front foot shots. With the boys now getting taller and stronger, they are able to hit 4's and 6's to most areas of the ground – making it a lot harder for opposing teams to place fields. This fed through to most of the boys being able to score at least one 30 not out and at over 90 runs for the season. The highlight of the season was the 0 for 234 off 32 overs (7.31 runs an over).

There was a fantastic overall improvement in the boy's bowling from the beginning to the end of the season. With most of the boys now being able to swing the ball and bowl good line and length consistently. There is no better complement to the boys when an opposing coach complements on their bowling performance which happened a number of times this season.

The most noticeable improvement has been the boys understanding and appreciation of the game. Especially in the area of bowling, batting and fielding strategies which I have no doubt will be a major asset for next season.

Finally, a very big thank you to all of the parents who came and supported the boys and those who were able to help with umpiring, scoring and pre-game warm up. Also, a special thanks to Katrina Johnson for managing the team throughout the season.

Thanks for a great season – I enjoyed coaching the team and I'm looking forward to seeing you all in September!

Gavin Stuart – Coach

U12 Clarke

It was always going to be a difficult year playing a year above our age group, however, it turned out to not be as daunting as we had thought. We won five matches against good opposition some of whom were two years older than our boys. More importantly the team played a great brand of cricket. They never gave up, kept trying and always played with fantastic spirit and sportsmanship. I can't think of one player who did not improve tremendously over the course of the season. Every game had some great moments of boys performing beyond their years. I think some of our opponents wondered if we really were an under 11 side.

There were some amazing individual performances as well from the whole team demonstrating the progress that had been made. Some of these are recognised in the Batting, Bowling and Manager's awards, however, there were many more that are worthy of note:

1. Will Aylward has had a tremendous season as is evidenced by his winning of the team batting award. He has returned a great average with the bat as well as making significant contributions to the team with the ball and in the field. His enthusiasm inspires others to keep trying even in the most difficult of circumstances.

St Ives District Junior Cricket Club Inc

Team Reports

2. Avinash Mirando anchored the team with bat, ball and hands, it is fair to say that with Avinash went the fate of the team, yet he played with such maturity that this didn't phase him consistently moving the team forward. Even as the rest of the top order collapsed Avinash would refuse to give up his wicket without a fight.
3. James Ben Heazelwood delivered a wicket keeping clean sheet at a critical time for the team throwing himself with unbounded enthusiasm at every ball that came his way. His contributions with both bat and ball were also exemplary, but also worthy of note was the way he handled himself on the field commiserating with opposition batsmen and supporting his teammates in their successes' and failures.
4. James Parasyn matured immensely as a bowler adding consistency to his already impressive speed, leaving batsman always in two minds. He took significant wickets and his speed between the wickets allowed him to squeeze through some extreme runs.
5. Josh Caspari has had a truly impressive season working incredibly hard at training as well as at home. His parents can attest to his dedication with bowling practice and this has led to him winning the team bowling award. Josh puts in 100% every time you throw him the ball and many batsman have discovered what that means.
6. Maxi Guilday set himself a target at the start of the year to be among the bowling group that got the extra overs. Through considerable hard work and dedication he achieved this and has fast become one of the go to members of the bowling squad, bowling with pace and control.
7. Matthew Wahby had to miss the first few matches of the season through injury, but when he returned there was no sign that this had hurt his ability or commitment. He developed into a solid bowler who could contain batsmen and his confidence with the bat grew to a point that even when asked to open he carried his bat with great skill.
8. Matthew Reeve's efforts behind the stumps are also worthy of note. His commitment to the team was remarkable even when he didn't make the runs he had hoped for he bounced back and put his body on the line with the gloves to save an uncountable number of runs, especially early in the season when the bowling was a lot more unpredictable.
9. Dino Kefaladelis a fielder against whom you need to be sure of your calls. Dino patrolled mid-wicket and batsmen learnt quickly to respect how quickly he moved and how accurately he threw. Many a run was quashed and four saved as Dino sprinted around the oval.
10. Lachlan Reeve grew as both a batsman and a bowler, almost getting his first retirement on runs reaching 29 and delivering an amazing season best of 3 for 20 with the ball. His practice efforts starting to pay dividends and making important contributions to the team's success and spirit.
11. Simon Bolger's unbridled energy was a major factor for the team whether behind the stumps, with bat and ball in hand or out in the field. He ran down more certain four's than anyone on the team producing some fantastic stops and professional flick's back to his trailing fielder to limit the number of runs on offer.
12. Sam Wood worked hard all year after returning from injury to deliver solid and ever improving performances with the bat and ball. Always enthusiastic and willing to try new things, playing with great spirit he has contributed well with a great season best bowling performance of 1 for 15.
13. Paul Boyatzis joined the team late in the season and made a great contribution behind the stumps, proving to be a star of the future with the gloves and backing up with the ball.

