## PRESIDENT'S REPORT 2017/18

It was once again a privilege to serve as the president of the club in my second term. I was again supported by a motivated and dedicated team of committee members who gave their time and energy to make our club one of the most successful junior cricket clubs in Sydney. The committee was supported by an army of parents who volunteered their time to be umpires, scorers and coaches who made the game day experience a positive one for their sons and daughters.

The season started with one of the biggest changes to the game being introduced through the Cricket Australia Junior Pathways program. The committee worked hard in partnership with Cricket NSW and the North Shore Junior Cricket Association to integrate the changes into the way we play cricket at St Ives into a smooth and efficient way, while giving the players and parents a positive experience.

At the start of the season, the team agreed on four key priority focus areas for the 2017/18 and set out a 3 year strategic framework. In this season the committee focused on,

1. *Participation, Performance and Enjoyment of the game*
2. *Pathway to senior cricket*
3. *Quality coaching*
4. *Healthy revenue*

In each of these areas, the club has made significant progress and some of these objectives of our strategic framework have already been achieved.

In the report below, I have highlighted the key achievements of the 2017/18 season, and the progress the club has made towards these strategic goals.

### Players:

#### i. New CA junior cricket pathways program.

- The Club rolled out the Cricket Australia junior cricket formats for U9, U10 & U11 age groups and provided extensive support for the parents and players to transition into the new formats. Using a multi-channel communication approach (email, Facebook, leaflets, face to face engagement at St Ives shopping centre and at the club open day) the parents were informed in advance of the changes and the choices for their children in the team structure. Additional support was provided to scorers and umpires in partnership with the NSJCA workshops and coach the coach session.

#### ii. New club coaching strategy.

- A sub committee was formed ahead of the season to draft the club coaching strategy and to engage a team of professional coaches to support the various coaching initiatives. We are very grateful for David Ford, Mark McInnes and Daniel Caldwell who ran various age group coaching programs this season. The club's coaching philosophy was to provide tailored coaching offerings for all skill levels & age groups in 2017 while engaging parent coaches to develop their skills through coach the coach sessions and online tools & support. The club also invested in additional coaching equipment (including baseball gloves, fielding equipment, nets, etc) which was distributed in the team kit bags. This season the club invested a total of

# St Ives District Junior Cricket Club Inc

\$54,910 in coaching initiatives which represents a 2.5 fold increase on previous season.

## iii. New development squads for U11-U14 age groups.

- This season, the club conducted skills assessments in the U11-U14 age groups to select players who aspired to perform at a higher level within two development squads. These players were given additional coaching by Daniel Caldwell and the club received very positive feedback on the program.

## iv. Maintain player numbers and engagement.

- The registration numbers were at a similar level to the previous season in most teams apart from In2Cricket which was partially offset by increase in T20 Blast program where we opened an additional centre at Hassell Park. A particular highlight, was the engagement of the U15 teams where we had the highest number of teams at this age group in recent times following a decline in the last few years. The club had a total of 656 registrations and 60 teams from I2C to U15.

## v. Drive uptake of girls cricket.

- The U13 Perry team had a very successful season, with many girls playing their first season of cricket. The club offered a structured coaching program focused at the new indoor facility at the Sydney Cricket Academy run by Daniel Caldwell. The players from the U13 Perry team were invited to the on-field activities at the start of the Women's' Ashes test match at the North Sydney Oval which was a memorable experience for the girls. There were additional open try out sessions for siblings of current players which was supported by Sarah Turner who is a current U17 Cricket Australia player. These initiatives were funded by a Sport NSW grant. On a related note, Gabi Lockyear was appointed as the new girls cricket coordinator. Gabi plans to engage a wider set of stakeholders including local schools, winter sports squads and siblings of current players to increase the number of girls playing cricket at St Ives. There were additional match day experiences for our players at WBBL games with the Sydney Sixers team.

# St Ives District Junior Cricket Club Inc

## People:

### i. Social activities at the club and match-day parental engagement.

The canteen and the bar provided a weekly social event on Friday evening training sessions which was well supported by the parents. An additional benefit of this has been the increased revenue for the club. Takings from the bar and canteen totalled \$12,033 this season which is a 3x fold increase over the previous season. Many teams utilised the club BBQ's to make the game day experience a positive one and create a family friendly atmosphere. The new timing of the end of season presentation day was well supported by parents who enjoyed the bar and additional catering. The club will continue to explore other events next season to increase the community spirit within the parents

### ii. Engaged & high performing committee.

The committee membership was stable with new volunteers joining the team bringing new ideas and experience with them. The specific sub committees took responsibilities for areas of highest importance such as coaching, sponsorship, etc. The club is keen to engage other parents who can contribute to the progress of the club and we are looking for additional volunteers to join the team next season.

### iii. Accredited coaches and long term engagement.

The club continued to offer a refund on the registration fees for anyone who was completing the Cricket Australia Level 1 accreditation. A coach the coach session was run at the start of the season to equip new coaches to learn the basics and set themselves up for the season. Many long term coaches continued in their roles and they will be a focus for next season to engage them as mentors to the new coaches.

### iv. Restructure paid positions to ensure critical areas are supported adequately.

This season the club only had one paid operations manager role and this will be reviewed ahead of the next season. Critical areas such as engaging potential sponsors and securing grants will be assessed for the need for paid positions. Through various efficiencies our spend on administration services was reduced to \$15,528 this season which represent a decrease of

# St Ives District Junior Cricket Club Inc

50% over last season.

## Places:

- i. Overhaul facilities at Hassall Park including a new pitch and triple nets in partnership with Ku-ring-gai Council.

The Club secured a Sports NSW grant and additional funding from Hornsby Ku-ring-gai District Cricket Association and the Ku-ring-gai Council to renovate the pitch at Hassall Park ahead of the 2017/18 season. The club contributed \$20,000 from our own funds to this project and the new pitch was officially opened by MP for Davidson, Jonathan O’Dea. The new pitch provides much needed improvement to the Hassell Park facilities. Additionally, Ku-ring-gai Council has done a provisional feasibility assessment of the double nets with a view to renovating them in the next 2-3 years.

- ii. Access ALL available facilities grants and internal fundraising.

The club has mapped out potential grants opening up this year and is in the process of agreeing a process to secure every available grant that’s applicable to the club in the new season. This season the club secured a total of \$18,700 in grant funding.

## Partnerships:

- i. Establish strategic partnership with Northern Districts CC and Sydney Sixers.

The club agreed a memorandum of understanding (MoU) with the Sydney Sixers which was signed by the CEO of the Sixers at the SCG ahead of the BBL season. A number of match day experiences were secured for players who enjoyed going into the field at key BBL games. Special thank you for Mark Hilton and David Lane who liaised with the Sixers to secure the MoU.

# St Ives District Junior Cricket Club Inc

# St Ives District Junior Cricket Club Inc

The high performance squads were introduced to some of the Northern District CC players to provide tips and mentoring. The U15 players were introduced to the ND's legend and former St Ives club player Matt Johnson who provided useful guidance on senior and Green Shield cricket at the club presentation day. Lachlan Bill, Trystan Kennedy, Deshan Malalage, Will Shortis and Nick Hook were selected to the NDs Green Shield development squad last season.

ii. Maintain close links with Cricket NSW and NSJCA to drive rollout of CA junior cricket format changes and girls cricket.

- St Ives was acknowledged as a model club by Cricket NSW in rolling out the new junior pathways program. The club worked closely with the CNSW implementation team and provided critical input on refinements to scoring and feedback on the uptake of the program. Graeme Thom from the Club Committee designed and developed the new Stage 1 scorer's workshop and resources for the NSJCA and worked closely with Cricket Australia in the development of the new score books and MyCricket scoring app. The club is well represented at the NSJCA executive with myself appointed as the Vice President of NSJCA and David McKay appointed as the head of the dispensation committee.
- The new girls cricket coordinator Gabi Lockyear has already engaged CNSW re new grants and development opportunities for girls cricket.

iii. Maintain close links with St Ives Wahoonga CC to create pathway to senior cricket.

The club continues to maintain close links with the St Ives Wahoonga senior club through regular executive meetings. Opportunities for U15 and U17 players to play in the 5th grade team was identified.

iv. Maintain close partnership with Ku-ring-gai Council and local businesses for funding and sponsorships.

