St Ives District Junior Cricket Club Inc

PRESIDENT'S REPORT 2019-20 SEASON

The 2019-20 season was an unprecedented one for many reasons. Many unforeseen events including the bushfires and COVID19 lockdown affected a number of rounds of the competition and the club presentation day was postponed at the last minute due to the government lockdown measures relating to the COVID pandemic.. Despite the challenges, the club continued to deliver on our commitment to junior cricket and the season was a success on many levels. Again, this was made possible by the amazing efforts of the committee, the parents and our players who continue to amaze us with their resilience and the spirit in which they play their cricket.

9 players played their 100th game for St Ives and I was privileged to present their trophies in person at their games. A further 21 players played their 75th game for the club and they will be awarded with a specially designed cap at the presentation day. Elliot Kerr became the first player in the club history to take 100 wickets and I was lucky enough to be the first to congratulate him as I was umpiring the game.

St Ives teams won 4 NSJCA championships and 3 minor premiers. A further 2 teams were runners up in championships. The club was well represented in the NSJCA rep teams with some notable individual performances by St Ives players.

It was another season of change at the administrative level where further changes were introduced by Cricket Australia to the junior pathways program. The club continued to deliver on our strategic framework milestones in partnership with the NSJCA, Cricket NSW and Sydney Sixers. We led the way in promoting the spirit of cricket with the appointment of Benson Riddle as our Ethics Officer, a first in Australian Junior Club Cricket to the best of our knowledge.

The season started with our annual open day in September 2019 where we were joined by the Sydney Sixers team, Kingsgrove sports, our local MP, Mr Paul Fletcher, our parents and players. It was great to see many new players and families there along with others who were coming back for another season of cricket with the club.

St Ives District Junior Cricket Club Inc

The games of the NSJCA competition started in October 2019 and continued until the finals in March 2020. The bushfires in November affected several rounds of cricket but we were fortunate enough not to be impacted by any bushfire damage even though we are surrounded by bushland in St Ives.

During the season break over xmas and new year, many of us from the club were frequent visitors to the SCG to watch the BBL games to support the Sixers and to watch Australia play New Zealand in the Sydney test. However, the highlight was the in-field experience where we played a quick game in the hollowed field in January courtesy of Sydney Sixers.

The annual dad's cricket game was a wonderful experience with everyone having a lot of fun and not pulling any "hammies"!

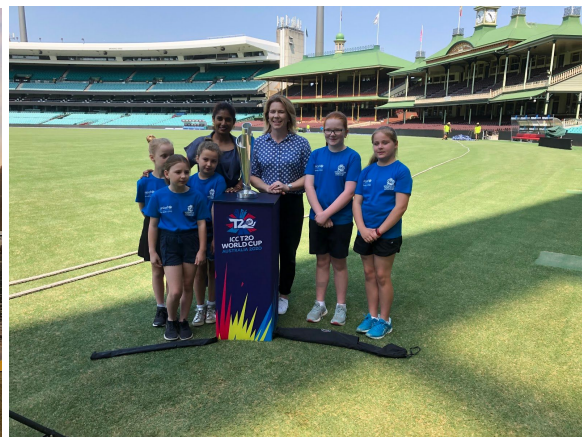

St Ives District Junior Cricket Club Inc

The womens' T20 world club provided a fantastic opportunity to showcase the club through two watch parties held at Hassall Park with the support of Cricket Australia. Our watch party footage made it into the Cricket Australia promotional video.

Players from the U11 girls teams had an once in a lifetime opportunity to climb the Sydney Harbour Bridge with Alex Blackwell and Michael Clarke as part of the T20 women's world cup celebrations.

St Ives District Junior Cricket Club Inc

A number of St Ives mums formed several teams to play social cricket at the Mark Taylor oval and by all accounts thoroughly enjoyed the experience.

In March, we were joined by our patron Chris Green at the end of season social event where we raised money for the new nets, played a few rounds of barefoot bowls and danced the night away to the tunes of KP and the Sunshine Band.

St Ives District Junior Cricket Club Inc

We were lucky enough to play the final rounds of the NSJCA competitions before the world changed with COVID19 lockdown. Unfortunately, we had to postpone the annual presentation day to September due to the NSW state restrictions.

On a personal level, the season was one of perseverance (to enable the game to progress despite the unforeseen circumstances) and continued connection to the players, parents and the community. I was lucky enough to spend a lot of time watching our players and meeting parents. The Friday evening training was a great opportunity to relax with a beverage after the work-week and watch the U9's/10's and the girls train at Hassall Park. My Saturday mornings were spent at Hassall Park with the Master Blast players followed by umpiring my son Janaka's game in the U14/15 comp. On Sundays, I was watching my oldest son, Deshan playing rep cricket for North Shore and was umpiring his games for U17 Haddin. These experiences reminded me of the great club we have built at St Ives and why we should make sure we continue to foster that community spirit within the club during this time of change.

St Ives District Junior Cricket Club Inc

In the report below, I have highlighted the key achievements of the 2019-20 season and the progress the club has made towards our strategic goals.

Players:

i. Cricket Australia junior cricket pathways program

Woolworths Junior Blast program offered an introduction to the game to 76 new players who developed their basic skills in the program run by David Ford at St Ives village green. We partnered with Lindfield Junior Cricket Club to run a successful master blast centre at Hassall Park on Saturday mornings enjoyed by 71 players. 37 players played in the U17 competition which is the highest number of players to play in the most senior level at the club in recent years.

Further changes introduced by Cricket Australia were incorporated in the competitions and the club provided support to the managers, coaches and the parents through coach the coach workshops, scorers' workshop and online information and tools.

ii. The club coaching strategy

The coaching strategy introduced two years ago continued with no major changes to the offerings. However, the club faced numerous challenges to the effectiveness of the coaching offerings but the investment in coaching continued with \$32,492 spent on coaching this season. We will review the strategy,

St Ives District Junior Cricket Club Inc

offerings and coaching providers ahead of the 2020-21 season.

iii. Development squads

The development squads concept was modified this season to just include the two day 40 over competition squads selected through a skills assessment process and supported with specialist coaching.

iv. Maintain player numbers and engagement

The total number of registrations was at 532 (on par with previous season) and the engagement of the players and the parents remained very high. Our annual survey indicated that the parents were very engaged with the club and majority of them would recommend the club to their friends and families.

v. Drive uptake of girls cricket.

This season SIJCC fielded four girls teams in the NSJCA U11 competition with U11 Perry, Lanning, Healy and Blackwell comprising a total of 30 girls (an increase of 11% over last season). Many more girls continued to play in the junior blast, master blast programs and some of the stage 1-2 teams.

The club maximized the opportunities with the Women's T20 world cup to engage more players and parents through two separate "watch parties" at Hassall Park where we watched the opening game and the finals of the world cup on the big screen in the club house. Many players and parents also watched the Australian team play at North Sydney Oval in the crucial semifinals game.

People:

i. Social activities at the club and match-day parental engagement.

The canteen, the bar and coffee van continued to provide weekly social events on Friday evening training sessions and Saturday morning Master Blast sessions which was well supported by the parents. Many teams utilized the club BBQ's to make the game day experience a positive one and create a family friendly atmosphere. We were able to secure additional BBQ's through a successful grant application.

The end of season social event in March was a huge success with the personal appearance of Chris Green who was kind enough to auction off another backyard game thus helping raise valuable funds for the cricket net development fund. We are very grateful for Kirsty Pearce and KP & the Sunshine band for their live music at the event. We are also very grateful for Harry Solomons of Kingsgrove sports for his generous donation of signed cricket bats and other cricketing memorabilia which raised additional funds on the night.

ii. Engaged & high performing committee.

