St Ives District Junior Cricket Club Inc

PRESIDENT'S REPORT 2018-19 SEASON

The 2018-19 season was another successful season for the club and one that was made possible by the amazing efforts of the committee, the parents and our players.

It was also a season of change both at the administrative level where further changes were introduced by Cricket Australia to the junior pathways program and more importantly in the way we play the game following the reviews & reflections post the 2018 ball tampering scandal. The club continued to make progress with our strategic framework, achieving many of the planned milestones. On a personal level, the season was one of pride (of our continued progress) and of deeper connection (to the players, parents and the way we play our game at the club) which made my third year as the president of the club, a very satisfying and rewarding experience.

The season started with our annual open day where we were joined by the Sydney Sixers and their cricket carnival at Hassel Park in September 2018. We also welcomed our new platinum sponsors Godwin Ip from Mitchell Asset Management and Tal Eloss from One Group Property Advisory.

The games of the NSJCA competition started in October 2018 and continued until the finals in March 2019. In December, we raised money for underprivileged children through the Cricket Kindness Charity round. The parents and committee took some time out at the club social event in early March to celebrate the season and raise much needed funds for the club.

The season finale was the annual presentation day which was held on the 7th of April 2019 where we celebrated the many achievements of our talented players and enjoyed the company of the broader community of parents, grandparents, sponsors, past players & office bearers and our patron Chris Green.

On a personal level, I thoroughly enjoyed the time spent with our players and parents throughout the season whether it was chatting with parents at the Friday U9/U10 training sessions or watching the progress of our Master Blast players on Saturday mornings or umpiring my own son's U13 games on a Saturday or presenting awards for the select few players who played their 100th games for the club this season. These experiences reminded me of the great club we have built at St Ives and why we should make sure we continue to foster that community spirit within the club during this time of change.

In the report below, I have highlighted the key achievements of the 2018-19 season and the progress the club has made towards our strategic goals below.

1. Participation, performance and enjoyment of the game
2. Pathway to senior cricket

St Ives District Junior Cricket Club Inc

3. Quality coaching
4. Healthy revenue

Players:

i. Cricket Australia junior cricket pathways program

This season, Woolworths was selected as the new sponsors of the In2Cricket and T20 Blast programs which were re-named as Junior Blast and Master Blast. SIJCC continued to offer a Saturday morning offering for players aged 5-8, through the Junior Blast program structure and two programs on Saturday mornings at Hassel Park and at Acron Oval (in partnership with Lindfield CC) through the Master Blast program. Further changes were introduced to the stage 1-3 programs for U9 to U17 formats. A huge thank you to Craig Johnson who helped with the coordination of Junior Blast program even though his daughter wasn't playing this season. A further thank you to Will Cheadle and Simon Gooderick for their support for the Master Blast programs.

St Ives District Junior Cricket Club Inc

ii. The club coaching strategy

The coaching strategy introduced a year ago was implemented again with no major changes to the offerings. However, the club faced numerous challenges to the effectiveness of the coaching offerings due to the dissolvent of Sydney Cricket Academy half way through the season. A huge thank you to Steve Bartlett (SIJCC Coaching Coordinator) who sourced additional coaching providers to support the U9-U10 and Girls cricket teams. This season the club continued to invest heavily in coaching and a total of \$48,443 was spent in various coaching initiatives.

iii. Development squads

The development squads introduced in 2018 continued with another group of players selected through a skills assessment process at the start of the season. The group of players from this squad played in the Kookaburra cup in Canberra.

iv. Maintain player numbers and engagement

The total number of registrations was down from the previous season but the engagement of the players and the parents remained very high. Our annual survey in April was an opportunity to review the season insights from our parents who told us that we are doing a good job with a few minor areas to improve. Our Net Promoter Score was +42 which again indicated the willingness of the vast majority of our parents to recommend the club to others.

v. Drive uptake of girls cricket.

This season SIJCC fielded three girls teams in U11 Perry, U11 Lanning and U13 Healy with a total of 25 girls playing cricket at the club within a dedicated girls team. The player numbers more than doubled compared to the season before

St Ives District Junior Cricket Club Inc

largely due to the pre-season free trial sessions and the various recruitment / promotion campaigns. Many more girls continued to play under the junior blast, master blast programs and some of the Stage 1-2 teams. A huge thank you to Gaby Lockyear and David McKay (girls cricket coordinators) who were both instrumental in engaging siblings & parents of current players and driving deeper engagement throughout the season. The club was very pleased to see former St Ives player Stella Campbell being awarded a Sydney Sixers WBBL contract this season.

People:

i. Social activities at the club and match-day parental engagement.

The canteen, the bar and coffee van provided a weekly social events on Friday evening training sessions and Saturday morning Master Blast sessions which was well supported by the parents. Many teams utilized the club BBQ's to make the game day experience a positive one and create a family friendly atmosphere.

The end of season social event was well supported by parents and the club is very grateful for Kirsty Pearce and KP & the Sunshine band for their live music at the event and for our club patron Chris Green who provided a backyard cricket game to be auctioned off at the event. A further thank you to Andrew Stevenson for being the MC and quiz master at the event.

St Ives District Junior Cricket Club Inc

ii. Engaged & high performing committee.

The core group of committee members again supported the various initiatives throughout the season and the club is keen to engage other parents who can contribute to the progress of the club and we are looking for additional volunteers to join the team next season. A very special thank you to Louise Smith for her unwavering commitment to the club and for the continued input within the committee. Thank you also to Adele Brennan for leading the transformation of our uniforms this season, for Chris Paulton and Andrew Stevenson for managing our equipment inventory efficiently and for reducing our equipment costs significantly, for Steve Bartlett for sourcing and managing the various coaching providers during a significant period of challenge, for Will Cheadle for being diligent with our finances and returning a surplus at the end of the season, for Mark Hilton for coordinating the Team Snap tool to effectively communicate with all our teams and engaging the Sydney Sixers to strengthen our partnership with them and to David Lane for

St Ives District Junior Cricket Club Inc

coordinating the grants application process this season.

Finally, a huge thank you to Katherine Stevenson who runs the operations of the club in an efficient and engaging manner that embody the spirit of the club every day.

iii. Accredited coaches and long term engagement.