It has been a great season for all involved, the boys who have worked so hard and achieved so much. The dedicated parents group who have supported in every way possible and a manager and coach who could not be happier or more proud of their team and the spirit of cricket that has been displayed.

U12/13 Lee

The St Ives U12/13 Lee team had a tough season with the majority of the 14 boys not having played together before. Ours was a side of varying skill levels ranging from 1 Rep player to some that had

St Ives District Junior Cricket Club Inc

Team Reports

not played cricket before. Week in week out the boys turned up and tried their best against many sides who have been together for numerous years.

We won some games, we lost some games and ended up in the middle of the table. However what was outstanding was watching the boys develop as cricketers. If memory and the stats sheets prove correct every boy in the team managed to take at least one wicket in the season and more than half took 4 or more.

Without mentioning names (the boys can guess who is who) there were glimpses of the players of tomorrow. We had our Shane Watson opening the bowling and the batting, our very own Jeff Thomson or perhaps Malinga (quick, with an unorthodox action, a little erratic but absolutely unplayable on his day), our Merv Hughes in miniature (thankfully without the moustache), stocky strong and deceptively quick off a short run. The Waugh twins (albeit batting and bowling left-handed) and not to mention our Warnie in waiting, a leggie whose bounce and spin made him a real handful for even the best of the opposing batsman.

For all the boys it was about the game and we had a good turn up to practice every week.

Week in, week out we saw improvement in skill levels and whilst we were touched up a few times the team spirit never wavered. The boys showed great sportsmanship throughout the season and were well supported by many of the parents at training and on game day. For the parents involved though it wasn't so much about making future stars or winning the season it was about helping the boys develop the love of cricket that will see them playing for another 20 years and then hopefully pass that love of cricket onto the next generation."

My thanks to Robbie and Scott for umpiring and Margaret, Danny and Craig for scoring most weeks.

Additionally, a big thanks to Craig G for managing the team week in week out.

I'm very proud of the U12/13 Lee team for their great attitude and enthusiasm for the game and I look forward to bigger and better things next season.

Coach Craig Newham
Manager Craig Georgans

U12/13 Watson

It's the end of another great season with a team I have had the pleasure of coaching over the past few years. This year saw the addition of 3 players namely Oliver, Caleb and Cameron, who all fitted seamlessly into our team. The enthusiasm of all the boys was exceptional, especially at the beginning of the season where we had been beaten convincingly by a few teams. Considering we were playing up in the U12/13 instead of the U12 competition (and for a few boys who could be playing U11), I was impressed by their resilience and continued drive to improve even after the first few losses. The determination of the boys was seen at the typical 2 hour training sessions on Tuesday nights (sorry again mums), which not only allowed us to beat the lower order teams, but we were able to beat some of the higher order teams or at least come close to.

This season highlighted our need to pay more attention to our batting. In many instances our bowling attack was good enough to restrict the opposing teams run rate, but we were unable to match the runs. With concerted effort from the boys and the coaches, the batting continued to improve, with the depth of the batting improving well down the order. At this point, it would be amiss of me not mentioning Willem's fantastic SIX he hit over square leg! A great result.

