Councillor Tony Hall

for his continuing interest and support

PRESIDENT'S REPORT – 2012-2013 SEASON

Firstly, thank you to everyone who assisted in running the club this year. Particular thanks to our Club Operations Manager, Rachel Scholefield, who has been absolutely fantastic in helping run the club so smoothly over this last year. Rachel has been so enthusiastic with all of her organising, communicating (especially our new newsletters), fundraising etc. This year, the number of registered players was down to around 500. Hopefully numbers will pick up again next season as everyone spreads the word on what a great club we have.

On the field we had a pretty good season. We had 3 minor premiership teams and they all went on to win the Championship (with U10 Watson having a thrilling draw to end their season). Congratulations to U10 Watson, U11 Hussey and U12 Johnson.

On the representative front, two current and one ex St Ives player have featured in NSW age group selections. Kieran Jayasekera and Nick Badings both gained selection for the NSW U15 team that completed in Perth in February. In addition, a past Steve Daniels award winner, Reagan Klemt was selected to play in the all age NSW Schoolboys team. Another past Steve Daniels award winner, Harry Conway, played in the U19 World Cup team in Nepal.

St Ives was well represented in the NSJCA rep comps this last season, with 2 DCA teams (U10 and U14) winning their competitions. One very impressive achievement this year – in his second year in U10 and for the second time, Rohan Rao received the NSW DCA Bowling Award.

The Club again had girls playing in the Northern Sydney Girls Cricket Association competition under the combined St Ives/Gordon banner – St Gordon. The competition was strong and our squad of 14 were a particularly young team but they performed with great valour and pride each week. Two St Ives girls, Philippa Carey and Sarah Turner, were selected to compete in the CIS U13 competition and also in the U13 NSW DCA comp. They were in the winning side in both competitions.

Under David McKay, the In2Cricket program had another brilliant year with around 120 kids on the Village Green every Saturday morning. Geoff Spotswood and his coaching team continue to support the club at this level and do a fantastic job.

Overall it was a great season, with a little less impact of hot weather or rain (well until the finals!). It was great to get so much positive feedback about how much the boys and girls enjoyed their cricket.

I would again like to thank David Ford for his support in running sessions for the older teams as well as the “coach the coaches” session. The addition of team clinics as well as our traditional specialist batting, bowling and wicket keeping clinics, were very popular and appreciated. David received tremendous feedback and we do hope to continue his association with the club.

The introduction of a Friday night Twilight U9/U10 Big Bash session was a welcome addition to the calendar, for both the parents and the kids. I am sure this will now become an annual event.

Paul Byrom from Triforce Sports also continues to provide fantastic support to the club and again facilitated the introduction to cricket clinic for the U9 and U10 group early in the season.

This is my last year as president and I will be handing over the reins at the end of this season. After 5 years in this role, I still think the key strength around St Ives Junior Cricket Club is that we have always emphasised that every player be able to participate and be given a “fair go”. I do know that most coaches and managers follow this philosophy and because of this everyone enjoys their cricket so much more. We do want to measure our success by how many kids come back rather than by how many trophies we win.

On that note, I would like to thank every committee member, coach, manager, assistant, part-time assistant, umpire and scorer from every team for the time they take every week to make sure that the players have the opportunity to participate.

Clive Fletcher

St Ives Junior Cricket Club Inc

ANNUAL AWARDS CRITERIA

Awards are based on performances throughout the normal competition rounds. **Semi-Finals and Finals performances are not included for the purpose of determining awards.**

Perpetual awards are to be held by registered members of the Club only. Perpetual trophies shall be returned to the Club Registrar immediately a player ceases being a registered member of the Club, or at the end of the following season prior to Presentation Day.

JOHN WALSH MEMORIAL TROPHY: Awarded to the player who achieves the highest point score for the season (10 points per wicket, catch, stumping, or runout (shared between players involved), 1 point per run scored). All age groups are eligible.

(Note: This trophy shall be held by a player once only; a player who has won the trophy once and scores the most points in a subsequent season will be acknowledged appropriately by the Club).

J. MAUNDER CUP: Presented to the player who scores the most runs in the season. All age groups are eligible. If two or more players score equal runs, the award will be shared.

CHARLTON CUP: Presented to the player who takes the most wickets in the season. All age groups are eligible. If two or more players take an equal number of wickets, the award will be shared.

BARRY GARROD TROPHY: Presented to the player who achieves the highest batting average in U11 and U12. A minimum aggregate of 200 runs must be scored for U12, and 150 for U11.

NEIL MARTZ TROPHY: Presented to the best performing wicket keeper for the season (total of catches and stumpings). All age groups are eligible.

PRESIDENT'S ENCOURAGEMENT AWARD: Presented to the player who is considered to have displayed the greatest dedication to the game, to the Club, and in developing their skills in the U10 and U11 competition. The Award is determined by the Club Executive on advice from each of the eligible team manager's recommendations.

STEVE DANIELS MEMORIAL TROPHY: Presented to the player judged to be the most promising in the Club, ready to play in the senior competition. It has been traditional to select a player from the Club's most senior teams, and the Committee when making the selection takes into account the player's history and performance over a reasonable period of time. All aspects of the game are considered including batting, bowling, fielding, captaincy, sportsmanship and contribution to the Club.

JOHNSON FAMILY AWARD (*sponsored by Northern Districts Cricket Club*): Presented to the player judged to be the most promising playing in the U14/15 competition. The Committee, when making the selection takes into account the player's history and performance over a reasonable period of time, including performance in Representative cricket. In addition to a perpetual trophy the recipient receives a scholarship for the Northern District Cricket Academy for the following season.

St Ives Junior Cricket Club Inc

TRIFORCE GIRL'S CHAMPIONSHIP TROPHY: Awarded to the female player who achieves the highest point score for the season (10 points per wicket, catch, stumping, or runout, 1 point per run scored). All age groups are eligible.

HAT TRICKS and 5 WICKETS IN A GAME: trophies are awarded to individuals who take a hat trick or 5 wickets in a game during the season.

BATTING and BOWLING AWARDS: are made to the highest aggregate run scorers and wicket takers in each team. If players are equal on aggregate, the best average is awarded the trophy.

MANAGER'S AWARDS: are awarded to the player who has played the game with the best "spirit of cricket" – the best all round, team player. To be decided by the Manager and/or Coach of each U10-U16/17 team.

U9's AWARDS: Each U9 team is awarded a Player of the Year award (for the best all round player) and a Best Team Player award (for the player who has played with the best "spirit of cricket"). These awards are decided by the Coach and/or Manager of each team.

OTHER AWARDS: Medallions are awarded to all members of Minor Premiers and Premiership winning teams by the association. The Club also awards Minor Premier caps to each team member of Minor Premier teams (teams finishing on top of the table before the finals begin).

St Ives Junior Cricket Club Inc

REPRESENTATIVE CRICKET

All financial juniors playing for St Ives Junior Cricket Club are eligible to trial for the representative team in their age group. Our Club had another strong representation in this Season's North Shore District Junior Cricket representative teams.

Each year, cricket associations from all parts of Sydney, Newcastle, Wollongong and the ACT enter teams in the NSW Districts Junior Shield representative competitions (DCA).

The Inter District Cricket Association (IDCA) runs a competition designed to give players with potential the opportunity to play the game at a level between the Associations' and NSW Districts' standards.

Cricket NSW Academy Program: The Cricket NSW Academy is an off season development program run for ages 13-16 across NSW.

Well done to all the following players:

Age Group	Cricket NSW Academy	DCA Representatives	IDCA/Presidents Cup Representatives
U10		Alexander Stuart Cooper Wright Rohan Rao Andrew Jenkins Tom Osborn	
U11		Thomas Elliott	Jack Breden
U12

St Ives District Junior Cricket Club Inc

Team Reports

In2Cricket

The 2012-2013 season was another good year for St Ives in2cricket, with 120 registered players spread across nine teams enjoying their Saturday morning activities at the Village Green. Numbers were down from the 150 - 160 players in recent seasons, due in part to some players moving up to form an U9 side at the start of the season.

The weekly in2cricket activities were conducted by Geoff Spotswood and his team from Cricket Coaching Clinics.

Highlights of the season included ten players' involvement in lunch break activities at the NSW-Queensland Ryobi Cup game at North Sydney Oval, and 25 player's involvement in similar activities on Day One of the Australia-Sri Lanka Test at the SCG. Two of our female players also sang the national anthem before the Australia vs New Zealand women's cricket one dayer at the SCG.

Weather-wise, three of the sixteen weeks were cancelled due to rain. Similar to last year, the season was extended by a week to make up for the wet start to 2013, and this was appreciated by the players and their parents.

Some of the initiatives this year included the 'Bring a Friend along to in2cricket' and a pre-season 'Try in2cricket' day at the Village Green. Both initiatives were successful in promoting in2cricket and encouraging new registrations.

We also enjoyed the sponsorship of Wyld Ivy Cafe, who donated hot chocolate vouchers to each team for weekly 'Play of the Day' awards.

At the end of the season, the coordinator handed the reins over to three new co-coordinators in Steve Bartlett, Mark Hilton and Matt Freeman.