The club continued to offer a refund on the registration fees for anyone who was completing the Cricket Australia Level 1 accreditation. A coach the coach session was run at the start of the season to equip new coaches to learn the basics and set themselves up for the season. As per the guidelines from Cricket Australia, each coach is now provided with a MyCricket ID number and they had to go through a “working with children” registration and on-line training at the start of the season thus strengthening the club’s commitment to a safe playing environment for our kids.

Places:

i. Overhaul facilities at Hassall Park.

The club has a goal of securing funding for the re-development of the double nets at Hassel park. Ku-ring-gai Council has done a provisional feasibility assessment and the club has already engaged with the CNSW facilities manager to identify a clear path towards completing the redevelopment within the next 3 years.

ii. Access ALL available facilities grants and increase internal fundraising.

The club has mapped out potential grants opening up this year and David Lane is leading the project to secure all available grant money this season. Additionally, the committee has plans for a structured fundraising effort towards a designated goal over the next 3 years which will be communicated later this year.

Partnerships:

I. Strategic partnerships with Northern Districts CC and Sydney Sixers.

- A. The partnership with the Sydney Sixers continued with a number of match-day opportunities for our players at BBL games. Also, the Sixers conducted their annual cricket carnival at the club opening day in September.
- B. The club continues to explore opportunities for players to forge a pathway to senior cricket at Northern Districts. Will Shortis and Nick Hook were part of the successful Northern Districts team who won the Green Shield this season. The new ND’s president Jeremy Hook attended the annual presentation day and I had the privilege of attending the NDs annual awards night.

St Ives District Junior Cricket Club Inc

II. Foster close links with Cricket NSW and NSJCA

- A. The club continue to work closely with CNSW to implement the changes to the pathways program; especially the changes to the junior blast and master blast programs. The feedback from our parents have been passed onto CNSW to incorporate in to next season's changes. Graeme Thom has continued to work closely with Cricket Australia in the development of the new score books and MyCricket scoring app.
- B. The club is well represented at the NSJCA executive with myself appointed as the Vice President of NSJCA for a second term and as the umpires and rules convener. David McKay was appointed again as the head of the dispensation committee.

I. Maintain close links with St Ives Wahroonga CC to create pathway to senior cricket.

The club continues to maintain close links with the St Ives Wahroonga senior club through regular executive meetings and through opportunities for U15 and U17 players to play in the 5th grade team.

II. Maintain close partnership with Ku-ring-gai Council.

The club maintained a close professional relationship with the council and has engaged them in the development of facilities at Hassell Park.

III. Create new opportunities for sponsorships with local businesses.

The club was very grateful for the generous sponsorship of Mitchell Asset Management and One Group Property Advisory who came onboard as platinum sponsors at the start of the season. Both Godwin Ip from Mitchell Asset Management and Tal Eloss from One Group Property Advisory have been regular attendees at club events and they have both started to forge closer contact with our parents. Engaging other local businesses as sponsorship partners remains a priority for the committee in the new season.

St Ives District Junior Cricket Club Inc

Promotion:

- i. Drive girls cricket promotion with Cricket NSW & Sydney sixers at local public schools.

A concerted effort with local schools and winter sports teams saw an increase in the girls cricket registrations this season. With free of charge pre-season tryouts and a structured coaching offering for girls, the club maintained strong engagement of girls this season.

- ii. Deliver match day / on ground entertainment experiences via Sydney Sixers and CNSW. A number of match day experiences were secured by the club for members including infield activities at BBL / WBBL games at the SCG. These represent once in a lifetime experience for the girls and boys who took part in them.

- iii. Increase traffic to the club Facebook page and additional user generated content. The Club Facebook page likes have increased to 325 this season which equates to additional 42 likes or a 15% increase vs. previous season.

- iv. Maximize the utilisation of MyCricket, TeamSnap and Website. TeamSnap was used by the majority of teams to communicate match day logistics, team selections and general team communications. A thorough evaluation of the investment into TeamSnap will be conducted in light of the improved functionality of MyCricket communication platform for the next season. The club website content was regularly updated and is now fully incorporated into the MyCricket platform thus providing a seamless connection to the Cricket Australia online resources.

- v. Multi-channel marketing integrating digital and traditional channels. The club continued to engage our parents through a variety of face to face channels including word of mouth. The local parent networks continue to provide a strong recruitment opportunity and advocacy for the club. These complement the revamped digital platforms which are now aligned to a consistent communication strategy to provide timely information to the players and parents.

St Ives District Junior Cricket Club Inc

President's Encouragement Award

One player from each U10/11 team was nominated by their managers for the President's Encouragement Award. This award is a reflection of the way cricket is played at St Ives Cricket club and is presented to the player who is considered to have displayed the greatest dedication to the game, to the Club, and in developing their skills in the U10 and U11 competition.

The following players were nominated by their respective team managers.

Emily Lovelock

Kyla Daley

Adi Kumar

Liam Forman

Ethan Hartley

Dean Segel

Lachlan Boulton

Andrew Phipson

Tom Peterson

Luca Margetis

James Barnden

The winner was Logan Ting from U11 Langer team.

St Ives District Junior Cricket Club Inc

In conclusion, I would like to thank the committee for their ongoing support and commitment to the club. I also wanted to thank our club patron, Chris Green who has made every effort to be part of various club activities despite his busy schedule and continue to be a role model to our players.

My sincere thanks go out to Katherine Stevenson who has again gone above and beyond her role as the operations manager. Our partnership has been one of the most rewarding parts of my role as the president. A special thank you to all the parents of the club who volunteer for various roles in their teams and who drive their kids every weekend to and from the games and cheer from the sidelines. They make the match day experience a special one for our players.

With our collective efforts, we have grown our club to be the biggest junior club in NSW. We have been acknowledged as one of the most progressive clubs in the state embracing the changes proposed by Cricket Australia in partnership with our local association, NSJCA. We continue to attract new players every season and we continue to champion *the spirit of the game in everything we do*.

Together we have created something special within St Ives Junior Cricket Club. Long may it continue!