The core group of committee members again supported the various initiatives throughout the season and the club is keen to engage other parents who can contribute to the progress of the club and we are looking for additional volunteers to join the team next season.

A very special thank you to Louise Smith for her unwavering commitment to the club and for the continued input within the committee. Thank you also to Adele Brenan for coordinating our uniforms this season, for

St Ives District Junior Cricket Club Inc

Chris Paulton and Andrew Stevenson for managing our equipment inventory efficiently, for Simon Gooderick for managing the various coaching providers during a significant period of challenge, for Will Cheadle for being diligent with our finances and returning a surplus again this season, for Mark Hilton for coordinating the Team Snap tool and engaging the Sydney Sixers to strengthen our partnership with them, for David Lane for coordinating the grants application process this season and for Benson Riddle for driving the on-field spirit of cricket and the NSJCA code of conduct as our ethics officer. Additional thanks to all the age coordinators who did a fantastic job getting the teams ready ahead of the season start.

Finally, a huge thank you to Katherine Stevenson who runs the operations of the club in an efficient and engaging manner that embody the spirit of the club in everything she does while providing enormous support to me as the president.

iii. Accredited coaches and long term engagement.

The club continued to offer a refund on the registration fees for anyone who was completing the Cricket Australia Level 1 accreditation. A coach the coach session was run at the start of the season to equip new coaches to learn the basics and set themselves up for the season. The club will continue to explore ways to support coaches and to provide additional training for new coaches.

Places:

i. Overhaul facilities at Hassall Park.

The club has a goal of securing funding for the re-development of the double nets at Hassel park. Ku-ring-gai Council has done a provisional feasibility assessment but we were disappointed to learn that the application for a critical grant funding was not successful. The council made repairs to the triple nets at the start of the season and the junior rugby club has been instrumental in renovations to the interior of the club house ahead of the season start.

ii. Access ALL available facilities grants and increase internal fundraising.

The club has mapped out potential grants opening up again this year post COVID19 restrictions and we will again work to secure available grant money this season. The committee will continue to explore future grant opportunities and work with the council to realise the plans for the nets.

Partnerships:

I. Strategic partnerships with Northern Districts CC and Sydney Sixers.

The partnership with the Sydney Sixers continued with the local Sixers representative Daniel Anderson working closely with the club. BBL in-field opportunity in January where 75 players took part in a series of modified games at the SCG was a key highlight. The MOU with the Sixers is being reviewed and a pre-season planning meeting has already taken place in readiness for 2020-21 season.

The club continues to explore opportunities for players to forge a pathway to senior cricket at Northern Districts.

St Ives District Junior Cricket Club Inc

II. Foster close links with Cricket NSW and NSJCA

The club continues to work closely with CNSW to implement the changes to the pathways program through coaches and scorers education. Graeme Thom has continued to work closely with Cricket Australia in the development of the new score books and MyCricket scoring app.

The club is well represented at the NSJCA executive with myself as the Vice President of NSJCA and as the umpires and rules convener supported by Greame Thom.

I. Maintain close links with St Ives Wahrenonga CC to create pathways to senior cricket.

The club continues to maintain close links with the St Ives Wahrenonga senior club through regular executive meetings and through opportunities for U15 and U17 players to play in the 5th grade team.

II. Maintain close partnership with Ku-ring-gai Council.

The club maintained a close professional relationship with the council and the mayor, Jennifer Anderson was invited to the presentation day. The club will increase our lobbying for the development of facilities at Hassell Park, especially the renovations of the double nets.

III. Create new opportunities for sponsorships with local businesses.

Engaging local businesses as sponsorship partners remains a top priority for the committee for the new season as the previous sponsorship deals has come to a conclusion.

Promotion:

i. Drive girls cricket promotion with Cricket NSW & Sydney sixers at local public schools.

The combined efforts of Sydney Sixers activity, CNSW support and word of mouth of the success of last season resulted in an increase in the uptake of girls registrations. The T20 women's world cup was fully utilised as a promotional opportunity locally to engage new families with young girls who would be interested in playing cricket.

ii. Deliver match day / on ground entertainment experiences via Sydney Sixers and CNSW.

The infield activity in January and the bridge climb for the Women's T20 world cup were once in a lifetime experience for the girls and boys who took part in them. The club will again explore more opportunities next season to extend watch parties at Hassel Park during BBL away games for the Sixers.

iii. Increase traffic to the club Facebook page and additional user generated content.

The Club Facebook page likes have increased to 369 this season which is a 14% increase over the last season. During the COVID19 lockdown period, the club Facebook page has been a source of connection to the game which was appreciated by many parents.

St Ives District Junior Cricket Club Inc

iv. Maximize the utilisation of MyCricket, TeamSnap and Website.

TeamSnap was the main source of communications with the teams on match-day logistics, team selections and general communications. The club website content was regularly updated and is now fully functional within the MyCricket platform thus providing a seamless connection to the Cricket Australia online resources.

v. Multi-channel marketing integrating digital and traditional channels.

The local parent network and word of mouth continue to be the strongest recruitment driver and source of advocacy for the club. This complemented the digital platforms such as Facebook, Website, Team Snap and MyCricket platforms which are all aligned to a seamless communication strategy to provide timely information to the players and parents through digital and traditional means. As we approach the next season other virtual means such as Zoom, WebEx and Teams will be explored to disseminate scorers training, coaches and umpires workshops.

President's Encouragement Award

One player from each U10/11 team was nominated by their managers for the President's Encouragement Award. This award is a reflection of the way cricket is played at St Ives Cricket club and is presented to the player who is considered to have displayed the greatest dedication to the game, to the Club, and in developing their skills in the U10 and U11 competition.

The following players were nominated by their respective team managers.

U10 Green - Gregory Alexander

U10 Handscomb - Jenson Whitby

U10 Zampa - No award

U10 Harris - Felicity Bartlett

U10 Bradman - Percy Page

U10 Khawaja - Noah Wadeson

U11 Abbott - Jorja Horan

U11 Smith - Lachlan Waltham

U11 Starc - Malachi Cowdery

U11 Edwards - Tristan Pomeroy

St Ives District Junior Cricket Club Inc

U11 Lanning - Lydia Robertson

U11 Perry - Chloe Ou

U11 Healy - Emma Williams

U11 Blackwell - Emily Lovelock

The winner was Jorja Horan who embodied the spirit of cricket and continuously improved her game with humility and enjoyment. Well done Jorja, you made us all very proud.

In conclusion, I would like to thank the committee for their ongoing support and commitment to the club. My thanks go out again to Katherine Stevenson who has again gone above and beyond in her role as the operations manager.

A special thank you to all the parents of the club who volunteer for various roles in their teams and who drive their kids every weekend to and from the games and cheer from the sidelines. They make the match day experience a special one for our players.

I also wanted to say a special thank you to our club patron, Chris Green who has made every effort to be part of various club activities despite his busy schedule. During a time of personal trial, he made a personal appearance at our end of season social event and spoke of his fond memories of playing cricket at St Ives. He has been generous with his time as always and continues to be a role model to our players.

Our club continues to play a critical role within the NSJCA and we have been acknowledged as one of the most progressive clubs in the state by CNSW and the Sydney Sixers. The strong registration numbers show the continued faith parents have placed in the club and we will aim to lead within the new normal imposed on us by COVID19 restrictions. The club will be ready to provide a safe and enjoyable environment to our players and parents when we start playing cricket again in October.

Mahesh Malalage

NSJCA REPRESENTATIVE CRICKET 2019/20

All juniors playing for St Ives Junior Cricket Club are eligible to trial for the representative team in their age group. Our Club had another strong representation in this Season's North Shore Junior Cricket Association representative teams.

DCA Reps: Each year, associations from all parts of Sydney, Newcastle, Wollongong and the ACT enter teams in the NSW Districts Junior Shield representative competitions (DCA).