St Ives District Junior Cricket Club Inc

Team Reports

Bowling continued to be strong, and as the season progressed, it was backed up by great fielding thanks to the teams assistant coach Andy Lorkings training, with the boys subscribing to Andy's motto – 'Catches Win Matches', resulting in the boys taking some amazing catches.

I would like to sincerely thank our team manager Nicole, assistant coach Andy, and our scorers and umpires, whom without our season would not have been the success it was.

Lastly, thank you to all the boys for an amazing season, for all your effort and determination to improve and to strive to do well, for which you have all achieved. Well done, and never forget, Catches Win Matches!

Andrew Mullins
Coach

U12/13 Haddin

The 2013/14 season was yet another successful one for this wonderful group of boys, the bulk of whom have played together since the U9 season of 2010/11. After claiming the Minor Premiership & Premiership as U10s in 2011/12 & U11s in 2012/13, the boys went on to win another Minor Premiership this season. The Grand Final will long be remembered as a low scoring epic in which we lost narrowly to the Lindfield Oldfield XI.

In years to come, when these lads have sons and daughters of their own, they will come to realise how well coached they were by Jeremy Hook. He is a great communicator, a student of the game, and he's blessed with the patience of Job. Jeremy had a plan for every boy that involved not only cricket development, but all round refinement. He approaches cricket as a commentary on life, and that philosophy is reflected in every one of these fine young men.

Every boy made a significant contribution at some point or another through the course of the competition, which suggests that the sum was definitely more formidable than its parts.

Travis Bazzana – Travis worked really hard on his game this summer and made a solid transition from Calypso cavalier to elegant stroke maker. It's no surprise that he finished the season only a handful of runs behind the leading scorer in the competition. In addition to his batting prowess, he kept wicket to an extremely high standard throughout the summer. He richly deserved his selection to the PSSA XI.

Duncan Dingley - Duncan loves cricket and worked extremely hard all season. He played much straighter than he did last summer, which resulted in him scoring significantly more runs than he did in 2012/13. He bowls a deceptive pace, which proved to be most effective over the summer. Duncan played his best innings of the season in the Grand Final where he was the not out batsman and almost got us home.

Oskar Hicks – Oskar's bowling action came together in the last month of the season and he really started to look like and an accomplished seamer. His batting also came on nicely after Christmas. If he works hard, Oskar has the body shape and action to become a very useful swing bowler. He would benefit greatly from a season or two of one on one coaching with a recognised bowling coach.

Nick Hook (CoN) – The funny man is an extremely talented ten-year-old cricketer. Although playing three years above his age group, he was one of the strongest players in the competition, bowling unplayable leg breaks with monotonous regularity. He bats with the purest of techniques, cutting, pulling, and driving with sublime skill. You may want to make a note of his name because you'll hear it in years to come.

St Ives District Junior Cricket Club Inc

Team Reports

Sam Bull – Sam was the ever enthusiastic, determined member of the squad. He is the consummate team man. He took his role very seriously and never stopped trying for his mates. His Justin Bieber haircut and various muscle tops were a highlight of the summer. Sam will need to work hard at his game next season to keep improving, but any team would be well served by his presence in the dressing room.

Gregor Dingley – Gregor's cricket improved over the summer on the back of a lot of extra net time. He is a natural wrist spinner and he's not afraid of the hard work and body soreness associated with purposeful practice. His batting has come on nicely and with more hard work he will develop into a solid run scorer. Gregor's team focus and natural flair for leadership resulted in him being appointed captain for the second half of the season and saw him lead the team to another Minor Premiership.

Aidan Galloway – One of the younger members of our squad, Aidan is a talented cricketer who made an excellent contribution to the team this summer. He bowls wicket-to-wicket and generally full, which made him the bowling equivalent of gold dust. As he gets stronger, and with more work in the nets, his batting will continue to improve. With dedication and focus, he will develop into a very handy all-rounder.

Oscar Petro - Oscar bowled some fabulous leg spin this summer, most noticeably in the Grand Final. His bowling has come on in leaps and bounds. He generates significant pace and bounce, which most batsmen struggle to deal with. Oscar's batting has come on nicely, and his continued commitment to private lessons will pay dividends as he gets stronger and more aggressive.