NSJCA REPRESENTATIVE CRICKET 2018/19

All juniors playing for St Ives Junior Cricket Club are eligible to trial for the representative team in their age group. Our Club had another strong representation in this Season's North Shore Junior Cricket Association representative teams.

DCA Reps: Each year, associations from all parts of Sydney, Newcastle, Wollongong and the ACT enter teams in the NSW Districts Junior Shield representative competitions (DCA).

IDCA (Presidents Cup) Reps: The Inter District Cricket Association (IDCA) runs this rep competition designed to give players with potential the opportunity to play the game at a level between the Association and DCA standard.

ST IVES JUNIOR REPRESENTATIVE PLAYERS 2018/19:

Congratulations to the following St Ives Junior Cricket Club members that were selected:

Age Group	DCA Rep	Presidents Cup Rep	Shadow Player
U11	Lachlan Bartlett, Luke Austin, Myles Kapoor		Jackson McLeod
U12	Callum Parkinson	Andrew Lowe, Jack Bray	Kunal Joshi, Janaka Malalage
U13	Elliot Kerr, Dylan Johnson, Vasili Sotiropoulos	Henry Anderson, Matthew Jarman	Joel Austin
U14	Lachlan Bill, William Elliott, Tristan Kennedy, Charlie Anderson	Kieran Brennan, Ronan Brennan	Tom Foreman
U15	Nicholas Hook, Will Shortis, Deshan Malalage, Jakob Biet	Dean Chertkow, Andre Fourie	Bailey Stevens
U16	Harrison Lucas		

St Ives District Junior Cricket Club Inc

2018/19 Individual Awards - Perpetual Awards

Awards are based on performances throughout the normal competition rounds. Semi-Finals and Finals performances are not included for the purpose of determining awards. Perpetual awards are to be held by registered members of the Club only. Perpetual trophies shall be returned to the Club Registrar immediately a player ceases being a registered member of the Club, or at the end of the following season prior to Presentation Day.

JOHN WALSH MEMORIAL TROPHY (Club Champion): Awarded to the player who achieves the highest point score for the season (0.1 point per run scored, 1 points per wicket, catch, stumping, or run-out, 0.5 points per assisted run-out). All age groups are eligible. (Note: This trophy shall be held by a player once only; a player who has won the trophy once and scores the most points in a subsequent season will be acknowledged appropriately by the Club).

J. MAUNDER CUP: Presented to the player who scores the most runs in the season. All age groups are eligible. If two or more players score equal runs, the award will be shared.

CHARLTON CUP: Presented to the player who takes the most wickets in the season. All age groups are eligible. If two or more players take an equal number of wickets, the award will be shared.

BARRY GARROD TROPHY: Presented to the player who achieves the highest batting average in U11 and U12. A minimum aggregate of 200 runs must be scored for U12, and 150 for U11.

NEIL MARTZ TROPHY: Presented to the best performing wicket keeper for the season (total of catches and stumpings). All age groups are eligible.

PRESIDENT'S ENCOURAGEMENT AWARD: Presented to the player who is considered to have displayed the greatest dedication to the game, to the Club, and in developing their skills in the U10 and U11 competition. The Award is determined by the Club Executive on advice from each of the eligible team manager's recommendations.

STEVE DANIELS MEMORIAL TROPHY: Presented to the player judged to be the most promising in the Club, ready to play in the senior competition. It has been traditional to select a player from the Club's most senior teams, and the Committee when making the selection takes into account the player's history and performance over a reasonable period of time. All aspects of the game are considered including batting, bowling, fielding, captaincy, sportsmanship and contribution to the Club.

JOHNSON FAMILY AWARD: (sponsored by Northern Districts Cricket Club): Presented to

St Ives District Junior Cricket Club Inc

the player judged to be the most promising playing in the U14/15 competition. The Committee, when making the selection takes into account the player's history and performance over a reasonable period of time, including performance in Representative cricket. In addition to a perpetual trophy the recipient receives a scholarship for the Northern District Cricket Academy for the following season.

STEVEN BIRD GIRLS' CHAMPIONSHIP TROPHY: Awarded to the female player who achieves the highest point score for the season (1 point per run scored, 10 points per wicket, catch, stumping, or runout, 5 points per assisted runout). All age groups playing Girls' only cricket are eligible.

AGE GROUP CHAMPIONS: Awarded to the player who achieves the highest point score for the season in the John Walsh Memorial trophy tradition. Awarded to the player who achieves the highest point score for the season (0.1 point per run scored, 1 points per wicket, catch, stumping, or run-out, 0.5 points per assisted run-out). All divisions in that age group are eligible.

100s, HAT TRICKS and 5 WICKETS IN A GAME: trophies are awarded to individuals who score 100 runs or take a hat trick or 5 wickets in a game during the season.

BATTING and BOWLING AWARDS: are made to the highest aggregate run scorers and wicket takers in each team. These stats are taken from MyCricket. If players are equal on aggregate, the best average is awarded the trophy.

SPIRIT OF CRICKET AWARDS: is awarded to a player in each junior team who has played the game with a sense of passion and willingness to improve. This award is given to a player that does not necessarily have the most wickets runs or catches.

U9's/U10/U11/Girls PARTICIPATION AWARDS: Each U9-11 Stage 1 and Girls teams are awarded a participation trophy.

OTHER AWARDS: Medallions are awarded to all members of Minor Premiers and Premiership winning teams by NSJCA. The Club also awards Minor Premier caps to each team member of Minor Premier teams (teams finishing on top of the table before the finals begin). The 75 cap is given to a player to commemorate the 75 matches or more they have played with the St Ives. The 100 game trophy was introduced this season. This is awarded to players who have played 100 games with SIJCC.

St Ives District Junior Cricket Club Inc

INDIVIDUAL STATISTICS BY TEAM 2018/19

Please go to <http://mycricket.cricket.com.au> for your team and individual game and season stats.

St Ives District Junior Cricket Club Inc

TEAM REPORTS - a selection are below:-

Junior Blasters

Thanks to Craig and Katherine's organisation of groups the Junior Blasters were underway at the end of October. We had 8 groups of roughly 10 participants actively involved in the skills of cricket over a 15 week period. During this time beginner cricketers learnt the rules, skills and nuances of the game of cricket in a fun filled environment. By the 15 week mark they had graduated and were ready to play a 'real' game.