In closing, I would like to thank my wife, Jacqui, and children for their patience and support over the past three years. I couldn't have managed the coordinator role without their assistance.

David McKay – In2Cricket Coordinator

St Gordon Girls

This season the St Ives girls again joined forces with the Junior section of the Gordon Women's Cricket Club to form a St Gordon team. With a decent size squad of 14 we commenced pre-season training full of optimism. The competition was bolstered this season with the inclusion of Pymble Ladies College and Ravenswood A & B teams to create a pre-Christmas competition composed of 7 teams. A last minute "wobble" with one of the teams unable to field a team was averted by the very kind offer by Jenny & Catie Stewart to transfer to their squad to heroically save the day - a huge thank you to them.

The competition was strong and our girls were a particularly young squad but they performed with great valour and pride each week. I will never forget our predominately Year 7 girls faced with an almost exclusively Year 11 PLC side and asking me if we were playing the wrong side! The highlight was a win against Ravenswood B which was richly deserved and resulted in a team of beaming smiles - so good to see.

After Christmas the competition was reduced in scale with the planned omission of PLC and Ravenswood and we started a fresh round of competitive matches. We continued to improve areas of our game week by week but unfortunately we couldn't quite get over the line with a win.

St Ives District Junior Cricket Club Inc

Team Reports

However the whole squad improved immensely over the course of the season and I am sure that next year with the same fight and determination they will be a force to be reckoned with!

My thanks go to all the girls for making it such a fun and enjoyable season and to the parents for your invaluable support on match days and training sessions. All the girls performed to the best of their ability with a smile and a laugh along the way which was so good to see. Best of luck to those girls with upcoming representative trials.

The squad: Izzy Baweja, Jade Beeston, Johanna Blake, Meg Bowden, Sehraj Grewal, Amitoj Grewal, Emma Griffin, Clara Janssen, Prudence Smith, Jenny Stewart, Catie Stewart, Morgan Bolack-Lees, Lucie Vayriot, Julia Kelland

Steven Bird – Girls' Coordinator

U9 Ponting

2012/13 was the first season for the enthusiastic boys of the St Ives U9 Ponting side. Their passion knew no bounds as they approached their first summer in their shining new whites.

On Saturday 13 October 2012, Noah, Henry, Rhys, Marlon, David, Hayden, Arav, Kaiden, Micah, Kieran, Euan, Kai and Adam lined up for their very first game of club cricket. It was a lovely Saturday morning at 10.15am at Bales Park in Chatswood – the families were very grateful for the season's 10.15am timeslot that avoided the need for overly early morning starts.

The boys were ably led by a panel of dads who rotated the coaching duties and passed on their tricks of the trade to the boys who were dedicated students of the traditional game. A couple of parents learnt the ropes of recording the statistics on the score card and our manager kept us informed with regular emails throughout the season.

Training was held on Friday evenings ensuring that the boys' knowledge of the game was freshly at hand only a few hours later on Saturday mornings. Friday trainings also provided a lovely end of the working week as the weekend was welcomed in by our favourite game of cricket.

We were fortunate to be able to play 10 ½ of our scheduled 13 games for the season with 2 ½ games washed out by rain. As we head off now to play our winter sports, we are highly certain that the 13 boys of the 2012/13 St Ives U9 Ponting side will return next season and spend many more summers at ovals in their handsome whites.

U9 Clarke

The team ranged from players who had not stepped onto a cricket pitch before joining U9s Clarke to keen cricketers seasoned by backyard games with their elder siblings.

The team visibly improved over the season. At the start of the season many players were often bowling off the pitch whereas by the end very few 'no balls' were bowled. Michael's batting improved dramatically over the season - we hope his arm heals well so he is ready to hit 4s and 6s next season. Will managed to hit a number of 4s. Harrison's bowling became more accurate with better length as did Justin's and Zac's. Patrick took several wickets. Similarly, from commonly swinging the bat to hit the air our U9s players significantly improved their hand-eye co-ordination so they were hitting the cricket ball and blocking wickets! Jamie's grasp of blocking was a pleasure to see. Will, Jordan, Anthony and Finn shone in the fielding and batting. Zac's run rate notably improved as he progressed in judging when to run between wickets. Kaif's skills improved during the season and he enjoyed being part of the team. It was great to watch Hugh develop as a fielder - stepping in for catches and blocking balls.

St Ives District Junior Cricket Club Inc

Team Reports

The team was very supportive of each other - the cheering and encouragement became happily more vocal as the season progressed. The regular attendance at training showed in the positive progress of all the players. The boys benefited from a couple of said elder siblings - Thomas and Byron - assisting at training. It was a pleasure to coach U9s Clarke as they were all keen to learn and excited to play cricket.

U9 Warner

For the majority of the U9 Warner team, the 2012/13 season was their first crack at playing "Real" cricket. Previously honing their skills at In2cricket, with the exception of a few who had played a previous NSJCA season. So as you can imagine the enthusiasm and enjoyment the boys all displayed each week when it was their turn to captain the team, win a toss, successfully pad up unassisted, bat with a new mate, run between the wickets without tripping over their oversized leg pads, play wickey, bowl someone out, take a catch at the boundary, hit a four for the first time and bowl a straight line for a full over was exciting and memorable, not to mention very entertaining at times.

The U9 Warner Team comprised of Christopher Beeton, Ash Bowie, Jamie Craig, Dylan Johnson, Tom McKay, Rhys Johnson, James Phipson, Sebastian Reynolds, Nash Taylor, Ashley Johnson, Max Huttary, Roelf Van Der Merwe – a star player who moved back to South Africa half way through the season.

The season included 2 wins, 7 losses, 1 draw, a great achievement and something to be proud of for all involved.

On the batting front the top three scorers for the season were Dylan Johnson (118), Christopher Beeton (78) and Rhys Johnson (77).

The top three wicket takers were Rhys Johnson with 10 wickets, Jamie Craig with 7 wickets and Max Huttary with 6 wickets.

Skillful wicket keeping from James Phipson who was very well supported by Tom McKay and Ash Bowie.

Superb fielding throughout the season by Nash Taylor, Ashley Johnson, Sebastian Reynolds.

A big thank you to our first time coaches Callum Maritz and Shane Petrie, who gave up their Thursday afternoons to train the team. Their enthusiasm, patience and dedication, assisted in the development and improvement of each player and made training LOTS OF FUN!! Also thanks to Callum's dad for all his support.

A special thanks goes to our wonderful dad's, Drew Bowie, Dean Beeton, David McKay, Craig Johnson, Warren Phipson, Stuart Craig, Steven Johnson and Garfield Reynolds for their game day coaching, scoring and umpiring. And of course we can't forget to thank all the other parents for getting players to the training sessions/games and for cheering on the side lines each week!

To conclude, Team Warner developed and finessed their skills each week growing exponentially throughout the season. Even though the team didn't walk away winners on the score sheet each week, they walked away winners having gained a greater skill base, understanding and LOVE of CRICKET.

Laura Taylor, Manager

St Ives District Junior Cricket Club Inc

Team Reports

U9 Lee

If nothing else, the players of St Ives Lee U9s will remember their first season together as one of huge achievement. They did not win every game. They did not rewrite any record books. But what they did prove is that commitment, team work and pure enthusiasm can bring about wonderful outcomes.

Nine players were listed in the team at the start of the season, and one of those was unavailable for the opening game leaving coach Stephen Atkins borrowing players from the opposition. By the end of game two and with a second win under their belts, the Lee boys had developed a good bond which grew stronger each week. By week three, we had 10 players, an 11th joined in week five and a 12th in week six. Two more were set to join at the end of the season had the games not been washed out.

Coach Stephen worked hard at training with the boys and the parents supporting this away from the nets. The dividends were paid in full with some incredible improvements and spectacular moments from the players during their games. Will Kennedy shone throughout the season. A natural all-round cricketer, he was receptive and hard-working and his unbridled enthusiasm rubbed off on his team-mates.

It was no surprise that Bradley Chan won the Man of the Match trophy in the first game. Always up for giving a practice to the next batsmen during games, he even turned up to help us before his first school game in February.

Several players showed some true cricketing spirit over the course of the season. James Atkins tried to make everyone welcome in the team and gave up batting practice to bowl to his team-mates. Lachie Bill took on the mantle of partnering some of his less adept team-mates and raised their games, while Christopher Calthorpe and Matthew Brooke willingly took on every role on the pitch when asked.

Rahul Jayakanthan secured coach Stephen's nod for the most improved player. His bowling by end of season was regularly landing on the pitch, his batting gained some forcing strokes and his attitude was always great. He was closely followed by Arthur Lockyer, whose hard work from a blank bowling canvas saw him clean bowl two wickets in the last home game of the season!

Several players went from being unable to land a ball on the pitch at start of the season to taking wickets by the end. Half the team went from getting out multiple times in an innings to being not out at all. Among the memorable cricket plays were the show-stopping catches by Will and John Atkins, Bradley and Will combining for an amazing run out and Lachie and Will hitting sensational sixes.

Each landmark was rapturously received by the parents who supported and volunteered every week, from warming up the incoming batsmen, to helping at training, scoring, umpiring and even stepped into the breach as coach when needed.