- The club maintained a close professional relationship with the council and has engaged them in the development of facilities at Hassell Park. Engaging local businesses to secure long term sponsorships is a priority for next season. The club is grateful for all our current sponsors, especially Michael Doran at Belle Property. The committee is in the process of finalising a set of

# St Ives District Junior Cricket Club Inc

sponsorship packages and secure >5 sponsors from local businesses by next season.

- The club raised over \$5000 through the Toyota 'Good for Cricket' raffle for a second year in a row. This season a lucky group of players had a unique opportunity to meet Glenn McGrath on the second day of the Ashes Test at the SCG and raise an additional \$1000 through ticket sales and in-field activities during the tea break.

## Promotion:

- i. Drive girls cricket promotion with Cricket NSW & Sydney sixers at local public schools.

As per previous points, the new club girls cricket coordinator is now working towards engaging local schools. A Sixers girls open day is planned for start of next season.

- ii. Deliver match day / on ground entertainment experiences via Sydney Sixers and CNSW.

A number of match day experiences were secured by the club for members including infield activities at the Mens and Womens' Ashes and BBL / WBBL games and free tickets for test, BBL & WBBL games at the SCG. These represent once in a lifetime experiences for the girls and boys who took part in them. Highlights included the Mens Ashes Test (including tea break infield activities, behind the scenes tour of the media centre and meeting Glenn McGrath) and the infield activities for U13 Perry team at the Women's Ashes test at North Sydney Oval.

# St Ives District Junior Cricket Club Inc

### iii. Increase Facebook likes and user generated content.

- The Club Facebook page has been liked by 283 people with relevant content sourced by our operations manager Katherine Stevenson. Many parents have also provided user generated content and photos for the site and many comments have been generated through interactive content.

### iv. Maximize the utilisation of MyCricket, Team Snap and Website.

- TeamSnap was used by the majority of teams to communicate match day logistics, team selections and general team communications. The platform provided a user friendly and efficient communication tool for the club to connect with our members. The website content was regularly updated and has been revamped by Katherine Stevenson fully incorporating the MyCricket platform bringing it inline with other clubs and associations. Additional training sessions on the use of Team Snap was provided at the open day and future training on all e-platforms is planned for the start of next season.

### v. Multi-channel marketing integrating digital and traditional channels.

- The club continued to engage our parents through a variety of face to face channels including open days, registration table at the St Ives shopping centre and word of mouth. These complement the revamped digital platforms which are now aligned to a consistent communication strategy to provide timely information to the players and parents.

The engagement of the parents and players is vital for the progress of the club, and to this end the committee has made efforts to create a family friendly environment at Hassell Park on Friday evenings during U9/U10 training sessions by opening the bar and canteen. The match day experiences have also been enhanced by the provision of BBQs to the teams.

## St Ives District Junior Cricket Club Inc

Parents have been encouraged to play cricket themselves at Hassell Park and at the SCG Marathon cricket. The McKay-Bartlett trophy was played on New Year's Day for the second year in a row between two teams of dads and supporters of the club. Unfortunately, the inaugural mums game was abandoned due to bad weather. A number of games between various St Ives club teams were played which created a carnival atmosphere on the day. Additionally, a St Ives team including a few sons and dads played a charity game of cricket at the SCG while raising funds for the Primary Club of Australia. This truly was a once in a lifetime event for everyone who played. Thank you to David McKay who organised the team.

# St Ives District Junior Cricket Club Inc

It is worth mentioning the performance of the St Ives teams this season in the NSJCA competitions with 2 minor premiers and 3 championships. Congratulations to the following teams.

## **NSJCA Minor Premiers 2017-18**

NSJCA Competition	SIJCC Team
U11 Stage 1	St Ives Bailey
U12 20 Over Div 1 South	St Ives Starc

## **NSJCA CHAMPIONS 2017-18**

NSJCA Competition	SIJCC Team
U11 Stage 1	St Ives Bailey
U12 20 Over Div 1 South	St Ives Starc
U13 32 Over Sun AM	St Ives Starc

## **President's Encouragement Award**

One player from each U10/11 team was nominated by their managers for the President's Encouragement Award. This award is a reflection of the way cricket is played at St Ives Cricket club and is presented to the player who is considered to have displayed the greatest dedication to the game, to the Club, and in developing their skills in the U10 and U11 competition. The following players received the 2017/18 nomination:-

Ewan Stevenson - U10 Warner  
Jonty Katz - U10 Marsh  
Tagen Kane - U10 Smith  
Jack Cook - U10 Lyon  
Tom Hutchinson - U11 Bradman  
Rohan Earl - U11 Boonie  
Ralph Tsui - U11 Benaud  
Archibald Hart - U11 Bailey  
Riley Goldin - U11 Border

This season the award is presented to Riley Goldin. In the award submission it was stated that "It was Riley's 1st season of playing cricket and he had more challenges to overcome than most. Not only did he need to learn the game but Riley had to overcome sensory issues. At the start of the season, he did not want to go on the field. It took half the season before he would start wearing pads. Despite these challenges, Riley's determination and drive was inspirational. He would stay up late practicing throwing at the stumps in his garden - the next game he got 3 run-outs. He practiced his bowling and, despite it being his 1st season,

# St Ives District Junior Cricket Club Inc

ended up with a very credible economy rate of 3.4 runs per over and took 14 wickets (only 1 wicket less than the leading wicket taker in the team). His batting was solid and he was the best fielder. He became a core member and vital part of our team. Riley is a very worthy recipient of the award - not just for his improvement in his skills. And not just for his passion for the game. And also not just for turning up for every practice and listening to the coaches. But if there was ever anyone who truly exceeded everyone's expectations, it would have to be Riley." Congratulations Riley!

I would like to thank the committee for their ongoing support and commitment to the club. My sincere thanks go out to Katherine Stevenson who is an exemplary operations manager who's above and beyond efforts keeps the day to day operations of the club flowing smoothly. The parents of the club who volunteer for various roles in their teams and others who drive their kids every weekend to and from the games and cheer from the sidelines also deserve a special mention.

Our collective efforts have made St Ives Junior Cricket Club one of the most successful and progressive clubs within NSW in addition to being the biggest junior club in the state. The recent parent survey provided the committee with some great insights for us to improve what we do and we are committed to using this insights in our planning for next season. The survey also indicated that the vast majority of our parents will recommend our club to their friends and colleagues with a Net Promoter Score for this season of 48.

Finally, I wanted to recognise the 656 young boys and girls who play cricket for the various teams within St Ives. They continue to demonstrate their sportsmanship and fair play every weekend regardless of the match results. At a time when the game of cricket in Australia is under ever more scrutiny and soul searching we need to continue to instil the spirit of cricket in everything we do at the club so that our young players develop to become role models for the game in Australia.

**Mahesh Malalage**  
**President**  
**St Ives Junior Cricket Club**

# St Ives District Junior Cricket Club Inc

## NSJCA REPRESENTATIVE CRICKET 2017/18

All juniors playing for St Ives Junior Cricket Club are eligible to trial for the representative team in their age group. Our Club had another strong representation in this Season's North Shore Junior Cricket Association representative teams.

DCA Reps: Each year, associations from all parts of Sydney, Newcastle, Wollongong and the ACT enter teams in the NSW Districts Junior Shield representative competitions (DCA).

IDCA (Presidents Cup) Reps: The Inter District Cricket Association (IDCA) runs this rep competition designed to give players with potential the opportunity to play the game at a level between the Association and DCA standard.

### ST IVES JUNIOR REPRESENTATIVE PLAYERS 2017/18:

Congratulations to the following St Ives Junior Cricket Club members that were selected:

Age Group	DCA Rep	IDCA/Presidents Cup Rep	Shadow Player
U10	Lachlan Bartlett, Luke Austin, Myles Kapoor		
U11	Callum Parkinson	Janaka Malalage, Simon Greager, Jack Bray	Oliver Glynn
U12	Elliot Kerr, Dylan Johnson		Krish Tandon, Joel Austin
U13	Lachlan Bill, William Elliot, Luke Hedley, Tristan Kennedy, Charlie Anderson	Kieran Brennan, Ronan Brennan	
U14	Nick Hook, Deshan Malalage, Will Shortis	Dean Chertkow, Jakob Biet	Harrison Davis
U15	Tom Osborne	Henry Pike, Adithya Srivatsan, Nathan Hukins	Blake Forbes
U16	Daniel Hardyman		

The following players achieved major bowling performances in their representative games.