Many of these young cricketers were first timers and trialling cricket for the first time. The focus on Junior Blasters is always active participation and fun. The format consisted of learning these new skills in fun formats and putting them into practice in various modified games. Coaches always strived to keep every young cricketer involved in these sessions.

The highlights of the season were the Mini Olympic challenge at the half-way mark and then watching everyone compete in a proper game format in the final weeks. Thanks to all the wonderful coaches who managed to juggle their own playing commitments with the early morning sessions. Also to the many parents who consistently gets involved helping out each week. It made a huge difference having the support of the parents assisting each week. The countless hours that Craig Johnstone contributed to the setting up and groupings before a ball was bowled was much appreciated in getting the sessions under way in a professional and highly organised manner.

Congratulations to St Ives cricket club for seeing the value in giving all its young cricketers a well structured introduction to their cricket playing days.

St Ives District Junior Cricket Club Inc

Master Blasters - Simon Gooderick, William Cheadle Coordinators

Another great year for Master Blasters, with numbers at xx, being an increase in xx on previous year. Given the demand we had 2 venues, Hassle Park and Acron (shared competition with Lindfield).

St Ives District Junior Cricket Club Inc

The music was up loud, the coffee van was given a work out and for many kids they were playing their first game of cricket. We had several teams made up of predominantly girls which was great.

At the start of the season we had many kids "bowling" with a bent arm (read into that throwing!) and missing more balls than they hit! Cycle forward to after Christmas and I think nearly all kids were bowling with a "legal" action and hitting more than they missed. The number of run outs and catches also increased.

I think the popularity of the format was measured by the number of children returning after Christmas. Thanks to all the parents who ran the BBQ, umpired, organised the batting pairs and generally organised the children to be in the right place!

For those children returning to Master Blasters we look forward to seeing you in September, for those moving to under 9's and 10's good luck with the progressions to big kids cricket and those contemplating playing for first time, come on down we would love to have you!

Juniors

U9 Green - Manager Catherine Yue

U09 Greens had a fantastic cricket season with boys from four different school making friends quickly and becoming great team mates. We've won a few matches and lost a few but each week the boys have tried their best, learnt some skills and had fun along the way.

U9 Zampa - Coach Andrew Darbin, Manager Melissa Darbin

Team Zampa are all good friends from school, but have not all played cricket together before.

They were excited to wear all the safe batting gear provided, but as the summer heat grew the desire to adorn the batting gear waned until they all had an experience with some

St Ives District Junior Cricket Club Inc

faster yet still wild delivery's. The laughter and giggles from the bowlers end continued yet down under the batters helmet WHOA whats next eyes wide open like saucers, yet with body-line guile they stood in there crease.

As there understanding of the game increased mainly that to score high runs you need to run between the wicket for 1s and 2s, the flood gates opened almost over night we were setting decent totals and bowled with intent to protect that total.

Never once did I hear Andy that's to hard i'm not doing that . Week in week out team Zampa listened and attempted each small but important guidance or correction of technique.

The buzz out in the middle could be felt each time there was a chance of a hat-trick or when some great fielding and a run-out ensued. The last game of the 18/19 season was a massive out of this world experience plenty of 4s a six and a ton of runs off the bat throughout the team, there was gloved fist pumps urging each other on between overs to keep batting with high intensity and style dancing up the wicket or off the wicket to great the ball.

Smiles all around.

U9 Starc - Coach/Manager Alex Cowdry

Season Summary:

- 14 games played.
- 11 wins
- 3 losses
- 1 washed out game

The mission of the team was to provide a supportive and inclusive team spirit that congratulates good play and respects opponents, team mates, supporters and officials. Success for the season was to have a respected team where each player played to the best of his abilities and improved each week. From focussing on the stats of each player, this improvement certainly occurred.

Other special mentions:

Luke Osborne: 3 x top scores, with average of 29.6.

Malachi Cowdery: Best bowling figures of 4/11 of 4 overs.

Kye Phillips: Most improved running between wickets.

St Ives District Junior Cricket Club Inc

Jake Watt: Most improved bowling.

Raveen Attanayake: Best wicket keeping performances.

Zack Yerbury: Most improved all-rounder (batter, bowler, fielder).

U10 Edwards - Coach Roger Quayle, Manager Shyam Sundar

A really enjoyable season was had by all in the U10 Edwards. While we had some teething issues finding a day where the whole team could train there was an abundance of help provided by a super bunch of parents to make it work both at training and on the weekends. While the lads were for a large part unknown to each other, the season got off to a great start with a tight win against the ultimate minor premiers. Nothing like a win first up for team bonding.

It was great to see the improvements that were made each week. Early on we did experience some of those moments where a ball rolled past a fielder with his hands in his pockets looking at the sky or perhaps while performing a Fortnite dance but by the end of the season we had players charging in to cut off singles and backing up the stumps to prevent overthrows. There were early moments where the two batsmen would stand motionless staring blankly at each other while the ball was hit three quarters of the way to the boundary but these were replaced with runners backing up, good loud calls and quick singles a plenty. Deliveries rolling to a halt three yards off the pitch were superseded by controlled bowling that kept the sundries down and wickets up.

In the wash up, the team finished in 6th place on the ladder but such was the competitiveness of the division we were only one win behind the team that finished first. A great effort and one to try to better next season.

Cast members:

Ethan H

One of our two left armers whose bowling in particular improved enormously over the season. Ethan finished the season as our second leading wicket taker and made a couple of handy contributions with the bat. His three wickets in an over, all bowled, was a highlight.

Jonah L

Sadly unavailable for a good part of the season due to a non-cricket related injury. A solid defender when batting but more than capable of giving the ball a good hiding when given the opportunity.

Marcus S

A very handy all-round cricketer who made a number of very useful contributions with bat and ball. Energetic in the field and made great improvement in running between the wickets during the season.

St Ives District Junior Cricket Club Inc

Rehaan S

A very talented batsman with excellent technique who also bamboozled many a batsman during the season with some very well controlled leg spin bowling. Figures of 2/3 off 4 overs against North Sydney give a clue as to the quality of his bowling. Despite his diminutive size he was one of only three players to clear the rope during the season.