Lord Ferry - Harrison continues to develop into a fine young cricketer. He scored heavily, particularly after Christmas, and set up games on a number of occasions. He has the talent to be a top wicket keeper and showed flashes of class through the season. He will benefit tremendously if he commits to the many hours of work needed to be a top gloveman. He bowled full and straight all summer. Harrison is a calm young man with a good feel for the game. He'll make a fine captain one day.

Jackson Carrall – Jacko joined the team just before Christmas. He's a cricketer's cricketer. He always looks impeccable and he moves like an athlete. I'm really looking forward to watching him develop over the next four or five seasons. He plays with a straight bat and knows his way around the crease. As he gets stronger, and develops the intent needed to be a successful batsman, he will score heavily. He's a wee lad with a lovely bowling action, and he'll nip it around to great effect in years to come. He has the best follow through of any schoolboy bowler I've seen.

Nick Watson – Watto was arguably the fastest bowler in the age group this summer. He continues to get stronger and fitter, and the delight he clearly feels when he takes a wicket is almost tangible. His batting will require ongoing work, but with focus and time in the nets he will develop into a powerful all-rounder. He's moving to Melbourne Grammar next season to focus on AFL after being scouted by the Swans two years ago. Nick, Nigel, Debs & Sam will be sorely missed by all of us.

Angus Kellaway – I'm going to repeat exactly what I wrote last season. "To appreciate the contribution that Gus made to the team this summer, think back to what Terry Alderman did to the Poms in 1989. Both were artists performing in theatres seemingly custom made for them." Gus is a marvellous bowler and every coach daydreams about having someone of his ilk in their team. He's also a technically beautiful batsman who will score thousands of first grade runs in years to come.

Jay Mace – Jay is a hardworking cricketer who deserves everything he achieves. The success story of his season is that he was not out on no less than six occasions. He works hard and he loves his cricket. He's our journeyman in every sense of the word. He does need to bowl flatter and quicker if he wants to keep taking wickets, but that will come as he matures and gets stronger.

St Ives District Junior Cricket Club Inc

Team Reports

Joey McEwen – Joey joined our team this summer and immediately became an integral part of the set up. He is a tenacious lad who backs himself in any situation. What he lacks in elegance at the crease he more than makes up for in ability to execute. He made three particularly significant contributions with the willow this summer, and always proved to be invaluable in the field. You want Joey McEwen in your corner when the chips are down. He has a longer approach to the wicket than D.K. Lillee.

Stuart Dingley - Stuart finished the season as the leading run scorer in the competition for the third year running. It's a tremendous achievement for a young lad. He has a very strong work ethic and spent hour upon hour in the nets over the course of the summer. He truly loves cricket. He bowled much fuller this year, which resulted in him taking wickets consistently, and at a good economy rate. The three bats he broke cost his old man a fortune.

No team can function effectively without a backroom support crew. The Haddins were blessed to have such a team this summer. Thanks must go to the parent group for all the umpiring, scoring, coffee runs, and general logistics management that took place every week. Our team environment was indeed a happy one.

Gavin Dingley (Assistant Coach)

U13 Johnson

After an undefeated premiership last season, the U13 Johnson side started the year with 2 excellent victories before losing 2 matches in succession off the final ball. This, along with injuries to a number of key players, sparked a run of 6 straight losses before the team found their groove again and won 5 matches in succession to finish the year in 5th place. A year full of potential finished as one of lost opportunities and a season where the team learnt that performing to a consistently high level against some quality opposition requires a level of effort and commitment that we weren't quite able to deliver this season. Poor fielding costing us a number of matches mid season.

Some key highlights for the season were the performances of Thomas Elliott with 282 runs @ 56.4 and Rohan Rao with 240 runs @ 34.3. Oliver Garrett took 18 wickets @ 13.6. Both Thomas & Oliver played in the NSJCA U12 1st Team and Rohan played in the U11 NSJCA team. They represented St Ives with distinction.