IDCA (Presidents Cup) Reps: The Inter District Cricket Association (IDCA) runs this rep competition designed to give players with potential the opportunity to play the game at a level between the Association and DCA standard.

ST IVES JUNIOR REPRESENTATIVE PLAYERS 2019/20:

Congratulations to the following St Ives Junior Cricket Club members that were selected:

Age Group	DCA Rep	Presidents Cup Rep	Shadow Player
U12	Lachlan Bartlett	Luke Austin, Myles Kapoor	
U13	Callum Parkinson	James Bouwer, Jack Bray, Aarya Vignesh	
U14	Joel Austin	Elliot Kerr, Vasili Sotiropoulos	Harrison Milne
U15	Charlie Anderson, Trystan Kennedy	Kieran Brennan, Ronan Brennan, Lance Haffenden, Alex Holland, Jack Osbourne	
U16	Jakob Biet, Johnny Fourie, Deshan Malalage, Will Shortis, Thomas Wright		Harrison Davis, Harrison Moon

St Ives District Junior Cricket Club Inc

2019/20 INDIVIDUAL AWARDS - PERPETUAL AWARDS

Awards are based on performances throughout the normal competition rounds. Semi-Finals and Finals performances are not included for the purpose of determining awards. Perpetual awards are to be held by registered members of the Club only. Perpetual trophies shall be returned to the Club Registrar immediately when a player ceases being a registered member of the Club, or at the end of the following season prior to Presentation Day.

JOHN WALSH MEMORIAL TROPHY (Club Champion): Awarded to the player who achieves the highest point score for the season (0.1 point per run scored, 1 points per wicket, catch, stumping, or run-out, 0.5 points per assisted run-out). All age groups are eligible. (Note: This trophy shall be held by a player once only; a player who has won the trophy once and scores the most points in a subsequent season will be acknowledged appropriately by the Club).

J. MAUNDER CUP: Presented to the player who scores the most runs in the season. All age groups are eligible. If two or more players score equal runs, the award will be shared.

CHARLTON CUP: Presented to the player who takes the most wickets in the season. All age groups are eligible. If two or more players take an equal number of wickets, the award will be shared.

BARRY GARROD TROPHY: Presented to the player who achieves the highest batting average in U11 and U12. A minimum aggregate of 200 runs must be scored for U12, and 150 for U11.

NEIL MARTZ TROPHY: Presented to the best performing wicket keeper for the season (total of catches and stumpings). All age groups are eligible.

PRESIDENT'S ENCOURAGEMENT AWARD: Presented to the player who is considered to have displayed the greatest dedication to the game, to the Club, and in developing their skills in the U10 and U11 and U11 Girls competition. The Award is determined by the Club Executive on advice from each of the eligible team manager's recommendations.

STEVE DANIELS MEMORIAL TROPHY: Presented to the player judged to be the most promising in the Club, ready to play in the senior competition. It has been traditional to select a player from the Club's most senior teams, and the Committee when making the selection takes into account the player's history and performance over a reasonable period of time. All aspects of the game are considered including batting, bowling, fielding, captaincy, sportsmanship and contribution to the Club.

JOHNSON FAMILY AWARD: (sponsored by Northern Districts Cricket Club): Presented to the player judged to be the most promising playing in the U13/14 competition. The Committee, when making the selection takes into account the player's history and performance over a reasonable period of time, including performance in Representative cricket. In addition to a perpetual trophy the recipient receives a scholarship for the Northern District Cricket Academy for the following season.

STEVEN BIRD GIRLS' CHAMPIONSHIP TROPHY: Awarded to the female player who achieves the highest point score for the season (1 point per run scored, 10 points per wicket, catch, stumping, or runout, 5

St Ives District Junior Cricket Club Inc

points per assisted runout). All age groups playing Girls' only cricket are eligible.

AGE GROUP CHAMPIONS: Awarded to the player who achieves the highest point score for the season in the John Walsh Memorial trophy tradition. Awarded to the player who achieves the highest point score for the season (0.1 point per run scored, 1 points per wicket, catch, stumping, or run-out, 0.5 points per assisted run-out). All divisions in that age group are eligible.

100s, HAT TRICKS and 5 WICKETS IN A GAME: trophies are awarded to individuals who score 100 runs or take a hat trick or 5 wickets in a game during the season.

BATTING and BOWLING AWARDS: are made to the highest aggregate run scorers and wicket takers in each team. These stats are taken from MyCricket. If players are equal on aggregate, the best average is awarded the trophy.

SPIRIT OF CRICKET AWARDS: is awarded to a player in each junior team who has played the game with a sense of passion and willingness to improve. This award is given to a player that does not necessarily have the most wickets, runs or catches.

U9's/U10/U11/Girls PARTICIPATION AWARDS: Each U9-11 Stage 1 and Girls teams are awarded a participation trophy.

OTHER AWARDS: Medallions are awarded to all members of Minor Premiers and Premiership winning teams by NSJCA. The Club also awards Minor Premier caps to each team member of Minor Premier teams (teams finishing on top of the table before the finals begin). The 75 cap is given to a player to commemorate the 75 matches or more they have played with the St Ives. The 100 game trophy was introduced this season. This is awarded to players who have played 100 games with SIJCC.

President's Encouragement Award (U10/U11 & U11 Girls)

The 2019/20 Team Nominations are below:

Nomination
U10 Green - Gregory Alexander
U10 Handscomb - Jenson Whitby
U10 Zampa - No award
U10 Harris - Felicity Bartlett
U10 Bradman - Percy Page
U10 Khawaja - Noah Wadeson
U11 Abbott - Jorja Horan WINNER
U11 Smith - Lachlan Waltham
U11 Starc - Malachi Cowdery
U11 Edwards - Tristan Pomeroy
U11 Lanning - Lydia Robertson
U11 Perry - Chloe Ou
U11 Healy - Emma Williams
U11 Blackwell - Emily Lovelock

Jorja Horan - She gives everything to the game & helping her teammates. She is playing up a level against the boys in U11 (when she is still U10's) as well & has helped out U12 Wade a couple of times, never taking a backward step. She has improved across all aspects - batting, bowling, and fielding. This may not always show on the scoreboard. There is always a happy approach & critical thinking of the game. Jorja has always put on 100% and is not worried about her individual statistics, though she took delight in breaking a bail. In the Semi-Final she was called on to bowl the second last over, taking a vital wicket under pressure. No celebration was made by Jorja, just headed back to her mark to bowl the next delivery. This is the way she goes about the game - playing for her team, enjoyment & improving her game as well as her teammates.

INDIVIDUAL STATISTICS BY TEAM 2019/20

Please go to <http://mycricket.cricket.com.au> for your team and individual game and season stats.

St Ives District Junior Cricket Club Inc

TEAM REPORTS - a selection are below:-

Junior Blasters

Junior Blasters started off with many players joining the sport for the first time. Players were put in 8 teams of approx 10 players - St Ives Heat, Hurricanes, Renegades, Sixers, Stars, Strikers, Thunder and Scorchers. David Ford and his team of young grade cricketers skillfully spread their passion for the game. Players spent time at several stations learning fielding, batting and bowling skills. Some diamond cricket was used to bring all the skills together.

Master Blasters

This format is held at Hassell Park St Ives with the Lindfield Cricket Club, which is transformed into 8 playing fields. 8 St Ives Teams (St Ives Bradman, St Ives Lara, St Ives Ponting, St Ives Tendulkar, St Ives Warne, St Ives Kohli, St Ives Kallis and St Ives de Villiers) and 8 Lindfield teams play against each other. There is a skills zone held at the Hassell Park centre wicket, whereby U17 players Deshan Malalage and Angus Stevenson provide bowling and batting tips to the players. Matt Cornish (formerly CNSW) is a roving coach who ensures the matches run smoothly. Mahesh Malalage and Katherine Stevenson provide club support with the setup of the game layout, introducing the session each week, and covering any player or parent questions about the format.