Iggy B

This quietly spoken lad was our most improved player during the season. While his bowling was probably his most improved skill, great advances were also seen in batting and running between the wickets and his caught and bowled was a highlight.

Bryn W

Relatively new to the game of cricket, Bryn took to it well. Like Brett Lee he could be a little erratic at times but could sling the ball down the pitch as well as anyone and hit some brutal boundaries during the season.

Oliver M

A great lad to have on your team. Oli was our super enthusiastic wicket keeper and opening batsman. Oli got us off to a solid start with the bat all season and while his glove work was excellent he was also a very capable bowler in the latter half of the innings. A great team player who was tireless in helping his team mates warm up for their turn at bat.

Cooper Q

The youngster of the team. At 8 years of age he was our tenacious tail ender and solid back up wicket keeper. What he lacked in finesse with the bat he more than made up for in effectiveness. Crunching 22 boundaries and one six during the season, he was our second highest run scorer highlighted by his 22 off 15 balls at the bottom of the order to get us home in a tight one against lane cove.

Noah Q

A great season from a very determined young player. Over 500 runs with the bat including 65 fours and 13 sixes, 24 wickets at an average of 7.4 to go along with 22 catches, 9 run outs and a stumping for good measure. Statistics most would be pretty pleased with. Highlights were his 50 runs off 20 balls and pouching 8 catches in one game including a sharp diving one hander at point.

U11 Benaud - Manager Andy Collins, Coach Matt Freeman

A sensational season where the boys got to enjoy the best of what cricket has to offer - playing with your mates, learning new skills and enjoying a few wins along the way. Many of the boys had played together previously but benefitted from welcome additions to the team. The team developed strongly throughout the season and were playing great cricket by season end. It is a credit to the boys that they made the season final. The progress the boys made through the season in their batting, bowling and fielding is to be commended. As a team they were tough, played with passion, supported each other and embraced the coaching. At various stages, they all copped a tough decision or performed below their

St Ives District Junior Cricket Club Inc

best but each time kept their chin up and found other ways to contribute. It's these moments in which they learned life lessons, gain confidence and earn respect.

A number of highlights were:

- Cal's catching
- Cooper's defence
- Dean's enthusiasm and development
- Fred's determination
- James's team support
- Liam's ground fielding
- Myles's all rounder status
- Olly G's bowling
- Olly F's batting
- Sam's patience
- Tagen's consistency

Finally we would like to thank Matt and Mike for their coaching. At times brilliant, often patient, but always enthusiastic and this definitely rubbed off onto the boys. Thanks also to the various umpires and scorers and also the parents and supporters. Finally, thank you to the boys for making it such a wonderful season.

And Katherine thank you from U11 Benaud for your tireless efforts throughout the season.

U11 Smith - Manager Amanda Irons, Coach Ben Gorham/ Tim Unger

At the beginning of the season, the team was a mixture of some boys who had played together for several seasons, a couple of new players to the team and a couple who had never played cricket before (having been living in the USA!) Over the course of the season, all of the boys' skills improved significantly, helped considerably by the coaching and guidance provided by our coach Ben Duce, whose knowledge and passion for the game of cricket was very evident and which helped the boys to really enjoy their practices. By the end of the season the team had gelled and they were playing consistently well together, and they narrowly lost in the semi-finals (by 7 runs) to the minor premiers. It was very rewarding to see their cricket skills improve over the whole season and to see them really beginning to grasp some of the aspects of what makes cricket such a great game.

St Ives District Junior Cricket Club Inc

Special mention must go to Tommy Peterson and Micah Le Roux, who in their first season of playing cricket, brought a lot of enthusiasm to the team and improved a great deal, and to Ben for helping all of the boys to enjoy their cricket.

U11 Lanning (Girls) - Manager Liam Daley, Coach Ashley Robertson

The U11 Lanning has a fantastic year of fun and learning, with some good victories along the way. Whilst the season finished with a bad combination of byes and bad weather, the girls all became friends and enjoyed any challenges they faced.

Highlights included Naomi's pure reflex catch against Mosman. Kyla's leadership throughout, desperation in the field and hard hitting with the bat and ball, Chloe's express pace, Emma's consistency in both bowling and batting performance, Lydia and Ivy's batting partnerships, Eden's encouragement of others in the field and improvement over the session, and April's quality bowling.

U11 Perry (Girls) - Brian Theaker - manager, Craig Horlin - Coach

The St Ives U11 Perry Girls Team was made up of a pool of ten girls who had little or no previous cricket experience. After a quick crash course on the basics of the game (eg), see ball, hit ball and try to land the ball on the wicket, they gelled into a very enthusiastic team who delighted in each others success with the main rule adopted was to "have fun".

Although they did not win many games, there was definite improvement in all aspects of the game, particularly the running between wickets which in the early games provided the spectators with many humorous instances of wait, yes, no, sorry.

Well done girls and hope you are all looking forward to next season.

St Ives District Junior Cricket Club Inc

U12 Benaud - Manager Alison Tovey, Coach Paul Garrett

It has been a pleasure to watch the boys go about their cricket this season in the face of a big step to the 30 over format and some adversity; the combination of school sport demands and a case of appendicitis meant that we nearly played as many games with 10 or fewer players than we did with a full 11! Nevertheless, every week the boys turned up to training, encouraged each other during game time and put in the best effort they possibly could. We confronted some stiff competition over the season which only made the team stronger and their performance improved markedly as the season progressed. A big thank you to Paul for his quiet, calm and collected coaching over the season and to all the parents who supported their sons on the sidelines or on umpiring / scoring duties.

U13 Hussey - Manager Sue Roche, Coach - Tom Millet

The U13 Hussey team regrouped again for a 5th year, with 3 new members joining the team, and Asher rejoining for a shortened season before moving to Queensland.

St Ives District Junior Cricket Club Inc

It was a challenging season for Hussey this year, with a lot of grit & determination shown regardless of not getting the wins. The team ably led by Tom once again, should be congratulated for never giving up & always giving their best on the field.

The semi final match started with high hopes of a win, but it wasn't to be, even with Liams' ferocious fielding. The team's bowling ability this season seemed to improve week upon week, and it was lovely to watch the teams confidence grow as a result.