I would like to thank all the parents who helped with umpiring, scoring and supporting as we continue to have an excellent team spirit with a very supportive parent group. I would also like to thank all the boys who filled in to help support us throughout various stages of the season. I would like to particularly Janita Loughhead for performing the managerial duties once again and for all the work she does to keep me organised and to ensure we could field a competitive team each week.

Finally, I would like to thank all the boys who turned up each week to compete in the right spirit and proved that, although a bit inconsistent at times, they are capable of competing with all the teams playing finals cricket and they represented St Ives very well this season.

Regards, Brett Elliott

U13 Haddin

The team came about when a group of cricket enthusiastic parents decided to provide an opportunity for their kids to sharpen their cricket skills playing in the club circuit in 2011/12. Two years later, seven players from the original team remained in the line up this year.

In the first outdoor season in 2011/12, the team played a year up division 2, winning 2 games, losing

St Ives District Junior Cricket Club Inc

Team Reports

11 and finishing last on the ladder. The following year 2012/13, the team played in their age group division 1, winning 6 games, losing 7 and finishing 7th out of 10. This year the boys continued to play in their age group of Under 13 first division, winning 7 games, losing 5 and finishing 3rd on the ladder. Despite unforeseen scheduling clashes in 2014 with compulsory school cricket, the boys did exceptionally well this year. It was a rather disappointing end to the season when wet weather intervened in the semi finals where we had the first level playing opportunity to face a team we had unsuccessfully faced twice before in hampered circumstances especially when we played with just 5 regulars in the last occasion. Similarly, Lane Cove Smith proceeded to win the Championship Final, a team we defeated in the 9th round. I am sure the boys have learnt from this experience that they are as good as any other team & excelling as a team comes with years of hard work. Besides cricketing skills, I am sure you will continue the lifelong friendships you have formed & the other virtues of cricket such as patience, sacrifices, team before self, etc, hardly faced in other sports.

Aarya Bhatia – The vice captain of the team. He proved to be the partnership breaker, spearheading the spin attack. He is quite an economical bowler & returned best figures of 2/8. He also excelled in keeping. Chatty, nimble and with a furiously competitive spirit, Aarya is a major asset to the team, throwing the stumps down from square of the wicket and going after every catch on offer. Despite being injury prone, he would dive or charge down every ball & deal with the consequences to the body later! He took 4 catches & created 4 run outs. He scored nearly 75 runs this season with a top score of 19. Look forward to seeing a future spin king in the making.

Kenneth Chu – Is the top 3 wicket taker in the entire competition with the best economy rate of all three. His best bowling figures were 3/6. He was also a major asset in the batting department contributing over 150 runs at an average of 22 and scoring 19 boundaries. The technically sound and low risk batting style often resulted in Ken being solid against the best of bowlers. Ken is also an attacking fielder who will go after every catch on offer.

Shravan Divakarla – Excelled in plundering the older leather ball who was by far the best middle order batsman. He contributed over 200 runs with 35 boundaries including 3 mighty sixes and averaging 31 runs. He ended the season as the 14th highest run scorer in the entire competition. He achieved double figures in every innings with a highest score of 37 and was the bedrock of the middle order. Shrav is also a very useful medium paced bowler who generates an uncomfortable level of bounce.

Rehan Gunawardhana – Had an exceptional season with the bat exceeding 250 runs, 39 boundaries including 4 sixes, averaging 32 with a top score of 51 not out. Rehan ended the season as the 6th highest run scorer in the entire competition. Deploying a straight bat, ability to rotate strike & accelerate later resulted in Rehan successfully negotiating the new leather ball and role reversing later. Rehan is an attacking fielder and a tireless keeper who marshals the troops from behind the stumps. Unfortunately due to his batting & keeping workload, not to mention the injuries, the captain was hardly able to use our last season's 2nd most prolific wicket taker!