St Ives District Junior Cricket Club Inc

St Ives District Junior Cricket Club Inc

One team from this format moved into the U9s in February for a taste of what lay ahead in the following season. They loved it!

U9 Gardiner - David Barker Coach, Shelley Wong - Manager

The U9 Gardiner team had a lot of fun this year and took great improvement from the start to the end of the season. Whilst the team had plenty of wins and losses, their support and encouragement for each other was the standout feature of the season. We learnt the basics such as “getting your foot to the pitch of the ball” and “brushing your ear while bowling” but it was the self taught ramp shot that seemed to get the most practice in the nets.

Special thanks go to Shelly Wong as the team manager and chief ice block supplier, not sure how the kids would go without the post match Zooper Dooper. I thoroughly enjoyed coaching the boys and took just as much enjoyment out of seeing them improve as they did playing.

St Ives District Junior Cricket Club Inc

U11 Girls St Ives Perry - Manager David Wise Mann

This was the first season of playing cricket for most of the girls on team U11 PERRY and it is fair to say the first few games were a steep learning curve, however the U11 girls competition has provided a really good environment for the girls to develop their individual and team games, all opposition teams have been very friendly and the games fairly relaxed (some may have got a bit exciting towards the end of the season!). The team has become a very close unit over the season, this was demonstrated clearly when we tried to split them up for a game and they were not happy at all! It has been great to see the quality of cricket improve consistently throughout the season, all the girls have come a long way from that first game and hopefully have taken away more than just improved cricket skills from the season. The parents should also be thanked for helping out with scoring, umpiring, coffee runs, etc. It has been a real pleasure and I'd be happy to be involved again next year.

U10 Zampa - Coach Andy Darbin

The 2019/2020 season started with the same core crew as the previous year. During the off-season there was lots of hype and the 2018/2019 Zampa crew were happy to include 4 new lads into the fold. My plan to have a rolling selection of captaincy always brought a smile to the boys' faces and an extra zip to their individual performance on the day.

The Zampa crew started off keenly, wanting to know about the spin wiz himself "Adam Zampa", alas they

St Ives District Junior Cricket Club Inc

graduated back to "hard and fast" which they found easier due to the size of their fingers and hands in relation to the ball. As line and length was perfected (hitting the pitch) they were introduced to the techniques of the bewildering out-swing and in-swing. Reminiscent of the 1932-33 England V Aus Ashes tour known as "body line". Very nerve racking to watch. Lads... "hard and fast" is your game, and stick to it.

Pad up it's time to bat. We were off to a good start, hitting the ball sweetly. Yes, pulling the ball where cut shots were the more desired stroke but the lads were scoring anything from 1 to 4 runs a ball, so happy days. As the lads learnt the language and stroke play of cricket, the smiles grew bigger as they played the cut shot to a cut shot delivery and walking off from a beautifully played drive - with only one bounce for four runs - from their last faced delivery for that week was a treat.

As a parent I often wonder about kids watching too much TV, and what they actually get out of it. As a coach, the Zampa lads displayed skills only seen on TV - well at least none of my training drills included The Ramp or a Switch Hit - yet I witnessed these skills utilized with pinpoint accuracy!! Thanks T20 teams.

It was great to see their desire to bat, trying their best even after the loss of a wicket, but I'm not sure if I have done enough to prepare them for the honest truth of the coming years and "once you're out, you're out".

The Zampa team spirit runs deep, with great effort and dedication coming from many parents, and Liz our manager for keeping us all informed of regular ground changes. Week-in week-out many parents stepped up to help the team - be it scoring, umpiring, an extra hand at training, or getting the boys ready to play, and the all important fruit and lollies. This team could very well be called "Tetleys" the great all rounders.

It was great to be a part of a very genuine team of young gentlemen, with great caring families.

U9 Henriques - Marianne Pomeroy - Manager, Mr McGill - Coach

The team developed from a group of kids who had never played cricket in this match format before, who didn't really know each other that well (except for 3 Bush school boys) to a well rounded enthusiastic team who are everything in that sense. They have come a long way from the multiple 7 painful overthrows of the first game, to the fantastic win and classic catches and backing up, in the final game.

We were grateful for our South African contingent (who just arrived in the country this year) - Perry and Lars- who's batting skills and precision bowling helped set the standard for the team. Joshua and Zayd also need special mention for the development of their excellent batting skills and bowling. Most improved would go to Rex McGill who made a great effort in training and was reflected in his improved performance over the season. Liam C and Liam W brought a great positivity to the team as well as their ongoing improvement in skills which solidified the skills of the eager team. Last, but not least, we need to mention Rohan who we missed due an international relocation.

Special mention to the parents who helped make the magic of the team happen. Liam W's mum ensured the sustenance of the boys at each and every single match, bringing the fruit and treats each time. Rex's Dad who played the essential role of coach and umpire on the match days. And the mums who helped juggle the kids to training and games all over the north shore each week. We couldn't have done it without them! We loved seeing the mateship of the team grow over the season and encourage the boys to keep up

St Ives District Junior Cricket Club Inc

those skills off season so they can start again next season firing!!!

U10 Handscomb - Manager Ali Graham, Coach Nathan

What a fantastic 2019/20 for the boys in U10 St Ives Handscomb!

Aaron, Andre, Aryan, Henry, Jack, Jenson, Josh, and Keagan all started out with varying levels of cricket experience, and under the guidance of Coach Nathan, they have developed their skills considerably.

The bowling attack each week was spear-headed by our quicks, Aryan, Andre and Jenson, who seemed to pick up pace and more wickets with each match. We had a number of genuine all-rounders, led by Henry

who was consistently impressive with ball and bat in hand. Keagan and Aaron proved themselves in the field with impressive run-outs thrown in from the boundary, along with Josh and Jack who loved to swing the bat hard, and also provided a safe set of hands with wicket-keeping duties.

Most importantly, the boys have really enjoyed their cricket this season. From excited wicket celebrations, to encouraging sideline banter, and much enthusiasm in the nets at Friday night training. They endured all conditions from the 40 degree scorcher, to rain and soggy pitches the next week, but throughout it all the team

showed up each week and put their best foot forward to represent St Ives.

Well done boys, thank you Coach Nathan, and we look forward to next season!

U10 Khawaja - Michael Rudd Coach, Robyn Barwell - Manager

The boys have really enjoyed their cricket and have improved tremendously since the start of the year. They have won more games than they have lost and most importantly have always played the game in the right spirit. Thank you to all the parents who have contributed throughout the season. You all have been very generous with your time and have made the coaching enjoyable. A very big thank you to our wonderful manager Robyn Barwell who was always very organized and never missed anything during the year. I hope to see all the boys back for next season

The Team

Adi Padhi: A very fast Bowler who's batting has improved throughout the year.

Alec Barwell: Very accurate bowler who is reliable with the bat.

Finn Burton: Bowling has really improved this year. Great wicketkeeper and opening bat.

St Ives District Junior Cricket Club Inc

Hamish Gill: Very reliable bowler and batsman who took some great catches this year.

Hugh Miller: Our go to wicket keeper with the best cover drive in the competition! Handy gum man!

Noah Wadeson: Consistent wicket taker who smashes the ball when he keeps his head down.

Tobias Ridley: Took 4 wickets in one over and can really find the boundary when required.

William Rudd: Batting is very consistent. Took many great catches & wickets this year.

Zach Fourie: The master blaster, who's leg spin is now a very dangerous weapon for the team.