Thanks again to all the parents for helping with scoring, umpiring and getting the team to training and matches, even in the rain, but of course as always our biggest thanks go to Awesome Coach Tom for all this patience, enthusiasm & chocolate brownies !

U13 Green - Coach Vijay Singh, Manager Jacqui Everett

U13 Green was one of four St Ives teams which played in the 11 team Saturday afternoon 20 over competition. The 9-a-side format, in which teams must rotate the top 4 batters each week, and where everyone must bowl a minimum 2 overs is excellent for player participation. The team consisted of Andrew Bartlett, Charlie McKay, Mike Mason, Liam Godfrey, Vir Singh, RianMistry, Oscar Rocks, Marcus Walsh, Tim Plunkett, Aidan Thompson and Harry Liubinskas. The online MyCricket records will show that the team had 4 wins in the regular season, and finished 6th on the ladder. The team had several close finishes, with at least four games being decided in the 20th over.

A stand out game was the team's win over North Sydney Green at Carrington Oval, where the boys dismissed North Sydney for 39 in 18 overs, before they lost 5 quick wickets in reply in scoring 41 runs off 11 overs. The winning runs were hit about two minutes before a massive storm sent everyone running to their cars. The boys always played their cricket in the right spirit, and improved their skills as the season progressed. The boys learned to accept the umpire's decision, no matter how ludicrously odd some decisions might have appeared.

Highlights for each of the players included the following memorable moments:

- Marcus Walsh's amazing catch as a substitute fielder for Lane Cove to dismiss his team mate,
- Liam Godfrey, and his 23 runs against Lane Cove Ponting, which included 2 sixes, before he was caught by Marcus, going for a third six. Liam was the team's leading run scorer, and often put the team in a good position with his solid scoring. Liam's bowling against Lane Cove in the semi final was exceptional (1-5 off 2).
- Tim Plunkett's attacking batting displays. His lofted straight drives and fleet footed pull shots are special to watch. He is a wily off spin bowler, and mixes it up with some fast bowling on occasion.
- Andrew Bartlett's 32 not out in the winning semi final against Lane Cove Ponting, including a massive six behind square leg.

St Ives District Junior Cricket Club Inc

- Rian Mistry's opening batting display against North Sydney Green, where he scored 31 runs not out, including 6 fours. Rian is a useful bowler and a handy keeper. A great all-round player.
- Aidan Thomson's opening bowling spells, including 2-8 against Lane Cove Ponting in a great display of fast bowling. Aidan was the team's first choice opening bowler, and took some handy wickets in the early overs.
- Mike Mason's delightful batting technique and exceptional leg spin bowling. Mike is a player to watch in the future.
- Oscar Rocks' 15 not out and 20 not out (both against North Sydney Green). Oscar bowls a nagging length and secured some vital wickets during the season.
- Vir Singh's 25 not out in the semi final and his incredible catching ability. Vir took five catches during the season, including three diving catches. Vir had the safest pair of hands in the competition.
- Harry Liubinskas' amazing first ever game of cricket, where he took 3 wickets and took an amazing outfield catch and scored 8 not out against St Ives Hussey.
- Charlie McKay's 20 not out against North Sydney Red at Kent Oval in a winning run chase, and his direct hit run out from the boundary in the semi final. Charlie took some great high catches, and his diving saves at cover saved countless runs. A handy left arm spinner and great team player.

The team's last game for the season was an exciting second last over win in the semi final against Lane Cove Ponting, in which the boys gallantly defended 103 runs and won by 6 runs, taking the final wicket in the 19th over. The game featured strong batting performances, tight bowling and exceptional fielding by all players.

Unfortunately the grand final was washed out on Saturday morning...maybe somewhat prematurely in hindsight, but made with a focus on player safety and the forecast continuing wet weather following overnight rain and soggy conditions at Kent Oval.

Like all junior sporting teams, the team was ably supported by willing volunteers amongst the parents, who took the boys to training and their games each week.

Thank you to Jacqui Everett for managing the team, and to David Godfrey for coaching the team. Thank you to Amanda Bartlett for being the team scorer, and for putting the match statistics into MyCricket each week.

Thank you to Hamish Thomson for cooking the BBQ and helping with scoring when Amanda was away.

Thank you to Steve Bartlett and David Godfrey for sharing the umpiring duties during the season. Thank you to the NSJCA Grounds Committee for balancing a high number of Carrington Oval fixtures with some games at Kent Oval, Burns Bay Reserve and Bales Park.

Overall, thank you to the boys in U13 Green for making the season so enjoyable. Their enthusiasm for the game, and their improvement as a team as the season progressed was great to see. No matter how many games the team won or lost, or how many runs they

St Ives District Junior Cricket Club Inc

scored or wickets they took – the main thing is that the boys enjoyed their cricket, developed their skills, and made some new friends amongst their teammates. If we achieved all this, hopefully the boys will look back with fond memories on their season in U13 Green.

U13 Haddin - Coach Mark Hilton, Katherine Stevenson Manager

U13 Haddin was the combination of a number of boys from across the age group who wanted to play at the Division 1 32 overs level. We had a core team of Akhil, Ben, Dilan, Jack, Josh, Lachlan, Luke, Oliver, Tom and Vasili (or Knoxy, Tunny, Hilto, JB, Paynie, Stevo, Watto, Lukey, Frenchy, Tommy and V!) due to rep commitments and a late injury we often had 2-3 players join us from across the club to help us in our games. After the break we were blessed to have James Fitzgerald and Toby Collinson join the team who both came in from other clubs to join St Ives.

St Ives District Junior Cricket Club Inc

In terms of our reinforcements, we wanted to recognise Harry, Liam, Sol, Kai, Andrew and Torben for enabling Haddin to get onto the park each week. Not one forfeit all season!

I have coached many teams over the years for St Ives and I was immensely proud of the effort and attitude of the team. We only won one game in the season (in part due to the playing in a mixed 13/14 comp despite many of our players being u12's) but not once did I hear any negativity from the boys. They turned up every week for games and training, wanting to learn more and have fun playing the sport they love.