If we can retain the interest, enthusiasm and momentum going into the Under-10s, our achievements can only flourish.

St Ives Lee U9s: James Atkins, John Atkins, Lachlan Bill, Matthew Brooke, Christopher Calthorpe, Bradley Chan, Joshua Clarke, Rahul Jayakanthan, Taylor Jones, William Kennedy, Arthur Lockyer, Matt Miller, Campbell Smith.

Coach: Stephen Atkins

Manager: Gabi Lockyer

St Ives District Junior Cricket Club Inc

Team Reports

U9 Hayden

For most of the U9 Hayden team the 2012/2013 season was their first season of “real” cricket having learnt their skills at in2Cricket during the previous year or two. When the season began we had a team of enthusiastic boys and the first match was a real learning curve for the boys, not to mention the parents as well. For example many run outs occurred that match as most of the boys had no experience of calling for a run. Happily the boys learnt many things from that first match and subsequent matches resulted in far fewer run outs.

It was very pleasing to see the way the kids learned so much through the season and how they improved their skills as the weeks went by. Big areas of improvement were the accuracy and strength of the bowling, as well as greater understanding of fielding, batting and running between the wickets. The boys played all their matches competitively and with a positive attitude. As a result they managed to win some of their matches and lose some others by close margins. The only sad note was that the season ended with three out of the last four weeks washed out by rain.

The team was fortunate that all of the parents contributed to the umpiring, scoring, encouragement and fielding organisation of the boys. A special mention and huge vote of thanks also needs to go to the team coaches, Will Stephens and Anmol Singh from one of the Club’s u16/17 sides. They both taught the kids a great deal about the skills of batting, bowling and fielding and from all reports the kids responded well to their coaching.

It was a pleasure managing the team this year and I hope they all continue playing next year.

The squad comprised of Henry Colyer, Henry Day, Tim Faithfull, Angus Fisher, Nicholas Gummerson, Luke Hedley, Hamish Hole, Jacques Horbach, Maxim Mazin, Jack Osborn, Matthew Pearson and Oliver Sved.

Manager
Tony Faithfull

U10 Watson

A perfect day for cricket, the sun shining, two Under 10 teams resplendent in their whites, the sound of leather on willow, excited but slightly anxious parents watching from the boundary. It’s the last over of the Championship final with St Ives Watson needing 11 to win. Hamish Windybank cracks a four behind square leg off the first ball. Could we? No, surely not... More of that later.

In the regular season the boys were magnificent. They were crowned minor premiers, winning 11 of the 12 games played. It was a close run thing though. We beat North Sydney Green with a quickly run bye off the last ball. I’m not sure who was faster, Josh Newham running to the danger end or the rest of the team running on to the field to celebrate the win. That game summed up the fighting spirit the boys showed throughout the season.

On the batting front the top scorers in the season were Josh Newham (172), Dylan Campbell (170) and Ed Ogilvy (141). The top wicket-takers were Jono Cole (10), Max Black (8) and Ed Ogilvy (7). Fielding-wise our two main wicket-keepers, Josh Newham and Max Black, were involved in 8 and 6 dismissals respectively. Jono Cole (6), Angus Loebel (5), Harry Breden (4) and Ben Hamilton (4) were involved in the most out-field dismissals. Everyone contributed though. Every single run, every dot-ball bowled, every dive in the out-field – they all counted. A real team effort.

St Ives District Junior Cricket Club Inc

Team Reports

A big thank you to our coach, Trent Loebel, who gave up his Friday afternoons and really helped each and every player improve. The team is indebted to him. Thanks to our two main umpires (Ian Wilson and Geoff Page) who spent time in the middle.

The team couldn't have done it without the other helpers. A big thank you to Bradley Campbell as back-up manager/scorer, Craig Newham & Dave Hamilton for coaching/motivating and of course all the parents for getting the team to the training sessions/games and helping with padding up/coffee runs/young child minding etc.

So back to the final. 4 quickly run singles meant we needed 3 to win off the last ball. Hamish and Ed appeared relaxed in the middle, the same could not be said of their team mates or the parents. You could hear a pin drop as the bowler raced in. It was a very high full toss. Hamish and Ed sprinted a single and turned for a second, only to be run out. You could see their faces drop as they looked across to our despondent team members and parents as the opposition players and parents started to celebrate. Only a few seemed to notice both umpires had signalled what was a clear no ball for the beamer. There was confusion for what seemed an eternity. However, after the scorers conferred, triple checking their maths, it was agreed as a tie. The perfect end to a great game of cricket. A few tears (of joy) were shed by players and parents alike. Well done to St Ives Watson and Gordon Red. Both teams will get championship medals. Great game. The Manager and Coach agreed *no homework for our boys that night*.

Bring on season 2013-14.

Matt Cole - Manager

U10 Pattinson

What a tremendous and enjoyable year for U10 Pattinson.

The team formed for their first season together. We had a kids from various schools, some seasoned cricketers from a long career in the backyard, to Milo cricket to their second year facing the six sticher, through to boys who were putting on the whites for the first time.

We opened the season with a toughest challenges imaginable where we faced off against the Stuart McGill coached Mosman. While a tall order for any newly formed team the team performed admirably and set a great foundation for the year ahead.

There were only 2 rules in our team – try hard and have fun which we definitely achieved.

After a challenging first half of the year we set ourselves a goal of winning a game in the second half of the season. Amongst the challenges of the weather we did achieve a great win in our second last game of the season. Great work boys!

The highlight for the year was the huge improvement the boys made individually and as a team. What started as a new team ended the year as a great cricket team who tried their best every week, improved individually, supported each other and played as a team.

A big thanks to our manager Rachel Scholefield, umpires Peter, Nick, Rick, our scorers Bill and Steven, all the parents for bringing the kids to training and coming to the games on Saturdays.

The players in the team were Charlie S, Charlie F, Henry, Sam, Liam, Hugh, Kieran, Thomas, Eli, Oliver, Dominic, Max, Caleb and George.

Coach Maloney

St Ives District Junior Cricket Club Inc

Team Reports

U10 Ponting

We were fortunate to start our team with a good number of players from our U9 Ponting team from the previous season. Fortune smiled on us further with the addition of a number of new boys to the team who came full of enthusiasm and skills from other sports such as baseball. With our coach, Mahesh Malalage, at the helm again this year, we had a lot to look forward to.

It took our boys a couple of games to get used to the rules for U10s, with a few of the boys a little upset, but ultimately a little wiser, about with the rules changing to "out means out." The first half of the season saw our team win as many games as we lost, which left us 4th out the six teams in our Saturday afternoon league.

Dean Chertkow and Michael Tucker distinguished themselves with their batting and bowling results respectively. However, there were a number of other players who provided highlights. Liam Smith showcased his all-round abilities, including wicket keeping. Toby McGarity batted consistently and demonstrated an excellent throwing arm picking up a number of run outs. Josh Henderson also batted with skill finding the boundary with regularity once he got his eye in.

We enjoyed a number of exciting and close games during the season. So much so that we had to impose some rules on the parents so that our coach could be heard by the boys in the field. We're excited that we have made the finals this year, and hope that boys continue to enjoy success.

I won't comment too much on the number of rained out games, as I'm sure we all feel disappointed that Mother Nature chose to dampen our enthusiasm during the second half of the season.

Well done to everyone in the team. It was a pleasure to be a part of their success, and I'm sure the boys are all looking forward to the next summer of cricket!

Chris Tornow - U10 Ponting Team Manager

U10 Clarke

The 2012/2013 season was a brilliant season for the U10 Clarke team. Despite a few games being washed out towards the end of the season, there was a huge number of cricket games played, resulting in many more wins than losses. Overall we were placed third out of a total of six teams, and I really felt we had a shot at the premiership if we hadn't been rained out for the last couple of games.

Once again, it was exciting to watch the progress of each player's development throughout the season. It was the first time with a real cricket ball, and the new challenges this posed were wholeheartedly embraced by everyone. It was also the first time most of the boys had played "if you're out, you're out", leading to disappointment on occasion by those who gave their wicket away cheaply. But it was great to see the level of encouragement and support received from team-mates whenever this happened.

Overall we batted very well, with the team being bowled out in the allocated 24 overs only on a few occasions. We also bowled extremely well, which even tended to work against us at times (sometimes when we bowled consistently on the stumps it tended to be easier for the batsman to score).

Probably the most encouraging aspect of the season was our fielding. There were a huge number of memorable run outs and catches, with the result being that when we took most of our catches

St Ives District Junior Cricket Club Inc

Team Reports

and/or run-out opportunities, we tended to win the game. A sharp run out or catch also tended to lift the whole fielding side, leading to everyone enjoying their cricket even more.

There were a couple of stand-out individual performances, and those players will receive special awards on presentation day (highest number of runs, highest number of wickets and the Manager's award). However, we only won games when everyone made a meaningful contribution, and the large number of games won suggests that everyone worked very hard throughout the season and contributed to our results.

Special thanks to those parents who helped out regularly with umpiring and scoring, and of course Dave for his expert coaching. Thanks also to the supportive parents who turned up to support the players at training and at matches, providing food and drink for all.