Lachlan Bartlett U10PC 3/10 (Hat trick)

Callum Parkinson U11DCA v Central Coast 5/11

Jack Bray U11PC v NWS 5/20

# St Ives District Junior Cricket Club Inc

## 2017/18 Individual Awards - Perpetual Awards

### *Award Criteria*

Awards are based on performances throughout the normal competition rounds. Semi-Finals and Finals performances are not included for the purpose of determining awards.

Perpetual awards are to be held by registered members of the Club only. Perpetual trophies shall be returned to the Club Registrar immediately a player ceases being a registered member of the Club, or at the end of the following season prior to Presentation Day.

**JOHN WALSH MEMORIAL TROPHY** (Club Champion): Awarded to the player who achieves the highest point score for the season (0.1 point per run scored, 1 points per wicket, catch, stumping, or run-out, 0.5 points per assisted run-out). All age groups are eligible. (Note: This trophy shall be held by a player once only; a player who has won the trophy once and scores the most points in a subsequent season will be acknowledged appropriately by the Club).

**J. MAUNDER CUP:** Presented to the player who scores the most runs in the season. All age groups are eligible. If two or more players score equal runs, the award will be shared.

**CHARLTON CUP:** Presented to the player who takes the most wickets in the season. All age groups are eligible. If two or more players take an equal number of wickets, the award will be shared.

**BARRY GARROD TROPHY:** Presented to the player who achieves the highest batting average in U11 and U12. A minimum aggregate of 200 runs must be scored for U12, and 150 for U11.

**NEIL MARTZ TROPHY:** Presented to the best performing wicket keeper for the season (total of catches and stumpings). All age groups are eligible.

**PRESIDENT'S ENCOURAGEMENT AWARD:** Presented to the player who is considered to have displayed the greatest dedication to the game, to the Club, and in developing their skills in the U10 and U11 competition. The Award is determined by the Club Executive on advice from each of the eligible team manager's recommendations.

**STEVE DANIELS MEMORIAL TROPHY:** Presented to the player judged to be the most promising in the Club, ready to play in the senior competition. It has been traditional to select a player from the Club's most senior teams, and the Committee when making the selection takes into account the player's history and performance over a reasonable period of time. All aspects of the game are considered including batting, bowling, fielding, captaincy, sportsmanship and contribution to the Club.

**JOHNSON FAMILY AWARD:** (sponsored by Northern Districts Cricket Club): Presented to the player judged to be the most promising playing in the U14/15 competition. The Committee, when making the selection takes into account the player's history and performance over a reasonable period of time, including performance in Representative cricket. In addition to a perpetual trophy the recipient receives a scholarship for the Northern District Cricket Academy for the following season.

**STEVEN BIRD GIRLS' CHAMPIONSHIP TROPHY:** Awarded to the female player who achieves the highest point score for the season (1 point per run scored, 10 points per wicket, catch, stumping, or runout, 5 points per assisted runout). All age groups playing Girls' only cricket are eligible.

**AGE GROUP CHAMPIONS:** Awarded to the player who achieves the highest point score for the season in the John Walsh Memorial trophy tradition. Awarded to the player who achieves the highest point score for the season (0.1 point per run scored, 1 points per wicket, catch, stumping, or run-out, 0.5 points per

# St Ives District Junior Cricket Club Inc

## ANNUAL AWARDS CRITERIA (cont.)

assisted run-out). All divisions in that age group are eligible.

**100s, HAT TRICKS and 5 WICKETS IN A GAME:** trophies are awarded to individuals who score 100 runs or take a hat trick or 5 wickets in a game during the season.

**BATTING and BOWLING AWARDS:** are made to the highest aggregate run scorers and wicket takers in each team. These stats are taken from MyCricket. If players are equal on aggregate, the best average is awarded the trophy.

**SPIRIT OF CRICKET AWARDS:** are awarded to the player who has played the game with a sense of passion and willingness to improve. This award is given to a player that does not necessarily have the most wickets runs or catches.

**U9's/U10/U11/Girls PARTICIPATION AWARDS:** Each U9-11 Stage 1 and Girls teams are awarded a participation trophy.

**OTHER AWARDS:** Medallions are awarded to all members of Minor Premiers and Premiership winning teams by NSJCA. The Club also awards Minor Premier caps to each team member of Minor Premier teams (teams finishing on top of the table before the finals begin). The 75 cap was introduced this season. This cap is to commemorate the players that have played 75 games or more with the St Ives.

### INDIVIDUAL STATISTICS BY TEAM 2017/18

Please go to <http://mycricket.cricket.com.au> for your team and individual game and season stats.

# St Ives District Junior Cricket Club Inc

**TEAM REPORTS - a selection from each age group are below:-**

## In2Cricket

This season's Milo In2Cricket at the St Ives Village Green had over 60 registered players, some getting their first taste of cricket outside of their backyard, while others returned for their second year.

The weather was kind to us and the season was, for the most part, unaffected by rain.

Led again by David Ford, the coaching team was exceptional; with many of the coaching team returning for their 2<sup>nd</sup>, 3<sup>rd</sup> or even 4<sup>th</sup> years. There were many positive comments from parents complimenting, in particular, the high level of

coaching, the number of coaches and the enthusiasm of the coaching team. The task of keeping a group of 15 to 20 five- and six-year old kids focussed and having fun for 90 minutes is no mean feat, but the coaches succeeded in doing so every week, while at the same time improving the players' cricketing skills. A big thanks to David and the team!

Players at the same school were kept together in the same team and team selection tried to match friend requests as much as possible. Thanks goes to the parents who volunteered as team managers, although some teams were left without a manager for the season. Parent participation was somewhat better than last year, but volunteers were still difficult to find. Allocating a team per week to take home kit bags worked

# St Ives District Junior Cricket Club Inc

well at the start, but as the season progressed, more and more kit bags remained uncollected – certainly an area for improvement next season.

Player kit packs this season included a hat, shirt, bat, ball and plastic stumps. The players loved the gear and the packs arrived in excellent condition and in good time, even for players who joined at later stages of the season.

Overall, a very successful and enjoyable In2Cricket season.

Kirstie Ogilvy – In2Cricket Coordinator

Craig Johnson – In2Cricket Relieving Coordinator

# St Ives District Junior Cricket Club Inc

## Milo T20 Blast

T20 Blast on Saturday mornings (8am - 9:30am) was a great success in 2017/18, and has gone from strength to strength since it debuted as a Friday night option in 2014/15 before moving to Saturday mornings in 2015/16.

Due to the growing popularity of the T20 Blast format, numbers have increased from approximately 100 to 200 players in the past three seasons, with players from St Ives JCC, Lindfield DCC and West Pymble CC playing at both Hassall Park and Acron Oval in St Ives for the first time this season. T20 Blast is organised by Cricket NSW, and is aligned to the Big Bash, with team shirts and caps in the same colours as the Sydney Sixers, and the mini-fields named after each of the Big Bash venues (eg SCG, MCG, Gabba, etc). *The Cricket NSW coordinators did a great job in setting up the mini fields each week, and organising the music and skills*

*zone. A big thank you to Ben Gentle, Matt Corish and Josh for their efforts during the season.*

Similar to previous seasons, SIJCC organised for two professional coaches from Daniel Caldwell's Sydney Cricket Academy to supplement the coaching provided by Cricket NSW at both Hassall Park and Acron Oval. Thank you to Daniel, Gus, Sam, Sarah for their coaching efforts.

I would like to thank all of the parents  
Coordinators - David McKay, Yoga Yogavaran and Subash Srikantha

# St Ives District Junior Cricket Club Inc

## U9s

### U9 Healy

The Under 9 Healy team started the season with bright eyes, big bats and fast arms keen to take apart their opposition. A combined team of 2 season veterans and new players to the game brought spirit and an eager determination that combined, challenged and pleased the coaching staff.

The boys started off well with a win first up (not that the parents were counting) This game had it all, ranging from direct hit run outs, twirling leg spin, one six and only 2 on field dummy spits. With this success in the bag the team grew in strength with the boys and the parents appreciating the discipline of the Friday night training sessions.

Moving further into the season, skills, team spirit and pride in the blue white and gold was growing rapidly with the team eager to get to training and the games on time. This season, the man of the match trophy was a prized Australian Cricket Team helmet previously owned by Michael Clarke seeing each team member give their all to every game as the coaching staff were adamant that the Man of the Match trophy went to the best player on the day.

Under 9 Healy showed the part of the game we love to see this season, a spirit of fun, enjoyment and willingness to learn and again, with the parents not counting, this lead to a game count of 16 wins and 1 loss.