U11 Abbott - Antony Horan - Coach

U11 Abbott had a season of learning. Many had never played formal cricket before, 2 were young for the age group who could still play

U10's, and a few of the players left after Christmas for school competitions. We had one game with all 10 players available and made it work, another game we had only 6. Abbott lost the game with 10 but won the game with 6. There were many close games, however only a few went our way. Those that went our way were when the team fielded with enthusiasm, runouts being the most popular wicket taken. As the season went on, the catching improved as well as the communication by all (sometimes to the point of confusion – "Bowler", "Keeper" merging into one). Many memories were made;

Team Highlights include:-

Jorja breaking a bail when bowling – perfect delivery hitting the top of off stump, Jorja again having a direct hit from side on and 30m out for a run out

Arki creating a run-out from Fine leg with a sublime pick-up and throw to the keeper

Lucas taking the initiative in the field and moving into a position to take the catch that helped win the semi-final

Daragh creating 3 run outs in the one game

Ollie's calm demeanour

Jack turning into a wonderful opener with nothing flustering him

Rob's look on his face when he took a wicket

Henry understanding power in batting is not everything

Will's eagerness to learn

Hugh's enthusiasm for the game, especially when he took 2 wickets in 2 balls

Even though we didn't win many games, we won our semi-final and played in the Grand Final. The team won by doing the little things well – taking the single, watching the ball, talking in the field and making the best of their opportunities. The calmness of Ollie, the enthusiasm of Lucas, Daragh and Jack never giving up, the best game Rob produced for the season, the perseverance of Arki and the bowling under pressure of Jorja all contributed to a 9-run win. The parents all chipped in throughout the season and it was appreciated with helping out in umpiring, scoring and general help.

It was a pleasure watching each of them grow, not just as cricketers, but as a team who supports each

St Ives District Junior Cricket Club Inc

member.

U11 Smith - Susie Wintzer - Manager

We were happy to welcome team mates and some new faces to the 19/20 Season and what a season it was!

The St Ives U11 Smiths started strong with wickets falling and runs flowing.

Half way through the team lost to some strong opposition which pitched us low on the ladder however without fail, some resounding strength & the welcoming back of a long missed player St Ives Smith was back! Coming home with a wet sail the team demolished the top two teams 2 weeks in a row bringing them back to finals contention. St Ives Smith will no doubt come home with the silverware but as a team the players, mums & dads and the proud coaches are all proud of a fantastic season. Congratulations to all!

U11 Healy - Peter Smith - Coach, Jo Fisher - Manager

2019/20 New team, new faces, new to cricket.

Not long into the season the girls started to gel together, began to help each other out, especially the hot days! As the season went on they improved their skills and in turn their confidence and with that came more enjoyment and their ability to give it a go and take some risks and see the rewards with improvement in all aspects of the game.

We are finishing the season well with a grand final placing and solid friendships and strong passion for the game. We also had great support from the parents with ongoing commitment to support the girls and our game. The girls all have a solid base to continue on with their cricket next season.

U12 Langer - Craig Armstrong - Manager, Andrew Stevenson - Coach

As the 2019/20 Cricket season draws to a close I would like to reflect on what an amazing season it has been for the St Ives U12 Langer team. To start I would like to extend my gratitude and thanks for the amazing support from the parents.

Each week you are able to get the boys to training and the games, you have all played a role in bringing the sausages, cooking the bbq, scoring and umpiring and just being there to support your sons and the team. It is this support from the parents that creates a wonderful environment for our kids to enjoy the game of cricket. In particular I would like to thank Craig Armstrong for his fabulous management of the team in organising us all each week. To the players in the team it has been undoubtedly a hugely successful season.

Here are a few stats collected over the season up to Round 16: 13 wins, 1 loss and 2 draws (weather). We scored 1168 runs and had 983 scored against us. This was the lowest number of runs conceded by any team. We took 87 wickets (18 being run outs) but only lost 49 wickets again the lowest in the competition. We won 3 tosses and batted 1st in 3 games. We faced 1089 balls, hitting 131 boundaries with 48 Not Outs and 35 Did Not Bat. We bowled a total of 232.1 overs and conceded 84 byes and leg byes. One of the most pleasing aspects behind all of these stats is that every player contributed to these stats.

I think reflecting on the season is best summed up in the second last game of the season at Blackman Oval. In this game all 9 players were involved in taking a wicket as either the bowler, taking the catch or affecting the run out. This was one of the most all round performances of the boys with a floorless display of fielding and focus in the field. It was the culmination of all the great work the boys have done through the season in developing their skills as all round cricketers.

It has been an absolute pleasure to coach the boys again, and I would like to acknowledge each one of

St Ives District Junior Cricket Club Inc

them for their outstanding character and approach to their cricket this year. They have all improved as cricketers, and grown young men.

Thank you for such a pleasurable season.

Luca Booth, Logan Ting, Hamish Thomson, Eddie Hallett, Carter Armstrong, Ryan Manuel, Brandon McLean, Ewan Stevenson, Archie Grey, Cameron Watts, James Boots and sub Leo Castles.

U12 Bradman Trent Austin - Coach, Daniel Roland - Manager

It has been an absolute pleasure to be involved with such a talented team of young cricketers this season. Every team member has shown us their love of the game, commitment to 100% effort and team spirit throughout the season.

The team is comprised of a group of more senior leaders with some younger and equally talented players

St Ives District Junior Cricket Club Inc

stepping up to 40 over long-form cricket for the first time. We have been fortunate to have Ian Charles as a professional coach to help the team and have certainly seen the results with the team doing St Ives proud by topping the ladder after completion of the regular season.

Home ground has been the tiny Toolang Oval. This has been a favourite for some of our senior batters who have been able to clear the boundary on a regular basis. But it has also meant the bowlers have had to be disciplined to pitch the ball up, as anything loose gets punished. Highlights have included a brisk 291 at a run rate of over 7 per over against Lindfield, and an outright victory over North Sydney (i.e. 16 wickets in 51 overs).

The U12s Benaud team enjoyed a successful 2019/20 season reaching the semi-final of the competition only to unfortunately lose out to a strong Lane Cove team.

At the start of the season we welcomed some new faces to a squad where roughly half the boys knew each other from previous campaigns. The first few weeks were spent getting to know each other and the boys very quickly learnt to bond and gel as a cohesive cricket unit. During the first month of competition the coaching team was delighted how the boys responded to onfield challenges, particularly when it would have been so

easy to get despondent when early results in Division 1 didn't go their way. This was a good sign the boys were playing as a team and not as individuals. There were the inevitable teething problems but with such a strong team spirit these early hiccups were quickly forgotten as the team embarked on a run of consistent performances to take us almost in reach of the Division 3 trophy.

There were some outstanding performances this year across batting, bowling and fielding and with their hard work we are confident the boys will only get better and better as they continue on their cricket journey. Mike and I want to thank all the parents for their support and encouragement without which the boys certainly wouldn't have enjoyed such a memorable season.

U11 Blackwell - Manager David McKay

The girls in U11 Blackwell had a most remarkable season in 2019/20, both on and off the field. Interestingly, the girls started the season in U11 Perry, which was then split into two teams after Round 1 (U11 Perry and U11 Barty), before U11 Barty was renamed U11 Blackwell for the remainder of the season after some of the players met Alex Blackwell at the launch of the UNICEF/T20 World Cup partnership at the SCG in December.

The decision to split U11 Perry into two teams was made in response to a team from another club withdrawing from the U11 Girls competition after

Round 1. Instead of creating a bye, the NSJCA approached St Ives, which had three teams in the U11 Girls comp to ask if we could create a fourth team, which we did, in anticipation of new registrations arriving,

St Ives District Junior Cricket Club Inc

which they did. The U11 Blackwell team consisted of Alice McKay, Amira Wormald, Emily Lovelock, Gemma Whoolley, Imogen Cran and Kathryn Grundy.