Lastly, thanks to all of the boys – well done and see you later this year for the 2013/2014 season!

U10 Lyon

U10 Lyon had a season marked by improvement from most of the boys in their skills and understanding of how this great game is played, won and lost.

We had a squad of 15 and played with 13 each week which meant getting through the batting line up was not always possible. The acceptance, understanding and good sportsmanship shown by the boys when it was their turn to bat no 12 or 13 was testament to the wonderful group of boys they are and the hugely supportive parents that came and cheered every week.

Walking in with the bowler, backing up when batting at the other end, calling when running between wickets, sliding the bat, bowling on or outside off stump and backing up returns to the stumps were some of the many skills that the boys worked on during the year. Just writing these few items brings home how many skills and nuances this wonderful game has. All the more praise too for the boys who managed to get a grip on many of these whilst also trying to hit or catch a ball.

The 'little' things like keeping alert in the field and showing support for team members who aren't having the best day were picked up on and improved every week by the boys with very little if any prompting by the adults. The disappointment shown when some boys lost their wicket cheaply was testament to their ambition and perhaps also their wonderful stage in life.

Midway through the season we faced a run chase that was daunting, particularly given our previous scores in games. We had narrowly lost the week before to a team that ran very well between the wickets. Faced with this run chase the boys remembered what happened the week before and, led by Jacob's endless enthusiasm and Tom W's willingness to get involved, hit and ran and hustled their way to a great victory and in the process learnt much about scoring runs and how quickly a game of cricket can turn.

Of course we had a spread of talent in the squad and there were boys who performed pretty well with bat and or ball every week but at some stage each of the boys had a moment of greatness and the near misses did not go unnoticed. The sight of hands on head and sighs when just missing out on a wicket was gold.

A season does not happen without help from the parents. The K's, our wonderful managers, kept us on track all season and the Dad's who scored and umpired every week, you all know who you are, thank you.

St Ives District Junior Cricket Club Inc

Team Reports

Here's to a fun season and more of it in 2013-14 (and less rain!)

Rob (Coach)

U10 Warner

The U10 Warner team had a great 2012/13 season. The squad comprised 12 boys: Marcus Beil, Adrian Bond, Asher Costa, Harrison Davis, William Feather, Benjamin Heath, Yianni Kolouris, Aidan Lorking, Aidan Michie, Oliver Smith, Dan Stovold and Ayush Vij.

We started the season with varying levels of experience – for some it was their first season of formal cricket; for others, strong skills were already in the making. Everyone played to the best of their ability, and the improvement over just a few months was incredible. We celebrated the wins and learnt from the losses, and throughout, the boys showed a tenacious fighting team spirit and impressive sportsmanship.

The kids grew weekly in many areas of skill – accuracy and strength of bowling, batting technique, running between the wickets including calling and backing up, and fielding – getting their “bodies behind the ball” and knowing that “catches win matches”! A key reason for the tangible improvement was the excellent coaching we received from Nick and Ben Feather – teenage brothers to Will – who proved to be such an unexpectedly brilliant “gift” to the team! Their love of the game, knowledge, practical guidance, patience, encouragement, commitment and friendly respectful attitudes meant that the boys learnt so much more about the game of cricket than simply “the how”! We are indebted to them as we are to Con – Yianni’s dad – our other coach who supported the boys at training and at games whenever he was able.

As the boys confidence grew, so too did their enthusiasm and passion for the game. It was wonderful to watch! By the last match of the season, even our VERY sociable mums on the sideline were glued to the proceedings on the field. In fact, the team really benefitted from the continued active support of all the parents who willingly cheered and lent a hand in whatever capacity was required.

In all, it was a pleasure to be a part of U10 Warner this year. The boys have grown in so many ways, not least of which has been the forging of some wonderful friendships between children and parents alike. I for one cannot wait until next season!

Juliette Lorking (manager)

U11 Warner

2013 was challenging year for team Warner. We started the year with a core of boys who had played before and a number of boys who had never picked up a cricket bat or ball. We didn't win the competition this year but we truly built a team.

At the beginning of the season we couldn't win a game and we didn't even look like doing so. As the season developed the boys improved with every match so that by the middle of the season we were close in every match but still couldn't quite get up for a win. It wasn't until the last game before Christmas that we had our first win of the season. We ended the season with 3 wins: more importantly we ended with boys who were excited about their team.

It was very exciting for the parents to watch the boys improve so steadily over the year, in every game, in every area; they became better and better cricket players.

Adi Srivatsan was an outstanding all-rounder, an intimidating opening bowler and a stylish batsman. Joe Kennedy was also a great strike bowler and a powerful striking batsman. Aaron Abraham in his first season of cricket developed into a very useful quick bowler and good later

St Ives District Junior Cricket Club Inc

Team Reports

order batsmen. Dan Cornofsky developed into a promising spinner and strong middle order batsmen. Cameron Lorking settled in as great quick and aggressive batsmen. Probably our most improved player of the season was Ed Hoskin who hadn't ever bowled or picked up cricket bat before joining the team yet by the end of the season was scoring runs and had taken a couple of wickets. The bowling of Matt Georgans, Noah Mansbridge, Mark Buddee, Dane Ratcliffe and Bill Hadwen all improved steadily over the season and they all contributed regularly with runs. Unfortunately over the course of the year we lost 3 players Jason Deller to private schools cricket, Charlie Burgess who had to move to England and Ben Nyar to a knee injury.

All the boys developed a sense of team spirit over the course of the season and it was great to see them cheering on their batters and bowlers and encouraging them on and off the field at their own instigation. Almost all the boys were at practice every week and were looking for every opportunity to improve.

Finally I would personally like to say thanks to the parents who turned up to practice and the games, helping our boys to lay an important foundation for their lives.

U11 Johnson

The U11 Johnson Team were a group of boys who clearly have a love of the game and who played well together. On every level, the boys supported each other and great friendships were made. Every boy was encouraged to improve their skills in batting, bowling, as well as fielding. They displayed great sportsmanship and although we did not have a winning season in terms of results, we had a winning season in terms of each member increasing his skills and confidence with the game, with many achieving their personal best.

It was really inspiring to watch the boys develop and from a spectator view the games became much more exciting. Wins were hard to come by, but everyone remained positive and fought hard for every run, right through to the final game. The entire squad developed a very patient and mature approach to batting and improved their alertness and thinking in the field. The team always played the game in very good spirits, showed great teamwork and had fun.

A wonderful season. Thanks to all parents for their support and assistance on umpiring, scoring and practice duties.

I hope we see you all back next year.

U11 Katich

U11 Katich had another fantastic season. About half the team was made up from the U10 Katich team of 2011/2012 season, and the other half were new members to the team. We started the season with varying levels of experience and ability, but all showed plenty of enthusiasm and most importantly great sportsmanship towards the opposition teams.

It was a very successful season. We got to the final with only losing one game along the way to U11 St Ives Hussey. We then met them again in the final where they outperformed us on the day. We did meet them unofficially for a fun 20/20 game promoting McGrath Pink Stumps Day (where we won!) and on all 3 occasions enjoyed a strong challenge. We had a lot of fun and particularly enjoyed the practices where we almost always had the entire team. Everyone played to the best of their ability, and improved enormously during the season. The level of commitment was huge. One of the highlights of the season was the informal presentation of the NSJCA runner-up medals to the team by Simon Katich himself!

St Ives District Junior Cricket Club Inc

Team Reports

The team really benefited through the active support of all parents both on and off the field. In particular many thanks to Sandy for coaching the team, to Robbie and Scott for being the Umpires, and to Anthony for scoring. Special thanks must go to all the families for getting your son's/daughters to the practices/matches on time!

In short it was a pleasure to be associated with this team and everyone should be proud of their achievements and progress through the season. Good luck for next year.

Lara Turner, Manager & Sandy Legovich, Coach

U11 Watson

The St Ives U11 Watson team have had a great season showing vast improvement in all aspects of the game as the season progressed. The team as a whole enjoyed each game with every child really trying their best. I thought the team showed great sportsmanship throughout the season. The team has continually challenged themselves to run harder, bat better, and bowl faster and more accurately.

In terms of training I think the highlight was the David Ford training day that was organised. The team thoroughly enjoyed this and found it extremely beneficial. I would recommend that the club does more of these training courses especially at the beginning of the season.

We are very proud of the U11 Watson team for their amazing attitude and enthusiasm for the game. We look forward to future cricket seasons and seeing the team grown even more.

Well Done team, Andrew Mullins

U11 Hussey

The 2012/13 season proved to be another successful one for the U11 Hussey XI. After claiming the Minor Premiership & Premiership as U10s in 2011/12, the boys went on to complete a rare double and do it all again as U11s.

Once again, the boys were exceptionally well coached by Jeremy Hook. He is a man of infinite patience, with an innate ability to communicate with children, and an encyclopaedic knowledge of the game we love. Jeremy made sure the boys always had a smile on their faces, even when things went wrong. The inevitable difference in skill level among the lads was always a consideration in his planning, and each boy enjoyed multiple opportunities to perform throughout the summer.

Every boy made a significant contribution at some point or another, which suggests that the sum was definitely more formidable than its parts.