The commitment to the spirit of the game was reflected with each individual team member receiving specific awards for their contributions at the end of the season, these are listed below;

Aahaan Narang – Strike Bowler Award

Angus Bookallil – Best Team Player & Spirit of Cricket Award

Lachlan Walther – Run Steeler Award

Max Wintzer – Top Scorer Award

Oscar Nelson – Big Bash Award

Tom Anwandter – Double Header Award

Tom Blue – All Rounder Award

On behalf of the boys, we would like to thank and appreciate Terry Parker – Head Coach, Susie Wintzer – Manager and all the mums and dads who gave their time to support the team.

In summary, a great season by a great bunch of cricketing gentlemen who are chomping at the bit to don the blue white and gold for St Ives Junior Cricket Club next season.

Manager - Susie Wintzer

Coach - Terry Parker

### U9 Billings

Despite not coming away with a win this season, the St Ives Billings team displayed great tenacity, composure and excellent sportsmanship each week. The boys always approached each game with a big

# St Ives District Junior Cricket Club Inc

smile and lots of enthusiasm despite often being short of players. The entire team progressed in skill levels as the season went on. Having the parents coach and umpire was beneficial for the boys as it made the game less formal and the kids received assistance from parents/coaches from both teams which is fantastic role modelling. Hopefully the boys will be back again next season.

Manager - Heidi Van Weelderen

## U10s

### U10 Marsh

If our initial goals were to have heaps of fun, and for each player to markedly improve their skills, then we can report a highly successful season for U10 Marsh. Our coach Ashley laid a great foundation, and ensured a remarkable step in each boy's cricketing career. From the first ball bowled, the spirit, friendship and team bonding kept the boys going. Supporting each other no matter what happened, we became a feared outfit in the field, taking great catches and throwing down the stumps repeatedly, especially in the epic semi-final against North Sydney where the boys turned a dire situation into a resounding victory, leaving the opposition shocked. A great season, and we can't wait for September to roll around again.

Spirit of Cricket award: Tristan Eksteen

President's award nomination: Jonty Katz

Jonty is an incredible, talented, determined young cricketer and is always first at training and last to leave (and never wants to leave). He plays the game with all the right attitudes (Positivity, teaming, determination, discipline) and of course a healthy dose of competition. Jonty will work on all aspects of his game every week (at home, at practice and at the games). This is a key attribute important to any coach as I'm sure you know, the right attitude and willingness to learn and practice are the foundations necessary to a great cricketing path.

I really hope you guys can consider Jonty for this award as he truly deserves it." - Ashley

Manager - Idana Katz

Coach - Ashley Eksteen

### U10 Lyon

At the start of the season, boys from the Bush School and St Ives Public met for the first time, some having played cricket before others not. Since then, the boys have developed into one team, making new friendships and learning new skills in the process. After several wins to start the season, they learned that

# St Ives District Junior Cricket Club Inc

cricket is not always about winning, but also about having fun and being with your mates and playing the game in the right spirit.

Apart from classic boundaries, great catches and general enthusiasm in the field, the funny moments of the season will also remain with us for some time: attempted reverse sweeps, calling (or not calling) when running between wickets, playing with a straight bat (what's that?) and the look of some boys when asked if they are wearing their protector.

Many thanks to the mums and dads who helped with the team with special mention to: Paul and Steph (managers extraordinaire), Craig, Justin and Warren (umpiring), Richard (scoring) and Ange (everything else that needed doing). See you next season.

Manager - Ang Psiphon

Coach - James Pomeroy

## **U10 Maxwell**

Well done to the St Ives U10 Maxwell team who showed a positive attitude throughout the 2017/18 cricket season. When it came to batting, it didn't take long for them to get the hang of the quick single and once they did there was no stopping them! They got more daring week on week. The boys enjoyed practising their big bash too with plenty of 4's and 6's.

In the field they were (most importantly for the 8am game) awake! They worked well as a team, with lots of tidy field work and some glorious classic catch moments too.

The boys focused hard on their bowling and this was an area of significant improvement. They were fast and fierce and just loved seeing those wickets fall!

Most importantly the boys showed excellent sportsmanship both to one another and the opposition. They were a wonderful example of a team who celebrated one another's successes and supported each other through the challenging moments. Well done boys.

Manager - Liz Roche

## **U10 Smith**

U10 Smith had a very enjoyable season of cricket. The team came together nicely, very soon into the season. At the beginning they were quiet but before long they were very enthusiastic about teammates' achievements, particularly in the field if they got someone out.

All the parents happily joined in helping the boys to warm up prior to the game, and prior to their turn at batting. We only had one parent who knew how to score, and he reliably did this job all season. It was challenging for him at first, and we wished there were more chances for other parents to learn how to help (ie more scorers workshops). Two of the dads regularly umpired the games, and some of the other dads took turns when needed.

There was a general feeling between parents that we wished the coaching had been better. We know the boys enjoyed Friday nights at Hassell park in 2017, however we did not feel they actually learnt anything.

# St Ives District Junior Cricket Club Inc

We would have liked some much more helpful coaching, as there is so much they could have been taught. By 2018, we opted to train at NTRC and our wonderful parent coach did this on his own. Had he not left work early each week however to be there, we would have had no coaching at all.

Some of us are wondering what happens with the U11 cricket. It might be good if there was some form of grading, as the ungraded team this year was ok, but there were times when it was frustrating for the team.

Overall the boys had fun and I think they will all be back for another season of cricket in 2018-2019.

Manager - Sue Jones  
Coach - Tim Unger

## U11s

### U11 Benaud

Presidents Award Nomination - Ralph Tsui - has a great attitude and is always keen to learn and develop his skills. His batting and bowling improved significantly throughout the season.

Manager - Matt Freeman  
Coach - Steve Bartlett

### U11 Border

Wow, what an amazing season – both for players and parent alike! It was a season in which lasting friendships have been made, on and off the field.

Within the league there was a healthy, competitive camaraderie between the teams, particularly with St Ives Bailey and Lindifield Gilchrist. The boys cheered each other on and off the field, parents shared food and champagne :). Every game was incredibly exciting as the 3 teams were very closely matched.

There was a remarkable improvement in bowling & fielding; by the end of the season the bowling was very tight with very few wides or no-balls conceded. The batting also made good improvement, especially the calling and running between the wickets.

The most pleasing aspect of the season was the improvement in the skills and game awareness as the year progressed. By the end of the season the boys got very good at setting the field themselves and understanding and controlling the game. It was a pleasure to coach such an enthusiastic and committed team.

The President's Award nomination for U11 Border was Riley Goldin. It was Riley's 1st

# St Ives District Junior Cricket Club Inc

season of playing cricket and he had more challenges to overcome than most. Not only did he need to learn the game but Riley had to overcome sensory issues. At the start of the season, he did not want to go on the field. It took half the season before he would start wearing pads.

Despite these challenges, Riley's determination and drive was inspirational. He would stay up late practicing throwing at the stumps in his garden - the next game he got 3 run-outs. He practiced his bowling and, despite it being his 1st season, ended up with a very credible economy rate of 3.4 runs per over and took 14 wickets (only 1 wicket less than the leading wicket taker in the team). His batting was solid and he was the best fielder. He became a core member and vital part of our team.

Riley is a very worthy recipient of the award - not just for his improvement in his skills. And not just for his passion for the game. And also not just for turning up for every practice and listening to the coaches. But if there was ever anyone who truly exceeded everyone's expectations, it would have to be Riley.

U11 Border's nomination for the Spirit of Cricket is Isaac Donlevy. This player was not our strongest batter. He was not our strongest bowler. But Isaac Donlevy is a worthy recipient of this award as he was worked so hard this season to become the most improved player in the team. Isaac was always keen to learn by listening to his coaches and trying whatever he was taught on the field. Isaac was the best example where challenges taught you more than success as he took what he learnt from times he was challenged during games and was keen not to make the same mistake twice which was a strength of his character. He has shown dedication and sportsmanship. He was a valuable contributor on the field and encouraging of his fellow team members. Cricket is a gentleman's game... and Isaac is a true gentleman :)

Manager - Belinda Wood

Coaches - Levers Gunasekera and Neville Abbott

## **U11 Boonie**

U11 Boonie was full of great and promising youngsters that hadn't previously played together. In the first 4 games having 2 good wins and 2 losses, being put into division 2, was a great place for them to be for the season. As the season progressed, the players got to know each other and developed into a strong team. They were able to string 6 wins together in a row and 7 wins in an 8 game stretch.