We had many tight games which could have gone either way but our favourite games were against other St Ives teams who when we played it was both a tough match but one played in the most authentic spirit of the game. The boundary was more of a carnival of barbeques, in depth discussions on and kids playing and cheering on the side. This ability for our club to drive such a community spirit is very uplifting.

So to the boys thank you for the season this year, I think you taught us parents a thing or two about sportsmanship and of course to all the umpires, scorers, boundary layers,

St Ives District Junior Cricket Club Inc

sausage turners, tent assembly technicians, cheer squads by which I mean our team parents, Kath and I are truly grateful for helping make this year so much fun.

So to our season award winners this year;

Batting:

Lachlan Stevenson won our batting award with 233 runs at an average of 21.18, however Oli French was close behind him on 214 runs.

Bowling:

Our bowling award was Josh Payne who took 10 wickets at an average of 20.30, closely followed by Dilan on 9 wickets and Ben, Lochlan and Tom Cheadle on 7 wickets.

In the field, Dilan took 7 catches and 2 stumpings, followed by Lochlan with 7 catches and then Luke & Oli on 4 catches.

And last but not least, our Spirit of Cricket award went to Lachlan Watts for his persistence through injury has improved his batting and bowling and was always amazing to watch in the death overs!

U14 Marsh - Coach David Brennan, Manager Craig Johnson

The 2018/19 cricket season saw a certain group of nine boys band together for another great season of junior cricket. Team Marsh participated in the U14 20-over competition on Saturday afternoons and was comprised of the Brennan brothers Kieran and Ronan,

St Ives District Junior Cricket Club Inc

Ryan Frykberg, Dylan Johnson, Hayden Kee, Joe Nuich and James Wiryadi. Charlie and Henry Anderson were also a valuable part of the team until school sport commitments intervened. Our thanks to Joel Austin and Tom Foreman who quickly became part of the team to bring it back up to strength, and to Will Stuckings and Hayden Dennis who also stood in when we were short.

With competing club and school commitments it was not always possible to get a full squad together to train on Wednesday evening, but the boys always participated in the batting, bowling and fielding drills with enthusiasm and a sense of fun.

On match day, U14 Marsh was not spared the challenge faced by all the St Ives U14 20-over teams this season – we too battled with maintaining a full team each week. Regardless of whether we were playing short, it was great to see everyone consistently turn up at 3pm (thank you parents) to warm up and go over the playing order.

The cricket itself during the season was outstanding – the boys got off to a superb start being victorious in the first 7 rounds. The team then suffered 2 losses in early December, including a match against RHHCC Pirates in round 9 when we just never really got into the game. But these setbacks encouraged the team to come back fighting. They regained their composure, winning the next 4 matches to finish second in the competition but were unfortunately halted in the semi-finals.

Everyone contributed with the bat at some point, and it is great to see how many players got high scores of 30 runs plus. Special mention here to James Wiryadi who improved enormously as the season progressed and really stood out with his aggressive batting. Our bowling was equally (maybe even more) impressive, and again, everyone contributed. Stand out stats include Kieran Brennan's 5 for 8, Charlie Anderson's 4 for 9 (including a hat-trick), and Ryan Frykberg's 4 for 8. Of course, the wicketkeeper has the toughest job out on the field, and Dylan Johnson is an asset here that any side would envy.

Heartfelt thanks to the dedicated and, frankly, awesome group of parents who ferried the boys to the matches each week, who gladly shared the scoring and umpiring duties without fail and supported the boys so well from the boundary. A special thanks to Glenn Wiryadi who did more than his fair-share of umpiring this season.

It was an honour for us to coach and manage the team, and we hope the boys enjoyed the 2018/19 cricket season. Good luck to all in their winter activities, and we hope to see you back when the next cricket season rolls around.

U14/15 Benaud - Manager Tina Phillips, Coach Ben Gorham

The Benaud team was a team put together of boys looking for a team to play with for the season. The boys played the game hard throughout the season but also very respectful of each other and the opposition. There were some very strong individual performances throughout the season, but it was the way the team worked together that was the biggest

St Ives District Junior Cricket Club Inc

highlight. Many of the boys grew in confidence throughout the season which was also very impressive to see.

The boys finished the regular season in 3rd position, a very strong performance by the boys. The boys progressed through to the grand final. A game played against an undefeated Hunters Hill team, we started the game despite all the rain, but the rain ended the game prematurely. Unfortunately we were ahead but had not bowled enough overs. A frustrating way to end the season, but the boys showed a great attitude despite the final result.

A big thank you to the parents that scored, umpired and supported the boys this season and of course Tina for managing the team.

U17 Haddin - Manager - Matt Cole, Coach - Brendan Hegarty

The 2018-2019 season saw the mighty U17 Haddin team give their all week after week in a very strong competition. The comp was played on turf and for the majority of the boys, this was a new challenge that took some getting used to. It was terrific to see the boys grow as a team and as players during the season. This is a group of young men who compete hard and fair and try their guts out until the very last ball of every match. As coach I could not fault the effort week after week and they did St Ives Cricket club, themselves and their coach proud.

The season had many highlights and will be remembered for things:-

Anthony Bartlett joining us late and immediately making a big impact with both bat and ball. A welcome addition.

Jacob Biet, when free of rep duties, terrorised the opposition with his pace.

Jono Coles leadership, chat and exceptional spin bowling and wicket keeping make him an integral part of the squad. I look forward to him returning next season and getting to the 100 game milestone.

Dan Comofsky seemed intent on wrecking cricket balls when at the crease. Swung hard and hit harder. Scored a ton of runs and took heaps of wickets. Plays each game as if its his last. Great enthusiasm, great sport.

Johnny Fourie was always good value when not playing rep cricket. Brilliant motivator out on the field, the boy can talk, and a talented allrounder.

Mr Reliable, Harrison Hegarty had another solid year with both bat and ball, always in the action and a real team man. Also hit the first six of his career this season. well done mate.

Elliot Inman was only with us for a short time and hit a great fifty at Gillespie field.

It was always great to have Trystan Kennedy join us, bamboozling batsmen with his spin. Great batsman. Classy cricketer.

Aaron Kerr's lethal opening bowling spells will long be remembered. Our leading wicket

St Ives District Junior Cricket Club Inc

taker by a long way. Great to watch! Fantastic contributions with the bat as well, he is constantly improving.