Travis Bazzana – The belligerent stroke maker from last season worked hard on his technique and turned himself into a stylish, hard hitting batsman this summer. Travis has a lot of natural ability and is extremely receptive to coaching. Much like a left-handed version of Shane Watson, he looks as good when he's playing tight as he does when he opens his shoulders. His decision making as a bowler provided no shortage of puzzled grins among the parent group throughout the season. He spent the week leading up to the Grand Final bowling very useful seamers in the nets, only to bowl lovely leg-breaks on match day. He promises to be a very versatile cricketer in years to come.

Duncan Dingley - Duncan worked hard at his game this season. He performed at his best, batting in the lower middle order, utilising his skills as an accomplished caller & runner between the wickets, to score very useful runs at the end of many an innings. His gentle seamers were bowled

St Ives District Junior Cricket Club Inc

Team Reports

at an economical rate, and he picked up useful wickets along the way. His bowling action is developing well, and he has the makings of a right-handed John Lever, both for his action and his quirky, understated sense of humour. Next season's challenge is to get him to play straight on a consistent basis.

Oskar Hicks – Oskar was one of the younger members of squad. He trained hard and certainly gave his all whenever it was asked of him. He played with a straight bat as the summer progressed, and finished the season looking most accomplished. The off-drive he played at Waverton just before Christmas will be remembered for its crisp, textbook execution. The undoubted highlight of Oskar's season was his bowling in the Grand Final. In his first over he claimed two vital wickets that put the game beyond doubt for us.

Nick Hook - Nick is one of the most talented nine year old cricketers I have seen. It is worth noting that he qualified to play U9 cricket this season, but was a stand out performer in our Championship winning U11 team. He bats with a technique and authority beyond his years. His lack of height often posed a problem for him on the bouncy artificial wickets, but he adapted well by scoring heavily with a lofted cut he developed early on in the season. His bowling was also of the highest calibre. He hit a great length with his leg spin and regularly got the ball above the batsman's eye line. Remember his name. You'll hear it in years to come.

Sam Bull – Sam was the ever enthusiastic, determined member of the team. His bowling improved steadily over the summer, and he responded well to Jeremy's coaching. When he keeps his head up and follows through, he's as effective as any bowler. He showed this in the Grand Final. Sam's primary virtue is that he is the consummate team man. He took his role very seriously and never stopped working hard for his mates. We were very lucky to have him in our team.

Gregor Dingley – Gregor's cricket improved tremendously over the summer. He scored heavily with the bat and bowled leg spin with authority. He spent a lot of time in the nets this summer, working on all aspects of his game. The effort paid dividends and was reflected in his overall performance. Gregor's team focus and natural flair for leadership resulted in him being appointed captain in the second half of the season and saw him lead the team to another Minor Premiership and Grand Final victory.

Harry Wilson - Harry brings a thoughtful, almost genteel approach to the team that wouldn't be out of place on a village green in Kent in 1950. Over the course of the summer he developed into one of our 'go-to' bowlers when we needed to lock down an end. His bowling action, while slightly unconventional, delivered wickets consistently, and when it mattered. Most importantly, he bowled wicket to wicket and gave nothing away. He persisted with playing the odd cross bat shot at inopportune times, but with some hard work he has the skill set to develop into a very handy all-rounder.

Oscar Petro - Oscar missed a number of fixtures due to school cricket commitments and wash outs over the summer. When he did play, he bowled impeccable leg spin with exceptional control. He bowled particularly well in the Grand Final. Oscar bats with a sound technique and good footwork. As he gets stronger he will become a more forceful player, which will allow him to convert scoring opportunities into runs more regularly.

Harrison Ferry - Harrison has developed into a fabulous wicket keeper, which served him and the team so well throughout the summer. His keen eye and good foot movement behind the stumps suggest that he has a strong future ahead of him as a glove man. Appropriately, he's a worthy winner of the NSJCA wicket keeping prize having taken seven catches and two stumpings over the summer. His innings under pressure in the Grand Final was the finest he's played for our team, and suggests that he has what seasoned first class cricketers know simply as 'the bottle'. In addition to all this, he bowled full and straight all summer.

Ashton Smith - Ashton made a solid contribution to the team this season. He worked hard to get the best out of an unconventional bowling action, and played his role as a pinch hitter to perfection when required. His 2 wickets against Mosman in the T20 fixture was a particular highlight of his season. He will need to continue to develop his technical skills across all aspects

St Ives District Junior Cricket Club Inc

Team Reports

of his game, but with focus and commitment he will keep on getting better.

Nick Watson – Nick bowled some fantastic spells for us throughout the season. He's a big strong lad who bustles in to the wicket and bowls what Mpumelelo Mbangwa would refer to as a heavy ball. The three overs he bowled against Lane Cove in late November are a good example of what he's capable of. He needs to work hard on his batting if he wants to score more runs. If he matches his enthusiasm for throwing the willow with a healthy dollop of circumspection, he has the makings of a very good all-rounder.

Angus Kellaway – To appreciate the contribution that Gus made to the team this summer, think back to what Terry Alderman did to the Poms in 1989. Both were artists performing in theatres seemingly custom made for them. With an economy rate of 1.60, Gus Kellaway is the bowler that every U11 cricket coach dreams about. Add in a batting technique as sound as any in the age group and you start to get a picture of what a fabulous cricketer he is.

Jay Mace – Every team has a journeyman. Jay is ours. He's the boy who took what talent he had, and through hard work and net time, turned it into so much more than anyone expected. No one is more deserving of the title of leading wicket taker in a champion team. He bowled straight and took two or more wickets on five separate occasions over the course of the summer. It was a wonderful effort by any standard. As the opposition gets better he will need to bowl flatter and quicker if he wants to keep taking wickets, but for now, he can enjoy some richly deserved recognition for a job well done.

Stuart Dingley - Stuart finished the season as the leading run scorer in the competition for the second year running. It's a tremendous achievement for a young lad, and one of which he can be very proud. His consistency with the bat generally meant that the team scored heavily each week. His strength and aggressive approach allowed him to blend attractive stroke play and brute force to good effect. Stuart bowled quickly throughout the summer and to good effect, although he will need to concentrate on bowling fuller if he wants to take wickets more consistently in the older age groups.

No team can function effectively without a backroom support crew. The Husseys were blessed to have such a crew this summer. Thanks must go to John for managing the team, to Stefan & Gary for their umpiring. Also, thanks to John & Barry for their scoring, to Brett for the multiple coffee runs, to Andy for the video analysis, to Michael for the relentless flow of off the wall one liners, and finally, to Hayden for the incredible amount of statistical analysis & other background information we were supplied with. I'm sure I've forgotten someone, but I can't think who it is ...

Gavin Dingley (Assistant Coach)

U12 Haddin

The U12 Haddin team came about when a bunch of cricket enthusiastic parents decided to engage their kids in club cricket last season. Three permanent players departed from last year's team and were replaced with seven new players resulting in a large squad of 15 boys this season.

This year saw the boys playing in their age appropriate group of Under 12 and playing first division. The first game on the 15th of Sep-12 was again at the cusp of commencing school holidays which meant that a majority of players were off on holidays. We took the field with just 10 & 9 players in the first two games registering our first win in round 2.

Despite the high mark set on the hurdles from the beginning, the boys were up to it beaming with self confidence and the drive to play well. They were always enthusiastic, had lots of fun and worked hard on improving their game. They won six games (as opposed to 2 last year) while losing two close games with 3 runs & 6 balls to spare against Ryde Hunters Hill Pirates. Two games were washed out of the total 15 round games. The team enjoyed their season of cricket.

St Ives District Junior Cricket Club Inc

Team Reports

Aarya Bhatia – Remained a true all rounder even swapping between spin & fast bowling while excelling in keeping towards the end of the season. Chatty & nimble, Aarya is a major asset to the team encouraging the team along and often throwing the stumps down from square of the wicket.

Arjun Toor – Is easily one of the most improved players this season. Fearless Arjun held his ground while batting, helping the team to see through overs, while fielding both square of the wicket & close-in with no qualms of stopping the hardest hit balls.

Isaac Walker – Showed great promise with the bat and held the middle order together quite effectively. Isaac has a good technique in fielding and often manned the tougher parts of the field. He always displayed a focussed & competitive attitude & was never afraid to charge the ball while fielding.

Ethan Bettenay – Continued to steady the middle order providing the opportunity for others to bat around him. He is a steady bowler and perhaps the calmest member in the team. Ethan is persistent & continues to bowl spin which should bear fruit in future.

Grant Tucker – Another middle order bat who plays a vital role in the team. Grant at times returned excellent bowling spells and has the potential to turn into a menacing bowler. He is also a dependable fielder often manning the outfield.

Harrison Long – A quiet achiever who is always a positive influence on the team. Great team spirit, excellent & dependable fielding skills together with a knack of taking wickets hold him in good stead in his cricketing pursuits.

Benjamin Randall – Perhaps the best fast bowler in the team. He returned the highest number of scalps despite playing a lower number of games. Ben ended the season being the 6th highest wicket taker amongst all 150 players in the competition and returned the best strike rate & 2nd best economy rate amongst the top 6 players in the competition.