There were some fantastic performances from many players throughout the season. Myles Kapoor was sensational with the batt scoring quick runs when required with good support from Flynn Garrett and Liam Cohan who all scored over a 100 runs for the season. All players bowled well with special mention to Lachlan Tannous, David Mann and Cooper Levin who were quick with the ball taking important wickets when the pressure was on.

It was a great testament to them as a team that so many of the boys helped contribute to all the wins. Unluckily the team was knocked out in the semi final, after finishing the season in 2nd place. If it wasn't for my poor umpiring decision the team would won.

Presidents Encouragement Award Nomination goes to Rohan Earl. Rohan showed the most improvement throughout the year. He attend all training sessions and showed commitment to the team.

Spirit of Cricket award has been awarded to Cooper Levin. Our nomination for the spirit of Cricket award has to go Cooper Levin. Cooper attended most training sessions and games even when we couldn't play because he had sustained a broken arm over Christmas. Cooper attended the games and cheered on his

# St Ives District Junior Cricket Club Inc

team. He turned up to training just to bowl. The first game back after the cast coming off taking 2 wickets for 6 runs off 3 overs.

Manager - Anthony Tannous

Coach - Ben Gorham

## U11 Bailey

**Presidents Award Nomination** - Archibald Hart - He started the season with much to learn about cricket, and was quite cautious of being involved in the game. He attended every training session, listened well to the coach and practiced on the weekends with his Dad. By the end of the season, his improvement was remarkable and he was a great contributor to the team.

## U12s

### U12 Hussey

The U12 Hussey team regrouped again for a 4<sup>th</sup> year, with 2 new members joining the team, and it was a welcome delight to have Lucy Millet joining what was an all-boys team.

Thanks to Tom for all his patience and encouragement he continues to impasse to all the players. The team had a steady season and only grew in confidence towards the end of the season. By the time the semis came around everyone had regrouped and the excitement of playing on an Astroturf surface in Artarmon was electric to watch. After a cracking semi-final

performance we made it to the Cup Division Finals in which the boys displayed great poise & managed a win against North Sydney Gold, who we had previously not

# St Ives District Junior Cricket Club Inc

beaten during the season.

The late afternoon match time made a change to our regular coffee runs while watching the game, so it was more of an icy pole season.

Thanks to fabulous parents who scored, umpired and cheered from the sidelines, all very important roles – but of course none of it would be possible without our phenomenal Coach Tom !

## **U12 Perry**

The boys of Under 12 Perry approached the season with strong unity of purpose – aiming to have fun with friends, improve their skills throughout the season and with the belief that more runs, more wickets, more catches and runouts would equal more fun! On this basis our season was a great success.

The team comprised of Henry Anderson, Simon Greager, Kurt Heal, Leo Junius, Ben Katz, Zac Larratt, Jasper Melville, Rian Mistry, Josh Payne, Micah Phillips, Wil Stuckings and Hunter Tannous. The boys brought a broad range of cricket experiences and skills to the first training session way back in mid –September – but they shared one thing in common – a love of cricket. The most pleasing aspect of the season was the improvement in everyone’s batting, bowling and fielding as the season progressed.

Coach Andrew provided the boys with excellent guidance and support, sharing his knowledge and passion for cricket with them. Our training drills were always well structured and on game day the match plan was simple: when batting – more singles than the opposition, play straight and turn over the strike; when bowling – bowl full at the stumps, more dot balls than the opposition (in the words the boys often repeated – nothing short, nothing wide, nothing down leg side!)

The boys were always enthusiastic and supportive of each other, freely offering constructive advice and encouragement. They played competitively, celebrating success and appealing with passion, but importantly they also played with fairness and a friendly spirit. And the best part of all was that in their own way, all 12 players contributed to the team during the season. Highlights included some amazing catches and excellent direct hit runouts.

Another highlight of the season was a thrilling Round 15 clash with North Sydney Black. Chasing 6/173 the boys were in a good position at 2/96 with two retirees with 16 overs to go but after a batting collapse left us with 63 runs to get with one wicket in hand some thought the game was lost. However, Micah and Hunter worked the ball around for the last 12 overs and needed 3 of the last ball to win. While a runout when going back for the second resulted in defeat by one run the atmosphere at the ground was electric. Congratulations to Hunter who finished on 67\*, the only half century of our season.

The season was a success for many reasons – a key one being the team spirit fostered by the high level of interest and involvement of all the parents. There were always parents around to help out at the games, especially manning the team BBQ each week! Thanks to everyone for their help and good spirits throughout the year. It’s been a pleasure to be associated with the team and everyone should be proud of their achievements. See you next season!

Mick Stuckings – Manager  
Andrew Larratt – Coach

# St Ives District Junior Cricket Club Inc

## U12 Smith

U12 Smith's season resembled closely that of the Sydney Sixers in the Big Bash, which lost every game for most of the season, before storming home to be the form team going into the finals.

The boys had a character building start to the season, and didn't record their first win until Round 13 in February. The boys then had their second win in Round 16, defeating the Mosman team which then went on to win the competition, before closing out the season with a win in the Plate Final.

U12 Smith consisted of boys from last season's U11 Smith, boosted by the strong influx of new players. Right from the start, the boys did a great job in making new friends, and before long, a terrific team spirit existed amongst the players.

The team consisted of Charlie McKay, Sam Wald, Kunal Joshi, Tim Plunkett, Marcus Walsh, James Barclay, Joe Kerdic, Max Woodhouse, Jonathan Li, Tom O'Carroll, Hunter Wilson and Ishaan Thakur. During the season, Andrew Bartlett, Oscar Rocks, Michael Mason and Tommy Schell also played for the team.

The team was strongly supported by the parents, who shared the various responsibilities in umpiring, coaching, scoring and BBQ duties.

During the season the boys' skills in batting and bowling skills developed, and their fielding team work improved remarkably. The weekly training sessions at Karuah Oval on Thursday evenings were a lot of fun, especially the centre wicket games which followed the net session.

In addition to the cricket, the team and their families enjoyed an early season team dinner at Base and Burger in Turramurra, and had several team BBQs, which included the obligatory parents versus kids cricket games.

# St Ives District Junior Cricket Club Inc

The team had some stand out performances, including Charlie McKay's 52 runs against Mosman Waugh in Round 6, Tim Plunkett's 51 runs against Mosman Gilchrist in Round 7, and James Barclay's 3-23 against North Sydney Gold in Round 14.

Tim Plunkett, was rewarded for his exceptional and consistent batting efforts in being the leading run scorer for the competition, scoring 317 runs at 52.8. Congratulations Tim.

Charlie McKay and James Barclay were the top wicket takers for the team, taking 7 wickets each.

I would like to thank Tom Wald, who was tireless in his encouragement of the boys at training and on game days. The improvement in the boys' skills was testament to Tom's efforts. I would also like to Luke Woodhouse in introducing the online scoring app to the team, and Rahul Joshi, Richard Kerdic, Emma Kerdic and Steve Bartlett for their scoring efforts using the traditional scorebook in the event the scoring app didn't work (which happened a number of times).

At the end of the season, Kunal Joshi was rewarded for this enthusiasm and skills in being selected in the NSJCA U12 rep team for next season. Unbeknown to Kunal, he had played in U12s this season when he was eligible to play U11s. Congratulations Kunal in making the NSJCA rep team.

Overall, season 2017/18 was a lot of fun, and the boys played an exciting brand of cricket whilst always playing in the true spirit of junior cricket. Thanks to everyone who made the season so much fun,

Manager - David McKay

## U12 Haddin

While we had a number of players from last year remain in 32 over cricket, for the majority it year was a return to T20 cricket for U12 Haddin. While it took a little while to get used to the pace of new format, we won our share of games (with more than a couple of nail biters) and were competitive against every team in the competition. The boys following a summer of beach cricket and watching big bash had a great run towards the tail end of the season finishing as runners up against U12 Clarke in a very close Division 1 Cup

Grand Final at Kent Oval. The highlight of this season is we truly saw every player stand up and perform substantially stronger than in any other season.

The performances of the team also saw Lochlan "Stevo" Stevenson win not only our team batting award but also the NSJCA U12 T20 batting award and was the St Ives T20 U12 Age Champion. He also picked up the perpetual Maunder Cup - T20 for most runs scored in the season. Oliver "Frenchie" French took our team bowling award and won the perpetual Charlton Cup for most Wickets in T20. Dilan

"Hilto" Hilton won our Spirit of Cricket award with 249 runs for the season up from 89 last year.