Joe Hiley – The captain of the team, continued his menacing form with the bat scoring over 350 runs topping the runs scored for the entire competition for two years in a row – a magnificent achievement. He scored 55 boundaries including 7 sixes, averaging 90 with a top score of 50 not out. Joe played the role of the dominant opening batsmen demoralising the opposition with his exquisite stroke play and picking up boundaries at will. Joe remained not out on 8 occasions. He also returned the 3rd highest number of wickets for the team with a respectable strike rate and economy rate. Joe kept wickets and was instrumental in turning many games around for the team. Joe is a tireless workhorse who has developed a mature approach to cricket.

Josh Irving – Continued to perform as a dependable batsman who grafts runs despite the strength of the attack. Averaging 16 runs, Josh was within touching distance from scoring 100 runs this season and displayed his form with 3 good knocks. Joshua often helped the team build a solid platform & is

St Ives District Junior Cricket Club Inc

Team Reports

able to face the best bowlers at any batting position whilst rotating the strike. Towards the latter part of the season, Josh successfully transformed to a spin bowler. Further practice and increased revolutions will hold him in good stead for the future. He continues to be a dependable catcher often fielding at point pouching many a difficult catches.

Sachin Markus – Continued to remain a classic new ball fast bowler who displays perfect line & length capable of keeping the best of opening batsmen quiet. Towards the end of the season, he displayed his prowess in inswing bowling where top batsmen were left in knots. Sachin was our 2nd most prolific wicket take who returned the 13th highest wicket haul for the entire competition with an economy rate better than most. His best bowling figures were 3/11. Sachin is also a handy batsman with an average of 12 and a boundary per innings. This year he played a crucial middle to lower order role with a few good knocks and once retiring on 35. Sachin is a bowling all rounder and a solid fielder who is capable of chasing down the ball better than any.

David Matthews – A solid all rounder who came within touching distance of scoring 150 runs at an average of 24 and a highest score of 38 not out. He is a dependable middle order batsman often achieving double figures and 3 memorable knocks. David is also a good change up bowler often making it uncomfortable for good batsmen with his medium pace. He was amongst the top 5 wicket takers for the team returning best figures of 1/3. He is also a dependable fielder.

Dylan Patel – A batting all rounder and slotted in well in the middle order. He had 3 good knocks during the season with the highest being a retirement on 35. He is also a good first change bowler with his medium pace. He was also amongst the top 5 wicket takers for the team returning best figures of 2/1. He achieved the best strike rate for the top 5 bowlers and a decent economy rate.

Benjamin Randall – Commenced the season in good form after securing the bowling award for the team last year and being shy of 2 wickets of topping the entire competition last year. The opposition was seeing the bowler out & hence little opportunity to get wickets. He returned best figures of 1/9 with a decent economy rate. He is rated as a true fast bowler with perhaps the best composure & Glenn McGrath style mechanistic run up. He is also a dependable fielder.

Madhav Rastogi – Continued to be the leading speed demon (the “Rastogi Express”) of the bowling attack returning the 3rd highest wicket haul for the team. Returned the best figures of 3/28 where he virtually annihilated the opposition in a two day game. Madhav is a true bowling all rounder scoring nearly 75 runs at an average of 12 with a highest score of 39 not out. He is also a hard hitter of the ball striking at least one boundary per innings. Madhav continued to be a good infield fielder showing great reflexes. He is a settled cricketer with a bright future who has come a long way over the three years.

Matis Renard – Is a relative new comer to the game but a gritty sportsman. Whilst technique is under development, he uses patience and grit to graft runs and was a very useful batsman for various positions depending on the game situation. He values his wicket & would rarely give it away. He is also a very good medium pace bowler returning the best figures of 1/7. Matis is an alert fielder.

I would like to thank David for his assistance in umpiring and managerial responsibilities and the various other roles played by all. Also like to thank all the parents for helping out with the afternoon tea.

Indy Gunawardhana

U14 Ponting

St Ives District Junior Cricket Club Inc

Team Reports

I would like to thank everyone who participated this year. I had a great time coaching the boys. They a very nice bunch of guys. I hope they enjoyed the season and learnt a thing or two about cricket. Most improved player of the season was James Miller. Best catch of the season goes to Ryan Thomas. Probably the best out field catch anyone would see in junior cricket.