Josh Irving – Has developed into a fully fledged cricketer who shows an excellent temperament for an opening batsman. Joshua often helped the team build a solid platform & is able to face the best bowlers as an opener while rotating the strike. He finished the season as the 2nd highest run scorer in the team retiring once scoring 30 runs & missing his 2nd retirement scoring 28. He continues to be a dependable catcher and a consistent bowler.

Leon Mylordis – Our specialist slip fielder who has improved tremendously in the fielding front. Leon continues to solidify his middle order batsman's role and showed his class with a knock of 13 runs in a close game against the Hunter's Hill Pirates. Leon has greatly improved his bowling action and returned a good economy rate.

Madhav Rastogi – Has grown into a speed daemon (the "Rastogi Express") returning a very good economy rate. Madhav scored over 100 runs and was ranked the 4th highest run scorer for the team. Madhav has become a good infield fielder showing great reflexes. He has also shaped into a complete cricketing package this year with good temperament, focus & team spirit.

Rehan Gunawardhana – It was pleasing to see Rehan focus on being an orthodox fast bowler and ended the season being our 2nd most prolific wicket taker and the 12th amongst the 150 players. He returned the 4th best economy rate amongst the tournament's top 12 bowlers. He scored 145 runs ending up as the 3rd highest run scorer who opened the batting and was able to increase the run rate. Rehan is an attacking fielder and a tireless keeper who marshals the troops from behind the stumps.

Sachin Markus – Remained a classic new ball fast bowler who displays perfect line & length capable of keeping the best of opening batsmen quiet. Sachin returned the 7th best economy rate of the top 25 wicket takers from the 150 players. Sachin flourished as a batsman this year playing a crucial middle order role. It is great to see Sachin now believing in himself as a true all rounder.

Gurman Soni – Unfortunately Gurman was unavailable for the entire second half of the season due to illness. Team's thoughts and prayers are with you Gurman for a speedy recovery. Gurman's enthusiasm was missed when he was out of the team. He continues to improve on the technique of spin bowling and with practice will develop to be a serious bowler.

St Ives District Junior Cricket Club Inc

Team Reports

Mark Green – Is a middle order batsman who is able to rotate the strike. Mark is a consistent bowler and has great aptitude in judging the ball when fielding. With practice to perfect consistency, Mark is bound to become a good cricketer.

Joe Hiley – Continued his menacing form with the bat and ended up scoring over 300 runs topping the runs scored for the entire competition – a magnificent achievement. Joe continued his form after being promoted to open the innings where he demoralised the opposition with his exquisite stroke play and hit a six off the first ball of the game in his last innings. Joe remained not out on 7 occasions. Joe also returned the 3rd highest number of wickets and was once taken off the attack due to being a danger to batsmen at the request of the opposition! Joe kept wickets for the team and was instrumental in turning many games around for the team. Joe is a tireless workhorse who has developed a balanced approach to cricket.

I would like to thank David for his assistance in umpiring and managerial responsibilities, John, Chaitan, Nigel, Damien, Michael and Matt for various roles played by all. Also like to thank all the parents for helping out with the afternoon tea. A special thanks to Bambi Markus for organising the afternoon tea roster & Parul/Kamini for organising the end of season gala dinner. Thank you to John for keeping an eye on Yaalu while I was on coaching duties.

Indy Gunawardhana
Coach

U12 Johnson

Undefeated Minor Premiers and Premiers - an amazing achievement by this team of boys, many whom have been playing together now for 3 years. Seasons like this don't come along very often but the boys thoroughly deserve their success. After the disappointment of finishing 2nd last season, the boys worked very hard to make sure they went one better in season 2012/13.

It was truly a team effort with every member of our 14 man squad contributing to the success of the team. We had no fewer than 10 batsmen who scored 75 runs or more lead by Thomas Elliott with 244 runs, Rohan Rao with 239 runs and Patrick Dwyer with 187 runs.

We also had 9 bowlers who took 5 or more wickets lead by Oliver Garrett with 19 wickets, Bailey Wrightson with 12 wickets and Rohan Rao with 10 wickets.

While cricket is, and will always be a game of statistics, another critical component to our success this season was the camaraderie amongst the boys and the spirit in which they played and enjoyed their cricket. Opposition coaches complemented the boys on many occasions for the good spirit in which they played their cricket which was very pleasing.

So overall an excellent season that culminated in a dominant performance in the final (winning by 105 runs) and one that all the boys and their parents will remember for a long time.

In closing I would sincerely like to thank Janita Loughhead for brilliant managerial skills, Dale Baker for his dedication to the score book, Craig Semler for helping me out on occasion at practice & match day along with Paul Garrett and Steven Bird for umpiring all season.

But the biggest thanks of all should go to the 14 boys whose effort and skill saw them go through an entire season undefeated - an achievement they should be very proud of.

Brett Elliott
Coach

St Ives District Junior Cricket Club Inc

Team Reports

U12 North

The U12 North enjoyed a great 2012/13 season winning the last 6 games to make the semi-finals. It was a shame the semi-finals were washed out as the team had the momentum and the confidence to do well. Every one of the boys showed an enormous level of commitment to the team and this showed in the team's camaraderie each week. There was a great spirit and friendship among the boys which made coaching the team a dream.

Throughout the season each of the boys showed a great deal of improvement with their cricket skills. As we jumped from U10's to U12's it was the first time the boys had to play "real cricket" and I was very proud of how they progressed as players and how they played in the spirit of the game. All of the boys were really enthusiastic and it showed as they improved throughout the season.

There was a fantastic overall improvement in the boy's bowling from the beginning to the end of the season. The improvement was most noticeable after the first 4 games of the season with a number of the opposing coaches making positive comments. The team went from bowling 58 extras a game at the beginning of the season to only 13 extras by the end of the season.

It was great to see how well the boys batting improved during the season. All aspects improved especially in the area of shot selection. Most of the boys were able to score at least one 30 not out as their confidence increased. The highlight of the season was the 6 for 291 off 32 overs (9.1 runs an over). As more runs began to be scored 'off the bat', awareness by the batsmen and running between the wickets also increased.

Finally, a very big thank you to all of the parents who came and supported the boys and those who were able to help with umpiring, scoring and pre-game warm up. In particular, thank you to Danielle Pringle who managed the team throughout the season. Thanks for a great season – I enjoyed coaching the team and I'm looking forward to seeing you all in September!

Gavin Stuart - Coach

U12/13 Warne

This was a newly formed team with many of the boys not knowing each other at the start of the season. It was great to see them bond quickly and enjoy each other's company. This was also evidenced with the enthusiasm the boys showed for fundraising for the Pink Stumps Day. We had a wide range of cricketing experience in the team, from rep players to boys playing their first year of team cricket. Regardless of this, the boys all supported and encouraged each other to do their best, whether it was an established player hitting sixes or a new player taking his first ever wicket or catch. We also had a first time coach, who was grateful to receive valued advice from some more experienced dads in the team!

The mighty U12/13 Warnies were CB, Edo, Fishman, Krish, Barracks, Holmesy, Jelly, Jonesy, Luto, Lachie, Richo, Roachy, Skeggsy, Calvin and Watto. Thanks for a great season boys. Also many thanks to Craig our Manager, our regular umpires and scorers, and all the mums, dads, siblings, dogs, and other family members who came along each Sunday morning to watch the boys play.

U13 Hussey

Our team came together this season with a mixture of boys from previous teams to play in the very strong U13 Div 1 competition. The boys started off in rusty fashion in terms of bowling and fielding which improved in the season but they batted well during most of the season. This imbalance resulted in mixed results through the season but some exciting wins were secured including the plate final.

St Ives District Junior Cricket Club Inc

Team Reports

Our batsmen were led by Sam who showed how patience and concentration get reward with over 300 runs from his bat. Able support at from Malcolm (teams highest score of 66*), Ruairi, Lucas, Alex and Liam. All boys made contributions with the bat at various times with Luke, Will, Dylan, Mark, Zac, Calvin and Ryan all either scoring runs or occupying the crease during important partnerships. Unfortunately our most destructive batsman Nick was sidelined with injury for most of the season after a great start. Our bowling was more of a challenge with our more experienced players doing well but extras and mixed fielding at times let some of the better batting teams get away on us. Alex, Sam, and Ryan did well on the wicket count with Malcolm and Liam supporting well. Special mention to Dylan, Will, Mark and Zac whose bowling improved hugely over the season. Wicketkeeping was done ably by Malcolm and Liam with support from Ruairi.

The features of the season were a great team spirit and everybody contributing at different times right down to Mark scoring the winning runs in the plate final. As a coach the satisfaction was in seeing significant improvement across the board in all the boys which will stand them well in future seasons. Many thanks to Evan who coached the back part of the season and our tireless umpires Paul, Rick, Mark and Evan and scorers Fleur, Jody, Steph and Michelle.

Chris S

U13 Ponting

This years' U13's Ponting was an amalgamation of several teams along with an addition of some new players. Within one training the boys came together as a unit and played in the true nature and spirit of cricket. No matter how individuals performed there was always praise and encouragement from their fellow players. It was an absolute pleasure to be involved with a group of such fine young men.