# St Ives District Junior Cricket Club Inc

Most importantly as mentioned above all the boys did amazingly well...

- Oscar Harvey - Opening Batsman with a killer medium pace bowling action. Oscar smashed two 6's and seven 4's in the season with a high score of 15 Best Bowling 2/14
- Tom Cheadle - Great opening batsman/keeper who is aggressive in running between the wickets and a safe pair of hands behind the stumps. Tom bashed out twelve 4's with a top score of 17 during the season. Best bowling of 1/9
- Thomas Hunziker - Haddin's opening bowler whose variations keep the batsman guessing. Thomas worked away six 4's to the boundary with a top score of 11. Best bowling of 1/10
- Lachlan Watts - One of the quickest bowlers in the division who can swing the ball scaring any batsman into a mistake. Watto hammered out six 4's and a massive 6 during the season with a top score of 11. Best bowling of 1/6
- Ned Pearce - Ned is a specialist middle order batsman/keeper who had an amazing 7 runouts! Ned knocked out twelve 4's for a top score of 32\*. Best Bowling of 2/19
- Noah Stanwell - Mighty left handed opening batsman with the best pull shot and most economic spin action in the team. Noah hit twelve 4's over the season mainly down leg gully for a top score of 24. Best bowling 1/8
- Calan Englebrecth - A dependable batting anchor that formed many great partnerships and led from the front. Cal was injured for much of the season but still turned up to games to spur the boys on! Top score of 10 and with one 4 during the season. Best bowling of 1/7
- Dilan Hilton - Middle order left hand batsman/Keeper with a dangerous spin attack. Hilto smashed twenty eight 4's across all around the park with a top score of 35\* in the season. Best bowling of 2/7
- Oliver French - Towering all rounder who can swing the ball from outside leg to top of off. Frenchie smashed out a 6 and twenty eight 4's with a top score of 39\*. Best bowling of 3/1 and was the top wicket taker for the team
- Lochlan Stevenson - Stevo destroyed the division hitting sixty seven 4's and a 6 with a top score of 40\* in the season making him the teams top batsman. Quick hands behind the stumps and the field also made Stevo our top fielder. Best bowling of 2/5

Special mention also to our super subs Angus "Gussy" Till and Ewan "Lil Stevo" Stevenson for backing us up through our injuries!

Lastly, it goes without saying that Kath and Mark could not survive week in and week out without the help

and dedication of the army of Scorers, Umpires, Cooks, Taste Testers that are the team U12 Haddin families

# St Ives District Junior Cricket Club Inc

and friends. The cricket was great but the community was outstanding!

"Haddin, Haddin, is the best, always wins against the rest!"

Cheers

Mark "Hilto" Hilton and Katherine "Stevo" Stevenson

## U12 Marsh

Backing up from the previous season with the addition of a couple of new teammates, the boys had a marvellous season again in the 3.30pm T20 competition, stepping up this time to the ultra-competitive Division 1. The team of Jack Woodall (Cpt), Neil Rana (VC), Andrew Forster, Jack Bray, Mark Rouse, Jeremy Goldman, Matt Sentonaris, Jake Harkin, Juan De Lange, Sol Dewhurst and Alex Perry with a cameo from Noah Workman deservedly earned the nickname "The Chasers" as their preferred method of playing was to chase down most totals set.

The boisterous bunch from Barker with their unique brand of encouragement and one-liners ensured both players and spectators were entertained week in and week out. Whether "sending bails to Wales", firing in "Yorkers to make them Walkers" or enjoying some "BBQ Duck" led by our irrepressible Captain, Jack W, had spectators and coaching staff in regular mirth most matches.

Unfortunately, we narrowly missed the semi-finals finishing 5<sup>th</sup> and having won our first play-off game the boys got busy preparing for our grand final match against one of the other St Ives teams (Haddin) for the Cup Division award. A fantastic game with a very closely contested run score, which Marsh held on to win. Congratulations boys.

Stand out moments for the season was the brutal striking by Mark (202 runs, averaging 50.5 with a number of memorable 6's), closely matched by Alex, Jack B, Jeremy, Sol, Jake and Matt and very ably supported by the stroke makers - Jack W, Juan, Neil and Andrew. Bowling honours went to Juan (9 wickets) and Andrew (8 wickets) with their looping style of deliveries mesmerising 17 batsmen between them. Fielding saw Jack B (7 catches with 2 unassisted and 3 assisted run outs), followed by Jake (6 catches and an assisted run out), Juan (4 catches and an assisted run out) and Alex (4 catches) with the most dismissals. A special acknowledgment also to Jack B who was selected to play representative cricket this season – congratulations from all of us on the great achievement.

Of course none of the season's entertainment would have occurred without the support and assistance of the parents and their duties – Taxi/Uber service, Umpiring, Scoring and our very social BBQ and nibbles.

A very special acknowledgment and thank you to Narelle B for her dedicated and tireless work in Team Management – a multi-faceted role from Game Scheduling, Rosters for all Duties, Team Communication, Rules Aficionado to resident Nail Biter. On behalf of all the parents and players thank you Narelle.

We all wish the boys luck in their final game this coming weekend.

In regards to our "Spirit of the Game" award, it was a very tough decision we had two in the running for their overall contributions to the team in all facets of the game – Jake Harkin and Jack Bray. The preference

# St Ives District Junior Cricket Club Inc

was for a dual award, however we do understand that this was not possible.

Both boys have great cricketing brains and both actually talk to the coach regularly about the game and not telling him how to do things. They are willing to take instruction about the finer points and both spent time with Peter on the sideline last Saturday when they were off the field. One or two others did too but not much talk about the game, where both Jake and Jack asked questions, listened to what Peter had to say and commented about field placings, bowling and batting.

Both have matured nicely this year – Jack has definitely looked a different cricketer following his rep season – more confident and backs his ability, Jake is also a great student of the game and while he may be dismissed for a low score, he bounces back straight away to concentrate on the rest of the job for the match. When both are in the zone – they are very hard to split.

A tough decision, however we have chosen the Spirit of Cricket award should go to Jake Harkin. It was pretty close but thought Jake, as the youngest in the team, espoused the necessary qualities to just shade him over Jack.

Jake Harkin is awarded the “Spirit of the Game”.

Game Manager - Peter F

Manager - Narelle Bray

## **U12 Hughes**

Finished 4th in the ladder and played very well in the final 2 games of the season against the overall winners Lindfield Ponting. The story of the season from a statistics point of view was the team could certainly bat achieving the 3rd highest runs 1703 ( 300 more runs than 4th placed team). However, we were unable to hold onto our wickets at key points in the game as we lost the 2nd highest number of wickets (93) and we gave away the highest number of runs (1950) in the division. However, the statistics do not show the human element of the game. The players played as mates and there was a strong cohesion within the players, coach, manager and families each week which was a pleasure to be apart with.

The main part of the Hughes team had been playing together for 3 or 4 years but a number of players had left last year to play a different format of cricket or play for private schools. The ability of the new team as a whole was quite varied but everyone tried their best and the U12 Hughes played as a team throughout the season. They also played with maturity and acknowledged both defeat and winning professionally after each game.

Thank you to the St Ives Junior Cricket Club for all their hard work during the season.

Steve Hartley & Ashley Eksteen

## **U13s**

### **U13 Girls Perry**

The only girls team for St Ives. All of our girls were new to cricket this season. There was some apprehension during the first overs bowled. The scorers ran out of boxes to tick for “No balls” bowled. With the help of Daniel Caldwell and Kevyn Lockyer there were maidens and wickets emerging. Each girl showed enormous improvement. With shirts tucked in, they even resembled the Australian Women’s Team at one

# St Ives District Junior Cricket Club Inc

point! Our girls received Australian cricket hats from their on field appearance at North Sydney Oval with the Australian Women's Team. Always with smiles on faces the girls had a fabulous season and I am sure will return in the 18/19 season.

Manager - Karen Windybank

Coach - Kevyn Lockyer

## U13 Cummins

U13 Cummins had a really enjoyable season - working as a team right up until the last ball of every match. The season saw some great wickets, amazing catches, and smashing boundaries. There may have been a few dropped catches (but who's counting).