David Cohen should be commended for the spirit in which he always plays the game. David shows great maturity and sportsmanship on the field.

Mark Bulgin (best bowler) and Malcolm Trayner (best with the bat) are both deserving of their awards.

My over all player of the season goes to Martin Cornford. With an unbeaten 70 runs off the bat, Martin also showed great skill with the ball and courage in the outfield attempting an impossible catch and coming away with a dislocated finger.

Thanks for the season and I hope to see you next year.

Brad Orford, coach

U14/15 Hussey

Our team this year came together with some club stalwarts, a returned son and a couple of new faces. The team quickly gelled into a very competitive unit and after a couple of games started to put together a game plan which was based firstly around tight bowling and fielding succumbing opposition batting line-ups and our batsmen in turn doing enough to surpass the opposition totals. "Keep it tight and pressure the opposition" was very much our mantra.

Our team consisted of all U14 players and we put together a great record including a couple of highs and lows – the low of being bowled all out for 26 one damp December morning being easily surpassed by hard fought wins in the finals delivering the boys their very first NSJCA Championship. As Coach the greatest satisfaction this year was in having every player contributing significantly during the season. Often, when some of the more experienced players failed to get a score, someone else stepped up – this was a real team with the players supporting one another as game circumstance required. Best example was in our semi-final when we recovered from 5/26 to get to 8/125 and then bowled and fielded like demons to win by 52 runs against a very capable Lane Cove team.

We had six different boys score 50's and every boy contributed with their accurate bowling – including a number of critical spells from boys conceding only one to two runs per over. Team members were Alex Smith, Lachie Muir, Dan Brown, Sam Westraad, Liam Skeggs, Archie Siomiak, Ruairi O'Shaunessy, Zac Jelbart, Nick Woodward, Matt Turner, Sam Chapman and adopted son Malcolm Trayner. Also an honourable mention to Will Ashcroft, Jack Mackay and Stuart Dingley who all filled in at times when rep duties challenged team numbers. A great thanks to all the parents without whom it we wold not of have been such an enjoyable year and in particular to our regular umpires Paul and Rick (backed up by Mark and Tom), those who helped with the scoring and all who supported the team. A few player notes:

Alex – strong left arm medium which became more and more accurate through the season and some fine batting when it counted, potential to become a fine older grade cricketer

Lachie – other commitments limited game time but bowled very well and helped run the team with his excellent understanding of the game when playing

Dan – excellent medium-fast bowling as good as any in the competition and aggressive batting, which changed games when it came off, and without doubt the best fielding arm in the competition

St Ives District Junior Cricket Club Inc

Team Reports

Sam W – good batting technique which will produce plenty of runs in the future, surprise packet with improving right arm off-spin providing crucial economical spells through the back half of the season

Liam – enthusiastic season with important batting and bowling performances and plenty of natural ability, which with a little more concentration, will produce lots of runs in the future, good improvement behind the stumps and very reliable in the outfield

Archie – a few games showing potential in both batting and bowling

Ruairi – great enthusiasm and much improved batting and medium bowling techniques over the season, will develop further into a very solid cricketer

Zac – very good batting returns and now batting with a maturity and confidence which underpins a strong team and with application will go far in the older grades, very good behind the stumps as usual and tidy bowling when called upon

Nick – continued improvement this season his batting returns were excellent with fast runs and importantly an improved defensive technique, outfield skills also improving with a couple of important catches in the finals

Matt- started off the season new to the team and finding his technique but by the end improved confidence saw a couple of very crucial batting performances and ever reliable under the ball which seemed at times to gravitate to him in the outfield

Sam – Mr Reliable continued this season with economical bowling and, after a slow start, some crucial batting knocks - showed a few of his teammates how to concentrate at the crease a number of times, reliable in the field of course

Malcolm – grew into the team in the after the rep boys left and made some very handy contributions with the bat and a number of excellent economical spells with the ball in key games

Chris Skeggs, coach

U16/17 Border

St.Ives Border U16/17 team had a fantastic season. The boys finished minor premiers dropping only one game during the season.