A special mention should be given to our wicket keeper David Cohen. No matter what the weather, the bowlers and even his team mates threw at him he was always happy to keep wicket for the team, always encouraging his fellow team mates and trying to lift their spirits when the score was against us.

Well done to the boys for showing so much maturity and enthusiasm throughout the season.

U14 Lee

We started off the season in new terrain. Our team being formed using players from various teams from the previous year. The boys took some time to become familiar with each others playing style and personality.

Like previous years we tried to focus on training, with a view to being competitive on game day. I was very pleased to have large numbers at training each week. As the boys are maturing, so to was their ability to focus.

Batting was probably our strength this year. We managed to post some large scores around the 200 mark. The team was aware of how important building partnerships are. Many partnerships through the season were crucial, even if it was to only TIE. Which we managed two.

We resurrected the Mighty Moments awards. This is where despite the result we were able to reflect on what makes cricket so much fun.

Whether it was Amrit throwing his giant body around. Thus showing the others how dedicated you can be in the field, Tom and Noah's stop and start last wicket partnership to win our only

St Ives District Junior Cricket Club Inc

Team Reports

match of the season against the Chappell's, Hamish's extraordinary run-out from the keepers end against St Pius. Or Eyal's return from injury to record a 4-wicket haul.

We had many Mighty Moments some of which never got rewarded. I recall yelling out to Stutto when the situation was dire, "YOU NEED TO SWING YOUR BAT" to be rewarded with probably the biggest six of the year.

Throughout the year all the boys developed into better cricketers. Some have become outstanding. Ben Xie and Hamish Green were absolute standouts. We also had some very good opening batting from Greg Leatt, Luke Hansen and Matt Stutchbury. Backed-up by very capable batting by Luca Candotti, Eyal Dorfan, Amrit Dhanushkoti, Tom Rodwell, and our regular subby Noah Wright. U11 substitute Cooper also showing how to get valuable runs.

We struggled to bowl teams out. Regardless, we had some excellent and usually very miserly pace bowling from Dan Keane, Ben Xie and Hamish Green. Good seam bowling by Amrit Dhanushkoti. Very useful swing bowling from Tommy Rodwell, Luca Candotti and Matt Stutchbury to snare valuable wickets. The good line and length balls from Greg Leatt, Nick Koen, Tim Campbell and Ayush Dallakoti also troubling the batsman and getting wickets.

The standout fielding of Luca, Hamish and Ben was inspirational in the field. But in general all our boys gave it a good crack with some tidy fielding and return throws. Luke Hansen being a choice selection in the slips with super safe hands, taking some "classic catches."

Late in the season we showed we were up to the task by showing we can mix it with the best teams. Having a TIE with the Miller's. But, in the end rain, rain and more rain mucked-up our late run in the season. Otherwise I believe we would have won The Cup. And I'm sure with this in mind, many of the boys will be back next year.

A big thanks to all the parents, But especially Rick, Stutto, Mal, Suresh, Anandhi, Mark, Darryl, our statistician Fiona and our manager, Pete.

David Rodwell
Coach

U14/15 Ponting

Coach: Lalin De Silva
Manager: Fiona Russell

Similar to last year U14/15 Ponting team had a reasonably successful season. Due to rep cricket commitments, often the team struggled to find 11 players to play. The beauty of this game is that tough circumstance gave a challenge to the rest of the squad to rise to the task at hand. All in all we have left some good memories to build the platform for next season. I was very pleased with the way the boys had improved their skill level. We will continue to work hard during the off season to improve on our skill level to give ourselves a chance to be in the finals next year. I wish those boys who are stepping up to under 16 -17 all the very best.

We would like to take this opportunity thank all the "fill-in" players who contributed to this team, especially Duncan Ballantyne & Mitch Frawley who filled in for the rep players regularly and contributed tremendously with both bat and ball and on the field.

Vishnu Natesh (Captain for the season) - Solid right hand bat and our wicket keeper. Vishnu had a very good season with consistent performances. Vishnu was the captain this year for the entire season and Vishnu did a fantastic job leading the team on and off the field.

St Ives District Junior Cricket Club Inc

Team Reports

Conrad Nitzsche - Wicket taking medium fast pace bowler and hard-hitting batsmen who can be brutal on the old leather ball. Solid fielder. Contributed well throughout the season.

Angus Frawley - Superb left arm fast bowler with pace and angle. Best bowler of the season. Hard hitting bat and fantastic fielder. One of our core players of the season.

Angus Dingley - Angus is a right hand bat and a medium pace bowler. Unfortunately Angus couldn't play the full season due to injury but contributed well during his presence.

Robert Russell - Robert is a solid right hand bat and a medium fast bowler. Robert is very accurate bowler and a good bat. Robert missed a few games due to rep cricket but he gave solid contribution in the games he played.

Oscar Raue - Hard hitting right hand batsmen, off-spin bowler and a good fielder. Oscar was one of our core players and contributed well during the season.

Shomik Dutta - Shomik is a right arm swing bowler and right hand batsmen. Shomik was one of our core players and contributed well with the ball and bat during the season.

Alistair Burton - Right arm medium pace bowler and right hand batsmen. Alistair played only a few games during the season but contributed well during his presence.

Michael Larsen - Michael is a right arm medium pace bowler and right hand batsmen. Michael missed most of the season due to injury but contributed well during his presence.

Kieran Jayasekera - Superb left hand batsmen and superb left arm spin bowler. Kieran is a natural fielder with a great pair of hands. Kieran missed a lot of games due to rep cricket this season but contributed well during his presence. Kieran is a fantastic cricketer and he was successful in getting selection to the Northern districts Green Shield team and NSW U15 in 2013.

Anish Rastogi - Right hand bat, right arm swing bowler and a natural fielder. Anish only played a few games this season but has contributed well during his presence.

Shane Petrie - Right arm leg spin bowler with good skill to turn the ball. Shane played only a few games due to rep commitments. Shane is a good contributor with the bat and safe hand in the field.

James Rowse - Right arm medium fast bowler with a great bowling action, accuracy and consistency. James is an excellent new ball bowler. Right hand bat and a safe hand in the field. James missed a few games due to rep cricket but has contributed well during his presence this season.

Michael Fletcher - Solid right hand bat and a wicket taking right arm off-spin bowler. Michael missed a few games due rep cricket but contributed well to the team.

Lashan De Silva - Right hand bat and right hand leg-spin bowler, and a solid fielder. Missed a few games due to rep cricket but has contributed well to the team during his presence.

U16/17 Beer

This was the first year of a partnership between St Ives u16/17 squad of 18 registered players assisting the Lane Cove club form a team known as St Coves. The commencement of the season saw boys happily playing for St Coves that resulted a permanent transfer of 2 boys down to St Coves and enabling both teams to settle into a regular playing squad. The two teams met on 3 occasions during the year with all games played with true spirit against each other. The last being the plate final played on one of the best turf pitches for the year at Tantolan oval Lane Cove, despite the previous days play being wash out, with St Coves taking the plate in a very close finish.

There were many close games during the season that went against us but the team kept together, supported each other and there was always the friendly banter and smiling faces.

The U16/17Beer team enjoyed the 2 days games with the season highlight being the comprehensive defeat of eventual season premiers Lindfield Lee in their only loss of the season. The win was by 31 runs with Bill Stephens scoring 59 and Matt Keane 41. Tight fielding provided

St Ives District Junior Cricket Club Inc

Team Reports

the bowlers with a positive turn around with Rob Firth achieving great figures of 6 overs, 2 maidens 2 for 22, Bill Stephens 6 overs no wickets for 13, Daniel Winder 3 overs 1 for 3. Solid wicket keeping came from Michael Goode. The after match celebrations were of top class that day.

Throughout the year the team played the game in great spirit and dedication and continued to support each other through all the ups and downs that the cricket provides us with. There was a solid comradeship amongst these fine young men who for some will move onto the grade format and continue to make new friends throughout the cricket world.

The season would not have occurred without the dedication of our coach Ryan Maritz, umpires Bob Stephens and Nurani Krishnan and scorers Ric Keane and Chris Firth. Thank you to everyone but most importantly thank you to all the boys who turned into fine young men during the season providing us all with a happy and rewarding season of junior cricket.

St Ives District Junior Cricket Club Inc

MINUTES of ANNUAL GENERAL MEETING

Held at Hassell Park Clubhouse, St Ives
on Monday 14th May 2012

Attendees:

Clive Fletcher
Geoff Keevers
Matt Cole
David Mckay
Jon Rowse
Steven Bird
Rachel Scholefield
Kim Swift

Apologies:

Sue Deller
Anthony Ford
David Rodwell
Susan Astridge
Tim Jelbart

President Clive Fletcher welcomed all present and thanked the Club Executive, Managers, Coaches and parents for all their efforts in keeping the Club running smoothly throughout a very successful season.

Minutes from the 2011 Annual General Meeting were covered in the Annual report, and copies were made available to all attendees prior to the meeting. The minutes were taken as read, and there were no matters arising.

The President's Report was tabled in the Annual Report available to attendees, and was taken as read. Clive Fletcher pointed out the main part of his report that he would like to stress is the appeal for new volunteers which the Club needs going forward to ensure continued success.