Their bowling improved greatly throughout the season and hopefully with a few more runs next season they will be fighting for the top spots. The last game really showed U13 Cummins true spirit of cricket. With opposition needing only a few runs and plenty of overs in hand the boys tried to conjure up something out of nothing by having all fielders behind the stumps in slip position from 1 to 9. This was of course in the pouring rain, where the bowlers had no hope of controlling the ball. Although they did not win they finished the season with best synchronised fielding dive since the Rio Olympics.

Manager/Coach - David Helman

## U14

U14 Lyon

The best way to sum up this season is team spirit. This has been a wonderful season with a fantastic group

of boys that just love to play the game. Whilst game wins did not come our way we all had our wins through the season. Whether it be a top score with the bat, taking a screamer of a catch or bowling that perfect line and length for a whole spell. I believe all the boys had an enjoyable time playing the game and hanging out together talking constantly, and making mates for life. As a coach/co-coach of this group over 5 seasons it has been a pleasure to watch them mature into the men they are becoming. They will carry the lessons of the season with them through life knowing that winning is not the

# St Ives District Junior Cricket Club Inc

be all and end all. It is the journey that is had along the way and the people you share that journey with that count.

Through the season we had the players select their player of the day. These selections were tallied up to give the Players Player at the end of the season. Whilst all players received points during the season it was Dan Hoare that came out on top with consistent performances each week. I also need to comment on Dan's stunning catch on the boundary at deep square leg. I'd pay to see that! For our Spirit of Cricket Award we used data gathered from the umpires and consultation between the coaches to select Jamie Ashton as a very worthy winner of this award. Jamie has been a valuable member of this team for several years, he has been one of the most consistent players in the team with a quiet determination to do his absolute best in any situation. Happy to open the batting or come in at the tail, taking the gloves at keeper or bowling his slinky left arm medium pacers his attitude is the embodiment of the Spirit of Cricket. Congratulations Jamie on another great season. Our Batting and Bowling awards went to Rex Pearce and Matt Reeves. Both these players had good seasons and made valuable contributions.

I would like to congratulate Hugh Arundel and Rex Pearce who where both awarded their 75 game baggy caps. This is a fantastic achievement in recognition of commitment to St Ives Junior Cricket Club.

This team is not just about the fantastic boys that play, it is also about the parents that each

week volunteer time and effort to run the game. From umpiring, scoring, cooking the BBQ (David Rosser), bringing the sausages and just being there to support. It is a truly a team effort creating an environment for your boys to flourish. Thank you all for your efforts. A special thank you to my co-coach Will Pearce who took the reigns in my absence and secured our only win. And of course our organizer in chief Kirsty Pearce for being the manager.

Throughout the season, opposition coaches and umpires would compliment us on our approach and the spirit in which the boys played the game. This made me very proud as a coach and a parent. Well done to you all on a wonderful season played in the true Spirit of Cricket. Good luck for the winter and I look forward to seeing you back in 2018/19.

# St Ives District Junior Cricket Club Inc

*Spirit of Cricket*

*"Respect for the opposition, Respect for your own captain and team, Respect for the role of the umpires, and Respect for the Game."*

*MCC Laws of Cricket*

Coach - Andrew Stevenson/Will Pearce

Manager - Kirsty Pearce

## **U13/14 Smith**

2017/18 was an excellent season of cricket for this great group of boys. Although some of the boys played together for different St Ives teams over the years, we started the season as a newly formed group of players.

It was clear from the one-sided nature of some of the initial results that there was a skills/age gap in the 15 teams making up the U13/14 T20 competition, and, seven games into the season, the competition was divided into Division 1 (6 teams) and Division 2 (9 teams).

St Ives Smith competed in Division 1 and after winning 14 of the 16 season games, ended the season in second place on the ladder, 3 points behind table leaders and Minor Premiers, North Sydney.

St Ives Smith showed true grit to get past a hard-hitting Lindfield Marsh team in the Championship semi-final, and were unfortunate not to bring home the shield, falling short by 4 runs to North Sydney in a thrilling Championship Final. In the words of the North Sydney coach, "the Final at Tunks Park was a great battle between the best batting side (North Sydney) and best bowling side (St Ives Smith) in the U13/14 Division 1 T20 competition".

The boys are to be congratulated for their great performance throughout the season; on several occasions, opposition coaches and managers commented on how well St Ives Smith played and, just as importantly, on the team's positive attitude on the field. It was sometimes hard not to laugh at the good-natured chirping of the boys during a game! Having said that, one of the most noticeable thing about the boys was their composure when things got to the pointy end of a tight innings. Five of the season's games were won in the final few balls of the last over....and each time, it was a different pairing of players who were faced with the task of getting the team over the line. Truly, every one of the boys played a role in making the season so successful.

The team's greatest strength was definitely their bowling, which often resulted in a smaller number of runs

# St Ives District Junior Cricket Club Inc

to chase down. Our batting was consistent for most of the season, but the most rewarding aspect of the season was the fact the boys played for each other every week and supported their teammates through the highs and lows of cricket – this is what team sports is all about and made coaching this team an absolute pleasure. Well done to all the boys in the U14 St Ives Smith team: Kieran Brennan (w/k), Ronan Brennan, Leo Greyling, Max Guilday, Alex Guilday (w/k), Lachlan Hammersley, Deshan Malalage (c), Liam Maloney, George Riley, Oliver Sved.

A big thank you to all the parents. Our regular roster meant we had 3 scorers (Michael Guilday, John Maloney, Paul Sved), and three qualified umpires (David Brennan, Michael Hammersley, Mahesh Malalage). The week-in, week-out support for the boys from parents on the sidelines really helped to cultivate the strong team spirit.

It was a pleasure to help coach and manage the St Ives Smith U13/14 T20 team. We hope the boys enjoyed the 2017/2018 cricket season, and look forward to seeing them back next year.

Coach: Eben Greyling

Manager: David Brennan

## **U13/14 Hazlewood**

From not looking like fielding a team, U13/14 Hazlewood came together just in time to begin Season 17/18 with dreams of cricket glory.

It was a tough season on the field, but the boys showed great character throughout. We got off to a good start with 5 wins and a draw from the first 7 games, resulting in us being put into the top division of the U13/14 competition. From there, wins proved hard to come by in a very strong division, often against teams fielding a full U14 team liberally littered with rep players, and with super serious coaches.

There were some fantastic team performances resulting in some narrow losses, but true to the character of all the boys, this did not deter them from turning up to training and training hard, constantly improving themselves.

Training sessions run by Ben Gorham were a highlight, and on the field we were pleased to see Hutto come in with Kapoor at 7 for tiddlywinks, and batting out the innings for a win; Lourens the Younger taking the wicket of the fearsome Malalage; the swashbuckling combination of Phillips and Johnson the Elder; Marsden's bamboozling spinners; Nel flicking the ball in from the outfield; Watson's all-round class; Johnson the Younger's yellow helmet dashing between the wickets; the Lourens the Elder's constant positive good sportsmanship; and Botha taking two wickets against the powerhouse North Sydney, and anchoring many an innings whilst all around him crumbled.

With two sets of brothers, and a six-pack of South Africans, there was plenty of friendly rivalry and banter. As parents, it was delightful to see the less confident players being encouraged and supported by the team.

With most of the boys still able to play in the U13/14 competition next year it is a strong base to build a team to challenge the best teams next season.

I would like to thank Amy and Joel Marsden for managing the team and coaching in my absence on game days, all the parents for giving up their time to watch and support the boys each week, and the ever-reliable

# St Ives District Junior Cricket Club Inc

Johnsons who did more than their fair share of scoring, much to everyone's relief.

U13/14 Hazlewood capped off the season with the Cup, and a BBQ replete with South African goodies and good old-fashioned fun.

Coach - Ben Gorham

Manager - Amy Marsden

## U15s

### U15 Smith

Spirit of Cricket for U15 Smith is Johnny Fourie.

We would give the award to him for his enthusiasm and energy on the field alone. In addition he is the player who can re-energise the team when needed with encouragement and example. Johnny has proven a good all-rounder with the courage to open the batting as well as taking wickets with either pace or spin bowling. It is his fielding which is his outstanding contribution with catches, chasing down the ball and stopping runs each and every game.

Never down, always looking for the next opportunity. He has been the spirit of our team.