The girls' skills improved tremendously during the season, especially in relation to their game sense in walking in with the bowler, backing up when fielding, and stealing many quick singles (and twos and threes) with their opportunistic running between wickets.

Spending Saturday mornings with U11 Blackwell was often the highlight of my week. The enthusiastic spirit with which the girls played their games, and the friendly nature of all players and coaches in the U11 Girls competition, meant that the girls played their cricket with a focus on fun, skill development and participation. Winning and losing did not matter in the equation of success.

Having said that, U11 Blackwell did manage to win some games during the season, which was terrific to see after recording a winless season as U11 Perry the previous year in 2018/2019.

Some standout performances included:

Gemma - 203 runs, and the leading run scorer in the competition.

Alice - 180 runs, and the second leading run scorer in the competition.

Emily scoring 17 runs against North Sydney

Kathryn scoring 15 and taking 2-8 against Lane Cove

Amira taking a fantastic catch at square leg against Mosman off a powerfully hit pull shot.

Imogen taking 2-14 against Epping

Off the field, some of the girls were lucky enough to participate in promotion activities for the T20 World Cup. Gemma was the face of UNICEF during the T20 World Cup, and interviewed Alex Blackwell and Rachel Haynes at North Sydney Oval before the tournament. Alice and Kathryn took the T20 World Cup trophy to the top of the Harbour Bridge with Alex Blackwell and Michael Clarke, which was an incredible experience. Like all volunteer run activities, the team couldn't run without the help of the many parents who umpired, scored and helped with the warm ups, boundary markers and general activities of Saturday morning cricket. Thanks for everyone's help and support, it was greatly appreciated.

Thank you to Mahesh, Katherine, Mark and Louise and everyone on the committee for another great season of junior cricket.

St Ives District Junior Cricket Club Inc

Have a great off season, and we'll see you again in U13s in 2020/21.

U14 Haddin - Coach: Mark "Hilto" Hilton Manager: Kath "Stevo" Stevenson

It has been a great year for U14 Haddin. We went from 1 win all season (but heaps of fun playing cricket) last year to 9 wins for the season. We finished 3 rd on the ladder and were very unlucky that the semi was rained out as we had just posted one of our best ever scores of 0/184 in 20 overs just the week before! But this season, like most of our seasons is more about the team than the result.

We had the core Haddin members in Akhil, Dilan, Jack, Lachlan, Lochlan, Luke, Oliver and Toby (or Knoxy,

Dils, JB, Watto, Stevo, Lukey, Frenchy and Tobes) but with a couple of team members moving on we had the chance to invite Torben (Cookie) Dom, Sol and Hunter (for a few rounds into the team). Unfortunately due to the shortness of Dom and Sol's names we don't have nicknames yet but these will be homework for next season. Like every year, the boys played with a great spirit, we saw everyone improve with mandatory retirements during the season from JB, Luke, Dils, Dom, Frenchy and Stevo and Torben, Akhil, Dils and Toby all getting 7 wickets or more across the season. Dom took an amazing 8 catches!

Our Batting award this year goes to Ollie French on 297 runs. Our Bowling award this year goes to Torben Cook who took 11 wickets coming 2 nd in the competition. Our Spirit of Cricket award could have gone to a few people but in the end we went with Sol Dewhurst who had plenty of ups, a couple of downs but never lost his cool and always wanted to improve and do right by the team.

The Team:

Lochlan Stevenson – 14 Games, 304 Runs, 3 Wickets, 5 Catches & earned his 75 game cap

Oliver French – 13 Games, 297 Runs, 3 Wickets, 3 Catches and earned his 75 game cap

St Ives District Junior Cricket Club Inc

Dilan Hilton – 14 Games, 198 Runs, 7 Wickets, 4 Catches and earned his 75 game cap

Dom Fraser – 14 Games, 147 Runs, 6 Wickets, 8 Catches

Luke Rusbourne – 13 Games, 230 Runs, 2 Wickets, 5 Catches

Torben Cook – 13 Games, 43 (430) Runs, 11 Wickets, X Catches

Toby Collinson – 13 Games, 85 Runs, 7 Wickets, 4 Catches

Akhil Venkatesh – 13 Games, 36 Runs, 9 Wickets, 2 Catches

Jack Bray – 6 Games, 53 Runs, 5 Catches and 3 Stumpings

Sol Dewhurst – 13 Games, 37 Runs, 4 Wickets, 2 Catches

Lachlan Watts – 12 Games, 18 Runs, 4 Wickets, 2 Catches

Hunter Lindsay – 2 Games, 18 Runs

Finally, Kath and I (in our 6th year of coaching/managing this team) have again enjoyed the experience, not only watching these boys become men, but forming great friendships either old or new with our parent community. Each game is like a family picnic and win, lose or draw the team walk away winners and for having this support around them.

U14 Hughes - Daryl Katz - Manager, Jeremy Roberts - Coach

A really enjoyable season for the U14 Hughes team saw some really top notch performances. Boasting a brilliant bowling attack featuring pace, swing and spin, the boys bowled many weeks without luck, but secured wins over all of the top teams over the duration of the season. They showed increasing maturity and leadership, taking responsibility for on field decisions and tactics. The season ended with consistency improving, and it would have been great to test this for another few weeks. The boys bonded well together, and we hope to continue our journey next season.

U14/15 Starc - Benson Riddle - Coach, Angela Hamilton - Manager

2019-20 marked the sixth season together for Team Starc. And though we made the move back to the T20 format, a lack of Saturday morning teams meant we became part of a 4-team, composite-age competition, with the extra challenge of competing against boys a year older. As a result the season was character-building as always, with the boys either losing by a few runs on a number of occasions – or even tying once – against our arch rival North Sydney. Unfortunately we never were able to achieve that elusive victory over them, but the entertainment factor, and fantastic spirit in which these clashes were played, was indeed a credit to both teams.

Seeing the growth in confidence and ability of the boys this year was so rewarding, and no more so than in Kai Shreiber-Pitters, who we were so lucky to have join us full time this year after filling in a few times last season. Kai's superb all-round efforts with bat and ball secured him our honour of Player of the Season – in fact he had almost double the amount of points (coach awarding 3, 2, 1 every game) to his nearest rival. Well done Kai! AJ Hamilton's laconic batting style really came to the fore this season, knocking out some superb innings; the ever-dependable Rhys von Thien flew under the radar as always with consistency across the season; and Ewan Allabush's blustering innings of 32* consisting of just 8 boundaries was definitely a highlight. But special mention must also go to our winner of the Spirit of Cricket trophy, who was yet another new addition to our team following some appearances last year – Paddy Miller. Paddy's cheeky quips, boundless enthusiasm, and never-say-die attitude makes him a most deserving winner of an award

St Ives District Junior Cricket Club Inc

that means so much in a game that's very foundation is its Spirit.

As always none of this could be possible without our "Uber drivers", "caterers", "umpires", "scorers" and ever reliable "groupies" ... parents you know who I'm talking about. And a special shout out to manager Ang, who's really the one responsible for holding the whole show together.

In a season marred by bushfires blazing across the country, and ending at the dawn of a worldwide lockdown period none of us will ever forget, it reminds us that it's friends and family that actually makes life worth living. And in Team Starc, we've been fortunate enough to find ourselves with friends – and indeed our own little family – and it is that which is the past six seasons' best achievement of all...

Players: Ewan Allabush, Vyom Arora, Ari Berman, Angus Hamilton, Marlon Kesby, Paddy Miller, Callum Parkinson, Josh Riddle, Kai Shreiber-Pitters, Rhys von Thien, Calum Watson.