The Treasurer's Report and Audited Accounts were tabled and presented by Geoff Keevers. It was confirmed that the Club is again in a healthy financial position and well placed to meet its financial commitments. The Club made a profit of over \$9K which was mainly due to less expenses with so many washed out rounds last year. The unusual item of \$600 income in expenses under Ground and Facilities was due to the Senior Club contribution towards the nets which we received back this year. We have \$50K in the bank with just a few liabilities to offset against. Geoff pointed out that with our primary income being membership fees and a small amount of sundries/interest etc. there is a potential to increase our income through sponsorship and fundraising.

Clive thanked Kim Swift for her valuable 4 years of service to the Club as did the rest of the attendees at the meeting.

St Ives District Junior Cricket Club Inc

Election of Club Executive

All committee positions were declared vacant. The following members were nominated for the Club Executive and agreed to stand:

President	Clive Fletcher
Vice President	Vacant – need to source
Treasurer	Geoff Keevers
Registrar	Vacant
Secretary & Public Officer	Matt Cole
Coaching Coordinator	Vacant – need to source
Equipment Officer	Anthony Ford
In2Cricket Coordinator	David McKay
Under 9 Coordinator	Vacant – need to source
Under 10 Coordinator	Matt Cole
Under 11 Coordinator	Sue Deller
Under 12 Coordinator	Steven Bird
Under 13 Coordinator	Vacant – need to source
Under 14/15 Coordinator	Tim Jelbart/Jon Rowse
Under 16/17 Coordinator	Vacant – need to source
Girls' Coordinator	Steven Bird

Geoff Keevers nominated the members of the committee, seconded by Jon Rowse. The motion was carried.

Clive Fletcher pointed out that it will definitely be his last year as president so we will need to find someone during the year to take over this role. It will also be Geoff Keevers' last year as treasurer, Matt Cole will take over this role next year. The positions of Vice President and Coaching Coordinator are vital roles which need to be sourced. David McKay will look to source an Under 9 Coordinator from the In2Cricket parents. It was agreed to remove Nets Coordinator from the Club Executive list. We also need to appoint a number of committee members to attend NSJCA meetings.

There was no other business raised.

**The meeting closed at
7.55pm**

St Ives District Junior Cricket Club Inc

President's Report 2012/13

Firstly, thank you to everyone who assisted in running the club this year. Particular thanks to our Club Operations Manager, Rachel Scholefield, who has been absolutely fantastic in helping run the club so smoothly over this last year. Rachel has been so enthusiastic with all of her organising, communicating (especially our new newsletters), fundraising etc.

This year, the number of registered players was down to around 500. Hopefully numbers will pick up again next season as everyone spreads the word on what a great club we have.

On the field we had a pretty good season. We had 3 minor premiership teams and they all went on to win the Championship (with U10 Watson having a thrilling draw to end their season). Congratulations to U10 Watson, U11 Hussey and U12 Johnson.

On the representative front, two current and one ex St Ives player have featured in NSW age group selections. Kieran Jayasekera and Nick Badings both gained selection for the NSW U15 team that completed in Perth in February. In addition, a past Steve Daniels award winner, Reagan Klemt was selected to play in the all age NSW Schoolboys team. Another past Steve Daniels award winner, Harry Conway, played in the U19 World Cup team in Nepal.

St Ives was well represented in the NSJCA rep comps this last season, with 2 DCA teams (U10 and U14) winning their competitions. One very impressive achievement this year – in his second year in U10 and for the second time, Rohan Rao received the NSW DCA Bowling Award.

The Club again had girls playing in the Northern Sydney Girls Cricket Association under the combined St Ives/Gordon banner – St Gordon. The competition was strong and our squad of 14 were a particularly young team but they performed with great valour and pride each week. Two St Ives girls, Philippa Carey and Sarah Turner, were selected to compete in the CIS U13 comp and also in the U13 NSW DCA comp. They were in the winning side in both competitions.

Under David McKay, the In2Cricket program had another brilliant year with around 120 kids on the Village Green every Saturday morning. Geoff Spotswood and his coaching team continue to support the club at this level and do a fantastic job.

Overall it was a great season, with a little less impact of hot weather or rain (well until the finals!). It was great to get so much positive feedback about how much the boys and girls enjoyed their cricket.

I would again like to thank David Ford for his support in running sessions for the older teams as well as the “coach the coaches” session. The addition of team clinics as well as our traditional specialist batting, bowling and wicket keeping clinics, were very popular and appreciated. David received tremendous feedback and we do hope to continue his association with the club.

The introduction of a Friday night Twilight U9/U10 Big Bash session was a welcome addition to the calendar, for both the parents and the kids. I am sure this will now become an annual event.

Paul Byrom from Triforce Sports also continues to provide fantastic support to the club and again facilitated the introduction to cricket clinic for the U9 and U10 group early in the season.

This is my last year as president and I will be handing over the reins at the end of this season. After 5 years in this role, I still think the key strength around St Ives Junior Cricket Club is that we have always emphasised that every player be able to participate and be given a “fair go”. I do know that most coaches and managers follow this philosophy and because of this everyone enjoys their cricket so much more. We do want to measure our success by how many kids come back rather than by how many trophies we win.

On that note, I would like to thank every committee member, coach, manager, assistant, part-time assistant, umpire and scorer from every team for the time they take every week to make sure that the players have the opportunity to participate.

Clive Fletcher

Notes to and forming part of the financial statements
For the year ended 28 February 2013

1 Statement of significant accounting policies

The significant policies which have been adopted in the preparation of this financial report are:

a Basis of preparation

The association is a non-reporting entity and the financial report is a special purpose financial report prepared for the committee members and members of the St Ives District Junior Cricket Club Inc. for the purpose of fulfilling the financial reporting requirements of the Associations Incorporation Act 1984. The Financial Statements comply with those Accounting Standards and UIG Consensus Views (if any) deemed necessary by the committee in the circumstances to meet the objectives of the special purpose financial report including:

AASB 101 Presentation of Financial Statements
AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors
AASB 110 Events after Balance Date
AASB 124 Related Party Disclosures
AASB 1031 Materiality
AASB 1048 Interpretation and Application of Standards

They have been prepared from historical cost records and do not take into account changing money values or, except where stated, current valuations of non-current assets. The accounting policies have been consistently applied unless otherwise stated.

It has been determined that it is unnecessary to include a Statement of Cash Flows to meet the objectives of the special purpose financial report.

St Ives District Junior Cricket Club Inc.
ABN 67 932 353 904

Notes to and forming part of the financial statements (continued)
For the year ended 28 February 2013

b Revenue recognition

Membership revenue is recognised in the period to which it relates. Sales of goods are recognised at the time of sale to the customer.

Other income is recognised when received.

c Expenses

Expenses were recorded in the financial statements on an accruals basis so that expenses are matched against income and recognised in the year to which they relate.

d Inventories

Inventories comprise stocks of cricket balls held for future use and club shirts and hats held for resale. Inventories are valued at the lower of cost and net realisable value.

e Property, plant and equipment

Items of cricket equipment are initially recorded at cost and depreciated over their estimated useful lives.

f Goods and services tax

In a previous financial year the association elected to cancel its registration under the goods and services tax (GST) as its turnover was below the threshold for mandatory registration. After the cancellation of the associations GST registration, revenues, expenses and assets are recognised inclusive of GST where applicable. Prior to cancellation revenues, expenses and assets were recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST was recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Accruals are stated inclusive of GST. There is no outstanding amount of GST recoverable from, or payable to, the ATO.

Special Purpose Independent Audit Report
For the year ended 28 February 2013

To the members of St Ives District Junior Cricket Club Inc.

Scope

We have audited the financial report of St Ives District Junior Cricket Club Inc. being a special purpose financial report comprising the statement of financial performance, statement of financial position, accompanying notes and committee members' declaration for the year ended 28 February 2013 as set out on pages 1 to 9.

The association's committee are responsible for the financial report and they have determined that the accounting policies used and described in Note 1 to the financial report and the accounting disclosures contained therein are appropriate to the needs of the members and the Associations Incorporation Act 1984. We have conducted an independent audit of the financial report in order to express an opinion on it to the members.

The financial report has been prepared for distribution to the members for the purpose of fulfilling the requirements of the Associations Incorporation Act 1984. We disclaim any assumption of responsibility for any reliance on this report or on the financial report prepared as a special purpose financial report to which it relates, to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the association's financial position and the result of its operations.

The audit opinion expressed in this report has been formed on the above basis.

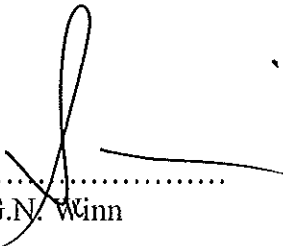

St Ives District Junior Cricket Club Inc.
ABN 67 932 353 904

Special Purpose Independent Audit Report
For the year ended 28 February 2013

Audit Opinion

In our opinion, the financial report of St Ives District Junior Cricket Club Inc. for the year ended 28th February 2013 presents fairly in accordance with the accounting policies described in Note 1 to the financial statements the association's financial position as at 28th February 2013 and the result of its operations for the year ended on that date.