Coach - Richard Inman

Manager - Chris Tornow

### U15 Ponting

It was another season of very enjoyable cricket with the boys. We were very lucky to have 13 players returning from the previous season (Ben Worthington, Harrison Lucas, Deshan Malalage, Daniel Ghougassian, Jay Tunncliffe, Kyle Scholtz, Ben Bukofzer, Ewan Davies, Chris Hemsley, Toby McGarity, Keiran Hutton, Luke Pavlich and Charlie Scholefield) joined by two new players (Trystan Kennedy and Jakob Biet). The squad was extended to include a few brothers (Janaka Malalage, Ryan Hutton and Ben Tunncliffe) and other players (Will Irish, Matt Reeves and Blake Forbes) who filled in when we needed extra players. We also moved up a division as the U15 competition was at a higher level than last season when the boys won the U14 Div 2 championship. Due to injuries, rep cricket and other commitments, the team makeup was inconsistent from game to game which resulted in mixed performances in the field. We won 5 matches, drew one and lost 9.

Our panel of official umpires (David Hemsley, Hein Scholtz, Rob McGarity) did an exemplary job of keeping the games flowing and the infield behaviour at the highest standard. The boys respected their instructions and the games were played in the right spirit regardless of the result.

I wanted to say a special thank you to our team manager Rob McGarity, who worked hard to organise the boys and parents every weekend. In addition, I would like to thank the dedicated group of parents who shared the scoring duties, ferried the boys to and from the games every weekend and supported from the boundary line.

# St Ives District Junior Cricket Club Inc

Finally, I want to recognise the boys for playing within the spirit of cricket and at the highest standard in the field. They continue to improve their skills and perform to the best of their ability. Some of the boys have played together since In2Cricket and have formed a strong bond of friendship which has extended to events outside of the game. This made the gameday experience and coaching the team an absolute pleasure.

**Mahesh Malalage - Coach**

<p><b>President Thanks and Welcome</b></p> <ul style="list-style-type: none"> <li>Welcome Peter to the meeting and thanks for his audit</li> <li>Another successful year for the club</li> </ul>	
<p><b>Confirmation of 3<sup>rd</sup> March 2016 AGM Minutes:</b></p> <ul style="list-style-type: none"> <li>Adele Brennan moved and MC seconded the 3rd March 2016 AGM minutes to be a true and correct record of the meeting</li> </ul>	
<p><b>President's Report:</b></p> <ul style="list-style-type: none"> <li>660 registrations with same number of teams as last year</li> <li>9 minor premierships out of possible 30</li> <li>The club focus is to provide cricket choices and a clear pathway to senior cricket</li> <li>2017/18 is an opportunity to increase participation and encourage more girls to play cricket</li> <li>The skills assessment will be repeated this year, and has been used as a benchmark in other clubs.</li> <li>Digital age in SIJCC has become more aligned with the use of MyCricket, TeamSnap and FB</li> <li>Sponsorship and grants have enabled the HP centre wicket a reality for next season. Triple nets will be the next target.</li> </ul>	
<p><b>Treasurer's Report:</b></p> <ul style="list-style-type: none"> <li>Small profit from 2017 season. \$80K in bank. Separate account should be set up for Triple Nets. Bank signatories will be MC, WC, DMcK and MC.</li> <li>Year end change of date to be investigate. Move to 31<sup>st</sup> March to give more time to get all fund and invoices in place for the whole season.</li> </ul>	<p><b>MC</b></p> <p><b>MC</b></p>

# St Ives District Junior Cricket Club Inc

- Appointment of William Cheadle as the Treasurer, Secretary and Public Officer, replacing Matthew Cole. Matthew Cole is authorised to lodge the 2016/17 NSW Fair Trading form and the 31 March 2017 BAS return.
- William Cheadle will have the authority to act on behalf of SIJCC in any correspondence with the ATO.
- Authorisation of new signatories for bank accounts: the motion that we appoint, in addition to the current signatories (Matthew Cole and David McKay)
  
- William Cheadle of 94 Bobbin Head Rd, Turramurra NSW 2074 and Mahesh Malalage of 6 Shannon Street, St Ives, NSW 2075 as signatories to the St Ives Junior Cricket Club bank accounts:
  - St George bank account – 043 417 244
  - St George bank account – 432 677 939
  - St George bank account – 473 094 449
  
- Method of operation: ANY two of the registered four signatories.  
Level of access: full (including phone, internet and cheque-book banking)

## Auditor's Report:

- Similar registration numbers to last year. Sponsorship and grants a huge benefit to the bottom line. Enables the club to grow and fulfil projects. The club is in a strong, stable position.
- The GST is now sitting well. Registrations have taken the GST absorption with little issue.
- 15 years of association with the club. It has been very rewarding.
- Matt Cole has provided great books over the years. Peter looks forward to the continued association with SIJCC and the new treasurer – Will Cheadle.

*The statement of financial position is to be read in conjunction with the notes to and forming part of the financial statements set out of pages 3 to 8.*

**Notes to and forming part of the financial statements**  
**For the year ended 28 February 2018**

**1 Statement of significant accounting policies**

The significant policies which have been adopted in the preparation of this financial report are:

**a Basis of preparation**

The association is a non-reporting entity and the financial report is a special purpose financial report prepared for the committee members and members of the St Ives District Junior Cricket Club Inc. for the purpose of fulfilling the financial reporting requirements of the Associations Incorporation Act 1984. The Financial Statements comply with those Accounting Standards and UIG Consensus Views (if any) deemed necessary by the committee in the circumstances to meet the objectives of the special purpose financial report including:

AASB 101 Presentation of Financial Statements  
AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors  
AASB 110 Events after Balance Date  
AASB 124 Related Party Disclosures  
AASB 1031 Materiality  
AASB 1048 Interpretation and Application of Standards

They have been prepared from historical cost records and do not take into account changing money values or, except where stated, current valuations of non-current assets. The accounting policies have been consistently applied unless otherwise stated.

It has been determined that it is unnecessary to include a Statement of Cash Flows to meet the objectives of the special purpose financial report.

Notes to and forming part of the financial statements (continued)  
For the year ended 28 February 2018

**b Revenue recognition**

Membership revenue is recognised in the period to which it relates. Sales of goods are recognised at the time of sale to the customer.

Other income is recognised when received.

**c Expenses**

Expenses were recorded in the financial statements on an accruals basis so that expenses are matched against income and recognised in the year to which they relate.

**d Inventories**

Inventories comprise stocks of cricket balls held for future use and club merchandise held for resale. Inventories are valued at the lower of cost and net realisable value.

**e Property, plant and equipment**

Items of cricket equipment are initially recorded at cost and depreciated over their estimated useful lives.

**f Goods and services tax**

Expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Accruals are stated inclusive of GST.

**Committee members' declaration**  
**For the year ended 28 February 2018**

In the opinion of the Committee of St Ives District Junior Cricket Club Inc.:

- a the financial statements and notes, set out on pages 1 to 8, are in accordance with the basis set out in Note 1 to give a true and fair view of the financial position of the association as at 28 February 2018 and of its performance as represented by the results of its operations for the year ended on that date; and
- b there are reasonable grounds to believe that the association will be able to pay its debts as and when they become due and payable.

Dated at Sydney the      day of      2018.

Signed on behalf of the committee:

**Special Purpose Independent Audit Report**  
**For the year ended 28 February 2018**

To the members of St Ives District Junior Cricket Club Inc.

*Scope*

We have audited the financial report of St Ives District Junior Cricket Club Inc. being a special purpose financial report comprising the statement of financial performance, statement of financial position, accompanying notes and committee members' declaration for the year ended 28 February 2018 as set out on pages 1 to 9.

The association's committee are responsible for the financial report and they have determined that the accounting policies used and described in Note 1 to the financial report and the accounting disclosures contained therein are appropriate to the needs of the members and the Associations Incorporation Act 1984. We have conducted an independent audit of the financial report in order to express an opinion on it to the members.

The financial report has been prepared for distribution to the members for the purpose of fulfilling the requirements of the Associations Incorporation Act 1984. We disclaim any assumption of responsibility for any reliance on this report or on the financial report prepared as a special purpose financial report to which it relates, to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the association's financial position and the result of its operations.

The audit opinion expressed in this report has been formed on the above basis.

**St Ives District Junior Cricket Club Inc.**  
**ABN 67 932 353 904**

**Special Purpose Independent Audit Report**  
**For the year ended 28 February 2018**

***Audit Opinion***

In our opinion, the financial report of St Ives District Junior Cricket Club Inc. for the year ended 28 February 2018 presents fairly in accordance with the accounting policies described in Note 1 to the financial statements the association's financial position as at 28 February 2018 and the result of its operations for the year ended on that date.