U15 Hussey - Tracy Poulton - Manager

U15 Hussey is a team that epitomises the role of friendship in sport. Coming off a disappointing 2019 season where the boys didn't win a single game, it didn't deter our cohort of boys from wanting to play together again – many for an eighth year!

Cricket (in particular the T20 format), has been a fantastic option for our boys – it has kept the boys in the game. It is fun, everyone gets a go and is not too time consuming. As busy teenagers, playing on a Sunday has also given the boys an opportunity to hang out with old friends and be confident to give their best each week, knowing that no matter the result, they would be encouraged and supported by their team. Their passion and determination has been rewarded this year with a semis spot in the top 4, many personal bests and a couple of club and NSJCA award winners! Of the 12 boys, 8 managed to get a 30 no retirement and everyone took wickets. Best bowling was 5-4, best batting was 54 and there was a massive improvement in fielding across all the boys which won us a couple of games.

The game has also provided a social gathering for the parents – us Mums will miss the weekly catchups (and occasionally watching the game)! Thanks to all our parents who helped out each week whether it be coaching, umpiring, scoring or providing for and manning the weekly BBQ for the boys and siblings. Every parent contributed in many ways to our team this season and gave the boys the environment they loved. Thank You!

With T20 options for club cricket ending at U15, this may well be the last season for the boys together over the year after 8 years since the days of Milo cricket. We hope they all find a niche in social senior cricket and learn to continue playing the game for mateship and having some time out, which delivers so much for many young and old every weekend around the grounds.

U17 Haddin. Coach/Manager : David Brennan

U17 Haddin playing in the 32-over Sunday morning competition on turf, was probably the strongest St Ives team I have had the pleasure to be involved with. Unfortunately, a wet outfield meant that the semi-final against Mosman Border had to be abandoned which put a premature end to our season. However, that is cricket. If the match had gone ahead, I have no doubt the boys would have prevailed and gone on to take the Final.

St Ives District Junior Cricket Club Inc

With the team blessed (or cursed) with seven rep players in the squad, it was sometimes difficult getting a full team of 11 for that tricky period in the weeks before and after the Christmas. A big thank you to the boys from the U15 teams who volunteered to stand-in, and to Brendan Hegarty who was a great help in sourcing players. In total, some 23 players had an innings for U17 Haddin this year.

Playing on turf, and with most of the matches starting at 08h30, winning the toss and bowling first was

always the aim. Haddin's bowling stats were particularly impressive, taking 115 wickets and losing only 68. The core opening bowling attack from Daniel Cornofsky (cpt), Aaron Kerr, and Harrison Hegarty, was well supported by Deshan Malalage, Andre Fourie, Elliot Kerr, Hamish Windybank, Daniel Hoare, Jonathan Cole, Keenan Quan, Troy Sorby, Kieran Brennan and Ronan Brennan. On the batting front, Haddin's batsmen usually hit the required runs with some style, led by opening batsmen Aaron Kerr, Harrison Hegarty, Joshua Newham (WK and vice cpt) and Jack Osborn.

It was great to see the energy and enthusiasm from the boys at all times in the field, and their commitment during training. It was a pleasure to help manage/coach the team. The boys are a great bunch of guys, well mannered, are skilful and competitive, but clearly enjoy each other's company and enjoy playing cricket. With all the pressure from school and competing interests, this is a great positive.

Thanks to all the parents for taking the boys to and from the training sessions and games throughout the season. Without parent involvement there is no team. A special thanks to the core group of parents who volunteered week-in and week-out to umpire and score, and who managed things game day when I was unable to attend during rep season.

The team photo was taken at the Allan Border Oval on the morning of the abandoned semifinal on 8 March 2020. Missing are squad members Angus Loebel, Charlie Anderson, Daniel Hoare, Keenan Quan, Troy Sorby, Trystan Kennedy.

Once again thanks to U17 Haddin for putting in a great performance in the 2019/2020 season. Good luck to everyone in the winter sports season – what is left of it. Hope everyone stays injury free and I hope to see as many as possible of the team participating in next year's competition.

U17 Starc - David Ashton - Manager, Al Copley/Simon Gooderick - Coach

A terrific season played in the right spirit with all of the team building into a solid supportive playing group. The parents were also great contributors by helping out with coaching, scoring and umpiring. Some wonderful highlights, particularly when the boys showed support for their team mates from the sideline and on the field and demonstrated team spirit and sportsmanship. Well done to the team and the families supporting them.

St Ives District Junior Cricket Club Inc

St Ives Junior Cricket Club 2020/21 AGM Meeting

Hassall Park, St Ives

Wednesday 5th August 7.30pm

AGENDA

1. Introduction and Welcome
2. Minutes of 2019/20 Annual General Meeting
3. President's Report
4. Treasurer's Report
5. Constitution review and update
6. Election of Office Bearers for 2020/21
7. General Business
8. Close

St Ives District Junior Cricket Club Inc

**St Ives District Junior Cricket Club Inc
MINUTES of AGM
Held at Hassall Park Clubhouse, St Ives
Sunday 16th June 2019**

<p>Attendees:</p> <p>Mahesh Malalage Katherine Stevenson Will Cheadle Louise Smith Mark Hilton David Lane</p>	<p>Andrew Stevenson Adele Brennan Benson Riddle</p>	<p>Apologies:</p> <p>Steven Bartlett Trent Austin Matt Cole David McKay Simon Gooderick</p>
--	---	--

<p>President Thanks and Welcome</p> <ul style="list-style-type: none"> • Welcome committee to the meeting and thanks to Will C and Peter Winn for completing the Financials for the season for the AGM • Another successful year for the club 	<p>M M</p>
<p>Confirmation of 22nd May 2018 AGM Minutes:</p> <ul style="list-style-type: none"> • William Cheadle moved, and Mark Hilton seconded the 22nd May 2018 AGM minutes to be a true and correct record of the meeting. 	<p>KS</p>
<p>President's Report: The focus for this season 4 areas:- <u>1. Participation and performance</u></p> <ul style="list-style-type: none"> • 600 registrations, including 85 Junior Blaster and 120 Master Blaster players. U17 fielded 2 teams this year (last year there was not a team in the comp). • The parent survey NPS score was 42. Parents generally happy with their experience with the club (8-10 rating). There have been some feedback relating to Master Blasters and middle age groups which will be reviewed and improved this season. 	<p>M M</p>

St Ives District Junior Cricket Club Inc

- Social events held throughout the season draw parents to the club. The event at Nth Turramurra Bowling Club had 90 attendees. Good fun had by all. The SCG events for players continues to be a highlight. The Bartlett McKay trophy game held in January is a great opportunity for parents to enjoy the game of cricket with friends and family. Thanks to Steve B and David McKay for organising this event.
- The Sixers Partnership relationship continues to grow, with more meetings and opportunities being made available. The Sixers logos on the match shirts was a first for a community cricket club. The Sixers joined SIJCC to put on the Season Open Day. Rides and Sixers staff were at HP to provide support for the great start to the season.
- Northern District CC are keen to create a stronger partnership. MM will work with the new president in the 2019/20 to make more inroads on this relationship.
- CNSW has a new Development Officer - Daniel Anderson. He will take over from Cassie Langford. The north shore area has been split into 2. This will greatly benefit SIJCC.
- Facebook likes are now up 325. It was 110 2 seasons ago. Through regular content it is a good way to get families to start the cricket conversation with new players.
- 100 game trophies were introduced this year. MM presented the trophies to players at their games. This was a great way to highlight the loyalty by the player as well as an opportunity to meet families of the club. 75 caps and continued to grow in reverence and are keenly anticipated by players getting into their 70th games

2. Pathways

- Encouraging positive experience through junior to senior age groups.
 - 205 Blasters
 - 27 U17s players
 - 31 reps (U10-16 including shadow players)
 - 2 ND players
 - Stella Campbell was given a Sixers contract this season
 - Chris Green may get an opportunity into the Australian T20 team.
- CA changes to junior formats continued this year. Junior and Master Blasters has a makeover with the new Woolworths sponsor. New coaching format and club shirts were added to the Blaster mix.
- HPS continued this year. U11/12 and U13 groups were established from a skill assessment process. Start dates will be reviewed, possibly to start later in the season.
- 5 teams in U15s this season. Only 2 last year. U17 teams numbers fluctuate as well. Care is being taken to ensure that as many players are retained. Player availability from school sport and rep commitments take their toll on player numbers as well as team dynamics. Focus on how that can be made smoother will be discussed at NSJCA meeting as well as SIJCC Meetings. Parent information about format times per age group needs to be further highlighted to ensure that players do their best to choose the right competition to fit in with their commitments.