The result is a tribute to the skill execution, team work and great friendships displayed by all the boys especially those boys who "gave-it-all" when the rep players were away.

As a coach my utmost admiration to these young lads whom I believe will go a long way if they choose to take their cricket to the next level. I wish them all the best for the next year and hopefully they can go that final step to be the champions next season! I thank all the parents and families for their support and especially Fiona Russell, our team manager for her excellent work during the season.

MINUTES of ANNUAL GENERAL MEETING

Held at Hassell Park Clubhouse, St Ives
on Monday 24th March 2013

Attendees:

Clive Fletcher
Geoff Keevers
Matt Cole
David Mckay
Jon Rowse
Chris Skeggs
Peter Winn
Rachel Scholefield

Apologies:

Sue Deller
Steven Bird
Anthony Ford
Tim Jelbart
Julie Iyengar
Lara Turner

President Clive Fletcher welcomed all present and commented on what a successful season the Club has had, culminating in a great turn out for our presentation day. Clive thanked Rachel Scholefield for her hard work and enthusiasm throughout her first year as Club Operations Manager.

Minutes from the 2012 Annual General Meeting were covered in the Annual Report, and copies were made available to all attendees prior to the meeting. A motion was carried to accept the 2012 AGM Minutes by DM and seconded by CF. The President's Report was tabled in the Annual Report available to attendees, and was taken as read.

Clive Fletcher particularly wanted to thank Geoff Keevers for their fantastic 5 year partnership as President and Treasurer, this being their last year serving in those positions.

RS indicated that Clive Fletcher and Geoff Keevers should be made Life Members of the Club. This motion was carried by MC and seconded by DM.

The Treasurer's Report and Audited Accounts were tabled and presented by Geoff Keevers. It was confirmed that the Club is again in a sound financial position and well placed to meet its financial commitments. Raffle fundraising more than offset the added insurance liability which helped to keep our financial position sound.

Peter Winn, the Club's Auditor, agreed with GK's assessment of the Club's financial position, the Club being handed over to the new president and treasurer in great shape even with the steady decline in membership numbers over the past few years. Peter also wanted to officially commend Geoff on his fantastic job as treasurer for the past 5 years.

GK pointed out that we will need to appoint another bank signatory, but GK and CF should remain as signatories in the interim whilst the handover is taking effect. GK will meet with MC for a comprehensive handover in due course.

St Ives District Junior Cricket Club Inc

Election of Club Executive

All committee positions were declared vacant. The following members were nominated for the Club Executive and agreed to stand:

President	David McKay
Vice President	Vacant – need to source
Treasurer	Matt Cole
Secretary & Public Officer	Matt Cole
Coaching Coordinator	Vacant – need to source
Equipment Officer	Anthony Ford
In2Cricket Coordinators	Steve Bartlett, Mark Hilton and Matt Freeman
Under 9 Coordinator	Vacant – need to source
Under 10 Coordinator	Julie Iyengar
Under 11 Coordinator	Matt Cole
Under 12 Coordinator	Lara Turner
Under 13 Coordinator	Steven Bird
Under 14/15 Coordinator	Chris Skeggs
Under 16/17 Coordinator	Vacant – need to source
Girls' Coordinator	Steven Bird
NSJCA Representative	Chris Skeggs

John Rowse nominated the members of the committee, seconded by Clive Fletcher. The motion was carried.

U9 Coordinator: we have a few options and we are sure this will be confirmed very shortly (RS, MC & DM to discuss). U16/17 coordinator: could be shared by Lalin De Silva, John Rowse and Clive. RS will follow up with Lalin. It would be great to fill the positions of Vice President and Coaching Coordinator – Committee to work on sourcing. It was agreed to remove Registrar from the Club Executive list as the Club Operations Manager fulfils this role. We also could do with some extras to attend NSJCA meetings (David McKay will attend when he can as well).

The Committee agreed that it was a very successful and positive year for the Club and we are hopeful that this will translate into membership numbers heading in the right direction next season.

There was no other business raised.

The meeting closed at 1.45pm