I'm glad I don't have to face Angus Loebels express pace bowling. Genuine pace delivered from great height spells danger for any batsman. He took heaps of wickets this year as he worked hard to improve his accuracy. Also one of our big hitters, he scored plenty of runs this season. Angus Celebrated his 100th game this season. Congrats mate.

Another of our rep players, Harrison Lucas played a couple of games late in the season for us and was great to have on board. A skilful player, we look forward to seeing more of him next season.

Deshan's season was cruelly cut short by injury but will be remembered for his comeback game where he took four wickets, a run out and the catch of the year!

When Josh Newham returned from his rep commitments, he made an immediate impact. A great keeper and top order batsman, as well as a sharp cricket brain.

Liam Ridley ended the season our highest run scorer. When he gets going he can skilfully pick apart a bowling attack. His spin bowling was also great to watch and he often took valuable wickets.

Charlie Scholefield always gave 100% and made a habit of taking valuable wickets late in the innings with his subtle changes of pace. I look forward to seeing him bat at his best next season.

Quick witted Bailey Stevens was a popular member of the team with impressive all round skills and great one liners. I hope we see more of him next season.

Jay Tunnicliffe was one of our strike bowlers who always steamed in hard and fast. Took a bunch of wickets and wins award for best helmet, the canary yellow.

Top order maestro Hamish Windybank again scored plenty of runs for team Haddin. A reliable performer with flamboyant streak. His deeds with the ball were also impressive, our second highest wicket taker was McGrath like with his terrific line and length.

Special thanks to Josh Hegarty and Elliot Kerr for filling in on a number of occasions. Both the young blokes looked right at home with the big boys.

Thanks to all the team Haddin parents for your assistance this season, especially our scorers and umpires. And to our Manager Matt Cole, thanks for everything mate .The show just would not go on without all your efforts. Outstanding.

Go team Haddin, Go St Ives , see you next season.

U17 Martyn - David Ashton - Manager

The St Ives Lindfield Martyn Under 17 team had a challenging and different season from the norm. Firstly, the team was a meld of players from the two clubs. We had 20 players

St Ives District Junior Cricket Club Inc

on our original list but had another 8 players assist when we couldn't get a full team of 11 players for a game. We played two stub seasons rather than one covering the full Spring/Summer period. We won two games for the season but the boys enjoyed their cricket and always maintained a positive attitude. This was exemplified in the extended format game we played at Gillespie Oval. The opposition had scored well in their first innings and we lost wickets quickly when it was our turn to bat. We were being soundly beaten but on the second day with only 8 batsmen available the boys held out to the last few overs before losing our last wicket. It would have been easy to not value their wickets and give up but they hung in there to the very end.

St Ives District Junior Cricket Club Inc

St Ives District Junior Cricket Club Inc

MINUTES of AGM

Held at Hassall Park Clubhouse, St Ives

Tuesday 22nd May 2018

Attendees: Mahesh Malalage Andrew Stevenson Katherine Stevenson Adele Brennan Will Cheadle Louise Smith Mark Hilton David Lane	Apologies: Steven Bartlett Trent Austin Matt Cole David McKay Peter Wynn – Auditor Gabi Lockyer
---	--

President Thanks and Welcome <ul style="list-style-type: none">• Welcome committee to the meeting and thanks to Will C and Peter Wynn for completing the Financials for the season for the AGM• Another successful year for the club	MM
Confirmation of 2nd April 2017 AGM Minutes: <ul style="list-style-type: none">• Andrew Stevenson moved, and David Lane seconded the 2nd April 2017 AGM minutes to be a true and correct record of the meeting.	KS
President's Report: Some highlights of the season:- <ul style="list-style-type: none">• 658 registrations with 60 teams for this 2017/18 season• 3 Championship winners and 2 minor premierships	MM

St Ives District Junior Cricket Club Inc

<ul style="list-style-type: none"> • The introduction of the CA pathways to the club generated much discussion and much time and effort was placed on the members to increase understanding of the changes. A generally smooth transition, with many positive comments from parents and players. • Coaching spend was increased through introduction of the High Performance Squad (HPS), U9/10 and and Girls training. Other junior teams were given team training opportunities as well as clinics to provide an opportunity to create a larger skill base in the club. • On Ground Entertainment at Nth Sydney and SCG gave players an experience of being part of the professional cricket scene. Girls at the Nth Sydney Womens' Ashes Test, T20Blast and I2C at the Big Bash games at the SCG, and the Juniors at the Sydney Test in January. • The St Ives Girls team provided many highlights of the season. To see the girls grow in their enthusiasm and skill was a pleasure to watch. We look forward to the coming season and hopefully increasing the number of teams. To U12 and U15. • Bar and canteen takings were up to \$12K • SIJCC have many coaches that have done several seasons. A mentor program should be set up to spread this knowledge. • Finances – Admin costs down, coaching costs is up 3 fold. Good for Cricket generated \$5k, State grant \$17K • The increased use of Facebook and TeamSnap are improving the communication channels in the club. • 90% of respondents in the club survey would recommend the club • The committee has had another great season, with the opportunity of getting new members to spread workload and provide new ideas for the club. 	
<p>Treasurer's Report:</p> <ul style="list-style-type: none"> • The club has reported a \$14K loss for the 2017/18 season. There is still over \$60K in the bank, but the committee needs to be mindful that losses cannot be repeated for the longevity of the club. • Merchandise and Rego payments are down 8%. Merchandise has old stock that has been written off. Regos have down due to change of registrations within families – T20Blast (\$255) instead of Juniors (\$295) • Year end change of date to be moved to June 30 to give more time to get all funds and invoices in place for the whole season. WC to ensure all admin is in place to make this happen. Corporation document needs to be reviewed and a discussion with Fair Trading to ensure that the club is abiding by all the Constitution rules. A lawyer will be used to assist. The committee supports the move to change the Year end date to 30 June. 	<p>WC</p>
<p>Auditor's Report:</p>	

St Ives District Junior Cricket Club Inc

<ul style="list-style-type: none"> The auditor (absent) has signed off the club financials for the 2017/18 season and looks forward to the continued association with SIJCC.