3. Coaching

St Ives District Junior Cricket Club Inc

<ul style="list-style-type: none"> • The 2017/18 coaching framework was carried over. Daniel Caldwell unhinged some of the coaching offering due to his unavailability in the second half of the season. Steve B did a great job in finding coaches to fill in for the rest of the season. These coaches Cameron Merchant and Tom Curran are keen to resume their coaching commitment next season. The introduction of U17 players to assist with the Blaster coaching has been a success and will be continued into next season. • David Ford is a great asset in the Junior Blaster format. His steady hand has ensured that the club continues to have depth in the club. • Girls cricket continues to grow. This has been assisted by the free tryouts and the clinics that were available to all girls in the preseason. Growing from 0-3 teams in 2 years has been fantastic. Gabi Lockyer did a great job getting initial interest at the beginning of the season. <p>4. Revenue</p> <ul style="list-style-type: none"> • It has been a great year for the club. Last season the payment of the HP centre wicket upgrade made the club go into \$19K deficit. The club is now in surplus thanks to the \$20K sponsorship deals from the 2 platinum sponsors - 1 Group and Mitchell Asset Management). The contracts for both sponsors will be reviewed next season to ensure that both parties are getting returns from their investment. Both Tal and Godwin were both growing into their roles within the club. Their attendance further enhances their relationships within the club. • There was a general reduction of costs relating to equipment. There is \$85K in the bank. 	
<p>Treasurer's Report:</p> <p>The club has reported a \$20K profit for the 2018/19 season. There is still over \$60K cash in the bank. With no pitch upgrade payment and 2 new sponsors, this has improved the financials this year. Ball costs have been reduced. More balls are being returned by teams. This is due to education by Andrew Stevenson about the cost and use of the balls by players. Uniform stock inventory is valued at \$9k. Efforts need to be made to reduce this. Old style match shirts are valued \$250. These will be sold at the next season day and perhaps donated to charity so they can removed from the financial report.</p> <ul style="list-style-type: none"> • The bar and canteen has a significant reduction in profits. This maybe partly due to mixing the floats between bar/canteen/uniform. A tightening of the process needs to happen 2019/20. • Club sustainability needs to be assessed. Is it 2-3 bad seasons? A formalised buffer should be identified. • A revenue stream for nets refurbishment needs to be identified in a separate account or in the accounts sheet. 	<p>WC</p>

St Ives District Junior Cricket Club Inc

<p>Auditor's Report:</p> <ul style="list-style-type: none">● The auditor (absent) has signed off the club financials for the 2018/19 season and looks forward to the continued association with SIJCC.	
<p>Constitution review and update:</p> <ul style="list-style-type: none">● The SIJCC constitution is being reviewed to reflect statutory requirements and ensure that all GST reporting needs are met.● There are 3 amendments that were raised and voted on at this meeting:-<ul style="list-style-type: none">○ <i>Under Management by Committee 7(f) - A person may hold the office of President for no more than three consecutive years without the approval of the majority of Members to allow an exception to this clause at the Annual General Meeting electing Committee members for the period immediately following any period in which the current President has held that office for three consecutive years. There is no maximum number of terms for which all other Committee members may hold office.</i>○ <i>Under Membership 3(j) - The financial year of the Association shall run from 1 March to 30 June or such other period as is determined by the Committee.</i>● All members of the committee voted on the changes to the constitution and it was unanimous on both changes.● The Office of Fair Trading will be notified of the updates by Will Cheadle (treasurer).	WC

St Ives District Junior Cricket Club Inc

Election of Office Bearers 2019/20 Committee:		
Committee Role	2019/20

Notes to and forming part of the financial statements
For the 13 months ended 31 March 2020

1 Statement of significant accounting policies

The significant policies which have been adopted in the preparation of this financial report are:

a Basis of preparation

The association is a non-reporting entity and the financial report is a special purpose financial report prepared for the committee members and members of the St Ives District Junior Cricket Club Inc. for the purpose of fulfilling the financial reporting requirements of the Associations Incorporation Act 1984. The Financial Statements comply with those Accounting Standards and UIG Consensus Views (if any) deemed necessary by the committee in the circumstances to meet the objectives of the special purpose financial report including:

AASB 101 Presentation of Financial Statements
AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors
AASB 110 Events after Balance Date
AASB 124 Related Party Disclosures
AASB 1031 Materiality
AASB 1048 Interpretation and Application of Standards

They have been prepared from historical cost records and do not take into account changing money values or, except where stated, current valuations of non-current assets. The accounting policies have been consistently applied unless otherwise stated.

It has been determined that it is unnecessary to include a Statement of Cash Flows to meet the objectives of the special purpose financial report.

St Ives District Junior Cricket Club Inc.
ABN 67 932 353 904

Notes to and forming part of the financial statements (continued)
For the 13 months ended 31 March 2020

b Revenue recognition

Membership revenue is recognised in the period to which it relates. Sales of goods are recognised at the time of sale to the customer.

Other income is recognised when received.

c Expenses

Expenses were recorded in the financial statements on an accruals basis so that expenses are matched against income and recognised in the year to which they relate.

d Inventories

Inventories comprise stocks of cricket balls held for future use and club merchandise held for resale. Inventories are valued at the lower of cost and net realisable value.

e Property, plant and equipment

Items of cricket equipment are initially recorded at cost and depreciated over their estimated useful lives.

f Goods and services tax

Expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Accruals are stated inclusive of GST.

St Ives District Junior Cricket Club Inc.
ABN 67 932 353 904

Notes to and forming part of the financial statements (continued)
For the 13 months ended 31 March 2020

2 Statement of change in significant accounting policies

The financial year of the incorporated association was changed from a 28/29 February year-end to a 31 March year-end to better align the association with the end of junior cricket season.

Special Purpose Independent Audit Report
For the 13 months ended 31 March 2020

To the members of St Ives District Junior Cricket Club Inc.

Scope

We have audited the financial report of St Ives District Junior Cricket Club Inc. being a special purpose financial report comprising the statement of financial performance, statement of financial position, accompanying notes and committee members' declaration for the 13 months ending 31 March 2020 as set out on pages 1 to 9.

The association's committee are responsible for the financial report and they have determined that the accounting policies used and described in Note 1 to the financial report and the accounting disclosures contained therein are appropriate to the needs of the members and the Associations Incorporation Act 1984. We have conducted an independent audit of the financial report in order to express an opinion on it to the members.

The financial report has been prepared for distribution to the members for the purpose of fulfilling the requirements of the Associations Incorporation Act 1984. We disclaim any assumption of responsibility for any reliance on this report or on the financial report prepared as a special purpose financial report to which it relates, to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as too present a view which is consistent with our understanding of the association's financial position and the result of its operations.

The audit opinion expressed in this report has been formed on the above basis.
